# Dedication

WHEN THE SOUND OF THE LAST WHISTLE split the air to end the fiftieth consecutive gridiron struggle between East Orange and Barringer High Schools, it was a victorious Panther team which carried its coach off the field.

Coach George Shotwell is well on his way to establishing himself as one of East Orange High School's legendary football heroes. His name will rank with such an illustrious one as Royal A. Grosenbaugh. Mr. Shotwell personifies true sportsmanship at its best. He commands the respect and friendship of his team, of the students, and of the faculty. We have indeed been privileged to have a man such as Mr. Shotwell as our grid mentor. To Mr. Shotwell and his assistant, Edward Lewis, we owe a debt of gratitude.

After having been graduated from high school, Coach Shotwell entered Pittsburgh University on a baseball scholarship, where he immediately developed into a stellar football player. Playing the pivot slot with a gallant Pitt eleven which encountered a superior Trojan team in the Rose Bowl game of 1933, Mr. Shotwell performed magnificently. In 1934 he was a unanimous choice for the mythical All-American team, his name appearing on the selection of the famed Grantland Rice, whose selections are "law" to the sports world.

In 1938, after years of coaching football and teaching history at Hazelton, where he had secured a position upon graduation from Pittsburgh University, Mr. Shotwell came to East Orange. His name will long be revered at Hazelton, however, for there he developed such stars as Joe Andrejco and George

Cheverko, who later became Fordham's famous "touchdown twins".

In 1939 Mr. Shotwell produced his first championship team, while only three years later he repeated this feat. In 1943 Mr. Shotwell responded to his country's call to arms and entered the service as an officer in the Navy's physical fitness program. He was stationed in the Athens, Georgia, Preflight School until last year, when he returned to teach modern history and again develop a team of championship merit.

Mr. Shotwell's capable assistant, Edward Lewis, deserves much credit for the numerous victories chalked up by the football team. Going about his job in a completely unselfish and unheralded manner, he won the respect and admiration of all who served under him.

Upon graduation from high school, Mr. Lewis attended the University of Pennsylvania, where he participated in such sports as football and basketball. He received three letters for service to the football team, and finally was awarded a trophy for being the best blocking back to play for Pennsylvania up to that time. In addition to these awards, he also received the Chester Minds Scholarship for his superior scholarship, athletic ability, and cooperation.

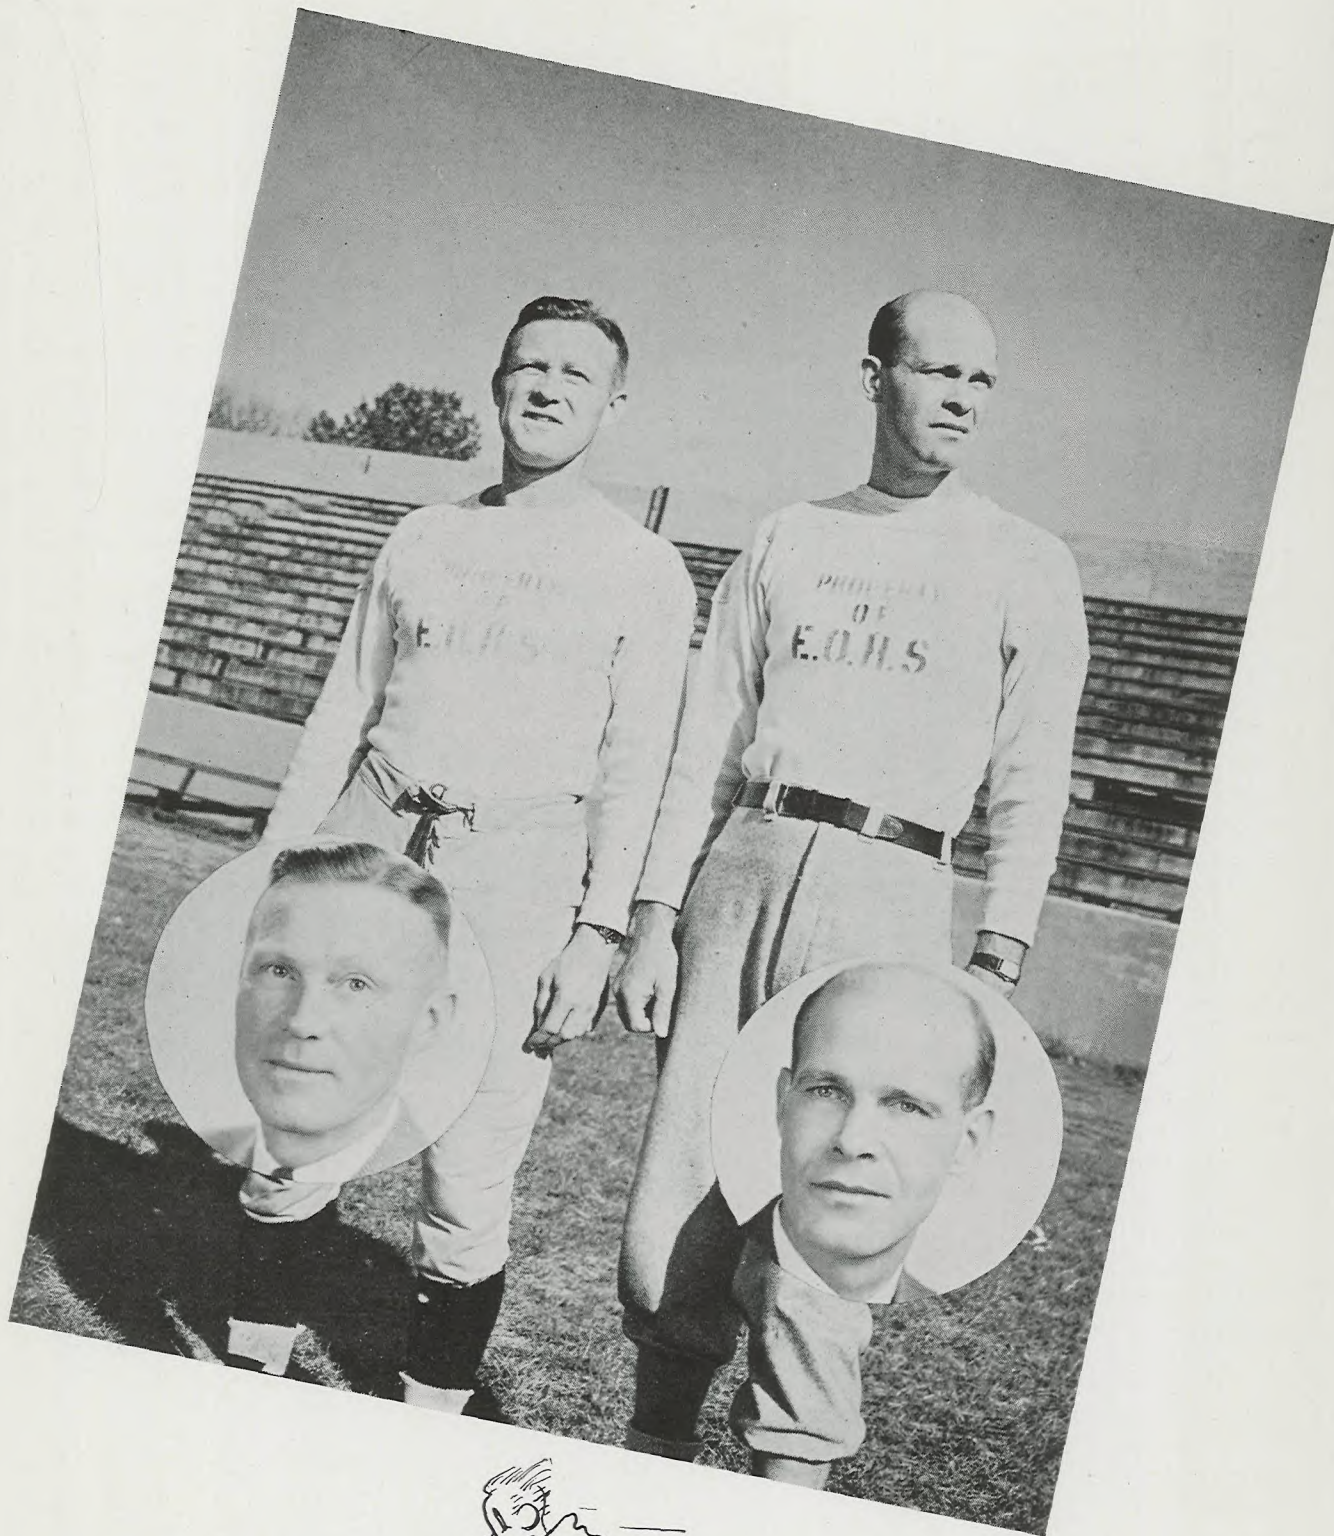

Previous to his coming to East Orange, Mr. Lewis held the position of Director of Athletics at Scotch Plains, where he was in charge of the general athletic program and the football, basketball, and track teams.

In 1936 Mr. Lewis assumed his present position in the Department of Physical Education. Because of the valuable experience gained in the backfield of the football team of the University of Pennsylvania, he was in charge of this year's promising backfield, and, as was proved many times by his boys, he did a magnificent job.

To these two men we gratefully dedicate our SYLLABUS. We hope that East Orange High School will be graced with their presence for many years to come.

# Fifty Years of Football Rivalry

ON AN AUTUMN DAY IN 1897 two high school football teams clashed in what was thought of as an innocent gridiron contest. Little did these early participants realize that their first skirmish would be the keystone of one of the oldest and friendliest high school rivalries this country has seen. For fifty consecutive years Barringer High School and East Orange High have met on the gridiron. Of the fifty games played since 1897, Barringer has emerged victorious in twenty-three, East Orange, in twenty-one, and six have resulted in ties.

Barringer was triumphant in the first encounter, 6-0, when the Blue was known as Newark High School. The East Orange team won the two following games in 1898, 11-0, and in 1899, 11-6. Newark won the game that was played in the new century to the tune of 23-0. In 1901, however, Captain Munn's East Orange squad defeated Newark, which then became Barringer, 17-0, but in 1902 the Barringer eleven bounced back from defeat to top the Red and Blue gridders, 12-0.

A heavy Barringer squad downed the East Orange eleven, 21-0, in 1903. Captain Meeker led the East Orange gridders, while Van Zile played the entire second half of the contest with two sprained ankles. In 1904 East Orange bounced back to trounce the Barringer squad 34-0, as Morris scored two touchdowns and three conversions and Captain Reiter made some fine tackles. The game won the New Jersey Inter-Scholastic Championship for the Red and Blue gridders. In 1905 Barringer avenged its previous loss, 50-0. The enormous score was no reflection on our boys, as they were out-weighted by older and more experienced players. The East Orange 22-4 victory in 1906 gave the eleven another championship. Outstanding were Johnston, Loder, and Creede.

The first game played on Thanksgiving Day was won by East Orange, 4-0, and netted the squad its second successive championship in 1907. Captain Wilder's absence was ably filled by William "Butts" Underhill. Three thousand spectators witnessed the East Orange 5-0 triumph in 1908 on a rain-soaked field.

Captain Elmer K. Whiteman led the East Orange gridders in the fourth successive triumph over Barringer in 1909, 22-6. It was the first time the Newark team had crossed the East Orange goal in four years.

Barringer was victorious in 1910, the first victory since 1905, 16-0. Captain Wells led the East Orange team. On Thanksgiving Day of 1911, a great crowd at Ashland Field saw a heavier Barringer squad held to a 0-0 tie. Switzer made a hundred-yard run, but it was nullified. Captain Switzer went on to lead the East Orange team to victory in 1912, 6-3. By winning the game the East Orange squad also gained the New Jersey and New York Inter-Scholastic Championships.

In 1913 the East Orange team came from behind to defeat the Blue 19-13, on two long runs by Bloss in the fourth period. The East Orange line was outstanding. East Orange then defeated Barringer, 3-0, in 1914 in a very close contest. Luany Lequin drop kicked the ball over the posts in the last four minutes to win for East Orange.

Barringer earned the league championship by defeating East Orange, 16-3, in 1915 in a decisive contest. Captain Abbott's squad, although out-weighted, was decidedly faster than the Blue squad. Under the pouring rain in 1916 the Barringer squad defeated East Orange, 9-0. Again in 1917 Barringer was victorious, defeating East Orange, 17-9.

In 1918 the East Orange squad saw victory, 10-7, as Scriggins was the star for East Orange with his line plunging and kicking. Eleven thousand people saw Barringer down East Orange in 1919, 29-7. It was the first loss of the season for the East Orangers, and the first time that an opponent had crossed the East Orange goal that year.

East Orange and Barringer played to a 7-7 tie in 1920, as the favored Blue squad was met by a stubborn E. O. team led by Bassett and Hershey; however, in 1921 the East Orangers crushed the Blue, 14-6. The supremacy of Coach Grosenbaugh's eleven was decidedly revealed.

# East Orange vs. Barringer

The Barringer team won a close game in 1922, 7-3. The East Orange team was captained by Fueshel. In the following year Leigh Owen and Ed Tropp were outstanding for East Orange, although the East Orange team was beaten, 20-7. Again in 1924 Barringer copped a 14-13 victory over Captain Owen's previously undefeated eleven. Other E. O. stars were Odell, Clark, and Oswald. 1925 saw the Big Blue hand the East Orange squad a 19-18 defeat before 20,000 spectators at Newark Stadium. Blackmor, Powell, and Wolf played best for the losers. Captain Oswald of East Orange was outstanding in the 14-3 defeat handed his squad by the Blue team of 1926. Barringer won its sixth straight victory over East Orange, 20-7. Jones, Doedleman, Steffens, and Captain Weinzier were the East Orange stars on the muddy gridiron in 1927.

In 1928 East Orange won its first victory in six years, as Gil Jones's drop kick and Schroeder's safety gave the East Orange team a 5-0 victory. The Big Blue again bowed to East Orange, 13-7, in 1929 and Captain Moe Frankel's gridders were victorious before 15,000 spectators.

The following year Barringer came back to crush Captain David Burke's East Orange eleven and marred a successful Red and Blue season by trouncing the Panthers, 32-2. In the 1931 game East Orange ripped a Barringer squad, 32-7, as Captain Weisgerber's passing dominated the contest. Led by Captain Lloyd Foley in 1932 an outclassed East Orange eleven bowed to a stronger Barringer squad.

In 1933 Coach John A. Spear's East Orange squad lost a 7-6 squeaker to the Blue, while Barringer again trounced the Panthers, 26-7, in 1934, in spite of excellent playing by Evans, Plain, and Schanck.

In 1935 the East Orange squad led by Captain Fred Schrade obtained the first victory in three years by defeating Barringer, 19-12. An East Orange squad led by Norm Hansen, Len DeHaven, and Captain Ted Fitch was defeated by Barringer, 6-0. Dargin recovered a bad East Orange center over the goal for the Blue's only score.

Captain Dave Healey's 1937 East Orange eleven held a favored Big Blue squad to a 0-0 tie. In 1938 the East Orange gridders, led by Coach George Shotwell and Captain Fred Brown, handed Barringer a 13-6 defeat, while co-captains Matt Mauriello and Bob Duffy led the East Orange squad to a 14-0 win over the Blue in 1939.

East Orange and Barringer battled to a scoreless tie in 1940. The Red and Blue gridders were led by Captain Ed Eisenberg, Frank Greco, and Jack O'Donnell. The East Orange squad was tied for the second successive season, as Johnny Saylor, Carl Mosso, and Jack O'Donnell were outstanding for the Panthers. In 1942 the Panthers were again tied, this time 7-7, as Carl Mosso and Ed Lindstrom, co-captains, along with Jack Filan, played outstanding games. East Orange broke the series of ties by trouncing the Blue, 32-2, led by co-captains Tony LaFerrera and Len Daum in 1943.

Barringer scored her first victory in eight years, as the Blue downed East Orange, 13-6. The Panthers were led by co-captains Sam Griggs and Scotty Tortoriello. In 1945 the Blue triumphed again, trouncing the Panthers, 25-14. The stars for East Orange were co-captains Al Norman and Doug Musler.

The final chapter to the first fifty years of rivalry came on Thanksgiving Day, 1946, when a power-laden East Orange squad romped over the unsuspecting Barringer eleven, 34-7. The teams were rated about even before the game, but an aggressive Panther line, coupled with a string of fast backs, gave the Red and Blue gridders a well-deserved win. Glenn Toner scored the first Panther touchdown, plunging over from the one-yard stripe. Bob Schneidenbach tied the score, going over from the two for the Blue. After that, however, it was a completely Red and Blue variety show. Cliff Kenlein scored twice on passes, Odell Rolling dashed sixty-two yards for another, while Ray Brueno plunged through center thirty yards for the fifth. Brueno and John Colella scored one point-after-touchdown apiece, while Red Hemmer kicked two through the uprights.

Now for the next fifty years!

*★ In this fiftieth year of the rivalry between Barringer and East Orange High School it is appropriate that the Class of 1947 should dedicate its yearbook to the theme of football. Friendship and mutual respect of coaches, students, alumni, and administrative staffs of both schools have kept the athletic relations of the two schools on a high plane of sportsmanship. The roster of those who have had a part in making this rivalry a friendly tie for both schools is a long one. The names of Royal A. Grosenbaugh, Wayland E. Stearns, Ralph E. Files, Chief Brodhead, and Dr. Lawrence O'Crowley immediately come to mind. The "Old Guard," an informal organization of players on the Barringer and East Orange teams of twenty-five and more years ago, does much to perpetuate friendship among alumni and to encourage the continuance of good relations between the two schools.*

*It is my earnest hope that the good fortune of this season's team fore-shadows the good fortune in life of every member of the Class of 1947. You have my sincerest best wishes.*

LEWIS B. KNIGHT.  
Principal, East Orange High School

*★ Fifty years of friendly interscholastic rivalry represents a record achievement. The contest on Thanksgiving Day was so nearly perfect that we hope it will serve as a pattern of good sportsmanship and superb performance for another half century.*

*It is interesting to note how fond are the recollections and how crystal clear are the memories of man when associated with whole-hearted effort and a task well done.*

*★ Every pupil, every graduate and everyone interested in democracy looks with pride at the way East Orange High School and Barringer High School have lived together for fifty years. We have played together in fine sportsmanship in every athletic activity. The major activity has been football. Each of us has always played his best and has played to win. Victory was only one of our objectives. The Old Guard typifies the spirit of unity which has no equal. All of us who have had the high privilege of being associated with the players of today as well as with the players of former years realize the fine manhood which has been developed. The number of players participating in these games is small in proportion to those of us who support our teams. We as well as the players have profited greatly from this fine relationship which exists between East Orange and Barringer. I know it is the wish of all of us that we will live to see the Centennial Game and will look forward to the perpetuation of this relationship as long as both schools exist.*

*Listen my children  
And you shall hear,  
The story of our  
Freshman year.*

IT SEEMS THAT FROM THE VERY BEGINNING our class has been different. By some act of fate we even escaped the traditional pranks played on freshmen. We acted as any freshman class would act, but we sensed that we were destined to experience new things—and we did. For the first time the school was on the six-period-day-plan. We soon overcame our shyness, and the freshman party helped us to become better acquainted with one another. By the time the Red Cross dance came around, we were well established in the school routine. We soon learned that we too could take part in school affairs; and we got off to a fine start by singing in *Hansel and Gretel*. Next came the production of *Junior Miss*, which starred one of our classmates, Barbara Schutz, as Fuffy Adams. Both performances were hits and drew us more closely to the school. Our new football coach, Mr. Cochran, led our Red and Blue through a fairly good season, but climaxed our thrills by winning the Thanksgiving game with Barringer. The Old-Guard trophy looked very nice in the front hall!! By this time we had become accustomed to school life and school spirit and enthusiastically sold bonds for the "Flying Panther." There were trying days too, such as our first exams; but we survived. With the farewells to the seniors we were able to realize our first tangible advancement. Good-bye, Early European History—we're "Wise Fools" now!!

*'Twas in September  
of '44,  
Our class became  
the Sophomore.*

BACK FROM VACATION and ready to harass the incoming freshmen! With greater confidence we were in the swing of things and off to a good start with the bond drive for the "Sea Panther." While we were supporting the bond drives and Red Cross drives, many of our boys were leaving for the Armed Services. The Crowbar officially became ours, and it was the high spot of many week-ends. With Mr. Paul Williams taking over Mr. Goodrich's position as Director of Speech and Dramatics, we presented the well-known *Lilliom*. Again Mr. Jones gave one of his excellent shows, the Gilbert and Sullivan operetta, *The Gondoliers*. As a new addition we started the program of dancing during third lunches. All went well, and everyone enjoyed this new diversion from routine, but we were shy and did more watching than actual dancing. This year seemed more difficult for us as far as studies were concerned, and we were glad to say farewell to Geometry—only to be faced with Physics; but vacation and fun are too near, so why worry—yet!!

# History

*There's hardly a person  
in our mass,  
Who doesn't remember  
our Junior class.*

WE'RE BACK—AND FACED WITH A NEW PROBLEM—that of the six-marking periods. As all things go, we got used to them after repetition, and now the system is merely commonplace. More and more things seemed to occupy our time as we progressed. For the first time East Orange High boasted of two evening dramatic performances. For chills and thrills *The Cat and the Canary* was able to supply both, and later on in the year, *The Devil's Disciple* fulfilled our expectations for dramatic entertainment. As another addition, the Modern Dance Group presented a performance of the Polovetzian Dances, which was accompanied by the Choirs and Glee Clubs. Everyone agreed that the show presented by the Music Department this year was thoroughly enjoyed by the audiences. *The Chimes of Normandy* was a different type of operetta from that of Gilbert and Sullivan. We didn't win the football trophy this year, but our new coach, Mr. Sezak, led our team through many exciting games. Griff's basketball squad off-set our poorer fall season and boasted of quite a few stars of the present senior class; these games boosted our morale a few pegs higher. Each year we have striven for a variety of entertainment, and this year is not to be excepted. The G. O. Carnival certainly was a novel type of entertainment, and involved many weeks of hard work for Miss Leinonen and her staff of student-assistants. Even though the departure of Dr. Galen Jones for a new post in Washington was a blow to the school, we were glad to welcome Mr. Lewis B. Knight of the Guidance Department as our new principal. We mustn't forget the good times we had at the Junior Prom and the Grad Dance. In wishing the seniors the best of luck, we suddenly realized that we too would soon be in similar position; but—we're off on our last high-school vacation and intend to make this one to remember!!

*Through all our history,  
to the last,  
We seniors look upon  
the Past.*

President .....NICHOLAS MASKALERIS  
Vice-President .....JOAN KAVANAUGH  
Secretary .....EVA LANCIOTTI

UTOPIA—IT SEEMS UNBELIEVABLE—we're past the novice stage. We're off to a fine start with our new G. O. officers: President, Louis Cargill; Vice-President, Dorothy Cantrill; and Secretary, Nancy Kenney. Again we saw to it that something new was to be added; this time it was the GIRL CHEERLEADERS. The tie with

precedence has been broken through four years of untiring efforts by the past senior class. Through hard work on the part of the cheerleaders, they have lifted the morale of the school at all the games and deserve credit for their attempts. With Coach George Shotwell back, the Panthers regained their fire and launched their campaigns with vigor and victory. The most unusual rally ever presented was performed before students and teachers on the day before the Thanksgiving game. This Barringer-East Orange rally proved to be the most inspiring of all rallies ever staged, and it rated pictures in the local newspapers. Heretofore, there had been bonfires on Halsey Hill on the night preceding the game; this year we had the consent of both the Police and Fire Departments to stage our bonfire on the annex field. The students came through with enough wood to burn all night, and the conga line that was formed around the fire soon expanded into a parade down the main street of the town. As for the game itself—the trophy that is in the front hall explains the results—the Panthers won 34-7. This thrilling 50th anniversary game was preceded by a parade of old-guard members, and symbolized the tradition of the Barringer-East Orange contest for fifty consecutive years. The news broadcast brought the game to those who were less fortunate in not being able to witness our victory. The cheering spectators, many of whom were dressed in the school colors, numbered over 20,000. It was a happy team that carried its coach off the field on its shoulders and that accepted the trophy from the old-guard at a special assembly. We mustn't forget that narration by Mr. Shotwell that accompanied the motion pictures of the game. This has been a year to remember—and we will!! With the release of numerous men and women from the armed services, both our faculty and student body increased. These vets have been trying hard to complete their education here in E. O. Once again we have welcomed a new Director of Dramatics to East Orange, Mr. Willard H. Mohn, who presented the hilarious comedy, *My Sister Eileen*, before two audiences that surpassed any preceding program. Something special was planned for the Christmas Festival, composed of the Choirs and Glee Clubs, a string quartette, and outside entertainment. The Modern Dance Group also displayed its talents at this festival. Both the Music and Dramatics Departments worked doubly hard to make this a program to excel all others. Dancing during the third lunches once again supplied pleasure during lunch period; we may also have music piped into the cafeteria by the end of this year. We are all looking forward to the Formal Junior Prom and the Grad Dance; we seniors especially are hoping that we shall be able to hold this dance in the Hotel Suburban. There will be many of us who will some day wish we were back in E. O. and were again able to experience the many things that have made school one of the most important and pleasant periods in our lives. We all hope that our successors will be able to benefit by our mistakes and improvements, which have been made during the process of advancement.

## The Big Game

Once more within East Orange halls  
The treasured trophy lies.  
A tribute to our team, it calls  
Our victory to the skies.  
For fifty years we've played the game  
And cheered the side that's won;  
Our motto's always been the same:  
Good sportsmanship—and fun.

We've had our ups and downs, it's true;  
A victory, a defeat;  
And more than once the Red and Blue  
Has found it "could be beat".  
But '46 has been a year  
Which brought us joy and fame;  
Both coach and team deserve a cheer—  
They played, and won, THE GAME.

CLARE McGRATH

THIS IS STATION SHOE bringing you the highlights of that classic battle of the pigskin, the annual clash between East Orange High School and its traditional rival—Barringer.

It's the half, ladies and gentlemen. Both teams are off the field and the East Orange band is holding the spotlight. Numbering one hundred twenty members, excluding the twirlers and majorettes, it's one of the finest bands in the state.

I think you'd be interested in hearing about some of the '47 grads, back here after twenty-five years. We'll just take a look at the East Orange side and see what we can find.

There's Joe Spoto, senator from the state of New Jersey and his colleague in Washington, Ordette Blair, a prominent member in the House of Representatives, chewing the political fat. Joe's capable secretary, Lois Caruso, is seated to his left.

High in the stands we see Marian Wiencke, one of the country's outstanding physical therapists—a second Sister Kenney. And there is that chief butterfly catcher from the museum, Terry Boag. What is it this time, Terry, a blonde or a butterfly?

We can't seem to locate Dick Fredricks. He must have taken time out from his job of police recording to help Harrison Noble find that lost week-end.

On holiday from the All-Girl Orchestra we see Marianne Berner and Eva Lanciotti, both of whom receive top billing in the orchestra.

Lewis King, poet laureate of East Orange High School, is putting this game down for posterity, while Ruby Peterson is covering it through the eyes of the New York *Herald Tribune*.

Broadway is missing charming Phyllis Dauer. She took time off from rehearsals of her new play, *The Coalman Cometh*, to join us today.

The Metropolitan has claimed our own Watson Dodd and Florence Petrusis, a fact which must account for their absence today. Although they're not here, we send orchids to — Irish Tuck and her adagio dancing taking the country by storm — to Dudley Ferris, chemist to end all chemists, — to Bill Mooney, man-about-town — to Elaine Hnath, outstanding lady judo artist — to Jeanne Merris, Power's top model.

Herb Stiefel, councilman from the invigorating Third Ward, has agreed to start the second half with the kick that was the talk of the town twenty-five years back.

Jeanette Wrege, author of many best sellers, is walking down the field with Alan Nacht, just back from his overseas trip for the American Red Cross Council.

And we're surprised to see Jack Geany, our "awful-awful," with both feet on the ground. He's usually up in the air (setting stratosphere records, that is).

Pat Leavy and Nancy Disbrow are sketching action scenes for their new type comic mural in Rockefeller Center. Flash!!! We interrupt this program to bring you some news bulletins. Peggy Stacey, the first woman deep sea diver, has recovered the "Black Pearl" lost by the oil heiress, Pat Flynn. — Ray Mayer, world-reknowned fisherman, has just set a new world's record with his 2,500 lb. tuna. — Bobby Schutz, remembering her straight hair from high school days, has recently invented a permanent, permanent wave. — But back to the game. Out on the field an impressive ceremony is about to take place. Grid members of the '47 teams are present. We see Chuck Pennino, John Colella, Ted Stecki, and Gabe Mosso, who are being presented with gold footballs by the "Old Guard."

And now, back to the stand! As we look around us, we see signs of the handiwork of Minna Neuss, the famous exterior decorator. Working with her is Tommy Hoare, landscape artist of the Oranges and Maplewood.

Louis Cargill, M.D., and Ben Cucinella, M.D., are the doctors taking care of the East Orange football team, of which many are the sons of '47 grads. The opening lineup includes "O.D" Rolling, Jr., Johnny Kenlein, and Kilroy Julich.

# East Orange 1972

Now we see the famous bandleader, Joe Russoniello, and his singer, Ann Costello, who are taking a vacation from their engagement at the Pasturebrook to attend this momentous game.

James Dalbo, soccer, Frank Matullo, baseball, Ray Brueno, tennis, all winners of the Olympics, are here in blazing glory.

Christina MacGregor, who revolutionized thumbtacks, is here giving a sales-talk to the crowd, while over on the other side of the field is Artie Anderson, horticulturist, looking for four-leaf clovers.

Looking for new members for their new musical comedy are Leon Root and Bob Poag, producers. Among those chosen are Andy Clouston and Jean Hoffman in the leads. Head of the lighting crew is Eugene Sinigalliano.

Bill Morgan, private detective, and his secretary, Ann Driggs, have just completed a case and are here taking in the game. Doris Rotter, who is working with the United Nations as an interpreter, came to the game with the representative to Peru, Peter Cruz.

"Boo" Chandler, president of the Orange Women's Club, and Claire Conklin, chairman of the entertainment committee, are here today passing out circulars promoting the dance tonight, sponsored by Sandy Lunskey, New York financier. And here modeling her newest creation is Gladys Eisenberg, hat designer.

Visiting East Orange are a group of vets who made things lively back in '47. Now they're opening their own college across the way from Wellesley. Floyd Bloomquist is dean; Tom Elliot, chemistry teacher; Jack Bodnar, public relations officer; Warren Smith and Victor Giorgio, professors of physiology; and Jess Humple and Derek Bible, dieticians.

Bev McMoran, world-wide traveler and a second Osa Johnson, has just returned from a six-month trip in Tibet, and, along with Zoe Parks, who has just completed her third symphony, is here taking it easy for the first time in many months.

Cora Zink and "Pete" Peterson, although rustic to the core, have taken time out from their chicken farm to see today's contest.

A prize chemistry student from the class of '47, Harvey Inman, has finally marketed his latest invention, a Kinetic Molecular Coffee Pot. (Mr. Briscoe is proud of you, Harvey.) John White recently won the Nobel Prize in physics for his outstanding work. Now his name is the brightest in the field. Both Harvey and John were unable to attend this Thanksgiving Day gridiron contest.

Here, using her experience as president of the debating club to sell hot dogs which are guaranteed not to give you an argument, is Regina Flood; while sitting in the stands examining his invention, combination foot warmer and radio just recently installed, is Leroy St. Thomas.

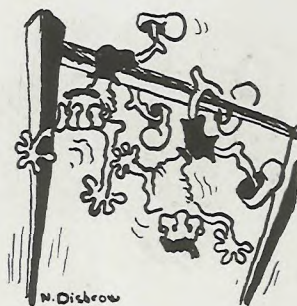

We just spotted Joe Gonnella, the only person who has ever chanced the Niagara Falls in a tin can, and Beverlyn Ritner, followed by her chauffeur, and carrying a French poodle, has just made a fashionable entrance, only one half too late.

Just back from commanding the Pacific Fleet is Dick Dean, accompanied by Ed Osgood and Roscoe Wilson, his two aides, who are still crusty with salt from the tropical seas.

Girls! If you ever need a dentist, tall, dark and handsome, Sam Huntoon is the one to mangle your molars. He's the one behind the mob of women at the far entrance.

Menica Galanti, winner of the I. Pepsinos Smile Contest, is here passing out tooth paste, while Ernie Coleman, game warden, is here looking for that culprit Roy Silver, who took the fish from the Millburn Pond.

Circling the field is Jack Bonkowski, who has set a precedent for skywriters by actually writing a novel in the sky. Now he is forming, "Be clever— Use Ciurczak's Cartridge Pen."—But hold it, folks, the boys have just come out of coach Toner's huddle, and there goes the kickoff!

THE MOST SALIENT PROBLEM confronting the Student Council this year was that of inaugurating a more tangible and beneficial sense of school spirit. Towards the attainment of this objective the Student Council, under the capable leadership of Louis Cargill, president; Dorothy Cantrill, vice-president; and Nancy Kenney, secretary, initiated a publicity campaign consisting of panel discussions, satirical cartoons, pep rallies, and editorials in the *News*.

In addition to the improvement of spirit among the students, the Student Council also achieved other benefits for the pupils: the installation of dancing during the lunch periods and the flooding of the annex in order to have ice skating.

The organization of an honor roll to attach more importance to the attainment of good marks was accomplished this year by a competent committee in collaboration with the Council.

The Student Council also set the wheels in motion for the institution of drum major-ettes for next year.

As a result of the New Brunswick Convention of High School Student Councils many ideas for assembly programs, raising money for the Student Council, more efficient student courts, and other helpful aids were brought back by the representatives of the Student Council who attended the convention.

The Student Council of 1946-1947 left many evidences in East Orange High of a truly successful year.

## The News

CAME FRIDAY, SEPTEMBER 27, and E. O. H. S. spent the entire homeroom period devouring the *News*. Contrary to all rumors, it blazed forth in full glory (with Gallimaufry!)

Backed up by a record number of 1250 paid subscriptions, Dick Fredericks, the editor-in-chief, and his staff of capable editors put out issues of the *News* to be proud of. They had a hard time making both ends meet, as this was one of the *News'* hardest years from a financial viewpoint. They overcame the high printing costs, however, and the paper shortage with flying colors.

Our paper is one of the school's great assets and (with timely editorials) has done much to increase school spirit. Without this valuable publication the student body would be

half in the dark as to the school's outside activities.

Part of the paper's success was due to the hard work of Clare McGrath, managing editor, who in addition wrote humorous poems for the feature page. Ron Chedister held his own on the sports page, and Pat Leavy brightened up the paper with his famous cartoons. Among other things "Kid in the Korridor" was changed to "Vutchutink" to fit in with the general jargon of the school.

The faithful editorial staff was rewarded two trips to New York for all its hard work. The first took place in the fall at N. Y. U. In the spring, they journeyed to Columbia Press Conference, where they were further rewarded by winning first place.

# Cheerleaders

*First Row:* D. Rotter, B. Alston, J. Kavanaugh, C. Zink, N. Kenney. *Second Row:* Mrs. Gill, N. Disbrow, N. Gallagher, L. Bellet, C. Freeman, J. Byrne, J. Corrin, Mr. Hart. *Third Row:* P. Berla, C. Rehm, J. Geaney, R. Horowitz, J. Wills, F. Williges.

THIS YEAR'S CHEERLEADING SQUAD, consisting of eight boys and the newest addition, eleven girls, had a very successful season under the competent guidance of Mrs. Gill and Mr. Hart.

Accompanying the installation of girl cheerleaders was the addition of many new cheers. The most popular of them was the "Third Ward Special". Other new cheers were these:

*We can rickety ree,  
We can rickety rack,  
We can stamp our feet,  
And we can clap, clap, clap.  
We can swing it high,  
We can swing it low.  
Come on East Orange  
Go, team, go.*

*P-A-N-T-H-E-R-S  
That's the way you spell it.  
Here's the way you yell it:  
Yeah, Panthers!*

*Hello, Barringer  
Hello, Barringer  
Barringer, we say Hello.*

## *The Glee Clubs and Choir*

THE GLEE CLUBS AND CHOIRS gave outstanding performances again this year. Mr. Herald Jones and Mrs. Davis, his capable assistant, are to be commended for doing such wonderful jobs in directing the groups.

A few select members of the Choirs sang in the All-State Chorus, held at Atlantic City in the beginning of the year. The A Cappella Choir sang by request at several outside functions, including the Kiwanis Club luncheon, the Munn Avenue Church, and at the meeting of the Glee Clubs of the Oranges.

This year, in addition to caroling at the grammar schools and hospitals in East Orange, the members of the upper class Glee Clubs resumed one of their former activities when

they gave the Christmas Concert. This, along with the annual Spring Musical Show, will long be remembered for the fine performances given under such able direction. They were both highly successful in school.

Every year students in the voice classes give a recital at the end of May in which they have a chance to show their talent. This year's Voice Recital was no exception. It was well conducted and ran smoothly. Although these students are not required to belong to the Glee Clubs or Choirs, many of them are able to participate in both groups.

Everyone enjoyed the fine work of the Glee Clubs and Choirs during the assemblies and at the special evening programs. They provided a great source of entertainment for us all.

## *The Band*

THE BAND, also led by Mr. Herfurth, gave good performances this year at the football

games. Although new uniforms were ordered, they did not arrive in time. The band, however, did not let this dampen their spirit. They were at both home and away games, always doing a splendid job.

## *The Orchestra*

THE ORCHESTRA, which we all enjoyed so much in its many performances in school, was directed by our very capable conductor, Mr. Paul C. Herfurth. It was through his hard efforts that the membership of both the Band and the Orchestra was increased.

Marianne Berner, the star of the Orchestra, played her violin at many outside affairs. She was requested often because her playing was so skilled and beautiful.

The Orchestra could always be counted on for turning in a fine performance during the assembly programs and at any other opportunity when they were called upon to perform.

AS USUAL, the social activities for the year started with the New Student Party, sponsored by the Social Committee and the G.O. and A.A. officers. The Committee, under the direction of Miss Ellen Leinonen, consisted of Bob McGrory (chairman), Joan Cottier (secretary), Wilfred Jervis (supervisor of decoration), Louis Cargill, Virginia Gravenor, and Pat Honecker. The party began with an autograph game and helped the new students to become acquainted with the school and with one another.

On November 9, the traditional Sadie Hawkins Day, the wolf gals of EOHS dragged their men to dance to the music of Frank Kaltman and his Dogpatch Doodlers. The gymnasium, through the able efforts of some of the art students, looked like the page of a comic book with many large portraits of famous L'il Abner characters. Some of these also appeared in person. The dance was a new type of social function for the school and went over so well that we have promises of something similar for next year.

The Junior Prom, a formal affair, was held on February 15 to honor St. Valentine. Bill Kroll and his Rhythmaires furnished the music and the P.T.A. served punch and cookies.

The G.O. Spring Frolic was held on the evening of April 12. Al Clothier and his orchestra put every one in a happy mood in

an atmosphere of an April shower with gay flowers growing in gay gardens. The shower effect was given by open umbrellas hung from the ceiling and dripping flowers and tinsel.

The Grad Dance was formal and was held on the "starlight roof" of EOHS. Bud Laird and his orchestra (our favorite) played music sweet to the ears; and the setting revealed the skyline of the city with a midnight blue sky—dark and starry—and indirect lighting "de luxe". There was a large turnout to this, our last dance, and it proved to be a great social and financial success.

## JUNIOR RED CROSS

Under the guidance of Mrs. Gertrude B. Jennings, the Junior Red Cross continued to play an outstanding role in our school's activities. Once again we attained a 100% membership in the Red Cross Roll Call, continuing a tradition that our school is very proud of.

With the termination of the war, one would think that opportunities to aid the stricken would decrease. But this was not the case. We made many gift packages to send to the children of the war-torn countries. The French Club began a program to correspond with pupils of a French school. We hope some of the friendships thus made will continue and grow until the country is back on its feet.

EVERY DAY AT ONE O'CLOCK, a happy group of eight girls and one boy would file out of the halls of East Orange High School into a bus that speeded them to the Essex County Vocational and Technical High School in Newark. These students were learning how to use various office machines; most of them were finding out how to operate the comptometers. It was essential that they should actually work on the machines to learn their operation.

This was by no means a dull life for them. They held parties on special occasions and could always be found having a good time.

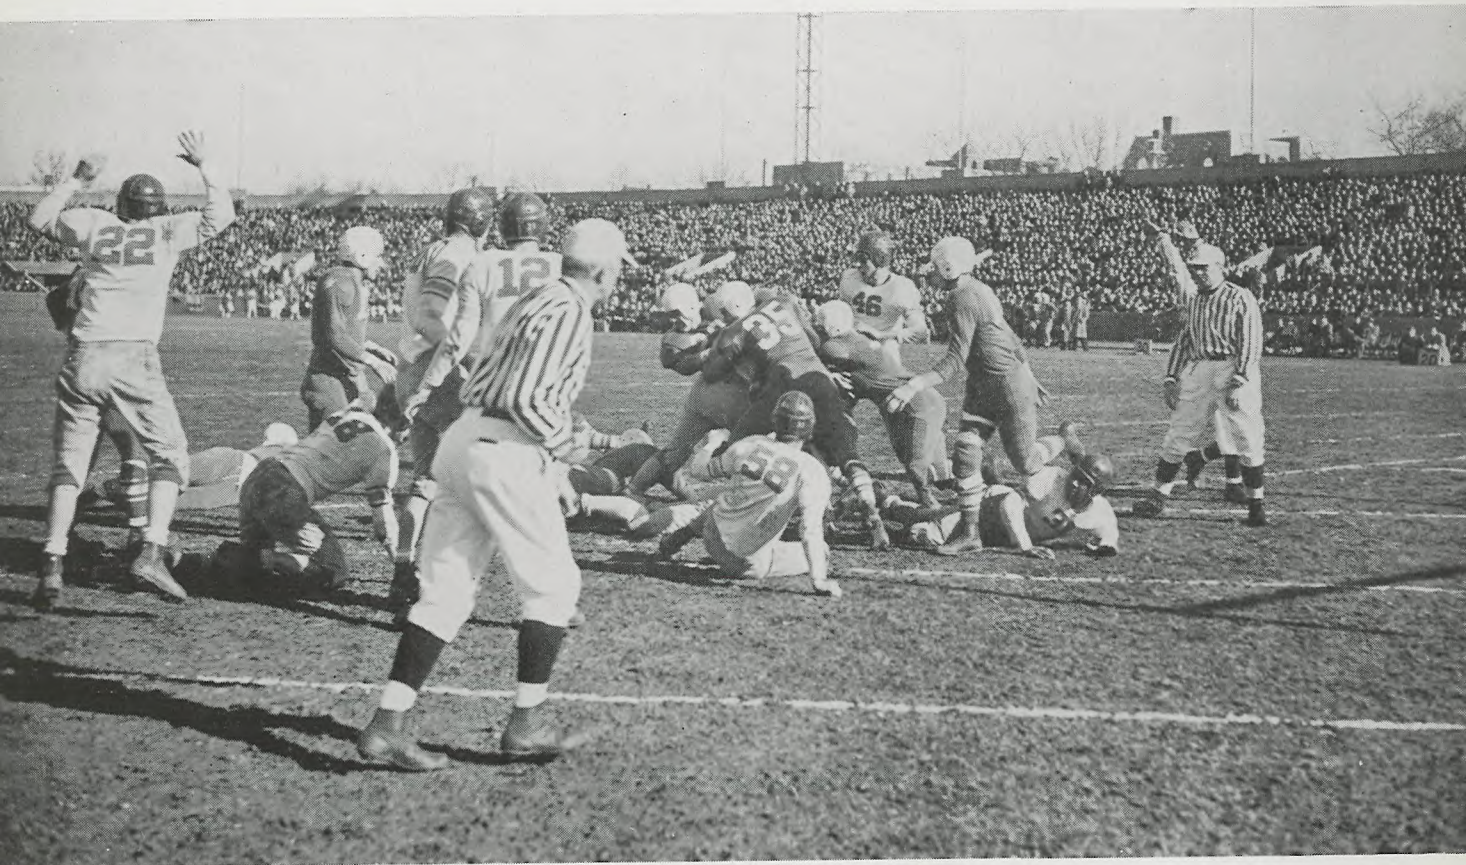

The training will prove to be very helpful to the students when they go out into the business world, for they will be fully credited with valuable knowledge. Such training equips them so that they will soon be successful in their business careers.

COACH GEORGE SHOTWELL returned from three years of service in the United States Navy and guided East Orange High School through its most successful football season since his departure in 1942. The Panthers ended the season with a record of six wins, one tie, and two losses.

When the final ratings were compiled, the East Orange squad occupied the fifth rung in the state ladder according to the Colliton System, and was tied for third place with Phillipsburg in Group IV, Section 2.

The season opened with Belleville's initial invasion of Ashland stadium on September 28.

A crowd of over nine thousand turned out to see the Panthers score their first victory of the season, 7-0, as Leroy St. Thomas tallied the only East Orange touchdown on a lateral from Glen Toner. Leon Root converted the extra point.

West Side High of Newark was number two on the Panther victory list, as the East Orange Eleven overwhelmed the Roughriders, 19-6, before a crowd of over eight thousand on October 5. Glen Toner broke loose against the West Orange Cowboys at their home field on October 12. The game was played on a sea of mud, but Toner scored both the East Orange

touchdowns in the third quarter, the first on an eighty-yard jaunt, and the second on a one-yard plunge through center.

The first of four "powerhouses" that faced the Panthers reared up on October 19, when Irvington invaded Ashland Stadium and held the East Orange squad to a hard-fought 6-6 tie. Bob McCrae scored for the Panthers early in the third period on a pass from Ray Dankowski, but the Campers knotted the score on a forty-yard lateral-pass play.

The battle of the Titans loomed when, on October 26, the Panthers journeyed to Woodman Field, Montclair. The Mounties were undefeated, and, sadly enough, remained so, as they handed the East Orange combine a 6-2

loss. It appeared as though the Mounties were set for another easy triumph when they scored minutes after the opening gun on a high East Orange pass from center recovered by a Montclair player. Russ Gustavson passed to Larry Coleman in the end zone for the score. But that was all the scoring the Mounties did, and in the closing minutes of the game they allowed an intentional safety to prevent a possible East Orange touchdown drive.

But this first loss was quickly overthrown by the Panthers as they bounded back to dump Nutley's Maroon, 19-0, at Park Oval on November 2. Long runbacks of pass interceptions set up all three Panther scores, as Odell Rolling, Glen Toner, and John Colella each

scored once for the Red and Blue.

Next the Panthers walked over an inactive Columbia squad, 12-0, only to be squashed, 29-13 by a Tornado from Orange.

The coming of Thanksgiving Day saw East Orange play Barringer for the fiftieth consecutive time. The game was played at Schools Stadium in Newark and was attended by twenty thousand persons. In pre-game ceremonies members of the Old Guard paraded around the stadium, and those members of both squads that had played in 1897 game were awarded gold footballs.

The Red and Blue thrilled the crowd by taking the opening kickoff and driving eighty yards for the score. Glen Toner plunged over from the two-yard stripe for the score, and Ray Dankowski passed to John Colella for conversion. The Panthers led, 7-0.

Much to everyone's surprise, however, the Barringer squad bounced right back and scored in the same way, driving seventy yards for the score. Paul Schneidenbach plunged over from the one. Larry Caprio passed to brother Vinnie for the conversion and knotted the score, 7-7.

In the middle of the second period, Cliff Kenlein took a pass from Ray Dankowski and scored for East Orange. Glen Toner's plunge for the point was good and the Panthers led, 13-7. Captain Odell Rolling then startled the crowd by running sixty-two yards through the left side of the line to score another East Orange touchdown. Ray Brueno caught a pass and the Panthers took a 20-7 lead.

Ray Brueno scored for the Panthers, driving twenty-five yards through the center of the Blue line in the third quarter. Bill Hemmer's attempted placekick was good and the Red and Blue forged ahead, 27-7. The final score of the contest was made by Cliff Kenlein on a pass from Odell Rolling. Hemmer again kicked the point and gave the Panthers the winning 34-7 score.

For the second successive year East Orange placed a center on the All-Oranges, All-Essex County, and All-State teams. Chuck Pennino received recognition as one of the first centers in the state. Glen Toner, who paced the Red and Blue squad with his running and punting all season, occupied a second team berth on the All-County and All-State teams. Cliff Kenlein was placed on the third team All-State squad. Of the other linemen, Ray Dolan and Dave Perrin were truly outstanding. Among the backs, Ray Brueno, Leroy St. Thomas, Leon Root, and Captain Rolling definitely provided the margin of victory in many contests.

Coach Shotwell's job this season was exceedingly difficult for the squad had been using the "T" formation for two years. It successfully reverted back to the single-wing, however, under his excellent tutelage. Assistant Coach Ed Lewis should be given credit for his work with the backfield men, while the two new Junior Varsity coaches, Mr. George Swoyer and Mr. Harold Smith, guided their squad through an undefeated season.

HIGHLIGHTING THE SUCCESSFUL 1946 East Orange soccer season was the selection of ace center forward, Jim "Wicky" Dalbo, on the All-State Soccer Squad. The squad completed the season with a record of four wins, two ties, and two losses. In addition to Dalbo's selection, Frank Matullo, fullback, and Les Auch, goalie, received honorable mention.

Coach Stanley Griffin's charges opened the season on a good note by dumping Verona, 1-0. Dalbo's goal midway in the second half spelled defeat for the Maroon and White. A weak Montclair aggregation met a 4-1 defeat at the hands of the Panthers on October 1. Dalbo was outstanding again, scoring three of the East Orange tallies. Jerry Frino added the other Panther point, and his field work was decidedly outstanding. Harrison gave the Panthers their first defeat in two years as they drubbed the Red and Blue squad, 2-0. The Brown brothers were outstanding in victory for the Blue Tide.

On October 8, Chatham High pulled a surprise by tying the vaunted Panthers, 2-2, in a real nip-and-tuck battle. Dalbo scored both the Panther goals against the Chathamites, once on a pass from Jerry Frino, and the second time on a pass from Otto Burkhardt. Montclair again provided no resistance as the

Mounties fell before the victorious Red and Blue booters, 4-1, on October 15.

Perhaps the most outstanding triumph came on October 22, when the Red and Blue squad held the highly-touted Kearny Kards to a 0-0 tie. Paced by the fine playing of Frank Matullo, Otto Burkhardt, and "Wicky" Dalbo, the Panthers gave the Kards their first tie of the year. The fine playing of goalies Les Auch of East Orange, and Marty McCormick of Kearny, kept both teams from scoring. On October 24, however, Chatham avenged an earlier tie by upsetting the Red and Blue combine, 1-0. Joe McNany's second half goal gave the Blue and Gold the winning marker.

Al Ashley, Bill McInnes, and Art Walshied were the trio from Verona who stopped the Panthers and held them to a 0-0 deadlock on October 29. Matullo, Dalbo, and Burkhardt played their usual outstanding game. The season ended with a 2-2 tie with Summit on October 31. Paul Dietche scored both of the goals for Summit, the first on a pass from George Zimmerman, and the second on a pass from Tommy Bell. Jerry Frino scored the first Panther tally on a pass from Otto Burkhardt. The last East Orange goal of the '46 season was made by Rich Cignarella on a double pass, Frino to Daudelin to Cignarella.

# Cross Country

PERHAPS IT WAS THE CONFUSED and rearranged schedule that doomed the cross country team this past season, or possibly it was the tremendous rebuilding job that Coach W. Paul Bowden had to face; nevertheless, in spite of the promising early reports, the harriers failed to triumph in any of their eight contests.

Besides omitting Orange, Barringer, and Newark Central from the dual slate, the harriers did not compete in the state meet, the Seton Hall Invitational Meet, or the Manhattan College Annual Interscholastic Cross Country Run because of their negatively one-sided seasonal record.

With a squad of twenty-five ready to run, the East Orange team engaged Newark West Side in their first encounter of the season, losing 39-16. The Roughriders captured the first four places. High man for the harriers was Tom Ritner, who placed fifth in 14:04. The Panthers' Billy Millering took sixth, and Robert Parvin seventh.

Montclair and Kearny handed the Red and Blue their second and third defeats, respectively, as the Panthers strove to find their stride. Montclair took the first three places, the winning time being fourteen minutes, forty-seven seconds. Tom Ritner was outstand-

ing for East Orange by coming in fourth. Robert Parvin, Rudy Cecere, and Tom Clark followed close on Ritner's heels. Alex Perritt captured first for Kearny in 14:08. Behind five Kards came Tom Ritner in sixth place, followed by Robert Parvin.

A 16-39 loss to Irvington, a 23-32 loss to Bloomfield, another defeat at the hands of Central, and a final loss to Mountain Lakes rounded out the dual-meet schedule. After Irvington swept for the first four places, Tom Ritner, Robert Parvin, and Richard Wirth crossed the finish line for the Panthers. Because of an unfortunate injury to Tom Ritner, the harriers dropped the meet to Bloomfield. Robert Parvin and Richard Wirth copped fourth and fifth, respectively, for East Orange.

East Orange battled its way to seventh place in the Essex County Meet as Tom Ritner took twenty-third place. Tom Clark tied for thirtieth, and Robert Parvin trailed him in thirty-second place. Dave Bolden of Central thirty-second place. Credit for many of the close scores in the contests goes to this year's lettermen, Tom Ritner, Robert Parvin, Tom Clark, Rudy Cecere, Guy Morton, and Richard Wirth; Ritner was the front man for the Panthers in every meet in which he participated.

RECORDS TELL VERY LITTLE of the true story, and this was no exception for East Orange's basketball five. Although the record shows that the Panthers were victorious in only five of their sixteen game schedule, the squad was by no means so poor as the tally would indicate.

The quintet started off successfully, tripping the Alumni five, 36-35, in a close contest. Two of the Panther's Oranges neighbors, however, added a dismal note, as Columbia was a 32-28 victor, while Orange, coming from behind at halftime, won, 39-29.

Things looked better, as the Panthers dumped Irvington's Campers for the third successive season, 31-26. The Maroon of Nutley was victorious by one basket, winning, 39-37, while Montclair saw its successful squad in a 38-31 win over the East Orange five.

East Orange's old time rival, Barringer, defended its own court in a Panther invasion, as three points spelled victory for the Big Blue squad. The Weequahic Indians, however, showed no mercy, as Coach Henry Donn's boys pounded the Panthers to a 51-26 defeat.

Once again the Orange Tornadoes come from behind to draw a close 33-29 win over the Panthers. Glen Toner played an exceptionally fine game for the losing East Orange five. In a real thriller, the Montclair squad squeezed a last minute 29-27 triumph over

the Panthers. Glen Toner played an exceptionally good game in what would have been the season's major upset. The East Orange invasion of the West Orange court was fruitless, however, as the Cowboys let loose with everything to trim the Panthers, 49-34.

Columbia High's basketballers really pulled one out of the hat, as they were losing 18-6 at halftime to the Panthers, but managed to sneak a 26-25 win over the Red and Blue.

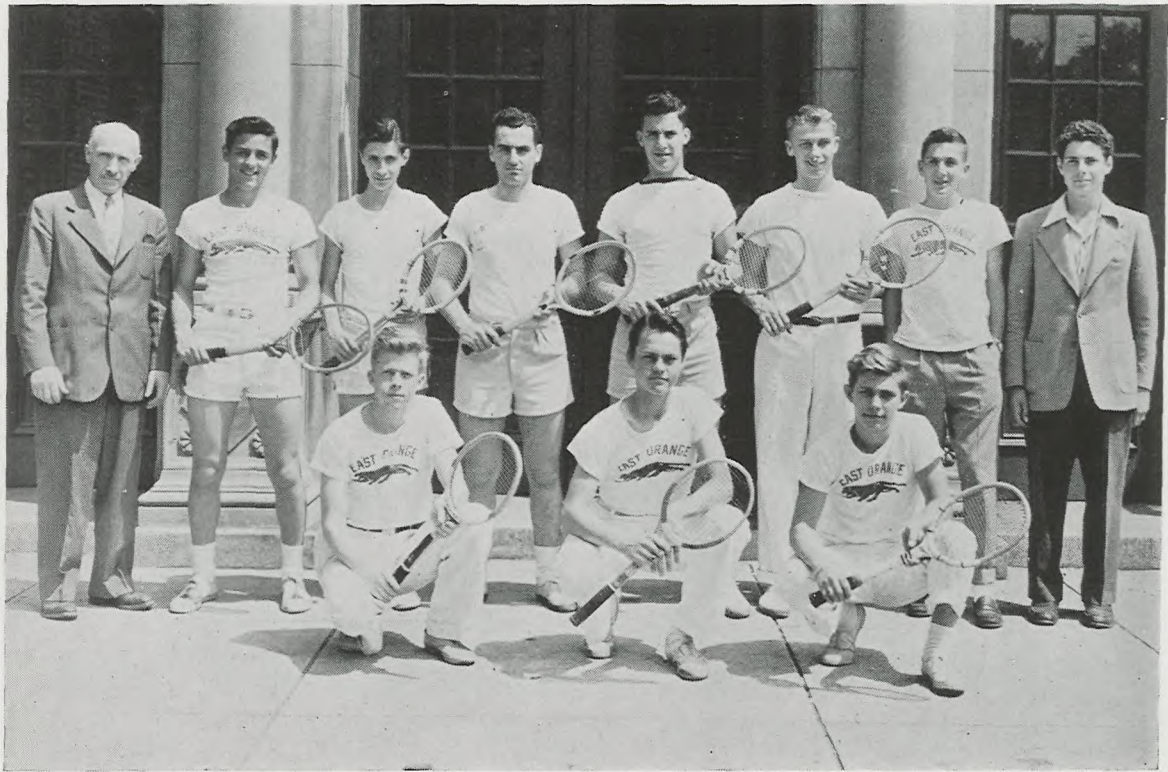

An East Orange invasion of the Bloomfield High court proved successful, for the Panthers scored their first triumph in eight games, tagging the Bengals, 42-29. This joy was short lived, as an invading Cowboy quintet erased the Panthers to the tune of 39-18.

After their disgraceful loss to the high-flying Cowboys, the Panthers bounded back and dumped Montclair Academy's formidable squad, 37-30. Big Bob Stafford led the victorious Panthers, scoring fifteen points.

Two more victories followed for the Panthers as they beat Bloomfield Tech's and St. Michael's quintets. Outstanding for the Red and Blue this season were Glen Toner's back-board work, fine shooting, and all-around play. Tom Meeteer was the playmaker, and was the best defensive agent the squad boasted. Bill 'Red' Hemmer proved his ability at the pivot post, and was among the top scorers of the team.

# Tennis 1946

*Kneeling:* A. Baum, W. Washkau, R. Smith. *Standing:* Mr. Davis, R. Brueno, E. Friend, J. Crispano, L. Halprin, J. Manning, D. Polk, A. Nacht.

ALTHOUGH COACH FRANK E. DAVIS' 1946 tennis squad failed to annex the state championship as it had done in the two previous seasons, the septet ran up an impressive string of victories. The squad ended a twelve-game schedule with a record of eight victories and four defeats.

Ray Brueno, Jack Manning, and Ed Friend held down the singles slots, while Lee Halprin, Allan Baum, Ray Smith, and William Waskau led the doubles team. Because of illness, John Crispano, a letterman from the previous season, did not play until late in the season.

The Panthers blanked West Orange in the opener, 5-0, and forged ahead to triumph over Montclair, 3-2; Westfield, 4-1; and Weequahic, 4-1, in that order.

Columbia provided the first setback for the E. O. squad, as the Cougars won, 3-2. Ray Brueno lost his first set of the season to Alex Jung in a very tense contest. Jack Manning lost to Jack Bowen, but Ed Friend came through for the Panthers by topping Marty Antermeyer. Lee Halprin and William

Waskau stopped Gene Riordan and Andy Graef, but Ray Smith and Allan Baum lost to Jim Monk and Art Srasis in the game deciding the contest.

The Panthers then recovered from this loss to smother Weequahic, 5-0, but lost a close one to the Maroon of Nutley, 3-2. The only Panther points in this game came when Ted Friend stopped Jack Kirklander, and Lee Halprin downed Buddy Lamp. Then, although they lost, 7-2, the E. O. squad gave the highly touted West Point plebes a hard battle. This was nothing unusual, for the plebe squad is rated about the best in the country.

The West Orange Cowboys proved easy meat for the Panther septet, as they tasted defeat, 5-0, while Montclair again went down before the E. O. big guns, 3-2.

Columbia took away the final E. O. match of the season, and any hope of the State Championship, by defeating the Panthers, 3-2, in a very hotly contested fray. John Crispano was stopped by Alex Jung as the Cougars swept two singles and one doubles match.

# Baseball 1946

*Seated:* R. Nichols, F. Matullo, P. Digiore, F. Kroog, L. Auch, D. Nathan. *First Row:* D. Mathias, J. Dalbo, D. Musler, J. Colella, C. Pennino, T. Monica, J. Jones, Mr. Griffin. *Second Row:* R. DeGraffenreid, T. D'Ambola, T. Foster, V. Denicola, D. Mocksfield, D. Bowen.

AFTER TRIUMPHING OVER Montclair Academy, 9-4, in the season's initial contest, the Panther Nine tasted defeat six times before registering another victory.

Although possessing few veterans, the E. O. Nine did start the season with four lettermen from the season before. Pat Digiore and Bob Nichols gave the infield some of the strength it needed, while Fred Kroog and Charlie Pennino combined to form a veteran battery, with Kroog on the mound and Pennino behind the plate.

Vic Spatz of Bloomfield Tech handed the squad its first defeat of the year, 7-6. Spatz went all the way for the Techmen, while Fred Kroog and Julie Carocci handled the pitching for the East Orange club. The Panthers then lost to Irvington, 9-4; St. Benedict's, 4-3; Columbia, 9-2; and West Orange, 9-7.

Red Sweeney pitched Columbia's Cougars to a 5-4 triumph, which was forced to go ten innings before the Cougars could score the winning tally.

The East Orange Nine then broke its losing streak by tripping Orange, 4-2, on May 22. Fred Kroog held the Tornadoes to two hits, as the Panthers were led in victory by Pat Digiore, Frank Matullo, and Toby D'Ambola.

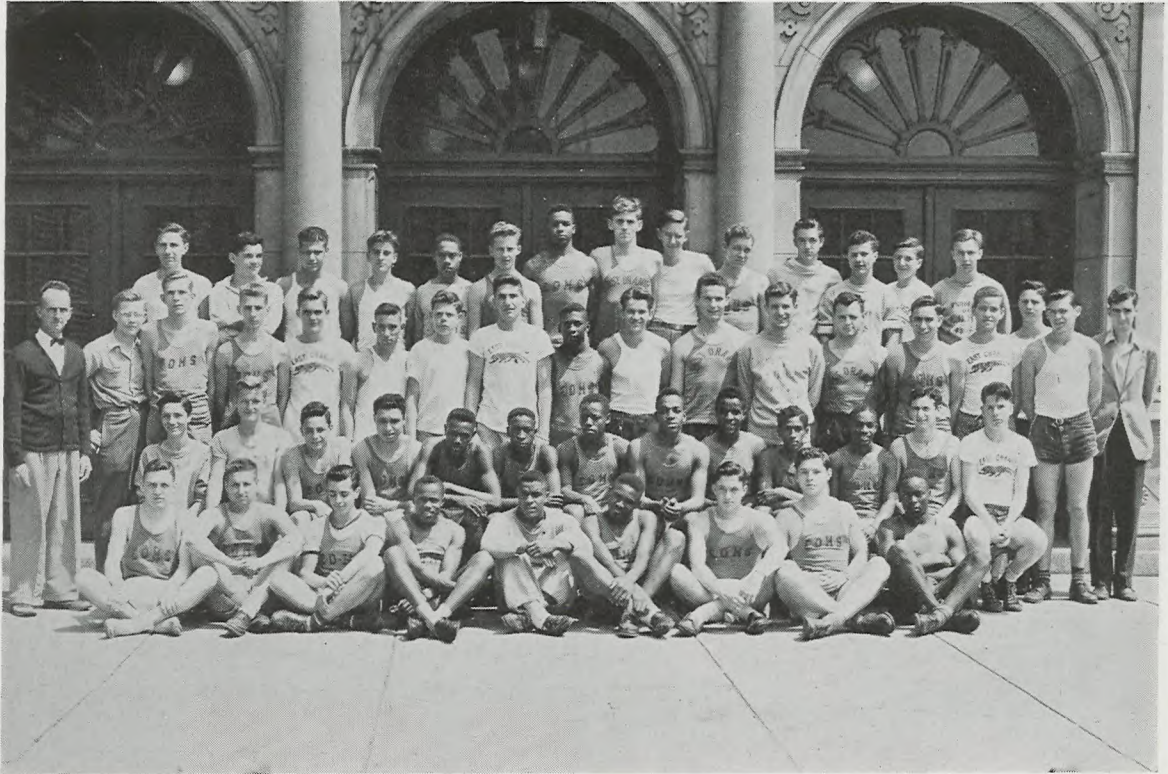

Joe Diminick of Bloomfield held the E. O. Nine hitless, as the Bengals won 2-0. Against Orange for the second time in one week, the Panthers were put down, 5-2.

The Maroon of Nutley shut out Stan Griffin's charges, 1-0, but the Panthers managed to bounce back and win the final game of the year, against West Orange, 5-2.

Trademark of the '46 contingent was a very strong infield led by John Kirbas at first base, Les Auch at second, Pat Digiore at third, and Ray DeGraffenreid behind the plate. Bob Nichols covered the short stop slot, while Fred Kroog, Julie Carocci, and Alvin Padalino shared the mound duties. In the outfield it was Frank Matullo, Wicky Dalbo, and Dave Bowen. Ted Monica, Toby D'Ambola, and Dave Nathan were dependable reserves.

COACH ERNEST BENATRE's 1946 track team experienced a very successful year, paced by the fine high jumping of Leroy St. Thomas, and by the shot put and discus points garnered by Al Norman. The Panther squad triumphed in six of their seven scheduled dual meets.

In the Newark Board of Education Meet on May 4, the Panthers placed fifth, and were kept in the run by St. Thomas, who captured a first in the broad jump and second in the 120 high hurdles.

East Orange's first victory in a dual meet was made by downing West Side, 88 to 29, on May 10. The Panthers stayed undefeated by trouncing West Orange, 82  $\frac{2}{3}$  to 34  $\frac{1}{3}$  on May 14, and Irvington, 76 to 32.

The main event of midseason was the Montclair Invitation Meet, in which the Panther cindermen placed third, garnering 28 points. Joe Vasselli won both the broad jump and low hurdle events. Leroy St. Thomas might

have raised the E. O. standing, but was out with a leg injury.

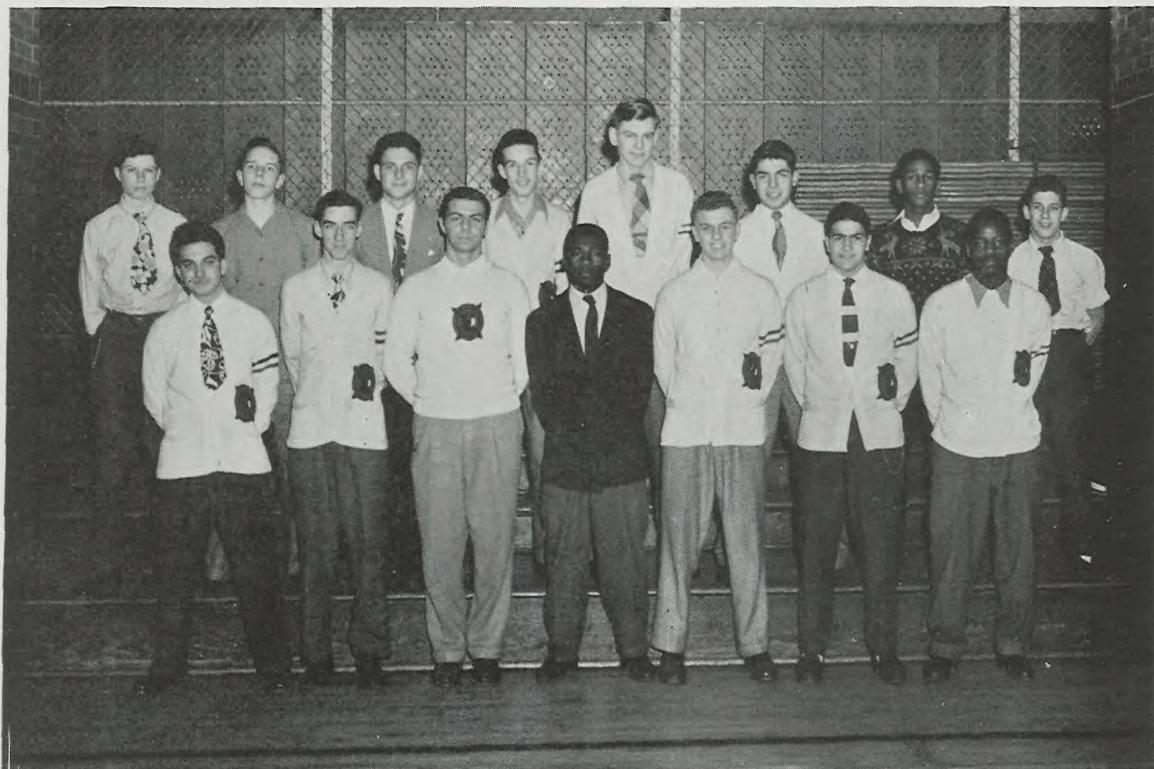

The Panthers suffered their first setback at the hands of Weequahic, in a close contest, 60-57. E. O. was ahead, 57-51, till the last event, the pole vault. The Indians swept this, took nine points, and the meet. The Panthers had taken the 440-yard dash, mile, low hurdles, broad jump, shot put, and javelin throw.

The cindermen, recovering from this loss, forged ahead to crush Orange, 82-35, and Newark South Side, 86-31. Hal Reed led the Panthers in the Orange meet, taking the 100 and 200-yard dashes. East Orange also took the high hurdles, low hurdles, broad jump, high jump, pole vault, shot put, discus throw, and javelin events.

Although Montclair won the N.J.S.I.A.A. meet on June 1, Leroy St. Thomas paced the Panthers by annexing a first in the high hurdles and a second in the broad jump.

UNDER THE CAPABLE DIRECTION of Miss Isabel Kirch, the Girls' Athletic Association in the East Orange High School has had a very successful year. The Association has as its members a large percentage of the girls in the school. The only requisite for membership is that a girl successfully participate in at least three meetings of one sport. Girls who meet this simple requirement automatically become members for the year and are eligible to receive points toward monograms and letters. These emblems are presented in a special auditorium along with other important awards and are considered by most girls as well worth working for.

The primary purpose of this organization

is to give the girls a well-rounded program of athletics. It is almost entirely a student undertaking, with the only faculty member being the group adviser, Miss Kirch.

The officers of the Association are students and are elected annually by all of the members of the organization. To be eligible to be president, a girl must be a senior; to be vice-president, a junior; to be secretary, a sophomore; to be treasurer, a freshman; but anyone is eligible to fill the office of hostess.

This year's officers are as follows: president, Eva Lanciotti; vice-president, Dorothy Fisher; secretary-treasurer, Martha Stewart; and hostess, Audrey Bird.

FINE QUALITY PRINTING is  
nowhere so essential as in  
school and college an-  
nuals. The story told by  
copy is worthless unless  
the printed pages provide  
eloquent testimony of its  
truthful reproduction of  
campus life.

- Production of distinctive  
printing depends upon the  
masterful handling of such  
technicalities as layout,  
artwork, make-ready, and  
presswork, and also upon  
the selection of proper ink,  
paper and binding.
- Consistently good print-  
ing has made the Colyer  
organization the first  
and last choice of the lead-  
ing schools and colleges.

*You'll never forget it .....*

You'll always remember the day—the day you shed the designation "Student" for the more impressive sounding "Alumnus" or "Alumna".

There are other things to remember, too—things like this quote of Benjamin Franklin's—

*"If a man empties his purse into his head no man can take it away from him; an investment in knowledge always pays the best interest."*

You have made that investment. Continue to make it.

REMEMBER—

*The Future Belongs to Those  
Who Prepare For It.*
