" We accepted the Challenge of Seniority with Spirit and Dedication."

Our Evening In Paradise

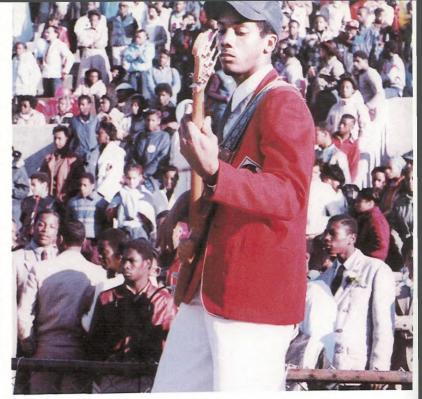

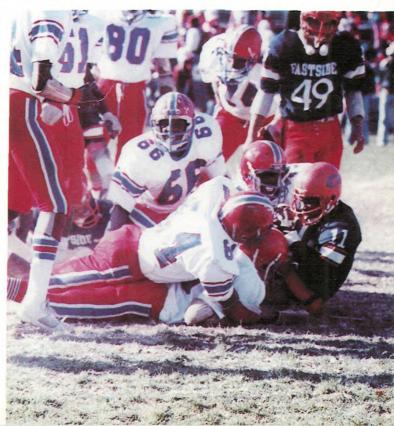

Homecoming 1980

The 1980 Homecoming game was played against Paterson Eastside. The Panthers were victorious by the lopsidded score of 47-0. Junior Moe Courtney led the team with a record 6 Touchdowns. The festive occasion was highlighted by the crowning of our gracious HOMECOMING QUEEN NAT-ALIE PIERCE, WHOSE Poise and Beauty captivated the crowd of 4,000 spectators.

Dedication To Corrine Marmo

Corrine Marmo

The 1981 **Syllabus** is dedicated to Ms. Corinne Marmo, our Senior Advisor. We would like to take this space to thank Ms. Marmo for the time and attention she has given our class.

Two years ago we were wanderers in the halls of East Orange High School, searching for someone to guide us. It was at that point that you stepped in and took us by the hand and navigated us to the friendly and safe harbor of graduation. A voyage which carried us through islands of candy sales, magazine drive, the fabulous and glamorous Junior Prom and a world of exclusive senior events.

Were all the oceans in the world ink, and all the land paper, we still would not have enough materials to pen our thanks to you, so in parting we would like to use the words of Arethea Franklin and say; "When our show was in the Lost and Found column, you came along to claim us". For this we shall belong to you.

Sincerely,

The East Orange High School Class of 1981

IT IS A DIOGENHER FITTING AND PROPER THAT WE SHOULD DO THIS, BUT, IN A LARGER SENSE, WE CANNOT DEDICATE-WE CANNOT CONSECRATE-WE CANNOT HALLOW-THIS GROUND. THE BRAVE MEN, LIVING AND DEAD, WHO STRUGGLED HERE, HAVE CONSECRATED IT FAR ABOVE OUR POOR POWER TO ADD OR DETRACT. THE WORLD WIND DITTLE NOTE NOR LONG REMEMBER WHAT WE SAY HERE, BUT IT CAN NEVER FORGET WHAT THEY DID HERE. IT IS FOR US, THE LIVING, RATHER, TO BE DEDICATED HERE TO THE UNKINISHED WORK WHICH THEY WHO FOUGHT HERE HAVE THUS FAR SO NOBLY ADVANCED. IT IS RATHER FOR US TO BE HERE DEDICATED TO THE GREAT TASK REMAINING BEFORE US—THAT FROM THESE HONORED DEAD WE TAKE INGREASED DEVOTION TO THAT CAUSE FOR WHICH THEY GAVE THE LAST FULL MEASURE OF DEVOTION; THAT WE HERE HIGHLY RESOLVE THAT THESE DEAD SHAIL NOT HAVE DIED IN VAIN; THAT THIS NATION, UNDER GOD, SHAIL HAVE A NEW BIRTH OF FREEDOM; AND THAT GOVERNMENT OF THE PEOPLE, BY THE PEOPLE FOR THE PEOPLE, BY THE PEOPLE.

E.O FOOTBALL

"Return To Glory"

The 1980 football season began with a definite goal: to "rekindle" the great Panther tradition in football. The coaching staff and the entire football team made a commitment to reach that goal. Throughout the hot summer weight-lifting program, and the long hours of practice, this football team worked and sacrificed to achieve that goal.

The East Orange Panthers enjoyed a 7-2 record in 1980, beginning its season with four consecutive victories over Essex Catholic, 12-7; Morristown, 14-0; Bridgewater East, 27-7; and Camden Wilson, 26-0. Their only two losses came from Montclair by one point, 13-12, and Don Bosco Prep by two points, 9-7. This was a low point in the season for both players and coaches. However, due to the mental discipline for which the Panthers have traditionally been known, they came back to win three straight games. Their finest hour coming on Thanksgiving Day with a 14-0 victory over arch-rival Barringer High School.

Success was only reached by the total commitment of our Seniors. With a new coaching staff, and many changes that took place, the Seniors accepted, worked hard and succeeded. They will be missed but never forgotten. Coach Frank Bonadies

81' Express Comin' At Ya!

Going into the 1980-81 basketball season we knew that this team would be very small in comparison to many of the teams that we would face. With the exception of returning letterman, Joe Parham, who stands 6ft. 6inches tall, we wouldn't have a player over 6ft. 3inches. Therefore we adopted the phrase "ants on bacon".

The "Ants" were the members of our ball club and the

"Bacon" being the opposition.

Pressure, pressure, pressure would best describe the way in which we would attack the upcoming season. Applying pressure on Defense, hoping to force to make mistakes that would lead to easy baskets for the "Red and Blue". We geared our offense to put constant pressure on the opposition's defense. If they made a defensive mistake we would have an easy basket. Being able to perform well in pressure situations is also very important to the success or failure of our Panther team.

In order to play this style of basketball, certain ingrediants were a must. First, a player must make a commitment toward excellance. He must have pride in himself, the team and the school. He must have the will to improve on a daily basis and to be the best basketball player that he can truely be. One must have his priorities in the proper perspective, realizing that at East Orange High he is a student first, and an athlete second. From this point we began to build a team. The coaching staff developed quickness, top Physical conditioning, basic fundamentals

and mental toughness.

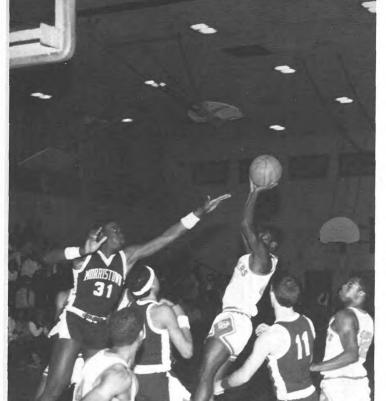

This year's team was tabbed with seven players from the 1980 varsity squad. Wallace Williams a 5'8" senior who was responsible for applying the pressure to the opposition. Wallace is also noted for his shooting touch. Tony "Ice" George is 6'3" a junior, who is one of our chief rebounders and scorers. Joe Parham is our big man at 6'6" and was expected to provide our rebounding strength. Senior Lou Johnson nick-named "Truck" because of his stature and his ability to battle bigger opponents under the boards, is only 6'1". Speed and crisp passes were his claim to fame. Glen Clark is another senior whose quick hands were an asset to our pressure defense and the Panther Fast Break Senior Vincent Gunn at 6'1" helped provide outside scoring punch. Junior Eric Euston was the final returner who helped on the boards. The other Seniors on the club were M. Woolridge and Tony Cooke.

Leading the underclassmen on the squad was Tony George a sophomore who broke into the lineup due to his strength, speed and leaping ability. He is joined by Tony Willims, Reggie Mitchell, Ronald Golver and Jeffery Webb all juniors, and sophomore Brooklyn Smith.

The goal of the team was to win as many games as possible, with a definite emphasis on the Essex County Tournament and the State Championship.

Lightning strikes twice as Clark again streaks down the lane for an Encore performance, as he did in many instances against Panther opponents.

The pattern of the offense was to get the ball to the big man, Parham, when teams started to look for the guards driving.

When teams began to overcompensate for the middle and inside game, the Jump Shot became a devastating weapon for the Panthers.

Lonely lies the head that wears the crown, is a statement which best typifies 1980-81 season for the Girl's Basketball team. As the Reigning state champs each week the Pantherettes were faced with at least one top ranked team trying to knock them off.

The Pantherettes had a successful season regardless. The team was paced by the dazzling play of Smooth Bigelow,., who led the team in scoring for the fourth straight year. Paulette was also the teams assist leader for the third straight year as well as Co-Captain for three years. Co-Captain with Bigelow for the third year was Everyone's Sweetheart "Cake" Lawrence. Rita was best known for her aggresive defensive play and 36 minutes of hustle. The other Seniors on the team were Anita Rowe AKA Silky Saleemah, for delicate but effective moves to the basket. Cheryl "The Pearl" Baldwin was helpful on the boards for the lady Panthers, and was especially helpful at collecting the "garbage" points for the home team. Kareemah Williams added the deadly outside attack Coach Johnsons team needed. Shelly Chance was a new comer to the varsity squad in 1981 her specialty was the inside game.

This is my second year as twirler advisor. I have really enjoyed working with the girls on the squad.

The twirler squad went to Wildwood, N.J. last year for a competition and received a trophy for participation. The Twirlers are planning to go back again this year. With the help of Captain and Co-Captain, Brenda Lee and Jackie Reese the squad should be ready for competition.

My main objective for the Twirlers this year is to increase the number of girls on the squad.

Pom Pon Squad

The East Orange High School Pom Pon Squad is only "two years young". It was originally initiated by six dynamic young ladies. It is currently a sparkling twenty-four member squad. The squad placed third in the 1980 U.S. Eastern National Festival in Wildwood, N.J. But they are learing the ropes fast and expect to be a number one contender in their up coming competitions. Our pom pon squad has the looks, the moves, and the spirit of the 80's. And all of us at E. O. knows they're quickly becoming the number one squad of the future.

Thomasine McBride, Advisor

Drill Team Stepping Out

The East Orange High School Drill Team is the number one outstanding military drill team in the state. Our drill team has eleven consecutive state titles to prove their superiority, plus numerous other first place titles, the latest being that of the 1980 U.S. Eastern National Festival held in Wildwood, New Jersey.

The drill team has always been a close knit group which they attribute to their hardwork together. The class of "81" will graduate nine drill team members. They've worked hard to replace these members with the best that E.O.H.S. has to offer. We're all certain that the "tradition of excellence" shall be carried on.

Color Guard

The Color Guard squad is one that is unique because it works with flags and rifles. Each young lady acquires the talent to twirl each piece of equipment, not just her own. Many of the people on the squad have contributed to our performances by making routines such as Mary's Tap, Tonic's Tap, Ali Drops, Flag Line Move, and Reggie's Arms. The American Section is an important part of the squad that proudly leads the Band and Squads in Parades and games.

The Color Guard Squad dramatically displays its talent by performing in pep rallies, football games and competitions. We have been in several shows with the Band at Princeton, West Point, and the Meadowlands. We entered a color guard competition last year at Wildwood, and this year we will compete in two more competitions. One is in May at Wildwood and the other is on Feb. 27, at Elizabeth H.S.

The purpose of the squad is not only to teach young ladies how to work with equipment, but to help build the morals and help mold the characters of the young individuals on the squad.

Panther Press

PANTHER PRESS - School Newspaper East Orange High School's newspaper, THE PANTHER PRESS, underwent some changes for the 1980/1981 school year. The staff and advisor of the newspaper have high hopes for the future and have met the challenges of no budget monies allotted in a very exemplary fashion.

The students who are active participants on THE PANTHER PRESS work very diligently to report news that is of interest of its readers and that will not "age" too much because of the time span which occurs from the time the articles are written, edited, typed, printed, and collated. We are all hoping to publish at least 6 issues next year.

The students involved with THE PANTHER PRESS are very proud of what has been produced thus far but have the vision and ability to make improvements in THE PANTHER PRESS.

Peer Tutors

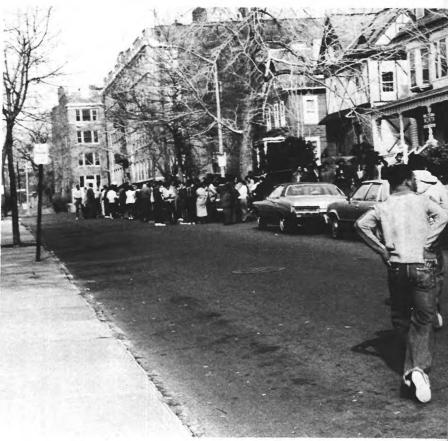

The Peer Tutors were started by Ms. Nichols three years ago to create a more educational atmosphere during study hall periods. Originally, the group consisted of predominantly seniors who dealt mostly with the freshmen students. Since that time the Peer Tutors have grown to include students from other grades including the underclassmen; and the time which tutoring is done has expanded beyond the studyhall to before and after school, and in some cases tutors have invited students to their homes for instruction. Peer Tutors is another example of the Student Body having something to do with the development and growth of the school, and everyone knows "Participation brings about PRIDE", and that's what East Orange High School is all about; PRIDE.

Our own Natalie Pierce was selected Junior Miss of Essex County.

The Bowling team led by captain James Brooks and Coach Miller took first in their league.

Featuring aggressive defense and all out hustle, the Boy's Basketball team won the Essex County Tournament.

For the first time in our high school careers, the Football team brought the trophy home by defeating Barringer 14 - 0 on Turkey Day.

Bringing The Left Footed Kicker Home

Since 1906 East Orange and Barringer have been playing each other on Thanksgiving. This is the oldest rilvary in the state in high school competition. To the winner of this game goes the Left Footed Kicker.
