## FOREWORD

★ *As the United States enters its third year of war, it becomes increasingly apparent that the way to Allied victory lies through all-out production of war goods and through drastic civilian economies. All fields of human endeavor have been curtailed by the military situation. The SYLLABUS has, therefore, in the economies obvious in the book and in its motif, "Geared to Victory," endeavored to show how fully East Orange High School has become a necessary cog in the gears of that machine created to bring ultimate success to the Allies.*

## DEDICATION

★ To Mr. Lewis B. Knight, in sincere appreciation for his sympathetic understanding of each student's vocational problems and his painstaking help in solving them, the Class of 1944 dedicates this issue of the SYLLABUS. In his capacity as Director of Vocational Placement he has inspired confidence in employers as well as in the students themselves by his care in selecting for each position a student who had the necessary abilities and aptitudes, and for each student who came to him, a position that would give the largest possible measure of success and personal happiness.

# PRESENTATION

★ *To the members of the East Orange High School Faculty and the members of the Class of 1944 now in the armed services of the United States, the SYLLABUS Board presents this issue of the yearbook with the hope that our own efforts on the home front will not, in comparison to theirs, be found wanting, and that, wherever they may be, our sincerest good wishes for their speedy return will help to make the days to victory seem less weary and more hopeful.*

## *Members of the Class of 1944 – Greetings:*

★ The theme of your yearbook, "Geared To Victory," is appropriate not only to the year of your graduation; it will serve also as a life-long slogan. This year you have uppermost in your minds the victory of your country and its allies over the enemies of mankind. For the long future may you be geared to the victory in the continuous battle for the freedom of opportunity for all here and abroad.

For more than half of your high school careers you have been influenced in your studies, activities, and services by the needs of a nation in total war. To this challenge you have responded so as to strengthen the noble East Orange High tradition. Virtually all of you have been motivated by love of country to do a more thorough job in the mastery of your studies and in becoming responsible citizens. Your services to the local defense organizations, selective service boards, the War Price and Rationing Board, the Red Cross, and local business and industry have been generous and indispensable.

Your contributions to the Junior Red Cross have brought wide recognition because of both their extent and their high quality. The record of war stamps and bonds purchased places your school among the leaders. In these and other meritorious activities your class has been truly a leader.

Soon you will be active participants in what is now called the postwar period. The earnest thinking of numerous adult groups, representing all aspects of our national life, gives reason to believe that this will be a period of great opportunity for you. Among all our people there is a deep conviction that opportunities to work must and will be available. You will be expected to make genuine contributions toward the solution of many problems. Possessed of a dynamic faith in the future of your country, determined to improve constantly your competency as a citizen, a worker, and a person, you can face the future with strong courage and high hopes.

Faithfully yours,

*Galen Jones*

# Class History

★ In September, 1940, the doors of East Orange High School were opened to a class of green and slightly scared freshmen, not yet dry behind the ears. We admired the blasé and nonchalant attitude of the upper classmen, and with gullibility accepted their confusing directions. (Some of us are still hunting for the fourth-floor elevator and are wondering whether our tickets for the spots on the gymnasium floor have remained valid.) Finally we adjusted ourselves to the swiftly running tide of people and, albeit with some difficulty, learned the "ropes." That fall we watched the much admired Panthers battle the Big Blue of Barringer to a 0-0 deadlock, the first of a string of three ties.

The dramatic season was a huge success, coming forth with the fine and entertaining productions of *Ruddigore* and *What a Life*. Our first year in East Orange High School saw the passing away of Mr. Grosenbaugh. Though not many of us were fortunate enough to know him personally, we all knew of his contribution to the life of our school; and the entire freshman class was deeply grieved by his death.

The fast moving year drew to a close, and with our ambitions heightening, we began, somewhat prematurely, to look forward to the day when we should hold the highly esteemed and admired position of seniors.

Can it be so? That we are sophomores? (The "wise fools," so the Greeks say.) Through hard work and difficult study, we emerged worthy of taking our place among the "wise." No longer were we mere freshmen, but now confident — maybe over-confident — and haughty upperclassmen.

Our school life showed changes also. More of us began to take an active part in the various

extra-curricula activities, especially in student government and sports. We made one momentous break in precedent when we duly and deservedly elected as our president Jackie Martine, the first class president to hail from the "weaker sex." We again tied Barringer, ending a mediocre football season.

After Pearl Harbor, school took on a new aspect. We grew grimmer in our determination to train ourselves for a better world in the future. Many of us were quick to realize the emergency, and immediately answered the call for Civilian Defense positions and Red Cross work. We all joined in the drives for the purchase of War Bonds and Stamps.

That year saw the retirement of Mr. Ralph E. Files, whom we were all sorry to see leave. This same year we watched many of our beloved seniors leave for the armed forces, and were ourselves disturbed because we were too young to go. But vacation employment offered one way by which we could do our bit; and so many of us took jobs in stores and factories, or on farms to help in food production.

Autumn of 1942 found the class triumphantly entering the portals of E. O. H. S. as fully established juniors, ready to occupy the seats of upperclassmen in the assemblies. We joined in welcoming our new principal, Dr. Galen Jones, who came to us from Plainfield.

This year Edgar Lindstrom, Louis Faust, and Margaret Jones, as president, vice-president, and secretary, respectively, of the G. O., guided the destinies of the student body. Our own guides were Jackie Martine, re-elected president; Tom Richards, vice-president; and Betty Hoile, secretary, all of whom did brilliant work. Dr. Jones took active part in the assembly programs, frequently by giving profitable and informative talks to both sections of the student body. Special courses relating to the war and to pre-induction training became a recognized part of the courses of study, and added emphasis was given to all work in the departments of physical education.

The dramatic department scored another triumph with Noel Coward's *I'll Leave It To You*. The mighty Panthers finished their season undefeated, tied only by Barringer, and

gained the Group IV title. And this year we helped to make Jeep Week a huge success. Our service flag was dedicated with 7 gold stars which helped to bring before us the closeness of the war and its stern reality.

Although we had to take aptitude tests (and some of us did very well, too), the end of our third year was enlivened by the annual Grad Dance given by the senior class. The saddest event was the departure of some of our number for the armed forces.

Finally seniors, we felt that we were completely dry behind the ears now, and so for a time managed to hold our prestige with the entering class, even though we knew that the novelty would soon wear off. This year the G. O. has been governed by Charles Coons, president; Donald LaMon, vice-president; and Betty Hoile, secretary. The class officers, holding office in the same order, have been Leonard Daum, Morton Henshell, and Eleanor Lincoln.

This fall a new schedule was put into effect: six longer periods took the place of the pre-

vious seven. So far it is hard to say which is the better. The Red and Blue football team came under a new coach, Mr. Herbert Cochran, replacing Mr. Shotwell, now of the U. S. Navy. On the whole, the Panthers did not enjoy a good season; but on Thanksgiving Day they rose nobly to the occasion and smothered Barringer, 32-2. The school received temporary possession of a beautiful bronze trophy donated by the "Old Guard" in honor of Mr. Grosenbaugh of East Orange and Mr. Stearns of Barringer. This trophy should create a new tradition, as it is to be kept each year by the team winning that year's game.

The many wartime restrictions have made it necessary to write this history earlier in the senior year than usual, and so some significant events have had to be omitted. The Junior-Senior Prom and the Grad Dance have been planned for as usual, but before June it is probable that many of the older boys will have been called to the colors. All of us feel that sad and difficult days lie ahead; and that for many, graduation in June will mark the end of carefree and happy days for many months.

## *The Student Council*

★ The Student Council was headed this year, as always, by the G. O. officers: Charles Coons, president; Donald LaMon, vice-president; and Betty Hoile, secretary.

The Council began the year by making the usual routine appointments. First, two representatives from each of the three upper classes were chosen to serve on the council. Some new members were placed on the Social Committee and new C. P.'s were voted in. The Safety Council was made a separate organization as well and now plays a prominent part in the school affairs. The up-and-down stairway system reinstated this year, proved more successful than in its first year. On November 19, the main officers attended an All-State Council Convention at New Jersey College for Women, where they obtained many new ideas on school government.

Another task of the G. O. is to keep the service flag up to date.

This year the members voted to raise the price of the SYLLABUS slightly because war conditions warranted a higher price.

The class Council was organized for the discussion of school problems. Each Wednesday the home rooms have discussed a definite problem, on which two representatives from each room have reported the conclusions from the room, and then discussions on how to remedy any unsatisfactory conditions have followed.

## *Social Committee*

★ This year the social committee consisted of Robert Twiss (chairman), Tom Felgar, Elliot Hague, Mary Scranton, and Betty McManus—with Miss Ellen Leinonen as the new social activities director. The committee provided three dances instead of the customary two.

The December Hop with its Christmas atmosphere proved to be a festive wind-up for the football squad and friends who attended the football banquet. Our former principal, Mr. Ralph E. Files, also Dr. and Mrs. Jones and Mr. and Mrs. Albion Hart, were our guests. Larry Tobia and his orchestra furnished sweet swing music.

The Junior-Senior Prom drew a record crowd. All enjoyed dancing to the music of Don Price and his orchestra in a gymnasium transformed into a veritable ballroom decorated in the school colors. All reports indicated that the Prom was a great success.

The last social event of the school year was the Grad Dance held on the evening of May 13th. It was a colorful party with a splendid turnout. Credit for this and the earlier functions is due the committees who so ably performed their duties.

## Vocational School Group

★ The Vocational School has proved itself an institution worthy of much praise, for it is here that students may find the opportunity to become trained in the use of the various types of calculating and book-keeping machines. This takes on an added importance when we realize that under wartime conditions there is a great demand for people with these skills.

The course is open only to those seniors who have had one year of typing. Those who elect the course attend classes at the High School until noon, when the school bus takes them to the Vocational School, where they remain until 3:15.

The students who attain a high speed in their work receive not only a diploma but also a certificate of proficiency. Each year the group organizes itself as a club; this year Alvin Freeman was elected president of the group, with Joan Fontana as vice-president and Antoinette Tobia as secretary.

Most of the students intend to follow this line of work after graduation, and we wish them success in this growing field.

# ... Musical

★ Under the able direction of Mr. Herald A. Jones, the Glee Clubs and Choirs have successfully completed another year. They have given us many enjoyable assembly programs and evening concerts. On December 16th they presented in collaboration with the Speech and Dramatics department their Christmas Concert. The Boys' and Girls' Quartets provided some unusual musical arrangements of popular pieces in an assembly where they sang such favorites as *Paper Doll*, *O What a Beautiful Morning*, and *Its the Little Things That Count*.

The East Orange High School Orchestra, under C. Paul Herfurth's direction, has supplied the students and faculty with many entertaining programs. They have played for us during assemblies and also at evening concerts, the best of which was the annual Concert with Scott High School. Our band and orchestra combined with those of Scott, and though they had rehearsals separately, they sounded like one complete unit. The conductor, Mr. Her-

furth, also holds Saturday morning classes where those interested in music may come for instruction.

The East Orange High School Band has brought to a close another year of success. It has raised the spirit of every student with its stirring arrangements of the school songs. Though absent from a few football games this year, when present, it showed the boys on the field that the school was behind them 100%. At pep rallies it revived school spirit and eager enthusiasm to win. These are things which almost every student has seen manifested in the faces of his fellow-students, but what few students realize is that these songs were arranged by the conductor of the band himself. Mr. C. Paul Herfurth arranges most of the music the band plays, as well as composes marches and other patriotic songs. He spends long hours of rehearsal with our band, and the result is always worth the effort. Memorable this year was the annual Orchestra-Band Concert given with Scott High School, which furnished excellent entertainment for all who had the pleasure of attending.

## The News

★ Under the able leadership of Joseph Schlig, and with the very competent help of the entire business staff and the reporters, the East Orange High School *News* this year has not only kept up the high standards set for it by past years, but it has attained new heights of glory.

This year the *News* boasts the largest circulation in the history of its existence. There has not been quite the same pressing problem of funds, for the paper has made out very well on the financial end. By means of donations from the student body, the *News* has even been able to send subscriptions to 300 boys and girls in the services, who have written enthusiastic letters praising this action and telling how very much they have enjoyed getting the news of the school and their old friends. This activity of the *News* is much to be commended.

## Soccer

★ As soccer time rolled around this fall, Coach Stanley Griffin counted his lettermen and was overwhelmed to find that he had but one player back, Peter ("Chick") Araneo, freshman star of the superior 1942 team, who was the captain this year.

After filling ten positions with inexperienced men, the booters who wear the red and blue won two games while dropping seven. Six of these were lost by the narrow margin of a single point.

The Panthers started the season by whipping Montclair, 3-2, and Verona, 1-0. Verona was supposed to be the first opponent, but the game was postponed because of rain; and hence it was played after Montclair had been nosed out 3-2.

Montclair started the scoring early in the first half when Barney Hoisington dribbled one past the fullbacks and shot it past Ready. The Panthers tied it up, how-

ever, when Fred Cardillo headed one past the uprights a few minutes later. Cardillo soon gave East Orange the lead as he took a pass from Araneo and booted it past the Montclair goalie. In the last half, Ambrose Donahue got off a corner kick that appeared to be caught by the Mounties' goalie, but Mike Metrione rushed him, and it was good. Hoisington scored again for Montclair, but that was not enough.

The Panthers had a bit of luck against Verona and made the most of it to win 1-0. Early in the first half, Ambrose Donahue took a pass from Bill Kirbas from 20 yards out and sent a nice shot straight for the uprights. It appeared to be an easy stop for Verona's goalie, Dennacola, but he muffed it and the Panthers won.

Chatham was East Orange's next opponent, and they disposed of the Panthers by a 3-0 count. We became the third of their ten straight victories. After Harrison had whitewashed E. O. 3-0, the next six games were dropped by the Red and Blue Booters by the score of 1-0. The other two contests were lost by a 2-1 score.

## Football

★ Disabled ships limp, vanquished warriors slink, and wounded dogs howl, but East Orange's battered and belligerent football team did not quite know when it had reached its capacity for the absorption of punishment. For some strange reason beyond analysis, there was more fight in the Panthers during the Barringer game than they had shown all the season. Up to that game the Red and Blue football squad had tied two games, lost six, but had failed to win even one.

It is customary, when writing for a yearbook, to start at the beginning of a season and follow it to the end. This year, however, the season has been disappointing. If you look at this book ten years from now, you will want to know more about the one game that was won than about the other eight; therefore the Barringer game will be considered first.

As the Panthers entered the game, they were fighting not only for their first victory, but also for a beautiful bronze trophy donated by Barringer-East Orange "Old-timers" in memory of Royal A. Grosenbaugh of East Orange and "Pop" Stearns of Barringer. East Orange won both, and in addition moved one step nearer to evening up the forty-seven game series by blasting the Big Blue, 32-2.

A Barringer fumble which was recovered by La Ferrara on the Blue 36-yard line led to our first touch-

down. A 15-yard penalty helped to move the ball to the 6-yard line, where Acocella went over in two tries. This was the start of the 32 to 2 runaway, which is the third highest score in the series.

An Acocella-to-Garnecky pass which put the ball on the Barringer 12-yard line set the stage for the second score by Alex Lowe as he skirted right end from the 3-yard line. Acocella also had a hand in the third score as he passed to Tony La Ferrara who, on a sensational catch, ran the remaining ten yards for a touchdown. Before Frank threw the pass, however, Tony had recovered his second fumble on the Barringer 32-yard line. It was on the first down that Acocella threw the pass.

East Orange received the second half kick-off on its 30-yard line. The players were guilty of clipping, however, and set back to the 1-yard line. Rees tried to kick from the end zone, but a high center forced him to step outside when kicking, and Barringer had 2 points. Passes, Acocella to Garnecky and Rees to La Ferrara, both good for touchdowns, made the final score read East Orange 32, Barringer 2.

Cranford opened our season for the eighth straight year, and although they have only won one, they held the Panthers to a scoreless tie. The chief reason for this surprise was the fact that three of East Orange's

stars were sidelined by injuries. Bill Conover, Frank Acocella, and Artie Rees were the three who were injured in a scrimmage against Scott.

The Panthers, under the guidance of the new coach, Herb Cochrane, were using an entirely new system which was strange to them. As you all remember, the huddle was omitted. With the exception of La Ferrara, the line was made up of all inexperienced men. They did not open the holes as they should, and our "scat" backs, Garnecky, Lowe, and Mitchell, lacked the needed drive and weight to score; the half stopped one on the 5-yard line, and Cranford stopped the other on the 7.

Paced by the colorful, swivel-hipped Jim Bowie, West Side scored on the first play in the game, added three more touchdowns, and walked off with a 26-7 victory. It was West Side's second victory and East Orange's first setback. Ed Kenefick raced 65 yards for the first score, but from that point on it was Bowie's field day as he added 19 points in the first three quarters. The big colored flash was a problem that the Panther defense could not solve. A pass, Lowe to Costley, gave East Orange the ball on West Side's 25-yard line. Lowe circled right end for our only score.

A two-yard plunge by Bob Milone of West Orange with less than two minutes to play, gave West Orange a 7-0 victory over the Panthers. It was their first since 1940. A fumble by Ed Garnecky which was recovered on our 47-yard line by West Orange, led to the score. On a wide end run, Mathesias was stopped

on the 15-yard line; Horn bucked to the 4; East Orange held; but a penalty gave the Cowboys a first down on the 3-yard line. Horn went to the 2-yard line, and Milone went over with but 75 seconds to play.

The fading minutes of the Irvington contest saw a determined Camper outfit come from behind, score and add the extra point to gain a 13-13 tie. Playing his first game since he was injured, Frank Acocella threw two touchdown passes, one to Costley and the other to Garnecky.

A powerful Montclair juggernaut led by Jim MacGurk, Bob Fletcher, and Bob Iliff handed East Orange its third defeat by 21-0 count. The Panthers put up a stiff battle and managed to hold the Mounties to only 7 points in the first half. Their heavy line and bruising backs, however, wore the Panthers down in the second half, but before they were sure of victory, they had to fight hard.

Two passes, one of 13 yards to Dick Dahl in the end zone and another of 15 yards to Howie Clauberg, gave Nutley a 13-0 win over East Orange. Both aeriels were thrown by Nutley's star, Lou Peccarelli. It was our fourth defeat.

The last half drives of both Orange and Columbia proved too much for our Panthers, as they went down to their fifth and sixth defeats by 13-6 and 14-13 scores. The 32-2 win over Barringer on Thanksgiving Day, however, brought down the curtain on East Orange's second war season.

## Fencing

★ While the East Orange basketball squad was the main attraction of the winter sports season, the fencing team kept plugging along without much publicity. At the time this book went to press, the team had won a total of four matches while dropping only three. This year's team has Paul Dolid, Marvin Keller, and Bob Misowitz as its three top fencers, with Bob Misowitz as the captain.

The opening match this year found the Panthers pitted against a weak South Side club over which they had little trouble in winning. The score was 6 to 3 as Misowitz, Dolid, and Keller teamed to win the first six bouts. Misowitz opened the season for both schools as he defeated South Side's No. 1 man, Lou Dichner, 5-4. Dolid came from behind to beat Harry Schachtman, 5-4, and Keller managed to defeat Vinne Surdi by the

same count. Misowitz stopped Schachtman; Dolid, Surdi; and Keller topped Schwartz for the other three victories.

East Orange racked up their second victory as they managed to nose out Lincoln by a 5 to 4 count. Dolid and Misowitz teamed up again with two victories apiece while Keller won the other bout. Little John Goldman was the spearhead of the Lincoln attack, as he won all three of his bouts.

Goldman won the first bout, Dolid the second, Funston of Lincoln the third, and Goldman the fourth. This made the score read 3 to 1 in favor of Lincoln. East Orange rallied to tie the score as Keller and Misowitz won their bouts. Goldman won his third, and Misowitz tied it up at four all. Paul Dolid won the bout as he defeated Joe Funston, 5 to 4.

With Mat DeCicco leading the way, by winning three bouts, Central handed the Panthers their first loss by a score of 6 to 3. Keller, Misowitz, and Dolid all won one match. Victory number three was won at the expense of Bloomfield by a 6 to 3 count. The Panthers' other victory was Bloomfield, which they defeated by a score of 5-4.

Their other two defeats were suffered at the hands of Lincoln and Barringer. The scores were 5 to 4 and 5 to 4. The team had scheduled four more games, the results of which could not be included.

Seated: L. Abbott, R. Honeker, S. Lackaye, W. Ready, J. Dyer, F. Acocella, G. Grant. Standing: J. West, L. Roberts, G. Ringhof, R. Bell, E. Miller, J. Crispano, E. Banta, Mr. Griffin (coach).

## Basketball

★ East Orange's powerful basketball quintet was heralded at the beginning of the season as one of the superior teams in Essex County. The Panthers justified this claim since they have won twelve out of fourteen of their regular scheduled games, being defeated only by Weequahic and Montclair by very close margins.

With Bill Ready and Sam Lackaye leading the way, gathering 19 and 18 points respectively, the team opened their '44 season by defeating Nutley, 67 to 37. This victory launched the Panthers on a seven-game winning streak. Columbia and Orange fell before the mighty warriors who wear the red and blue, 48-23 and 34-26. They then met Irvington, their first real opposition, and disposed of them, 39-32. Ready and Lackaye again led the scoring, with Joe Dyer in action for this first game. They easily conquered Nutley a second time, 43-27.

The next opponent was Montclair, which rated very high in the Essex County League. Griff and his talented five subdued the Mounties with surprising ease, 38-27. Joe Dyer and Dick Honeker combined to score 26 of the total points. East Orange walked off with a 35-14 victory over Harrison and came to the end of its winning streak.

The Weequahic game found the Panthers without moral support, while the Indians' three best operatives were working smoothly. In the last few seconds of

play the score was a 49 deadlock when Feins of Weequahic broke away to score two points, thus defeating East Orange, 51-49. The next week the Panthers played Orange again and defeated them, as before, 38-22.

The quintet next journeyed to Montclair, only to be beaten by one point, 33-32. After this defeat, they swamped West Orange, 57-35, and Columbia again, 40-28, thus winning the mythical Inter-Oranges title for the second straight year. Next they defeated Bloomfield, 35-23, and West Orange again, 42-25.

In an Infantile Paralysis Benefit game at Seton Hall sponsored by the Newark *Star Ledger*, the Panthers' juggernaut won their 13th game, as they beat a highly talented Kearny outfit that had scored over 1,000 points in twenty-two games. With this 29-23 victory the Red and Blue Five proved their superiority. Joe Dyer was high scorer with 12 points. Belleville defeated Weequahic earlier in the evening, 24-22. The benefit was a huge success with every seat in the house taken. The unscheduled game on March 3 with Verona resulted in a score of 75-34 in favor of East Orange. This is the highest score an East Orange Five has attained in years.

The Panthers entered the 1944 State Tournament, but as the book had to go to press earlier than usual, the results of the Tournament could not be included.

First Row: F. Nappi, C. Mosso, V. Fucci, F. Acocella. Second Row: D. Sofman, R. Ward, C. Allen, M. Tortoriello, A. Rees.

## Baseball 1943

★ Hampered by the fact that only three lettermen returned from last year's team, and lacking a field on which to drill a good squad efficiently, Coach Stanley Griffen's baseball team wound up the '43 season by winning three and losing four games.

The opening game with East Side was postponed from April 30th to May 5th because of rain, but the Panthers started off on

the right foot by blasting East Side 4-0. The fine pitching of Laurin Kahn, who scattered nine hits over the full route, was the highlight of the day.

A game with Bloomfield was called off because of rain after E. O. was ahead by four runs at the end of four full innings of play.

The Panthers were held to three hits until the sixth inning, when they gathered four runs in fast order. Araneo led off by doubling to left, Mosso followed with a sharp single to right, Araneo stopping at third. Rees then doubled both of them home, advanced to third on

a balk, and strolled home as Fucci singled to right. Fucci took second as the throw went home, third as Acocella flied deep to center, and scored as Tsairis singled.

Two days later East Orange played host to Irvington, and was beaten by Irvington's three-run uprising in the fifth inning. Two walks, two hits, and an error led to the Panther's downfall.

A shaky start by Kahn in the Columbia game put the Red and Blue baseball squad behind by one run, a run they never could catch up with. East Orange's only real threat came in the fifth inning, when, with two outs, Tortoriello singled, Rees doubled, placing men on second and third. Fucci then walloped one that seemed headed for greener pastures, but a great catch by Roellke saved the day for the Gems.

A week later, East Orange traveled to Columbia and made up for the other loss by whipping them 7 to 5 in 14 innings. Going into the 14th inning, the score was knotted at 3-all. Three walks and three singles gave us a 4-run lead, which melted to two as Smith homered with one on. Anderson, however, put the side down without a further score.

East Orange's third victory was at the expense of West Side, our last game. We won in the tenth as Nappi, Torrey, and Fucci all singled in succession.

## Track 1943

★ Led by their co-captains, George Bender and Ed Woisard, the East Orange High School track team hung up their spikes after winning three meets and losing two.

In the Montclair Invitation Meet the team totaled fourteen points to take fourth place. After Ed Woisard took the only East Orange first at Montclair by winning the 440, the Panthers won their first meet. In the State Meet our three representatives could manage to capture only one point and so finished sixteenth.

The Panthers lost their first dual meet to Thomas Jefferson by a score of 63 to 45. It was the Jeff's fifth consecutive victory and our first meet. Leading the unsuccessful attack for the Panthers were George Bender and Ed Woisard, who gathered 21 of the team's 45 points.

Surprising as it may seem, the Panthers took six firsts and tied for two more. Bender took a first in the javelin and discus, while Woisard took firsts in the 440 and the high jump. Howard Lundgren took first in the pole vault, and Sam Griggs in the 100-yard low hurdles. Morton Henshell tied for first in the 100-yard dash, and Al Norman tied for first in the broad jump.

The Weequahic win started the Red and Blue tracksters moving, however, since they proceeded to beat West Orange and Irvington in a triangular meet, and then West Side. They nosed out Weequahic to win by a 38-34 count. Woisard again led the Panthers with ten points.

Two entire events were dominated by East Orange: they were the 440 and the high jump. Both of these were the only firsts we took, but the rest of the team backed these points up by capturing second and third.

At the triangular meet Bender and Woisard took three firsts, and in the West Side meet Sam Griggs took three firsts. These were the only times during the year that such a feat had been accomplished.

The season was highly successful, however, since several new stars were uncovered.

## Tennis 1943

★ Bringing down the curtain on a glorious 1942 season which saw the football team share a co-championship, the soccer team lose only one game while winning seven, the basketball team win twelve while dropping four (one to Belleville in the tournament), the East Orange tennis team completed a good season by winning seven and losing three meets. Important in helping the team to its victories were Lou Faust, its captain, and Lynn Abbott, sophomore sensation who defeated everybody he was matched against. Lynn missed the second West Orange contest, but otherwise his record was the best. Other members of the team were William Childs, William Ready, Joseph Clark, Allen Burr, Lee Prochazka, and Bross Davey.

Rainy weather forced the opening game against West Orange and the second one to be postponed for a week. Instead, East Orange opened its season against a tough Montclair squad, which handed the Panthers their first defeat, 3-2. Lou Faust and Lynn Abbott got the Panthers' only points by defeating their respective opponents. Faust beat Brud Dixon 6-4, 3-6, 7-5, while Abbott started his unbeaten string by beating Ted Boutney 6-4, 6-4. The postponed games with West Orange and Bloomfield were played next; and they started East Orange's five-game winning streak.

The Panthers started by defeating West Orange, 4-1. Faust had an easy time beating Haase of West Orange in straight sets 6-1, 6-1. Abbott had a harder time beating Oспенson, but he came through by 6-4, 10-8

counts. Bloomfield and West Side were both defeated 5-0. Abbott and Faust both made it three straight by whipping their opposition. Faust was out during the West Side contest, but Abbott kept his streak going by stopping Mal Mooney 6-3, 6-4.

Barringer and West Orange fell at the hands of the Panther netsters by scores of 4-1 and 3-2. Abbott made it five straight by beating Ryan of Barringer, 7-5, 6-2. The West Orange contest found both Panther stars sidelined by colds, so Bill Childs and the double teams of Clark-Burr, and Childs-Prochazka carried on by winning hands down.

Irvington managed to stop the Panther streak by defeating them, 3-2. Abbott, however, continued his streak by whipping Grubel, 6-1, 6-2. Weequahic became our sixth victory, 3-2. Faust was back after a long lay-off and lost a tough one, 4-6, 8-6, and 13-15. As usual, Abbott won. Montclair handed the Panthers their third loss, and the season closed with a 5-0 win over Bloomfield.

*First Row:* R. Pennstrom, K. Boedecker, G. Williges. *Second Row:* Mr. P. Bowden, J. Vaselli, J. Howard, E. Miller, H. Mason, E. Harris.

## Cross Country

★ This year, because of Mr. Norman E. Whitten's enlistment in the Ski Troops, Mr. Benatre at first abandoned the idea of having a cross-country team. Through the efforts of Ken Boedecker, however, a team was organized and was at first coached by Mr. Frank Davis, who later gave it up because of his work as coach of the J. V. football team. Mr. Paul Bowden then took over the team.

The first meet was run against St. Benedict's, in which they captured the first three places as well as the fifth, sixth, and seventh places, thus defeating the Panthers, 17-38. Bob Pennstrom finished fourth in this meet, and first for East Orange.

Barringer, next on the schedule, captured the first four places and so handed East Orange its second loss, 18-37. Pennstrom, placing fifth, was again the first Panther to finish.

Central handed the Red and Blue Harriers their third and most decisive loss by a 15-40 count. East Orange, however, ended its losing streak by winning over Good Counsel, 18-37. Bob Pennstrom covered the 2½ mile

course at Branch Brook in 15:36 to win his first race. George Williges was close at his heels and finished a few yards behind him. A Good Counsel runner came in a third, and following him were James Howard, Howard Mason, Ken Boedecker, and Ed Miller, all of East Orange.

Kearny, by placing men in the first four slots, handed East Orange its fourth defeat, 20-35. Headed by George Williges, who finished fifth, the Panthers captured the last six places.

Irvington fell by a 21-34 score for the second East Orange victory. Williges crossed the finish line first in the fast time of 15:07; Pennstrom was second; 50 yards behind him Lester of Irvington finished third, with Howard and Vaselli of E. O. a close fourth and fifth. Mountain Lakes, by virtue of taking the first four places, closed the season for East Orange by defeating the team, 16-39.

## Girls' Athletic Association

★ The Girls' Athletic Association is composed of all girls who participate in the extra-curricula activities sponsored by the Physical Education Department. The officers of the Association this year are Audrey Braunsdorff, president; Florence Pierrez, vice-president; Molly Bettcher, secretary; and Betty McManus, hostess. The Athletic Board members are the officers and those girls who have been elected captains or managers of the extra-curricula activities.

Chevrons are awarded for attending at least half of the number of meetings of each activity. After a girl has five chevrons, she is given the E. O. For the completion of each subsequent set of chevrons, a star is added to

the letter. These awards are given twice a year at a large Association meeting.

Inter-school games are not emphasized, but class games are usually played against teams from Clifford J. Scott High School.

The Association, in cooperation with the Boys' Association and the Student Council, sponsors the New Student Party at the beginning of each year. A work project for the year is also undertaken by the members, this year the knitting of sweaters for refugee babies. The G. A. A. closes its activities with the election of officers and the awarding of chevrons, and then holds a picnic as a pleasant climax.

# *All Out for Victory!*

**I**n these challenging days, requiring the utmost effort of every one of us to bring a complete victory to our country and a lasting peace to the world, the educational front—like the battle front and the production front—plays a vital role.

The year book today has a new and powerful motif: to reflect the school in war time.

Likewise, the year book today has a richer meaning than ever before: it is engraved with memories of friends and classmates who will be setting forth to all the fronts.

You rightfully expect a year book that will hold a proud place in the annals of your school, and for these reasons we dedicate our trained skills, our modern plant, and our experienced services to the fulfillment of your most discriminating requirements.
