•To Miss Nina Adams, Miss Linda Holloway, Miss M. Bernadetta Quinn, and Mr. Victor H. Rausch, we, the members of the Class of 1948, in sincere appreciation of all they have done for us, feel honored to dedicate this volume of the SYLLABUS.

During the many years of their faithful service to the school, their friendship, understanding, and knowledge have won for them the admiration and affection of students and faculty. They have worked hard to uphold in East Orange High School the high educational standards that have developed through the one hundred forty-four years of free education in the city.

Upon their retirement this year, the school will lose four of its finest members. We shall never forget them, and we wish them all happiness in the years to come.

# EDUCATION IN EAST ORANGE

•Since the close of the eighteenth century, when the first school was constructed, East Orange has made great strides in free education, from one crude schoolhouse to a public school system consisting of ten grammar schools, two senior high schools, and one junior high school.

The first schoolhouse in what is now East Orange was a stone building at the corner of Washington and Main Streets. Used during the latter part of the eighteenth century, it was replaced in 1804 by a two-story, two-room, frame schoolhouse which was erected beside the original one, on the corner of Prospect Street. The first floor of the building was used as a school and the second for religious services on Sundays. The seats, arranged around the room instead of in rows, are said to have been logs split in two, with the flat side up and with four legs. Although it had been officially named Ashland School, it was widely known as the "white schoolhouse," since most school buildings in those days were painted red.

In 1825 a second two-story school building was constructed on Dodd Street at a cost of \$233.93. Ten years later an even larger structure was built on the south side of Main Street near Maple Avenue. In 1855 the old "white schoolhouse" was replaced by another of similar design. In 1891 East Orange High School, the first high school building, opened its doors to students seeking higher education.

From these crude beginnings have grown one of the best school systems in

HENRY E. KENTOPP  
*Superintendent of Schools*

this vicinity, at the head of which is Dr. Henry E. Kentopp, Superintendent of Schools. Today in the senior and junior high schools alone there are nearly 4,000 pupils enrolled and there are more than 150 instructors.

Upon the class of 1948, as future citizens, falls the responsibility of continuing the East Orange tradition of striving always for the best in education. May we so strive that some day another graduating class may say of us that we have met this responsibility to the fullest.

# Class

September, 1944

Dear Diary,

I am now a freshman, and what a time I've had. I lost my way three times and bought an elevator pass for an empty shaft. The G. O. gave a scrumptious party in honor of the new students, which made up for it all—dancing 'n refreshments 'n everything.

November

Dear Diary,

The football games are over—we lost to Barringer, 7-3. The season wasn't so good, but we'll do better next year. The music department presented *The Gondoliers*, a wonderful show with our class well represented.

June, 1945

Diary Dear,

The year is over already and we're having such fun. Both the soccer and tennis teams won state championships, and the basketball season went well. *Liliom* was the big production for the year, with Mr. Paul B. Williams directing. Then there were the Junior Prom and the Grad Dance, both big events and very exciting.

Fall, 1945

Dear Diary,

I'm back to the grindstone again, but as a sophomore now—ribbing the new batch of freshmen. The year has started well with a night production, *The Cat and The Canary*, a real thriller. We lost to Barringer again, but that was reconciled by the fact that Mr. George Shotwell, our former coach, is back with us.

February, 1946

My dear Diary,

Mid-year exams are over, and I can breathe again. What a chore they were! I'm surprised I lived through them. There are better things to think of now. In sports, the soccer team did it again, won The North Jersey Section 2 Championship. Our basketball season wasn't so good this year. I just came home from the Junior Prom. It was wonderful—the gym was decorated like a snow scene, and Bud Laird and his orchestra supplied the music.

June

Dear Diary,

Two more successful evening performances this year—*The Chimes of Normandy*, put on by the Music Department, and *The Devil's Disciple*, by the Dramatic Department. The baseball season was sad, but our tennis team, under Coach Frank Davis, shared the State Championship with Columbia. Another Graduation Dance, and now I'm off for a leisurely summer vacation at the shore.

September, 1946

Ma Chère Diary,

Junior Year is the best, I'm sure. We were greeted at the doors by wonderful vets who have come back to learn (?); also by the new girl-cheerleaders—first in E.O.H.S. history. We have a new Speech Department head, too, Mr. Willard H. Mohn.

# History

Winter

Dear Diary,

Burr, it is cold here, but definitely. It's good that football is over. We beat Barringer, incidentally, in the 50th anniversary game. The score was 34-7 and—wadda ya think? The game was broadcast! *My Sister Eileen*, a hilarious show with both teachers and students, went over well with a record-breaking crowd. We had a dandy Sadie Hawkins Day Dance, including a square dance or two, and of course there was the Junior Prom, which is ours this year.

The track and soccer seasons were good, and the basketball team at least held its own. No championships this year, though.

June, 1947

Just think, dear Diary, I have completed three whole years of high school, practically without mishap. It's hard to believe. The Music Department produced *School for Husbands* this spring, a good show. We had a G. O. Spring Frolic to make everyone happy, and of course the annual Grad Dance, which attracted large crowds and was a social and financial success. And that's all for me as a junior.

Fall, 1947

Dear Diary,

Tempus fugit, no kidding. It is senior year already! I've hardly started to do all the things I planned. Everything is favorable this year. Maybe it's because we're seniors. The football team triumphed in six out of nine games, winning the trophy again in the Barringer game. The Speech Department produced a super play called *Three-Cornered Moon*, and the Christmas Concert was extra wonderful. In social spheres, we had a Hallowe'en Dance and also an entertainment for the visiting Hi-Y. Convention.

February, 1948

Dear Li'l ol' Diary,

Practically our last exams are over, as we skip merrily through the snow. We're having our last everything now. The Junior Prom was breath taking, dreamy for us seniors. "Arsenic and Old Lace," put on by Mr. Mohn, thrilled us all. The teachers in it were so good.

June, 1948

Goodbye, Diary,

I must go, as seniors do every year, from old E. O. H. S. I'll miss everything about it when I've gone. We all enjoyed the Grad Dance with its gay decorations and music. Now we say goodbye to one and all. A special goodbye to our G. O. officers: Bob Geddis (president), Donald Ferry (vice-president), Joan Byrne (secretary); and to our own class officers: Norm Miller (president), Ed Silcock (vice-president), Audrey Bird (secretary), and Angela Fucci, (treasurer).

And God bless you, our Alma Mater.

# The Fate of '48

Conover-Byrne Cutting Agency

New York 18, New York

May 1, 1968

Dear Norm:

Here are such references to the various members of the Class of '48 as I have been able to secure in the past week. Following your suggestion, I have deleted source and date, but all are from reliable papers and magazines.

I am sorry not to be with you. As you see by the letter head, Joan and I are now managing our own agency, not hunting subscriptions or "ads" for the SYLLABUS.

Sincerely yours,

DONNA FAYE CONOVER

Monday:—William Zoellner, brilliant chemist, and Ronald Marcks, discoverer of the fifth dimension, have perfected a rocket ship. The ship has been named the "Alma" after Alma Cohan, also a world-famous chemist. Those dare-devil drivers, Constance Davies and Barbara Sayrs, will be at the controls when the "Alma" makes her maiden trip to the moon.

. . . . When a portion of the new bridge being constructed over the Passaic River in Newark collapsed while the men were working, Dr. William Cox, with three nurses, Mary Atno, Nancy Keene, and Lee Crumlsh, rushed to the scene of the accident.

Tuesday:—"Fischer's Follies" opened last night at Pearce's Playhouse for a week's engagement. Before an audience of five thousand, a unique performance was given by a new adagio team: Miss Lois Bellet, Miss H. Audrey Taylor, and Mr. Louis Araneo. Among the first nighters were Audrey Nelson, founder of the Body Beautiful Conservatory, and Norma Stinson, the well-known concert pianist now touring the East Coast . . . . In accordance with his plan to enlarge his sports section, Rolon Reed, editor-in-chief of the New York TIMES, appointed Burton Beck as sports editor. In charge of the feminine sports is Margery Frank, author of the famous column, Margie's Gym Shorts . . . .

Miss Judith Marean was married yesterday afternoon at a ceremony performed by Reverend Robert Cheattle. Orange blossoms decorating the altar were supplied by Joe Gray, owner of the Gray Orange Groves in Piedmont, California.

Wednesday:—Among the recent business transactions in South Orange was the purchase of Gruning's chain of candy stores by Joan Norton, star of the current dramatic hit, IN LOVE, who is now residing in Maplewood. Miss Norton plans to open a new store in East Orange and enlarge the others where no one over twenty-one will be allowed and all waitresses will be required to pass courses on courtesy entitled "Consideration for the Teenager." Assisting her in her schemes to give better service to high school students are Eleanor Edwards, Claire Trien, Joyce Widoff, and Joan Zimmerman. Miss Trien recently made her Broadway debut in "The Rabbit and I."

. . . . Drs. John Surridge and Donald Polk have been appointed team physicians by Pete Berla, manager of the New York Football Giants. They will attend to the health of such notables as Dave Schake, Joe Greene, Bob McCray, and Bill Hemmer . . . . Alicia Salmon, combining her talents for dancing and Spanish, has opened a new Spanish Dance Studio . . . . Roger Shewmake, author of many books on fishing, has landed a 250-lb. tuna fish, the largest ever caught. Ray Spillane assisted in the capture . . . . East Orange's own radio station WOE has appointed Donald Mocksfield chief disk jockey. His theme song will be WRONG AS THE RAIN, written by McCoy Shockley and played by his band with vocalist Rebecca Bennett.

Thursday:—Professor Roger Sorg headed a convention of Latin teachers held at the Berkeley-Carteret. He reviewed his Latin textbook written in collaboration with Professor Thomas Foster, authority on ancient Roman civilization. The book eliminates all grammar. Miss Joan Ferrari, manager of the hotel, provided a marvelous dinner cooked by those famous chefs, Otto Burkhardt and Martin Ginsberg. All the food was purchased from the Food Fair, co-owned by Lyle Brunot and Richard Malfitan . . . . A new mural by Walter Crooke, a masterpiece, now adorns the United Nations Assembly Room . . . . Swarms of screaming young girls mobbed James Moffatt and J. Clement Lauria at the stage door of Radio City Music Hall, where these box-office idols are making a special appearance . . . . East Orange High School has appointed Frank Williges as head of the Social Studies Department. Also new on the faculty is June Birrell, director of the Girls' Physical Education Department . . . . Fashion authority and designer for the Carlino & Colonna Mills, Babs Wallace predicts that short skirts are back to stay. Louella Boyd, top dressmaker, has directed the sewing of the first models for next fall . . . . Managing George Keith's campaign for president against Norman Miller is John Taylor, the probable next ambassador to Great Britain.

Friday:—The lecturer on E. O. H. S.'s assembly program yesterday was Jackie Lewis, President of the Full Blossom Applesauce Co. Inc., who spoke on "Apple-polishing as a Career." . . . . A farewell banquet will be given tomorrow evening in honor of Mr. Stuart Handmaker, ambassador to France. Renowned speakers will be that wit, Christina Healey, and the chairman of the Committee on Foreign Affairs, Marijane Eastman . . . . "Housewife Models," a new and different radio program written and directed by Connie Boyd, a former comedienne of the Jack Wills Show, held its premiere last Tuesday evening. Cecil Carley, radio critic, predicts a successful career on the air for the cast, which includes Pat Morse, Ralph Deter, and Nick Georgatsos. The guest was a famous T. Fallon model, Barbara Hoile.

Saturday:—A strike was staged on Wall Street this morning by the Secretaries' Union led by the charming officers, Marilyn Bach, Marilyn Berkebile, Shirley John, and Beverly Smith. As the girls marched and sang "We're worth more," the wealthy brokers, Edward Silcock and Ray Dankowski, pleaded with them until matters were settled by Tony Mauriello, President of the National Committee on Arbitration . . . . Angela Gasparino and Beverley Quarles just recently sang at a benefit performance for members of the S. U . . . . Furs valued at \$500,000 were stolen from Wain Harrison's hunting lodge in the North Woods . . . . Burton Selfridge and Richard Vogt have arrived in New York after a European tour and expect to start rehearsals for their next opera soon.

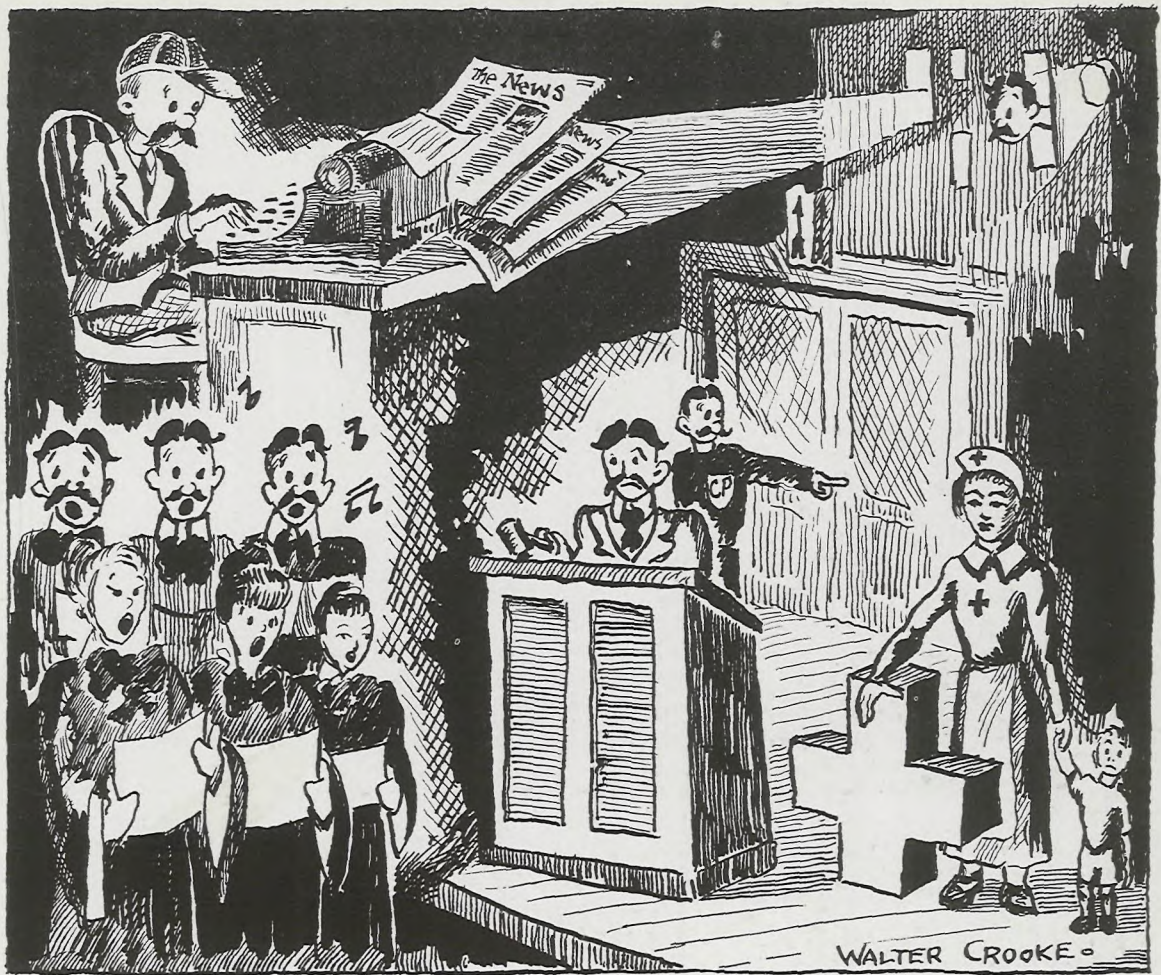

Sunday:—Doris Joy was today appointed first City Poet Laureate . . . . Among the members of the Philharmonic Symphony Orchestra who went on strike last night are the tuba player, Leonard Ellsworth; clarinetist, Gloria Ricciardi; trumpet virtuoso, Angela Fucci; and trombonist, James Stigliano. The strike prevented Robert Millsbaugh from presenting his last New York piano concert . . . . At Carnegie Hall last night the audience warmly applauded the dancing of Irene Bodino and Betty Kilcommons. Next week Donald Ferry will dance in the "Dying Swan," a ballet suite composed by Donald Stauffer . . . . Flash!!!! The Third Ward of East Orange has just declared itself independent of the city and elected Bob Geddis as its first mayor.

THIS YEAR, THE STUDENT COUNCIL has proved to be a most active and capable organization under the leadership of President Bob Geddis, Vice-President Don Ferry, and Secretary Joan Byrne. There are many school benefits to be added to its list of accomplishments.

At the beginning of the year, a new system was adopted for the election of homeroom representatives, whereby those who wished to participate signed their names to a list of candidates. By this method, many valuable and ambitious students became members of the Council.

Several representatives were sent to the Convention of High School Councils which was held at Princeton. From this meeting, many ideas for assembly programs, suggestions for raising Student Council money, and other aids were gained.

For the first time, football programs for the games were printed by the school. A student committee for football programs was organized and girls from the Athletic Association sold them.

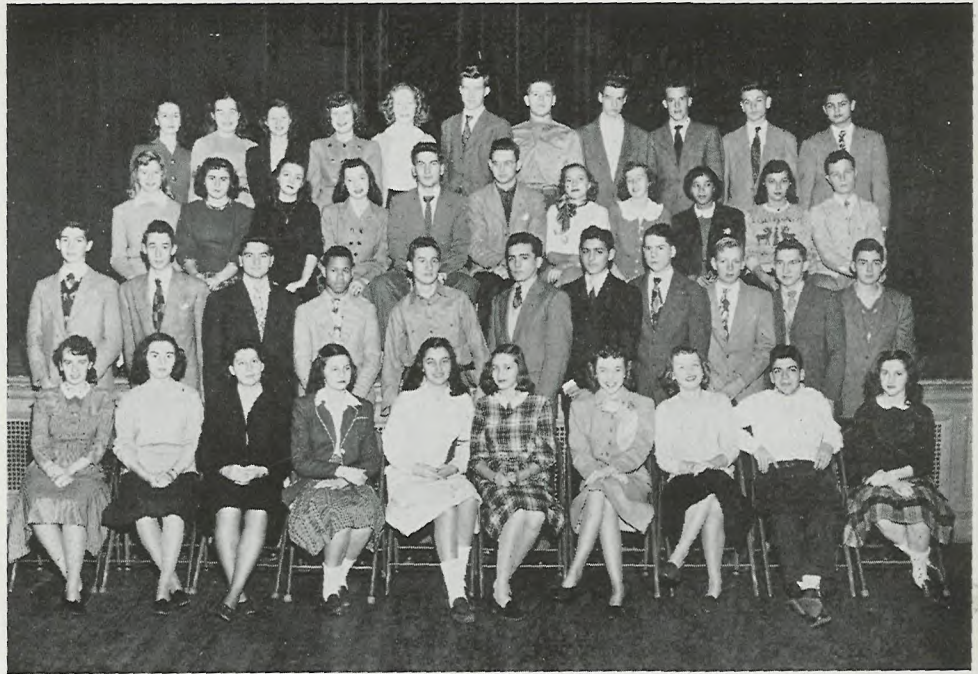

The annual picnic held in the fall at Hickory Springs in Orange Mountains Reservation was a great success.

Other achievements were the permanent establishment of the Boys' Honor Study Hall, the gift of a fund for Langston Gwaltney, the founding of a Student Council Bulletin Board and the organization of a student canteen.

A great deal of credit is due to all who have helped make 1947-48 such a successful year for the Student Council of East Orange High School.

AGAIN AS USUAL THE NEWS has aided greatly in the general progress of the school. Rolon Reed proved to be able and willing to meet the requirements for editor-in-chief, and with the fine co-operation of his staff, improved the paper's journalistic standing. New and very satisfactory members were added to this staff once in the fall and again in January.

Several workable plans were inaugurated. Each reporter who earned ten or more points for three successive weeks was declared a star reporter for the next three, and his name appeared in the mast-head. Individual page meetings were held from time to time, in order that the page editor and his staff might

work out with Mr. Coffin the special problems which confronted them. Through hard work the business staff provided the editors with more money for pictures and cartoons for every page of most issues. A definite trend towards the six-page issue was established in answer to the repeated requests of the student body. For the first time in many years the NEWS offered some fine and constructive suggestions in its editorials and took a clear stand on the current problems.

All this has made the paper more beneficial, as well as more entertaining to its readers, and has given Mr. Loesch, who will take over next year as advisor, a high standard to live up to.

## Social Committee

THE SOCIAL ACTIVITIES for this year started with the New Student Party, sponsored by the Social Committee and the G. O. The Committee, under the direction of Miss Ellen Leinonen, consisted of Pat Honeker (chairman), Barbara Evans (secretary), Wilfred Jervis (supervisor of decorations), H. Audrey Taylor, Bill Turner, and Walter Croke. This party helped the new students to become acquainted with the school and with one another.

At the Hallowe'en Party of October 31st the dunnage-clad merry-makers danced to records. An atmosphere of Hallowe'en was created by attractive orange and black decorations.

The Junior Prom, a formal affair, was held on February 17. Ned Hitchcock and his Orchestra furnished the music. A patriotic air was formed by a decorative scheme of red, white, and blue. Silhouettes of Washington and Lincoln reminded the joyful dancers of our heritage of democracy.

The Grad Dance was formal and was held on the "good ship" E. O. H. S. Don Gerome and his Orchestra provided sweet music for the Bon Voyage Party. Our gym was transformed into the promenade deck of a luxury liner. A tropical moon, life preservers, anchors, and strings of signal flags created an effect of sea-

farer never to be forgotten by anyone. There were large turnouts to all of our dances, and they proved to be great social and financial successes.

## Junior Red Cross

BACKED BY ONE HUNDRED PER CENT membership in this school, the East Orange High School Junior Red Cross has been engaged in many diversified activities. By sending educational gift boxes to Europe, our Junior Red Cross Council has followed the trend all over America in aiding and cementing relationships with the many war-ravished countries.

The Art Department, cooperating with the J.R.C., painted murals for hospitals and recreation halls. The clothing department has made dresses for needy children in Europe, while the wood-working classes have mended toys for children there. The Library Club pitched in by knitting squares for afghans bound for the Continent, and the Print Shop produced labels and posters.

The value of the Red Cross work has been clearly illustrated by the numerous letters this chapter alone has received from European recipients of gift boxes and other aid. Many respectful letters of gratitude have come from thankful war-stricken children who were aided by our Junior Red Cross.

# Football

WITH COACH ED LEWIS at the helm for the first time, East Orange High School's football team completed another successful season in winning six, losing two, and tying one. The two defeats came at the hands of Montclair, state champions, and West Side, second to the Mounties. The Panthers had four outstanding players in Ted Whittle, Dave Perrin, Dave Schake, and Lou Araneo. Whittle received All-State recognition while the other three received All-County honors.

The Panthers opened the season by defeating a stubborn Belleville eleven, 14-6. Whittle and little Bob Hickson tallied for the Red and Blue. Hickson scored from the seven-yard line on an end sweep. West Side was next, and the favored Panthers were upset by the Rough Riders, 6-0. The lone tally came in the third quarter on a pass from Lou Ciarrocco to Sam Gambacorta. The Panther stars in that game were Joe Greene and John Farese.

In the team's first inter-Oranges tilt, the Lewismen jolted the Cowboys from West Orange by an 18-0 score. Ted Whittle and Johnny Farese were the Panther heroes. Farese tallied twice, once on a 93-yard run and the other time on a plunge. Whittle tallied the other Red and Blue score on an

end around. Perrin and Schake were the line stars in this fray, along with Whittle and Farese. Irvington was next for the Panthers, and the big cats triumphed 19-12 in a closely fought contest. Bob McCray was the Panther star in this victory. Ken Kett, John Farese, and Ted Whittle tallied for the Panthers. It was the line play of Bob Geddis that was outstanding. Lou Araneo's brilliant pass receiving also was a main factor in the East Orange victory.

On October 25, 1947, 14,000 people jammed Ashland Stadium, East Orange, to see Montclair and East Orange play the most thrilling contest of the year. From the opening kickoff to the final whistle, the people in the packed stands saw a clean, hard-fought game. The Mounties drew first blood in the first quarter on a plunge by George Gilruth from the one-yard line. The Panthers deadlocked the score in the third quarter on a pass from Ray Dankowski to Lou Araneo. Bill Hemmer's place kick deadlocked the score at 7-7. Dick King tallied the final and winning touchdown in the last quarter on a center buck from the 24-yard line. He also converted to end the game by a 14-7 count. The Panther defense and offense outplayed

the Blue and White eleven by a considerable margin, but it was the score that counted.

Nutley was next in line for the Panthers, falling to defeat, 14-7. Hardly had the E.O. patrons had time to find their seats before the dashing Maroon careened over for their first and what proved to be their last tally. The Maroon and White capitalized on a Red and Blue fumble and drove to pay dirt with John Bow and Maurice Mantz doing the bulkwork. Mantz dove over for the tally and Bow converted. The Panthers, dazed by this previously unheard of Nutley scoring punch, stumbled through the first half and barely halted another Maroon drive which ended on the East Orange six-yard line at half time. The second half painted an entirely different picture, with the Big Cats dominating the play. Whittle tallied the Panther's first touchdown on a 37-yard run. He tore through a gaping hole in right tackle and raced the distance without a hostile finger touching his body. The other six-pointer was scored by McCray on a plunge from the two-yard line.

The team's second inter-Orange tilt proved to be a good one, as the Panthers tipped the Tornados, 7-0. Whittle again was the East Orange hero as he dashed 58 yards for the lone tally. The deepest the Orange and Black penetrated into East Orange territory was to the 25-yard line. Don Tarrantino did some terrific kicking for the Red and Blue when their backs were against the goal line. Twice he got off 60-yard kicks to keep Orange

from scoring. His line play and that of John Della Sala was outstanding. This was played before 8,000 rain-soaked students on the miry grounds of Orange Stadium.

In a thrill-packed contest at Underhill Field, 7,000 spectators watched Columbia and East Orange fight to a scoreless deadlock and a tie for the mythical inter-Oranges championship. Stu Merz and Bob Reaves were the offensive power for the Cougars, while Kett and McCray were the Red and Blue offensive stars. Chuck Roemer and Jack Scott stopped many a Panther drive, while Dave Perrin and Lou Araneo were the Panther defensive stars. The Panthers reached the Columbia two-yard line in the second quarter, but they failed to score as Scott knocked down Dankowski's fourth down pass. The farthest the Cougars penetrated was to the East Orange 11 via a blocked kick.

In the fifty-first meeting between Barringer and East Orange, 14,000 fans saw the Big Cats come out on top, 12-0. The Panthers scored both touchdowns in the first half. Whittle tallied on an end run from the 28-yard line and passed to McCray for the other, the pass play covering 56 yards. McCray ran 35. The defensive stars for the Lewismen were Joe Greene, Rich Gardner, and Bob Geddis. For the Big Blue, they were Frank Peloso and Vinnie Caprio, who led the Barringer eleven in their two goal line stands against the Red and Blue offensive power. Thus ended the season of 1947.

# Soccer

FIRST ROW: M. Simons, G. Andresakes, T. D'Ambola, R. Ryan, O. Burkhardt, V. Odell, W. Burkhardt, F. Del Guercio, H. Miller, C. De Filippis. SECOND ROW: Mr. Griffin, N. Georgatsos, G. Davidian, C. Nakash, R. Fucci, H. Mango, A. Moran, D. Mairale, R. Rossi, R. Orlando, J. Cole. THIRD ROW: L. D'Aries, P. Georgatsos, L. Auch.

EAST ORANGE HIGH soccer team ended a mediocre season in racking up five victories, three defeats, and three ties. Otto Burkhardt was the team's outstanding player even though he didn't lead the squad in scoring. (Burkhardt was chosen on the All-State squad.) Bob Ryan led the Panthers in scoring with seven goals. Burkhardt had five, Vinnie Odell three, and Rocco Orlando two.

The Panthers opened the 1947 season by tying Verona, 1-1. Otto Burkhardt's goal within the last three minutes of play tied the game for the booters. Montclair was next in line for the Red and Blue, and the Mounties fell to defeat, 1-0. Ryan's goal midway in the final half was the Panthers' lone tally.

The Panthers then lost to Harrison and Chatham by the scores of 2-0 and 1-0. Against the Blue Tide the Panther defensive play was outstanding. Les Auch led the Panther defense throughout the contest. The Panthers then trounced the Seton Hall J.V., 4-1. Ryan, O. Burkhardt, and Odell tallied for the booters, with Odell tallying twice.

The Red and Blue then vanquished the Mounties on their home grounds at Woodman Field, 4-1. The Panthers rolled up a

2-0 halftime score. Both goals were made by Ryan on passes from George Andresakes and Walt Burkhardt. Ryan scored the third goal with O. Burkhardt converting the final goal.

Kearny gave the Panthers their final defeat in a rough and tough fray, 1-0, the only tally coming late in the final period. Summit was next in line for the Panthers. The booters waited until the second half to unleash their attack. In the opening minutes O. Burkhardt booted a penalty kick between the posts for the first tally. Ryan and Orlando teamed up together for the final two goals, Ryan scoring one and Orlando the other.

The Panthers then fought to a 1-1 tie with Chatham, Ryan scoring the only East Orange marker. The Red and Blue got revenge for an earlier tie and defeated Verona 2-0. Orlando set up one goal on a corner kick which Odell headed in and Walt Burkhardt crossed to Orlando for the second goal. The Panthers ended the season by tying Summit 1-1 in the rain at Memorial Field, Summit, with coach Stan Griffin completing his 24th year as soccer coach at East Orange High.

# Cross Country

FIRST ROW: V. Blenx, A. Cortese, S. Glushik, H. Vaughn, R. Stockinger, P. Biard. SECOND ROW: E. Rayment, B. Stabler, R. Elsdon, H. Hadigian, W. Nash, T. Johnson. THIRD ROW: Mr. Bowden, G. Fahringer, J. Magee, R. Bowker, G. Volkmer, R. LaVigne, T. Ritner, C. Brunot, A. Slocum, F. Rodgers, M. Van Ness.

EAST ORANGE HIGH SCHOOL'S Cross Country Team finished its 1947 season with a record of no wins and nine losses. Even though the Bowdenmen had a rough season, they had an outstanding runner. Bob Stabler, who received a gold track shoe, annexed five first places in nine starts to be the squad's best runner. He never finished beyond fourth place in any of the dual meets, and ended up sixth in the county meet, tenth in the state meet, and twenty-seventh in the Seton Hall meet.

The Panther Hill and Dalers started the season by being defeated by Central, 17-38. Stabler notched fourth place; Anthony Cortese and Stan Glushik ran eighth and ninth respectively. Against the Rough Riders from West Side, the Red and Blue harriers went down to defeat, 19-36. Stabler, Alfred Slocum, Cortese, and Glushik all placed. Stabler ran second.

Bob Stabler annexed the first of his five wins in the St. Benedict's Meet at Branch Brook Park. He ran the 2½-mile course in 14:45. Tom Ritner ran third, with Ted Rayment and Harry Vaughn taking ninth and tenth places.

Even though the Montclair harriers defeated the Red and Blue, again it was Stabler in the number one spot. This time he did it

in 14:00. Ritner ran seventh. Rayment and Stabler were the only runners from E. O. to place in the Kearny meet. They ran eighth and fourth respectively.

Irvington was next to defeat the Panthers by a 20-35 count. Stabler ran first with Paul Downey, Irvington ace, running a close second. The time was 14:04. Ritner and Don Bowker annexed eighth and ninth for East Orange. The Panthers were then nosed out by the Bengals from Bloomfield by a 27-28 score. Stabler ran the lake course in 13:58. Bowker, Cortese, Vaughn, and Rayment ran fourth, seventh, eighth, and ninth respectively.

Orange was next for Stabler and Co. Bill Kimons, who won the Essex County Meet, captured first place for the Orange and Black. Stabler ran a close second, with Bowker annexing tenth place. Barringer handed the Panthers their final defeat of the season. Stabler won the meet in 13:51. This was his best time all year. Rayment captured fourth place and Vaughn sixth. Slocum, Cortese, and Glushik tied for eighth.

In the Seton Hall Meet, people think that twenty-seventh is a long way from first place, but in a meet of 200, 27th is terrific. Bob Stabler, Anthony Cortese, and Ted Rayment received letters.

# Basketball

FIRST ROW: C. McCusker, M. Simons, W. Hemmer, S. Manning, J. O'Keefe, E. Hite, C. Cronham, E. Silcock. SECOND ROW: Mr. Lewis, J. Ferguson, F. Capasso, J. Farese, R. Many, J. MacKeown, J. Villani, L. Tunnera, R. Stabler, B. Beck.

EAST ORANGE HIGH SCHOOL'S basketball team under Coach Ed Lewis completed another poor season. The Panther five won four out of eleven. Johnny O'Keefe paced the Panther quintet with 172 points to his credit, which was enough for him to be nominated on the All-Oranges team. The Red and Blue Five defeated Bloomfield, Alumni, Montclair, and Nutley.

The Panthers opened the season by walling the former East Orange stars, 60-48. O'Keefe and Red Hemmer led the Lewismen with 18 and 15 points respectively. Orange was next in line for the Red and Blue Five and the Sailormen toppled the Panthers easily, 37-29. O'Keefe again led the Panther attack, along with Ed Silcock and Hemmer. Irvington turned the Big Cats back by a 38-34 score. O'Keefe tallied fourteen points while Dankowski shone out in defense.

The East Orange squad racked up victory number two by defeating Nutley, 41-32. Stan Manning, Hemmer, and O'Keefe led the Panther attack against the Maroon and White. A last minute basket by Bob Jones enabled Montclair to top the Panthers, 31-30, at the Mountie court. O'Keefe tallied 11 to bring his five-game total to 60 points. Barringer, paced by Frank Peloso and Len Pearsen, handed the Red and Blue their fourth defeat, 45-36. Dankowski and O'Keefe led the East Orange five with 12 and 9 points respectively.

The Panthers led going into the final period, but the Big Blue decided to avenge the football defeat by downing the Red and Blue.

The Panthers got revenge for the first defeat at the hands of Montclair by handing the Mounties a 41-30 defeat. Manning and O'Keefe led the squad with 13 and 12 points. Weequahic toppled the Lewismen in the next game, 47-39. This game was marked with 51 fouls. O'Keefe and Manning each had thirteen tallies. The Red and Blue came within four points near the final gun, but the Indians put on a spurt which left the Panthers in the lurch. Orange was next in line to defeat the Panthers, and this time handed them a 45-30 setback. Bob Hurt paced the Orange and Black squad while O'Keefe tallied 15 points for E. O.

The East Orange five suffered the worst defeat at the hands of West Orange, 54-24. Hugh O'Hara paced the Cowboys while no one in particular shone for East Orange. Columbia's shifting defense brought the Cougars a 43-37 win over the Panthers, and then the Panthers broke a four-game losing streak by toppling Bloomfield, 37-28. O'Keefe and Dankowski hit double figures for the Panthers. Columbia, West Orange, and Barringer ended the East Orange season with three more losses.

# Baseball 1947

FIRST ROW: D. Tarantino, D. Mocksfield, T. D'Ambola, L. Auch, E. Osgood, O. Burkhardt. SECOND ROW: R. DeGraffenreid, R. Dean, R. Gerhard, F. Matullo, J. Carocci, R. Brueno, R. Piccirillo, J. Della Sala, T. Monica. THIRD ROW: J. Evangelista, M. Mathias, R. Shewmake, G. Davidian, C. Pennino, T. Foster, J. Matheson, R. Mayer, Mr. Griffin.

ALTHOUGH LACKING A FIELD to practice on, the 1947 baseball team completed a fairly good season in which it won six games while losing seven for an average of .461. In spite of this poor record, the team had several outstanding performers. Catcher John Della Sala and Frank Matullo led the Red and Blue attack throughout the season. Matullo was the best batter with a .285 batting average. Les Auch, Toby D'Ambola, and Ted Monica also shone in their defensive play around the Panther infield.

West Side defeated the Red and Blue in the opening game of the season, 5-4. The game was marked by the brilliant relief hurling of Rudy Gerhard. Orange handed the Panthers their second straight defeat, 6-1, at the Central playground. Matullo got the only Panther hit. This fray was marked by many errors for both sides.

The Diamonders scored their first victory when the Red and Blue defeated Bloomfield Tech., 14-3, in a slug-fest which saw a barrage of hits and runs. A big first inning was the deciding factor of the contest. The Cam-

pers from Irvington invaded Elmwood Oval to down the Panthers in a hard-fought contest. The Camptowners were led by the pitching ace, Ray Sczymanski.

Columbia, which was a finalist in the Greater Newark baseball tournament, toppled the Panthers, 8-5. A fly ball which fell between two Panther outfielders was the deciding factor of that game. The return game with the Cougars, a game marked with many errors, saw the Panthers go down to defeat, 5-3. West Orange was the next Panther foe, and the Cowboys defeated the hard-fighting nine, 4-2.

Dick Dean did a brilliant relief job against Montclair after Gerhard had allowed three runs in the first inning. Dean pitched one hit ball for the rest of the contest, which saw the Mounties win, 3-0. Again Matullo saved the Panthers from being the victim of a no-hitter. The Panthers ended their season with an 8-1 shellacking of Barringer at Elmwood Oval. Ed Osgood led the attack with three hits.

The Cindermen tied for eight in the Newark Board of Education Meet, took third in the Montclair Invitation Meet, behind Columbia and Montclair, and placed two men in the N.J.S.I.A.A. Meet.

The Panthers opened the regular season with a triangular meet with Irvington and Nutley. The Cindermen rolled up 92 points to cop the meet. St. Thomas took first in the low hurdles, broad jump, and the high jump. Root captured the discus and the shot put, while Guy Morton took the pole vault.

Next, the tracksters lost to the Rough Riders from West Side, 68-46. St. Thomas again starred, taking first in both hurdle races, the broad jump, and the high jump. He collected a total of 20 points. Root again took the shot put, and Julich won the javelin throw. Jim Mackie and Morton won the pole vault.

The Red and Blue tracksters handed West Orange and Weequahic defeats by the score of 70-47 against the Cowboys. Joe Greene

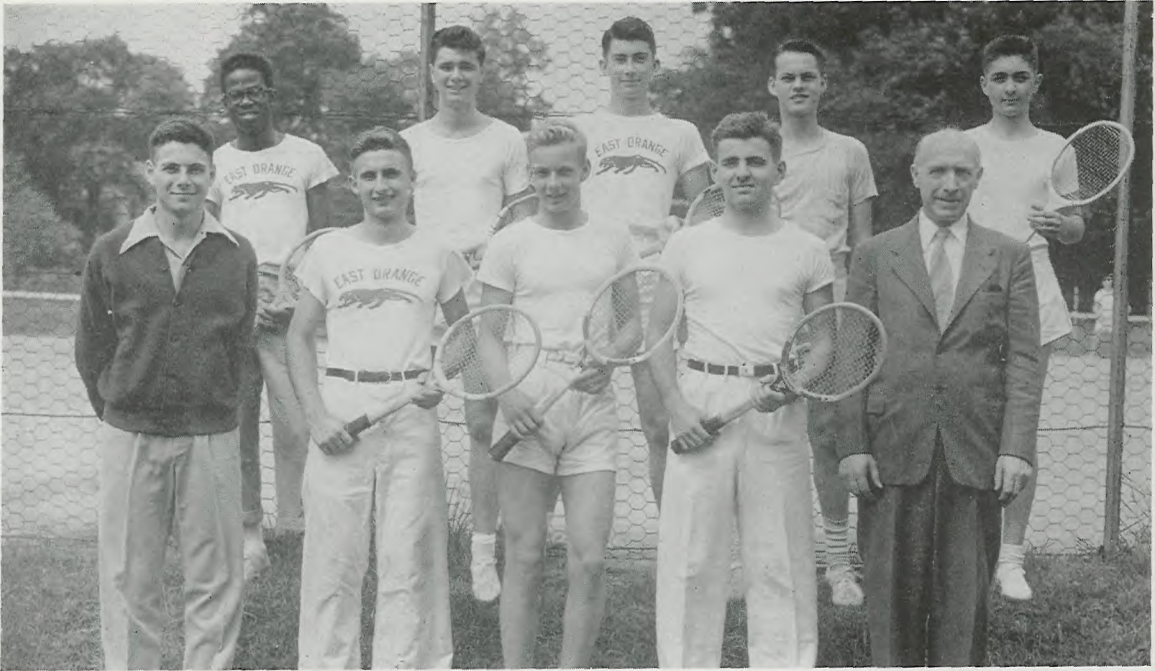

won the shot put, while Milton Martin won the high jump. Bob Cottingham won the high hurdles, and Lindsey Coppock and John Purifor tied for the low hurdles. In the Weequahic meet the Panthers were led by St. Thomas, who captured four firsts. Andy Clouston took the 440, with Julich taking the javelin.

By winning three events, St. Thomas led East Orange to third place in the Montclair Invitation Meet on May 24. The Cindermen tallied 29½ points. Leon Root placed in the discus and the shot put. The Panthers smashed South Side, 82-35, taking first in all events but four. St. Thomas took his usual events, with Odell Rolling, Emuel Kirbas, and Joe Greene taking the javelin, discus, and shot put respectively.

Orange then defeated the Panthers, 68-49. The Panthers' Cindermen in the persons of Leon Root and Leroy St. Thomas placed in the State Meet. In the final meet of the year, the team placed in the 180-yard shuttle hurdles in the Orange Relays at Underhill field.

# Tennis 1947

FIRST ROW: A. Nacht, J. Wills, D. Bacher, R. Millspaugh, Mr. Davis. SECOND ROW: D. Hodge, R. McCormick, R. Poag, W. Washkau, D. Armento.

EAST ORANGE HIGH SCHOOL'S 1947 tennis team completed another fairly successful season with a record of 8 wins and 8 losses for a .500 average. The netsters' worst defeat came at the hands of the West Point Plebes, 9-0. The Panthers' outstanding victories were over Bloomfield twice by 5-0 scores and West Side twice by the same score.

The Panthers opened the season by defeating a stubborn Westfield squad, 3-2. John Wills won the only singles match, 6-0, 6-0. Don Hodge and Bob Millspaugh won one of the doubles, with Bob Poag and Bill Washkau winning the other. After the netsters lost to Columbia, 3-2, they rebounded to topple Montclair by a 3-2 score for their second victory of the season.

The Red and Blue topped Bloomfield, 5-0, and then lost the following three matches to Nutley, West Point Plebes, and Montclair by 4-1, 9-0, and 4-1 scores. The Panthers then proceeded to take the next three out of four matches. They defeated Westfield 3-2, Bloomfield 5-0, Irvington 4-1, before losing to

Columbia again, 4-1. The Panthers' doubles team of Don Bacher and Don Hodge won the Panther a point in the match.

The Panthers lost three, won three, and tied one in their last seven games. They defeated West Side twice by the same score, 5-0. With Bill Washkau and John Wills winning the singles, the Panthers jumped to a 2-0 lead. Washkau won 6-1, 6-2 over Cliff Pistoves, while Wills defeated Joe Sheer, 6-1, 6-0. Both doubles teams of Bob Poag and Don Hodge and Joe McCormick and Don Armento won 6-0, 6-1, 6-3, 6-0.

The Panthers defeated Weequahic, 5-0, and ended the season with a decisive win over West Side, 5-0. Against Weequahic, Millspaugh, Poag, and Bacher won the singles with Wills and Hodge, Armento and McCormick winning the doubles. The fellows receiving letters were Bob Poag, Bill Washkau, Don Bacher, John Wills, Bob Millspaugh, and Don Hodge. The returning lettermen for next year's squad are Bacher, Wills, Millspaugh, Hodge. Other members are Armento and McCormick.

THE GIRLS' ATHLETIC ASSOCIATION was established to make it possible for girls interested in athletics to promote their interests by coming out for sports after school.

This organization is controlled by an advisory board and the faculty of the Physical Education Department. The board consists of a president, vice-president, secretary, and hostess, elected by the members of the G.A.A., and of the managers of all sports. The board has charge of all the social and athletic activities, and it establishes procedures in the giving of awards.

In order to become a member of this organization, a girl must participate in one after-school activity and attend that activity at least three times. The activities include

such sports as tennis, hockey, volleyball, basketball, baseball, swimming, modern dancing, and bowling.

A friendly "new student" party, given at the beginning of the year for the purpose of getting the new students acquainted with the faculty and with each other, is one of the annual social events sponsored by the G.A.A. At the end of the year the awards are presented at a picnic complete with delicious victuals.

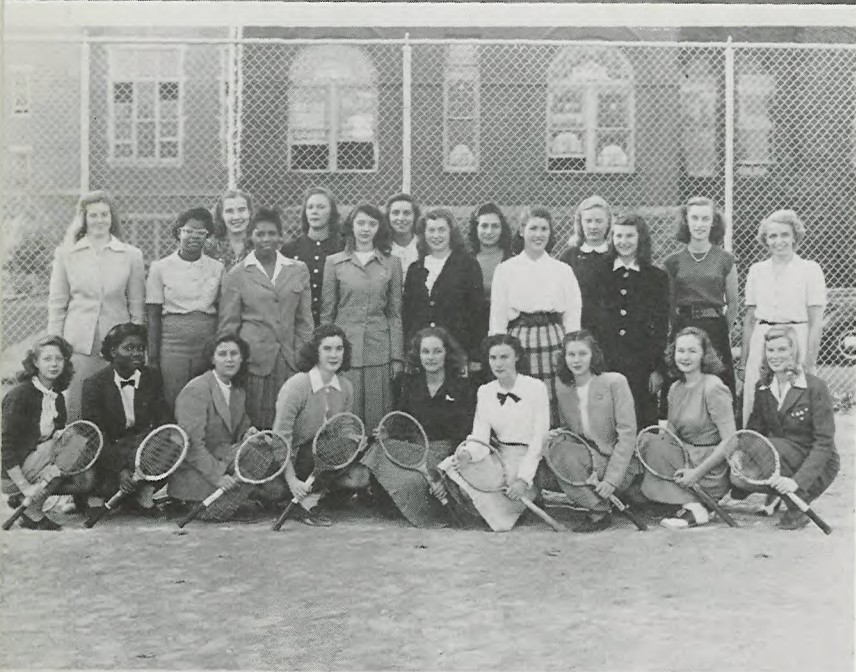

In view of all the pleasures and accomplishments which this organization affords, we feel that it is both an honor and a privilege to be a member of the Girls' Athletic Association.

## FAREWELL

*We never thought we'd see the day  
When the principal would proudly say,  
"With honors now I graduate  
The remarkable class of '48."*

*But time in its usual way passed on,  
And now those four long years are gone.  
Right before our very gaze  
Tomorrows turn into yesterdays!*

*To the faculty goes our heartfelt thanks  
For coping with our childish pranks  
And other deeds too many to mention,  
For which we deserved far more  
than detention;*

*For taking a handful of average youth  
And teaching the value of honor and truth;*

*For going beyond the homework assigned;  
For teaching the nobility of the mind.*

*Now upon the threshold of the  
future we stand,  
Venturing beyond the steady hand  
Into the world all strange and unknown  
To strive until our seeds are sown.*

*And so we bid a fond adieu  
(While some of us say, "Are we  
REALLY THROUGH?").  
But the best of luck to you and you  
And congratulations from Joan and Stu.*

STUART HANDMAKER
