EAST ORANGE PUBLIC LIBRARY

Dear Class of 2018:

Congratulations on achieving this academic milestone in pursuit of your life goals and dreams.

Thank you for the opportunity to serve and assist you these past two years. It has been an honor.

As you move on to the next chapter of your life, please remember our theme - "Direction Determines Destiny."

You are destined for greatness. You, however, must pursue your dreams and give thoughtful consideration to all of your decisions. When life's disappointments come your way - and unfortunately, they will come - never, ever give up.

My prayer for you can be found in Numbers 6:24-26:

"The Lord bless you and keep you; the Lord make his face shine on you and be gracious to you; the Lord turn his face towards you and give you peace."

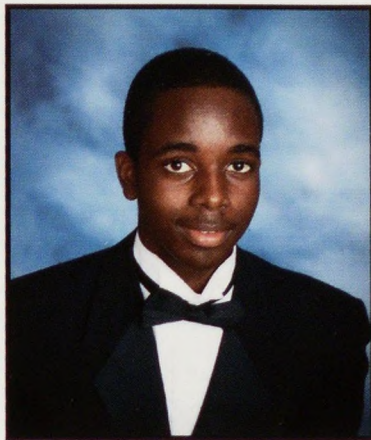

Love and Prayers,
Mr. Thomas

Best of the Best

The students on these pages have worked diligently for four years to achieve academic excellence, and they've finished at the top of their class. In order, these students are:

1. **Adriana Nunez**
2. **Brianylis Tavares**
3. **Jasser Dominguez**
4. **Ayodele Sasona**
5. **Shayra Olan-Hernandez**
6. **Jamilah Stevenson**
7. **Marieli Allen**
8. **Adnan Said**
9. **Maria Edouard**
10. **Yasmine Bonkougou**
11. **Lud Jacques**

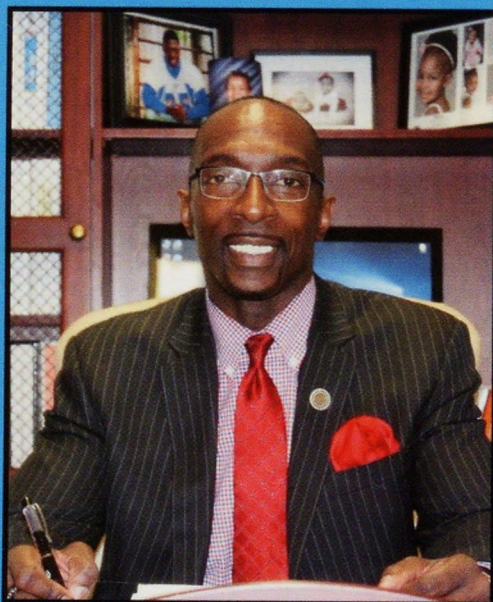

Abdulsaleem Hasan
Principal

As you graduate, remember that the road you take in life will never be easy. It will have ups and downs. Remember that you can conquer any challenge that comes your way. With hard work, commitment, and dedication you will find success in all of your endeavors.

It gives me great pleasure to hand you your diploma on graduation day. It is tangible proof of everything you have worked so hard to accomplish. While graduation is a wonderful day to celebrate the many achievements of your Class, to me, it is also a bittersweet moment as East Orange Campus High School sends you off into a world where we wish you nothing but the best.

This occasion does not mark the completion of your education. In fact, it is merely the beginning. Go out there and be great every day. Learn from everyone who shares your company, and from every experience in which you find yourself. Remember, even though your time as a student may have passed, East Orange Campus High School will always be your home.

Congratulations, and best of luck to the Class of 2018!

Dr. Kevin West
Superintendent

Every job is a self-portrait of the person who did it. Autograph your work with excellence!

Congratulations on the wonderful accomplishment of graduating high school. In your not too distant future, you will look back on the past four years with great satisfaction. Hopefully you have grown academically, socially, emotionally, and spiritually. Hopefully you will continue to grow and become successful and significant adults.

Congratulations from the East Orange Central Administration and the East Orange Board of Education to the graduating Class of 2018. We are proud of you, and may you have the best of luck in your future.

Now, you earn your high school diploma for which you have put in four years of hard work. This high school diploma is a critical key that will help you open many doors of opportunity in your future educational and work life. Try this key into different doors, and you will find out the ones that it successfully opens. When these doors of opportunity are finally open, do not hesitate to enter and settle in to live the best and most fruitful life possible.

Dr. Older Azard, Assistant Principal

"The key to immortality is first living a life worth remembering." - Bruce Lee

Over the past year, I have witnessed the students of East Orange Campus High School exhibit a dynamic combination of academic achievement and extracurricular involvement. Furthermore, our current senior class has displayed a particularly impressive commitment to excellence.

As well-rounded and incredibly motivated students, I believe that the Class of 2018 has boundless offerings they can make to our world beyond high school. I am confident that they have acquired the knowledge, skills, and values to make a significant contribution to the future of our world. It is with this faith and optimism that I wish the East Orange Campus High School Class of 2018 a lifetime of success and happiness!

Debra Boone, Assistant Principal

Jaguar Excellence! We say this at every one of our events. Whether it's an award assembly or sporting event, "Jaguar Excellence" exudes from our students, faculty, and community stakeholders alike. "Excellence" can be partially defined as an outstanding feature of quality. The East Orange Campus High School community strives to make this a reality every day.

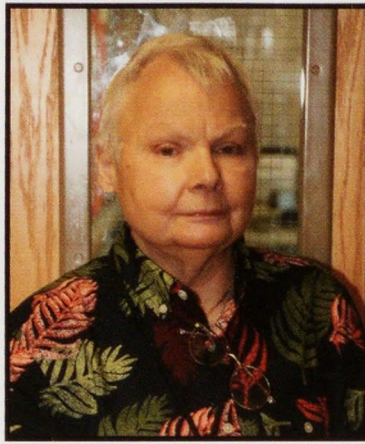

Knowledge is the key to success. As our students reach high to attain their goals, we continue to support them in their endeavors and push them to become life-long learners. As you embark on your journey to adulthood, be sure to practice the skills and traits attained throughout these pivotal years at the Campus. With a clear vision and perseverance, anything you set your mind to will be possible. Remember, success is based on your ability to recognize choice, rather than succumbing to your circumstance. You will always be a part of the Jaguar family.

Fall Sports

The Jaguar football team finished the year with an overall record of 6 and 4. They went 4-2 in their league and advanced to the state playoffs, where they were knocked off in the first round by Elizabeth. The Jaguars redeemed themselves with a resounding win against Barringer during the annual Thanksgiving day game. They shut Barringer out and won 21-0.

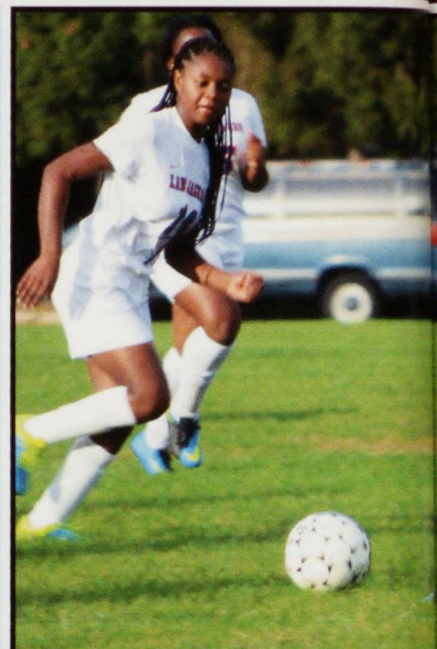

The Jaguars fielded a girls soccer team for the second season in a row. They continued to improve, notching victories over Newark Central, Technology, and North 13th Street.

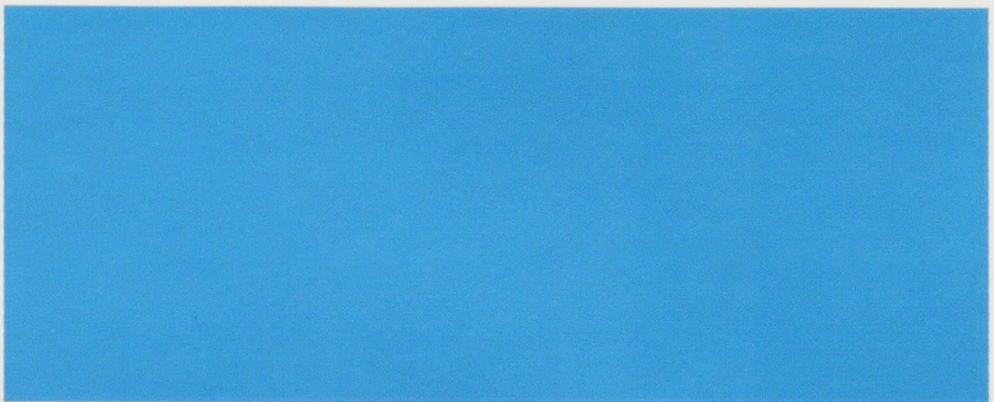

The Jaguar girls volleyball team finished with an impressive 14 and 5 record. They advanced to the third round of the Essex County tournament, and they also qualified for the state tournament. Irianah Robinson and Jamilah Stevenson were recognized as members of the Colonial Division First Team.

The Jaguars also competed in boys soccer and cross country during the fall season. The cheerleaders and the marching band did their best to rile up the crowd at the football games.

“
 Success is no accident. It is
 hard work, perseverance,
 learning, studying, sacrifice
 and, most of all, love of
 what you are doing or
 learning to do.
 - Pele
 ”

“

Today I will do what
others won't, so
tomorrow I can
accomplish what
others can't.

- Jerry Rice

”

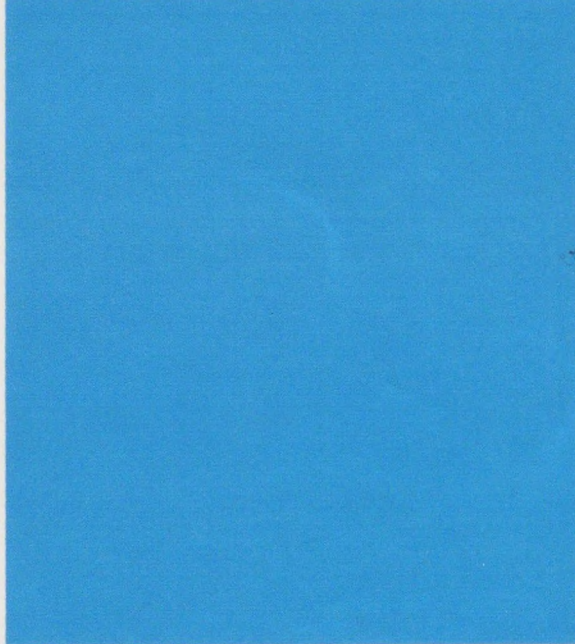

Winter Sports

The Jaguar boys track team had an amazing year, beginning with the indoor track season. They were champions at the Essex County Relays and the regular Essex County Tournament. They went on to win the Group 4 Championship, and at the Meet of Champs they won the 4x400m relay.

The Jaguar girls basketball team finished 11-11 overall and had a winning record in their conference. They advanced to the quarterfinals of the Essex County tournament, but they lost by one point in a close game with Montclair Immaculate. They also qualified for the state tournament, but they were knocked out early by Franklin.

The winter season also featured the boys basketball team and the wrestling team, while the cheerleaders were on hand to encourage the basketball teams.

“

I've missed more than 9,000 shots in my career. I've lost almost 300 games. 26 times, I've been trusted to take the game winning shot and missed. I've failed over and over and over again in my life. And that is why I succeed.

”

- Michael Jordan

“

You can't control what the other athlete is going to do; you can't control anything except for your competition and how you execute the race or how you execute the task.

- Michael Johnson

”

Spring Sports

The Jaguar boys track team continued its statewide dominance into the spring season. They placed second in the Essex County Relays and first at the Essex County Championships. They repeated as Champions at state tournament. Most impressively, the boys 4x400m relay team qualified for the Championship of America event at Penn Relays, and they ran the fastest time for an American school in that final. The girls track team also won accolades of their own, including Kevaray Gilette's gold medal in the North 2 Group 4 400m hurdles.

The Jaguar baseball team had a great year, too. They finished 10 and 6 overall, with a 10-2 record in the SEC Independence league. This strong finish put them in first place and earned them the Independence division championship. They also qualified for the state tournament, but they were knocked out in the first round by Westfield.

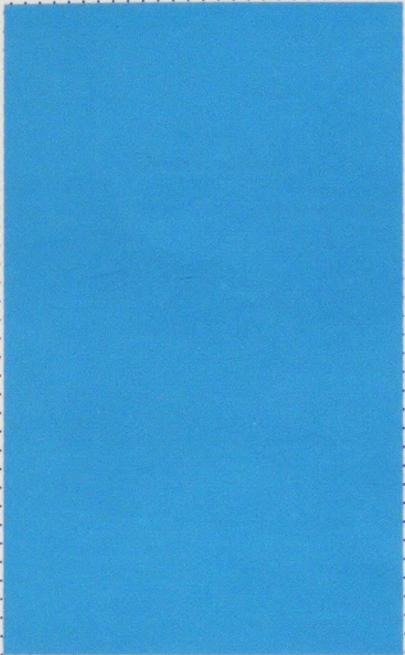

The Jaguar softball team was only a step behind, finishing out another successful season. Their overall record was 13 and 9, but their 11-4 record in the SEC Independence League put them in second place behind North 13th Street. They also qualified for the state tournament and lost early to Phillipsburg.

The Jaguar boys volleyball team, pictured here, rounded out the spring sports season.

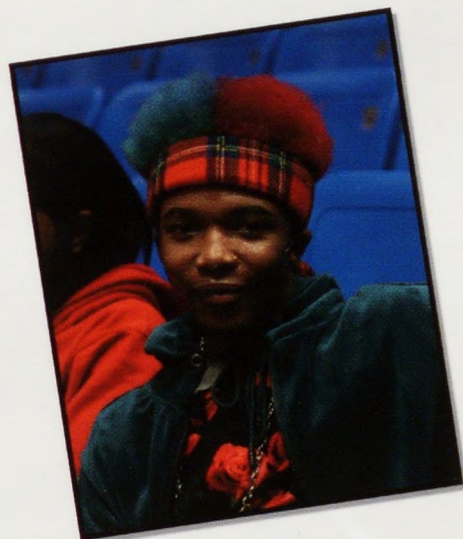

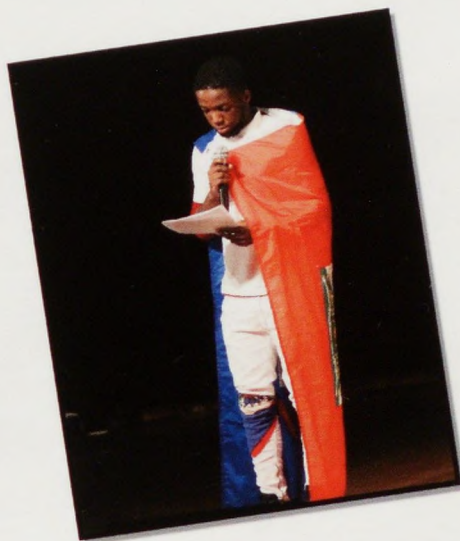

“
Life is not a spectator sport. If you're going to spend your whole life in the grandstand just watching what goes on, in my opinion you're wasting your life.
- Jackie Robinson
”

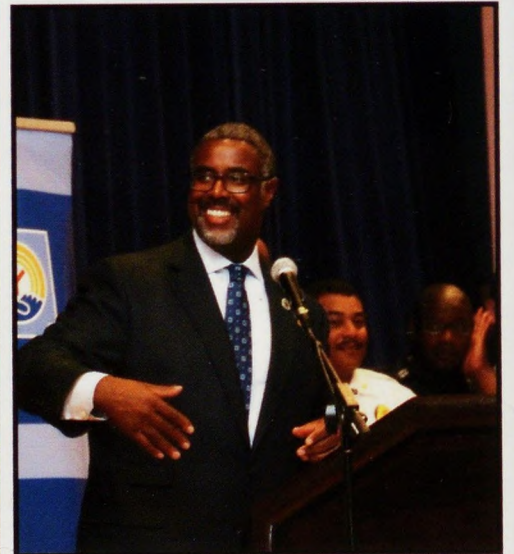

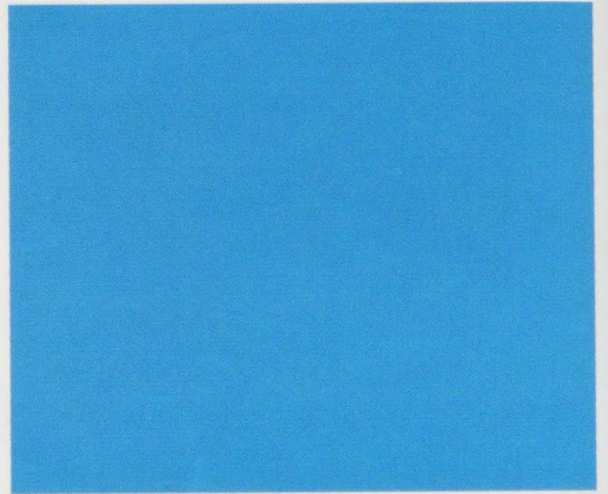

Events And Student Life

Mayor Taylor's Press Conference

In October, the United Way hosted its "Fight for Healthy Kids" 5k run and walk. Mayor Lester Taylor joined the United Way for a press conference at Campus High to promote the upcoming event, and the city sponsored students who wanted to participate. Members of the East Orange Department of Public Safety and Department of Recreation also joined in the announcement and supported the effort. The 5k run took place at Paul Robeson Stadium in East Orange.

United Way

“

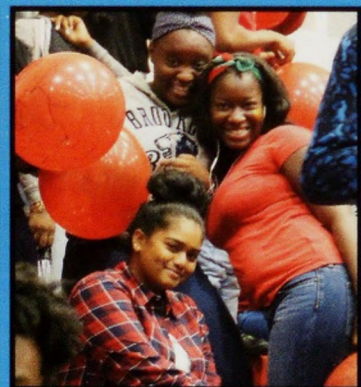

Exercise makes me feel good. It gives me energy, you know? There's something about exercise that gets your heart pumping and the blood running that actually makes me feel better.

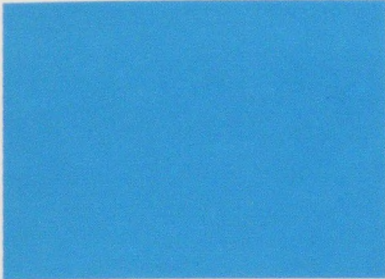

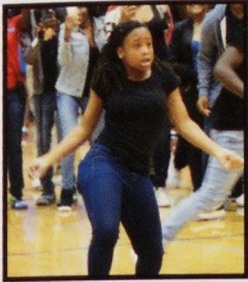

- Michelle Obama

Fall Pep Rally

Latin Dance Program

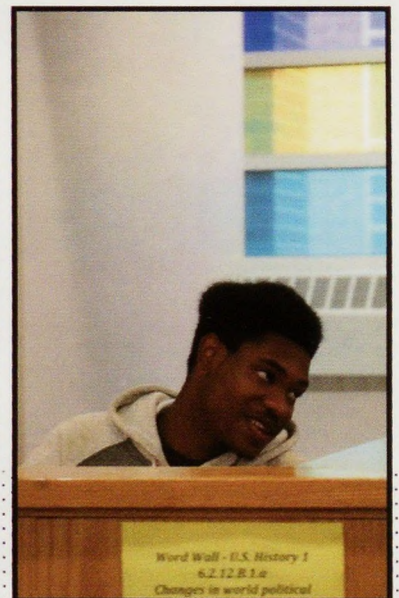

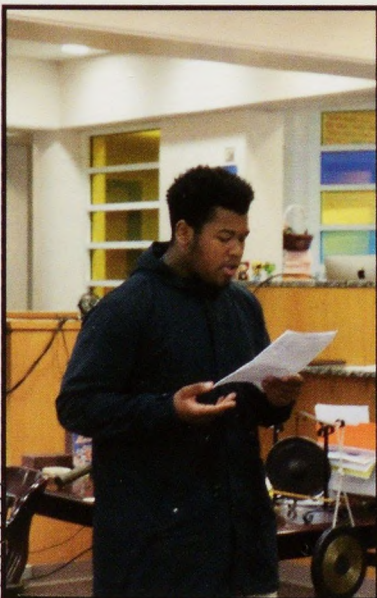

He's Not Dead!

Mrs. Drummond's senior class learned that Grendel, the main character of a novel they read, had faked his own death and had now been caught by the authorities! Their job was to either prosecute or defend him in a court-like setting amongst their peers.

Students used their creativity and argumentative skills to construct a strong case for or against him. Students incorporated textual evidence, character witnesses, and props to help in building their cases. Mr. Ozello's class of jurors evaluated each case and declared a winner.

The People vs. Grendel

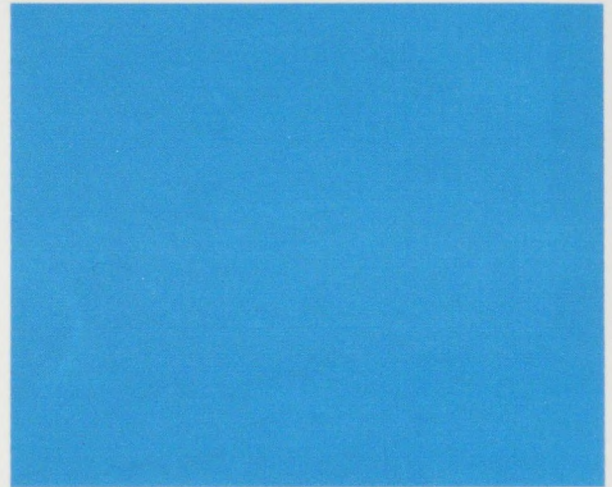

Campus Stands With Pink

In honor of National Breast Cancer Awareness Month, the Student Government Association was proud to host the "I Stand with Pink Day" that allowed students and staff to show their support for the cause.

Students from various clubs within the school, along with their advisors, stood in solidarity by recreating the symbolic ribbon symbol while holding pink balloons. This stance and support was captured in an aerial view picture by a drone flown by Mr. Mudurah.

Pink Out!

Kwanzaa Celebration

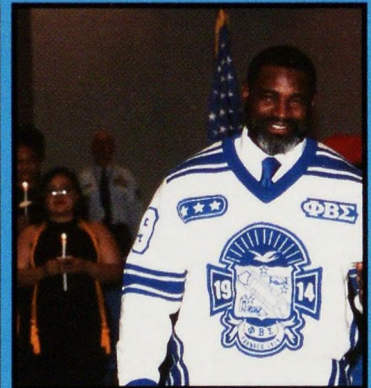

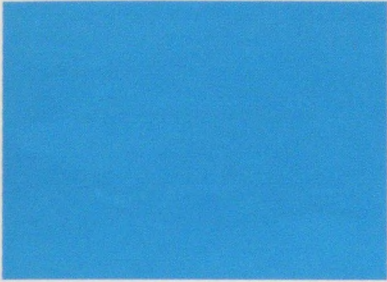

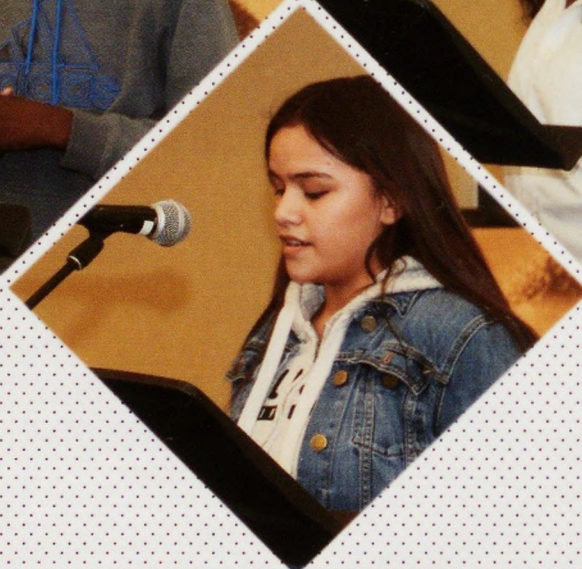

National Honor Society

Every year, a select group of students are inducted into the National Honor Society. These students have demonstrated a commitment to scholarship and service. The graduating seniors, dressed in black, conduct the induction ceremony for the new inductees. As members, these students are expected to be leaders in the school community and to regularly participate in community service opportunities.

“ There comes a time when one must take a position that is neither safe nor politic nor popular, but he must take it because his conscience tells him it is right.

- Dr. Martin Luther King, Jr.

”

Oratorical Contest

East Orange Campus High School students put their public speaking skills to the test in several oratorical contests. Throughout the year, the social studies department organized competitions where students competed to speak on topics related to Native American History, Women's History, and African American History. The winners were judged by members of the faculty and staff, and they were recognized at the Jaguar Achievement awards ceremony.

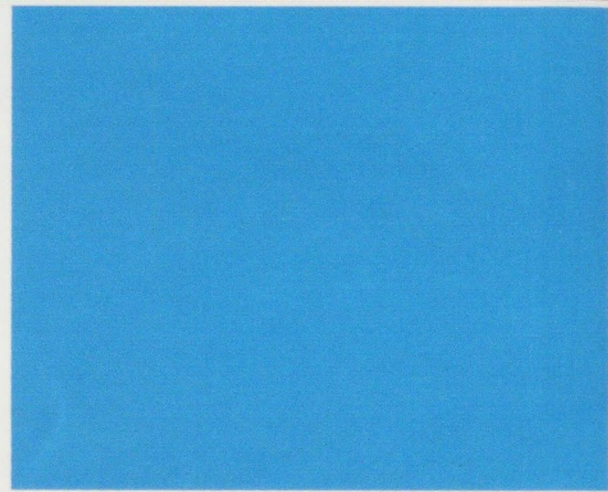

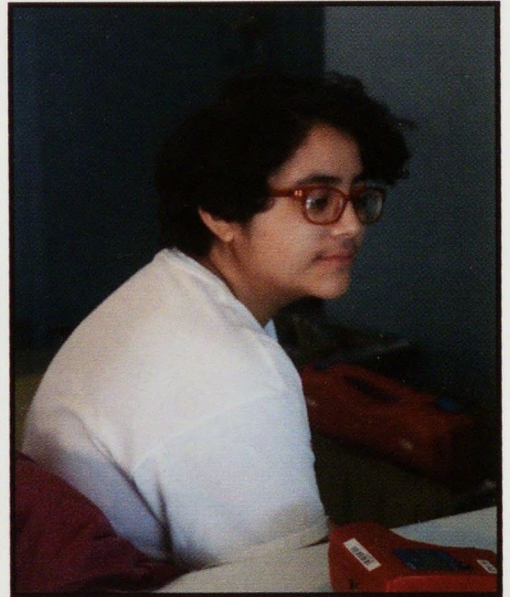

Students and Staff Participate in Annual Blood Drive

Since 2008, Campus High School has hosted an annual blood drive to give students and staff an opportunity to participate in the life-saving activity of blood donation. A few dozen students came down to the auditorium in January to donate, and many more are planning on coming back for the second blood drive in the spring.

Students from the National Honor Society helped Mr. Rock organize the blood drive. They recruited students in the weeks leading up to the blood drive and helped facilitate the sign in process on the day of.

Blood Drive

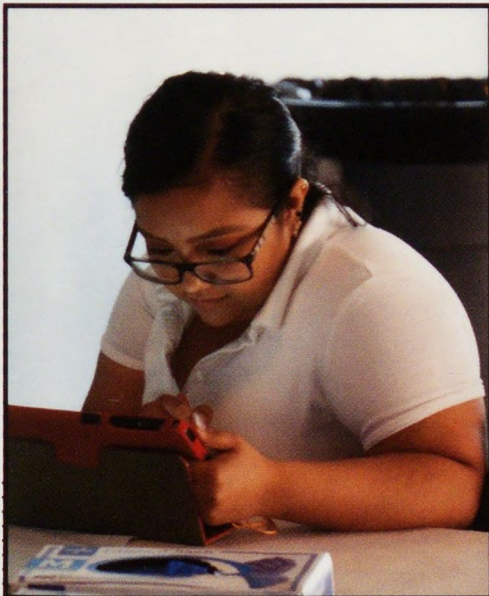

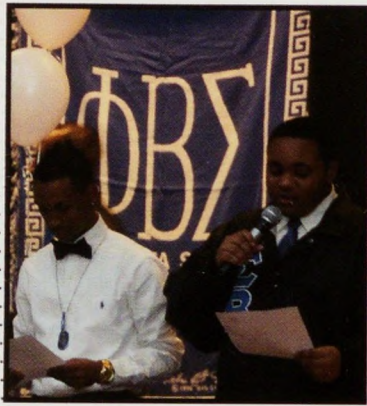

“

- Leighton Meester

”

Sigma Beta Club

The Sigma Beta Club was established in 1950 by the national voting body of Phi Beta Sigma Fraternity, Inc. Under the direction of Bro. Dr. Parlett L. Moore, while serving as National Education Director, the Sigma Beta Club was founded. The program provides positive role models and enrichment activities to young men who face many difficult circumstances in the communities in which they live. It develops wholesome values, leadership skills, educational achievement, community service, and civic engagement in these young men and assists them in becoming effective leaders of tomorrow.

Sigma Beta Club offers a unique opportunity to develop values, leadership skills and social/cultural awareness in our youth during their developmental years. The programs are geared to meet the needs of its members but at the same time provide them with a well-rounded outlook that is needed to cope with today's society. Phi Beta Sigma is confident that investing in our youth today will produce the effective leaders we need for tomorrow.

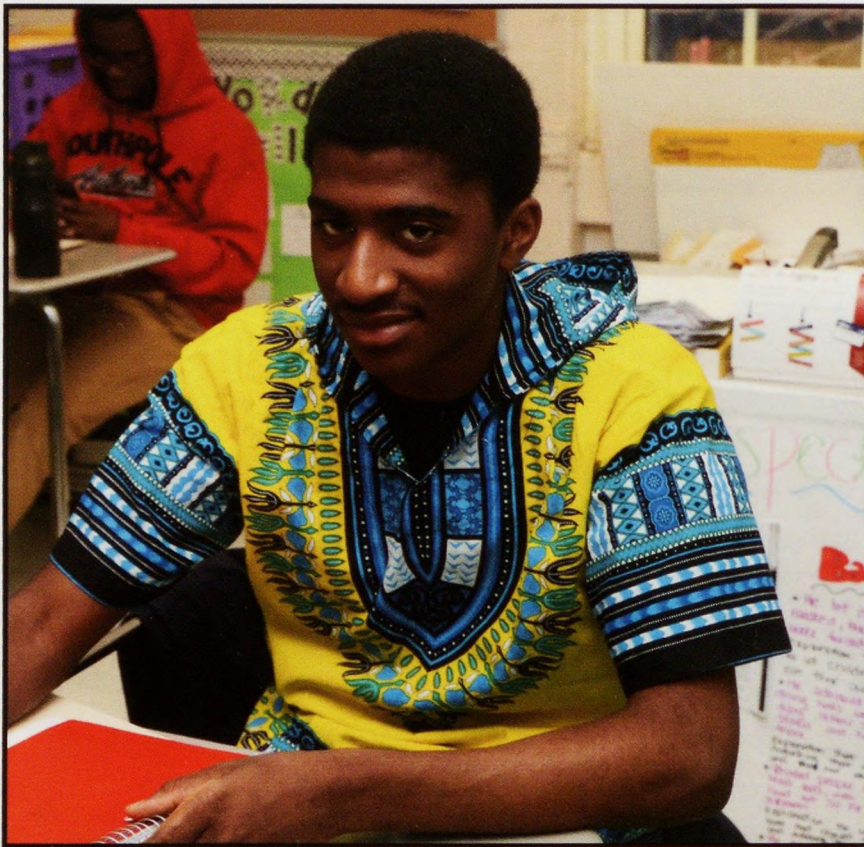

In February, Dr. Kevin R West, a Distinguished Service Chapter member of Phi Beta Sigma Fraternity, Inc., established the East Orange Sigma Beta Club by inducting over 75 young men. The Male Mentoring Program sponsored by Chi Sigma Chapter of Phi Beta Sigma Fraternity, Inc.'s Northern NJ Alumni boasts the largest Sigma Beta induction ceremony in New Jersey history. With the assistance of several advisors, including Principal Abdulsaleem Hasan and Assistant Principal Damein Phoenix, Dr. West worked tirelessly to assist these young men with their development into manhood. The club is comprised of students from Cicely Tyson, Fresh Start Academy, Stem Academy, and East Orange Campus High School. Justin Green, a senior at EOCHS, serves as the first President of the newly established club.

Readers Are Leaders: A Night in Wakanda

Mrs. Jaquez and her students organized a "Readers are Leaders" event at the East Orange Public Library. The event was themed after the movie Black Panther, and it was titled, "A Night in Wakanda."

The room in the library was full to capacity with young children and their parents, as well as students and faculty from Campus. Student performers danced on stage, and other students took turns reading children's books. A group of students led "Question Time" and asked the children questions about the stories that they had heard. Mrs. Pullins served as the MC for the event.

At the end of the evening, every child who attended was allowed to take home a book of their choice. The books and refreshments for the event were made possible by a grant through the East Orange Education Association and the NJEA.

TEAM EFFORT

Putting together a yearbook requires hours of hard work and dedication. The yearbook crew often stayed late for school and sporting events, and they gave up their free periods to take photos and work on the layout.

Congratulations on graduating. Your senior year is an experience to remember - and we hope that as you look through this yearbook you are reminded of all the good times we had together at East Orange Campus High School.

Best of luck in your future,
- The Yearbook Club
