ALMA MATER

Alma Mater Glorious
Dear old Red and Blue
Hearty voices uniting
Pledge devotion true
Louder still and louder
Swell the song and cry
Hail our Alma Mater
Old East Orange High

Friendship, true friendship, requires far more than many of us realize. Friendship requires trust, understanding, and courage. Trust is needed to help keep the most sacred of secrets that is exchanged between two friends. Understanding is needed in order for us to find and accept our true friends. Courage is needed to stand by our friends when difficult times are all about us. Friendship calls for that special sharing of a special moment. Friendship requires many more things, like honesty and caring. Once we depart from these familiar surroundings, the true bond of our friendship will be put to the test.

FRIENDSHIP

Spare time is precious. Some use their leisure time to improve themselves by reading a book, practicing a skill, or learning a new one. Athletic students go out for sports or the squads. They spend long hours after school perfecting a drill or a game. Those musically inclined practice their singing or playing. Others use their leisure to relax, create, socialize, or enjoy themselves. They go to games, watch shows, dance at parties, or listen to music. Talented artists draw pictures to create sculptures. Others work on hobbies like sewing and photography. Some students spend their time on extra-curricular activities, including working on the school newspaper or in a club. Time should never be wasted doing nothing. Quoting Benjamin Franklin, "Dost thou love life? Then do not squander time, for that's the stuff life is made of." Using time wisely is a challenge.

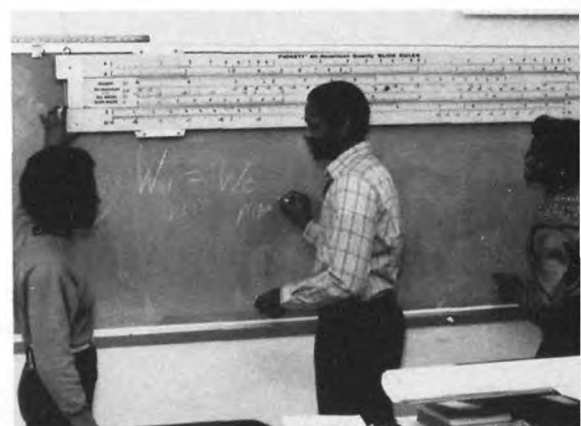

ACCEPTING THE CHALLENGE OF TIME

ACCEPTING THE CHALLENGE OF EDUCATION

Different types of learning take place in school. Education is not only math, science, and English. It is learning new skills like how to draw, sew, cook, or even shoot a basketball. It is learning how to operate and work with other people. Students learn from books, teachers, friends, and experience. From books come facts and ideas about everything in the universe. From teachers, family, and friends come encouragement and knowledge of life. From experience comes skill.

ACCEPT THE CHALLENGE OF COMPETITION

We are driven by the challenge of competition. We compete on the courts, fields, and in the classrooms. Not only do we compete with rival schools, but with each other. We push each other in "practice" in an effort to perfect our skills. This "practice" prepares us for the real thing, the big game, the only game, the game of life. But we must realize that the competition we encounter now is only a mere sampling of the challenge that awaits us in the very near future.

ACCEPT THE CHALLENGE OF "PRIDE AND LOYALTY"

The challenge of pride and loyalty is difficult. Pride is the belief in one's own ability and the ability of those around you. Pride is the belief in a positive idea. But pride flourishes in numbers. When all of us believe in ourselves as a whole, pride is at its best.

Loyalty is remaining faithful and true to that belief. Like pride, loyalty also thrives in numbers. Loyalty is not a part-time job. Loyalty remains through the triumphs and defeats.

Pride and loyalty have traveled a hard road. They have been stomped on, kicked at and abused in many ways. During difficult times, we often lose some of our proud and some of our loyal. But the genuine proud and loyal will remain. Only the strong can survive.

A black and white photograph of a young girl with dark hair, wearing a light-colored short-sleeved shirt, focused on sewing at a sewing machine. Her hands are positioned near the needle and foot, and she is looking down at her work.

ACHIEVEMENT

Achievement can be seen within the walls of our classrooms as well as outside them. Achievement is reaching a goal never thought one could reach. These accomplishments can range from making the honor roll to being elected as class president. Achievement comes in many shapes and sizes, and is sometimes unseen, but lingers in the heart of the one who has achieved.

DEDICATION

We, the Class of 1983, dedicate our yearbook, the Syllabus, to Ms. Yvonne C. Blake.

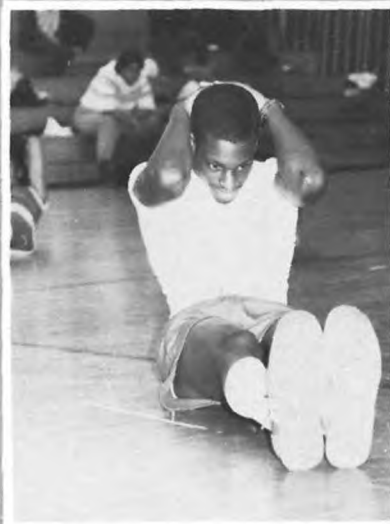

We find it only proper to dedicate this book to you for a host of reasons: first for your never ending enthusiasm as our Advisor for the past three years, secondly for your unyielding dedication to the development of each and every one of us, and finally for instilling in us the deep commitment to accept all challenges which confront us. It was this commitment which set you apart from so many of the diversions which beset us during our high school years.

Four years ago, we were a scattered group of bewildered children, wandering the halls of East Orange High School, possessing few goals and very little direction. Today, thanks to you and the many positive aspects of Pantherville, we are ready to greet the world with profound confidence and the highest of desires for the future.

DEDICATION

Dedication is seen in our school work and extracurricular activities. Without dedication one could not achieve. Dedication is learning that $C^2 = A^2 + B^2$, learning that new drill routine for that competition in March, or standing at the foul line until every ball goes in. Dedication is the most important component of success and is seen through our four years at East Orange High.

OUR FUTURE
AWAITS

A SPECIAL THANKS TO
THOSE MOST
RESPONSIBLE FOR THE
CLASS OF '83 -

MOM AND DAD

At this time, we the Class of 1983, would like to extend our warmest thanks and appreciation to those who sacrificed the most for our achievements, our Parents.

Were it not for your continuous love and devotion, we may never have existed. You guided us when we needed you most; lifting us up when we lagged behind and gently bringing us down when we advanced too rapidly.

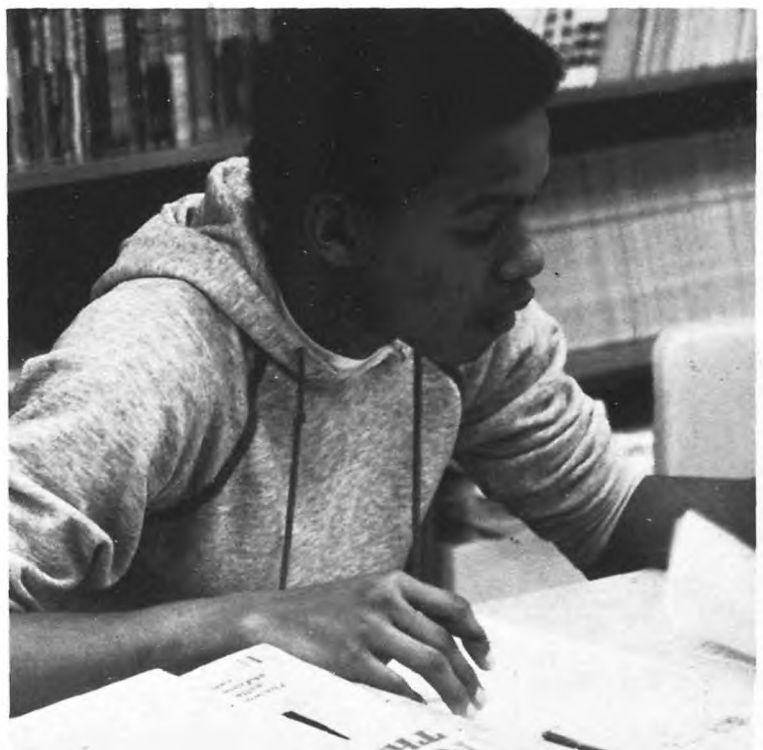

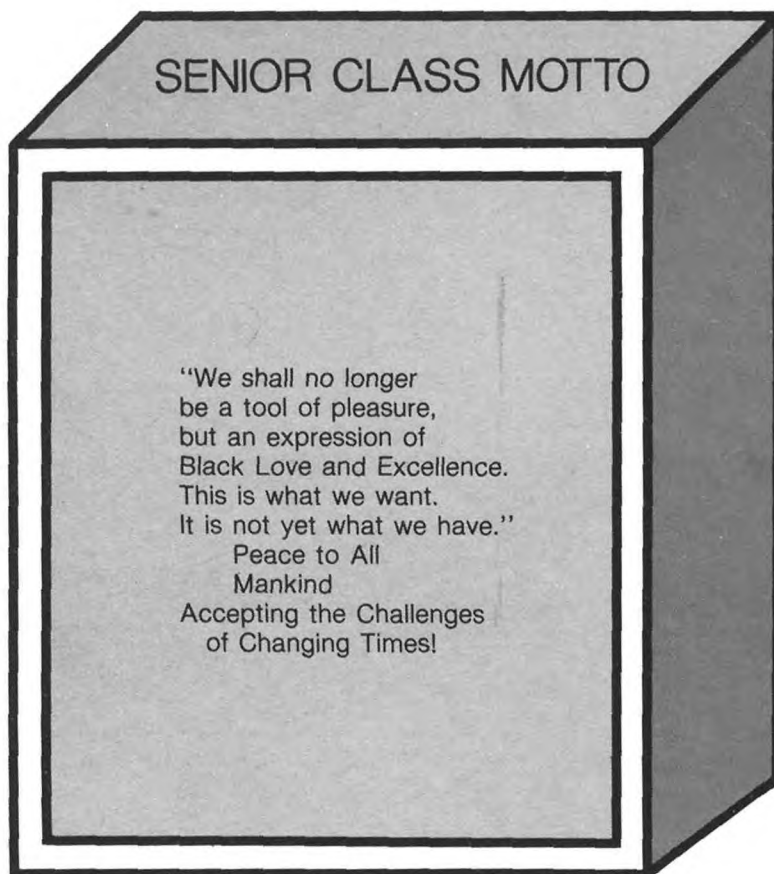

Most importantly it was **YOU** who chose to actively participate in our extracurricular activities, and took a definite interest in those areas which affected our education.

For these and many more reasons, we, the Class of 1983, would like to say to our Parents and Guardians

"THANKS FOR THE TIMES THAT YOU'VE GIVEN"

BLACK HISTORY SEMINAR

The Black History Seminar held on March 6, 1983 was a program to promote black awareness. The keynote speaker was Mr. Cardell Cooper. The seminar included workshops the national economy, nuclear energy, morality in a contemporary society, human resources, and sexuality. The seminar was also complemented by the performances of the vocal and musical departments.

THE BAND

The Band Organization is a year-round course, offering experience as a marching unit for football games and parades as well as converting into a symphonic band for concert and ensemble experiences scheduled during the year. The East Orange Marching Panthers have received numerous awards and trophies for excellence in performance. In addition to the marching band, East Orange High School also has a jazz band to offer a select group of students the opportunity to perform jazz throughout the year.

THE DRILL TEAM

The drill team is composed of eighteen hardworking, intelligent young ladies who work well together. The drill team has an excellent captain and two great co-captains. These three young ladies possess excellent leadership qualities. The captain and co-captains are seniors and will be greatly missed next year by the members of the E.O.H.S. Drill Team. The young ladies would like to be remembered by this thought: Thoughtfulness is more than just a word; it's a friendly hello and a cheery smile.

THE COLOR GUARD

The Color Guard is a unique squad. They are dedicated and hardworking. Their goals are of high expectations, which is better expressed in the following poem written by Grace E. Easley.

Life

Life's made for living,
And giving and sharing,
Knowing and showing,
And daring and caring,
Life's made for doing,
Pursing of dreams,
Sowing and growing,
Whatever the means.
Revealing and feeling,
And finding that you
Must learn how to take it,
To make it come true.
Along with its ups,
In spite of its downs,
Life's made of losses,
And crosses and crowns.

SPECIAL EVENTS

SENIOR SPOOK 1982

The annual masquerade, The Senior Spook Dance, was held Friday, October 22, 1982 in East Orange High School's cafeteria. There were a wide variety of costumes. They ranged from the Statue of Liberty to a Roman gladiator. The night was filled with music and fun with goobs and ghouls everywhere.

THE SENIOR TALENT SHOW

The Senior Talent Show contained a myriad of acts which were performed with different degrees of excellence. The majority of the performances were the "ever-popular" rappers along with the traditional singers. We were entertained by the trumpet playing of Freddie Dunn, the dancing of Lynn McGlotten and Crystal Murphy, and the singing of William Dorsey. The show kept a fast pace due to the master and mistress of ceremony, Charles Singletary and Dawn Marable.

THE JUNIOR PROM A NIGHT Of ENCHANTMENT

The setting for the class of 1983's Junior Prom was in the Nightclub Cafeteria of East Orange High School. The theme was a Night of Enchantment and indeed it was. It was a night made especially for Romeo's and Juliet's. They could be seen dancing close and taking walks along a moonlit terrace. The attire for the evening was a mere Tails and Tux for the guys and Foxes or Minks went well with the gals. Upon arrival the doorman promptly escorted the couples to their seats. The romantic evening started off with a candlelight dinner. The dinner included three main courses and dessert. The meal was complemented by the sounds of a Special Touch playing its only cafe performance. The memories of being swept off one's feet, being dined, and danced would linger on in the hearts of the young Romeo's and Juliet's for a long time.

HOMECOMING 1982

October 30, 1982 was East Orange High School's annual Homecoming Game at Martens Stadium. A decisive victory over West Essex (35-7) was highlighted by Sidney Tutt running over one hundred yards. This sweet victory was not complete until the crowning of Senior Queen, Gwendolyn Harrison, and Homecoming Queen, Nina Travis.

SPORTS

FOOTBALL

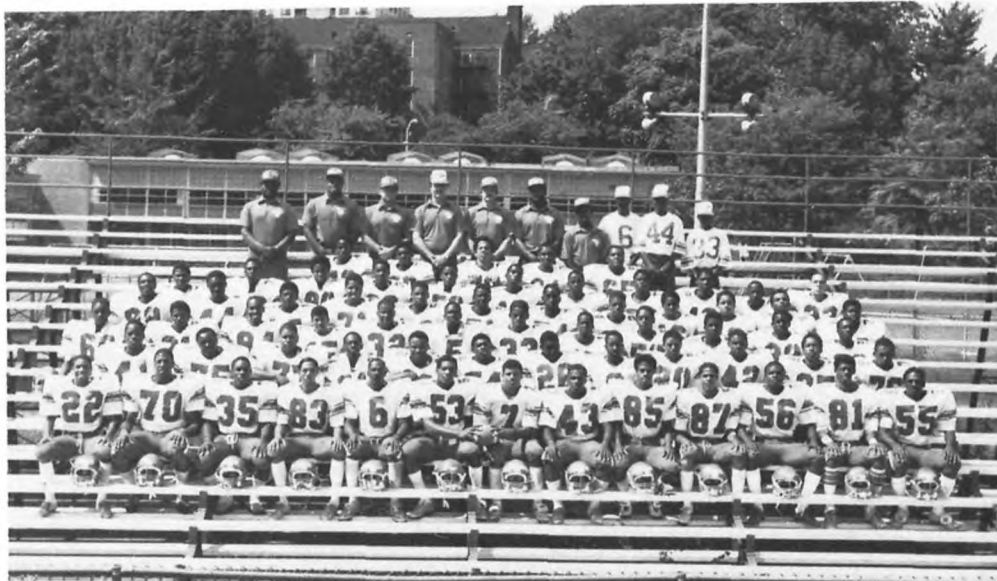

The East Orange Panthers ended their successful football season with a record of 5-3-1 and a third place finish in the - Iron Hills Conference.

The 1982 season was our first year competing in the Iron Hills Conference, and I feel we have demonstrated to ourselves, competitors, and fans that East Orange High School will be a dominant force in the years to come.

Our season began slowly with a disappointing 0-2 record. As the season progressed, our team demonstrated tremendous character and pride by coming together over the last seven games. They won five, lost one, and tied one.

In our seasons finale on Thanksgiving Day against Barringer High School, our oldest rival, the Panthers enjoyed a thrilling 20-14 victory.

The success of the 1982 season is directly related to the leadership qualities of our seniors. They are hardworking, dedicated athletes. These seniors have left a positive mark and influence in our entire football program.

CROSS COUNTRY

Cross-country season is a great time of year for all runners. It is the time of year when distance runners prepare for the major cross-country meets and at the same time lay a foundation for the indoor and outdoor track seasons. It is the time of year when serious sprinters, hurdlers, and jumpers are busy rounding their minds and bodies into shape for their upcoming indoor and outdoor campaigns.

This year's cross-country team is the first full team in two years. The sport was discontinued in the fall of 1980 because of financial problems in the district. In 1981, only one boy and two girls came out for the team. This year we have seven boys and

nine girls.

The Panthers are young and inexperienced this year, but several runners have shown their potential for years to come. Valrick Virgo is our best runner with clockings of 17:47 for 3.1 miles and 14:49 for 2.5 miles. Shrona Washington, Michelle Blue, and Stacey Bloomfield, among the girls, and Leroy McGhee, Dodd Britton, and Richard Ross, among the boys, have demonstrated above average ability in this their first season.

Our team goal is to develop strength, endurance, and self-confidence for the indoor and outdoor track seasons.

LADY PANTHER BASKETBALL

The East Orange High School Girl's Basketball team, like all of the other athletic teams in the school, was participating for the first time in the Iron Hills Conference in 1982 - 83. Being in a conference for the first time in seven years provided the squad with new challenges and new rivalries, along with some of the traditional competitors like Clifford J. Scott and Orange High School.

In their first year in the Iron Hills Conference, the Lady Panthers finished at .500 with a 7-7 record. The Lady Panthers found their strongest competition in Conference Champion Roxbury who the team lost twice to and a nemis is from the past Morristown, who also defeated the Lady Panthers twice. The team split a two game series with Morris Knolls, West Essex, and Columbia, and the team swept the two game series against Livingston and Parsippany.

The brunt of the weight of the team was carried by its four Seniors: Michelle Kelley the returning Most Valuable Player from the 1981-82 season was the forward who could snatch a rebound and still lead the team up court for the fast break, Natalie Stevens was the aggressive swingman of the team and led the team in rebounds and always took on the opposing teams best offensive player when Nat played defense, Kecia Garay-Leon was the leading scorer on the team and was the player the team always went to in the clutch, Kecia was also valuable to the team on the "boards". The final Senior on the team was Lynette "Korky" Kirkland, Korky was the team's Floor Captain and called all the offenses and defenses employed by the team, it was her direction which led the Lady Panthers to a successful season, Lynette was also notorious for coming up with the key steal for the team.

Among the underclassmen on the team were Juniors Michelle Saunders and Belinda Jackson both who were noted for their aggressive defensive play. Sophomores Patricia Darby, Cheryl Hubbard who possessed a deadly set shot and transfer Shervonne Williams who provided the team with a much needed center who would bang the boards and intimidate on defense. The lone Freshmen on the team was Rookie of the Year Dena Clark, who became noted for her sensational leaping ability and her dazzling moves to the basket.

According to Coach Frank V. Green, the best attraction to the Lady Panther Basketball program was the bringing aboard of Ms. Carol Clark as an assistant coach.

Kneeling (l-r): Lynette Kirkland, Cheryl Hubbard and Pat Darby. Standing (l-r): Head Coach Frank V. Green, Assistant Coach Carol Clark, Mgrs. A YEAR OF CHANGE, 1982-83 BOYS VARSITY BASKETBALL

The 1982-83 East Orange High School Boys Varsity Basketball Team had a difficult road ahead of them. With only three returning lettermen, a first year coach, and a new conference to play in, the Panthers' future looked somewhat gloomy. But in the true spirit of the Panther, they came through with an outstanding effort and a successful season. Leading this year's team were co-captains Ronald "Supe" Gregory and Earl "Bing" Hooks, along with fellow senior Brooklyn "B. Smooth" Smith. The key underclassmen for the Panthers were David Cook, Angelo Garnett, Theo Jenerson, Terrance Branch, Travis Lawrence, Myrone Pickett, and Sean Sapp. Other members the team were Quincy Melvin, Kendall Cherry, Cedric Seymour, and Gregory Chance.

Rookie head coach Ron McDonald characterised his team as an aggressive, pressing defensive team. On offense, the Panthers are a ball-control team that can push it up on the fast break when the opportunity presents itself. Although the season has had it's ups and downs, the Panthers have suprised a lot of people. The highlight and the turning point of this season was an upset victory over Columbia High School which was one of the better teams in the state. Since that stunning victory, the Panthers have won eight of their last ten games. The Panthers ended their regular season with another upset of a top ranked team, Seton Hall Prep, with a heroic comeback on our own home court. The Panthers finished the regular season with a record of 14-9.

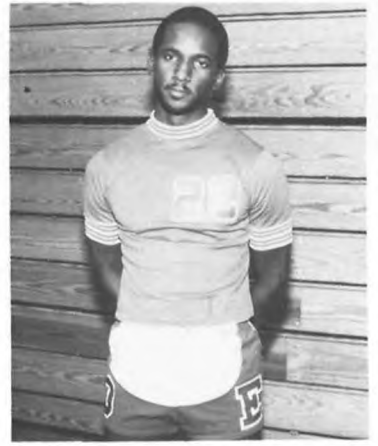

Senior Brooklyn Smith shows why they call him "B. Smooth."

This year senior Ronald "Supe" Gregory combined finesse with strength to add to the Panther's firepower.

SOCCER TEAM

The E.O. Soccer Team began its 1982 season with definite goals. First, we sought to incorporate discipline into the team as never before and secondly to exhibit good sportsmanship and do our best at all times. These goals would pave the way to our ultimate objective of winning as many games as possible with a view to making the play offs. In this, our first year in the Iron Hills Conference, our team especially wanted to make as strong a showing as possible. Toward that end we felt it important to develop good skills, good ball control, speed, agility, and the ability to put pressure on the opposing team, forcing them to make mistakes that we could take advantage of.

To play this style of soccer meant we had to run many laps and literally wear ourselves out at every practice to be well "seasoned" for such a style. It also meant that our players would be dedicated and committed to excellence. A sound mind and body and the will to improve on a daily basis were our aims.

Several seniors have led the way as key factors in our success this season. Solito Despiene's unique dribbling style and scoring power have helped significantly. Paul Newman, our co-captain playing at right wing, utilized the touch-line very effectively. Co-captain Everett Otto, also a senior and our 1981 Best Defender, continued to be a strong defensive player. Other seniors on the team who made a strong contribution were Andy Neblett, Reynolds Pinthiere, Lyndon Straker, Horace Chase, Keith Mingo. Anthony Baptiste, Patrick Pinthiere, Loris Mingo, and Pierre Jose.

Despite the fact that the majority of our team was made up of seniors, the seniors were ably supported and assisted by some talented underclassmen. These underclassmen were Edwige Nonez, Rolho Chase, Orin Mingo, Durcamel Israel, Luckner Marie, Paul Ellis, Blair Nigel, Kimps Courdet, Troy Carrington, Hollice Gomes, Joram ReJouis, Loris Hinds, Djery Lorsen, and Rudy JaQuez. They will be the nucleus of our 1983 team and the promise that E.O. soccer will have a strong future even after bidding farewell to such a large and talented group of senior stars.

We are fighting the good fight in sports and looking forward to taking our places in the future of our country and the world as we have in East Orange High School.

DECA, Distributive Education Club of America, is a club which helps its members to develop educational skills in certain fields. These fields, such as advertising, sales, and marketing, are of interest to the members of the club and they are exposed to the various aspects of these areas. The club raises money through different fund raising drives to attend conferences to compete with other clubs from other schools.

DECA

ECOLOGY CLUB

Formed in 1980 by Mrs. Stewart, the Ecology Club strives toward making the school more beautiful. Members clean up the courtyard and plant flowers and shrubs. They raise money for this purpose by selling flowers and floral arrangements at special times of the year, like Easter.

SYLLABUS STAFF

The 1983 Syllabus Staff is comprised of dedicated students who sacrificed many study periods and free time during vacations to work on the yearbook. Some of their activities included writing copy, typing names, identifying pictures, and laying out pages. Without these students and their advisor Mr. F. Green, the yearbook would not have been completed. Special thanks to Karen Wilkins, Earl Hooks, Derek Lester, Sharon Howell, and others who have helped but are not pictured.
