HOPES, DREAMS  
AND ASPIRATIONS  
Who are we if not  
the sum of all our  
HOPES, our DREAMS,  
and our  
ASPIRATIONS?

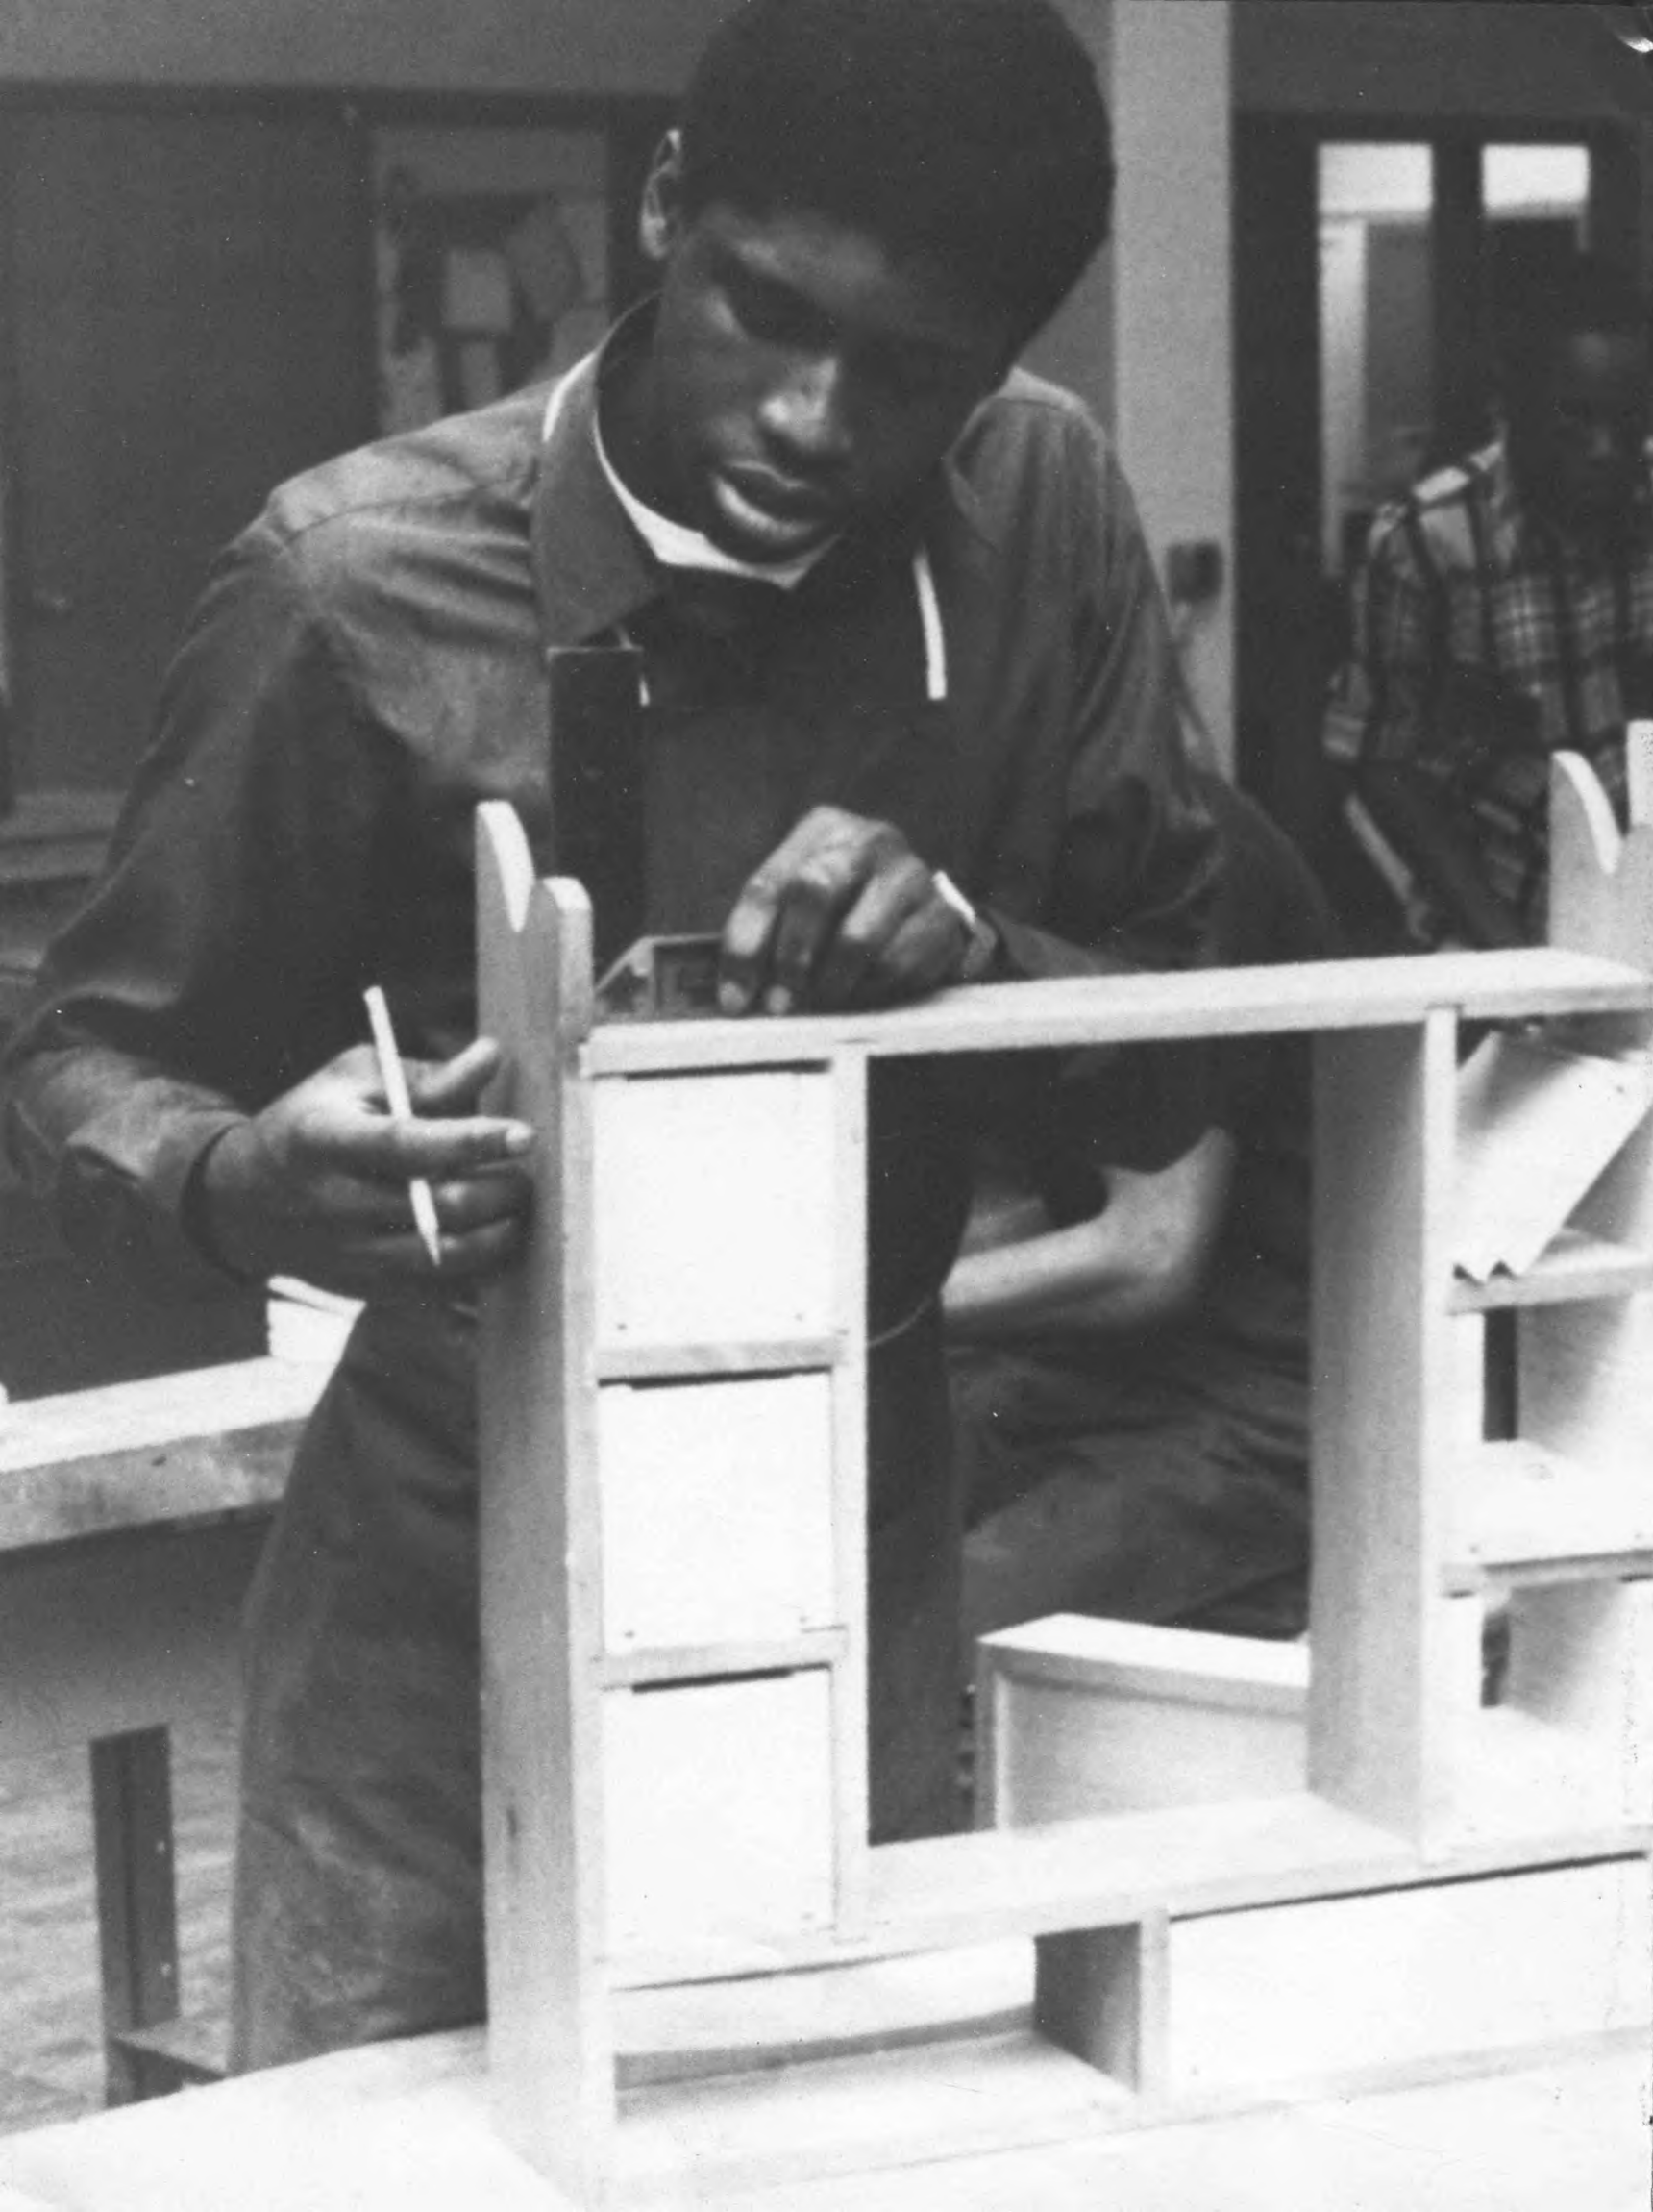

We are reachers in  
the night after a  
distant bright star.

40.50  
10/84  
RHS

We are searchers who  
grow into the very  
goal we seek,

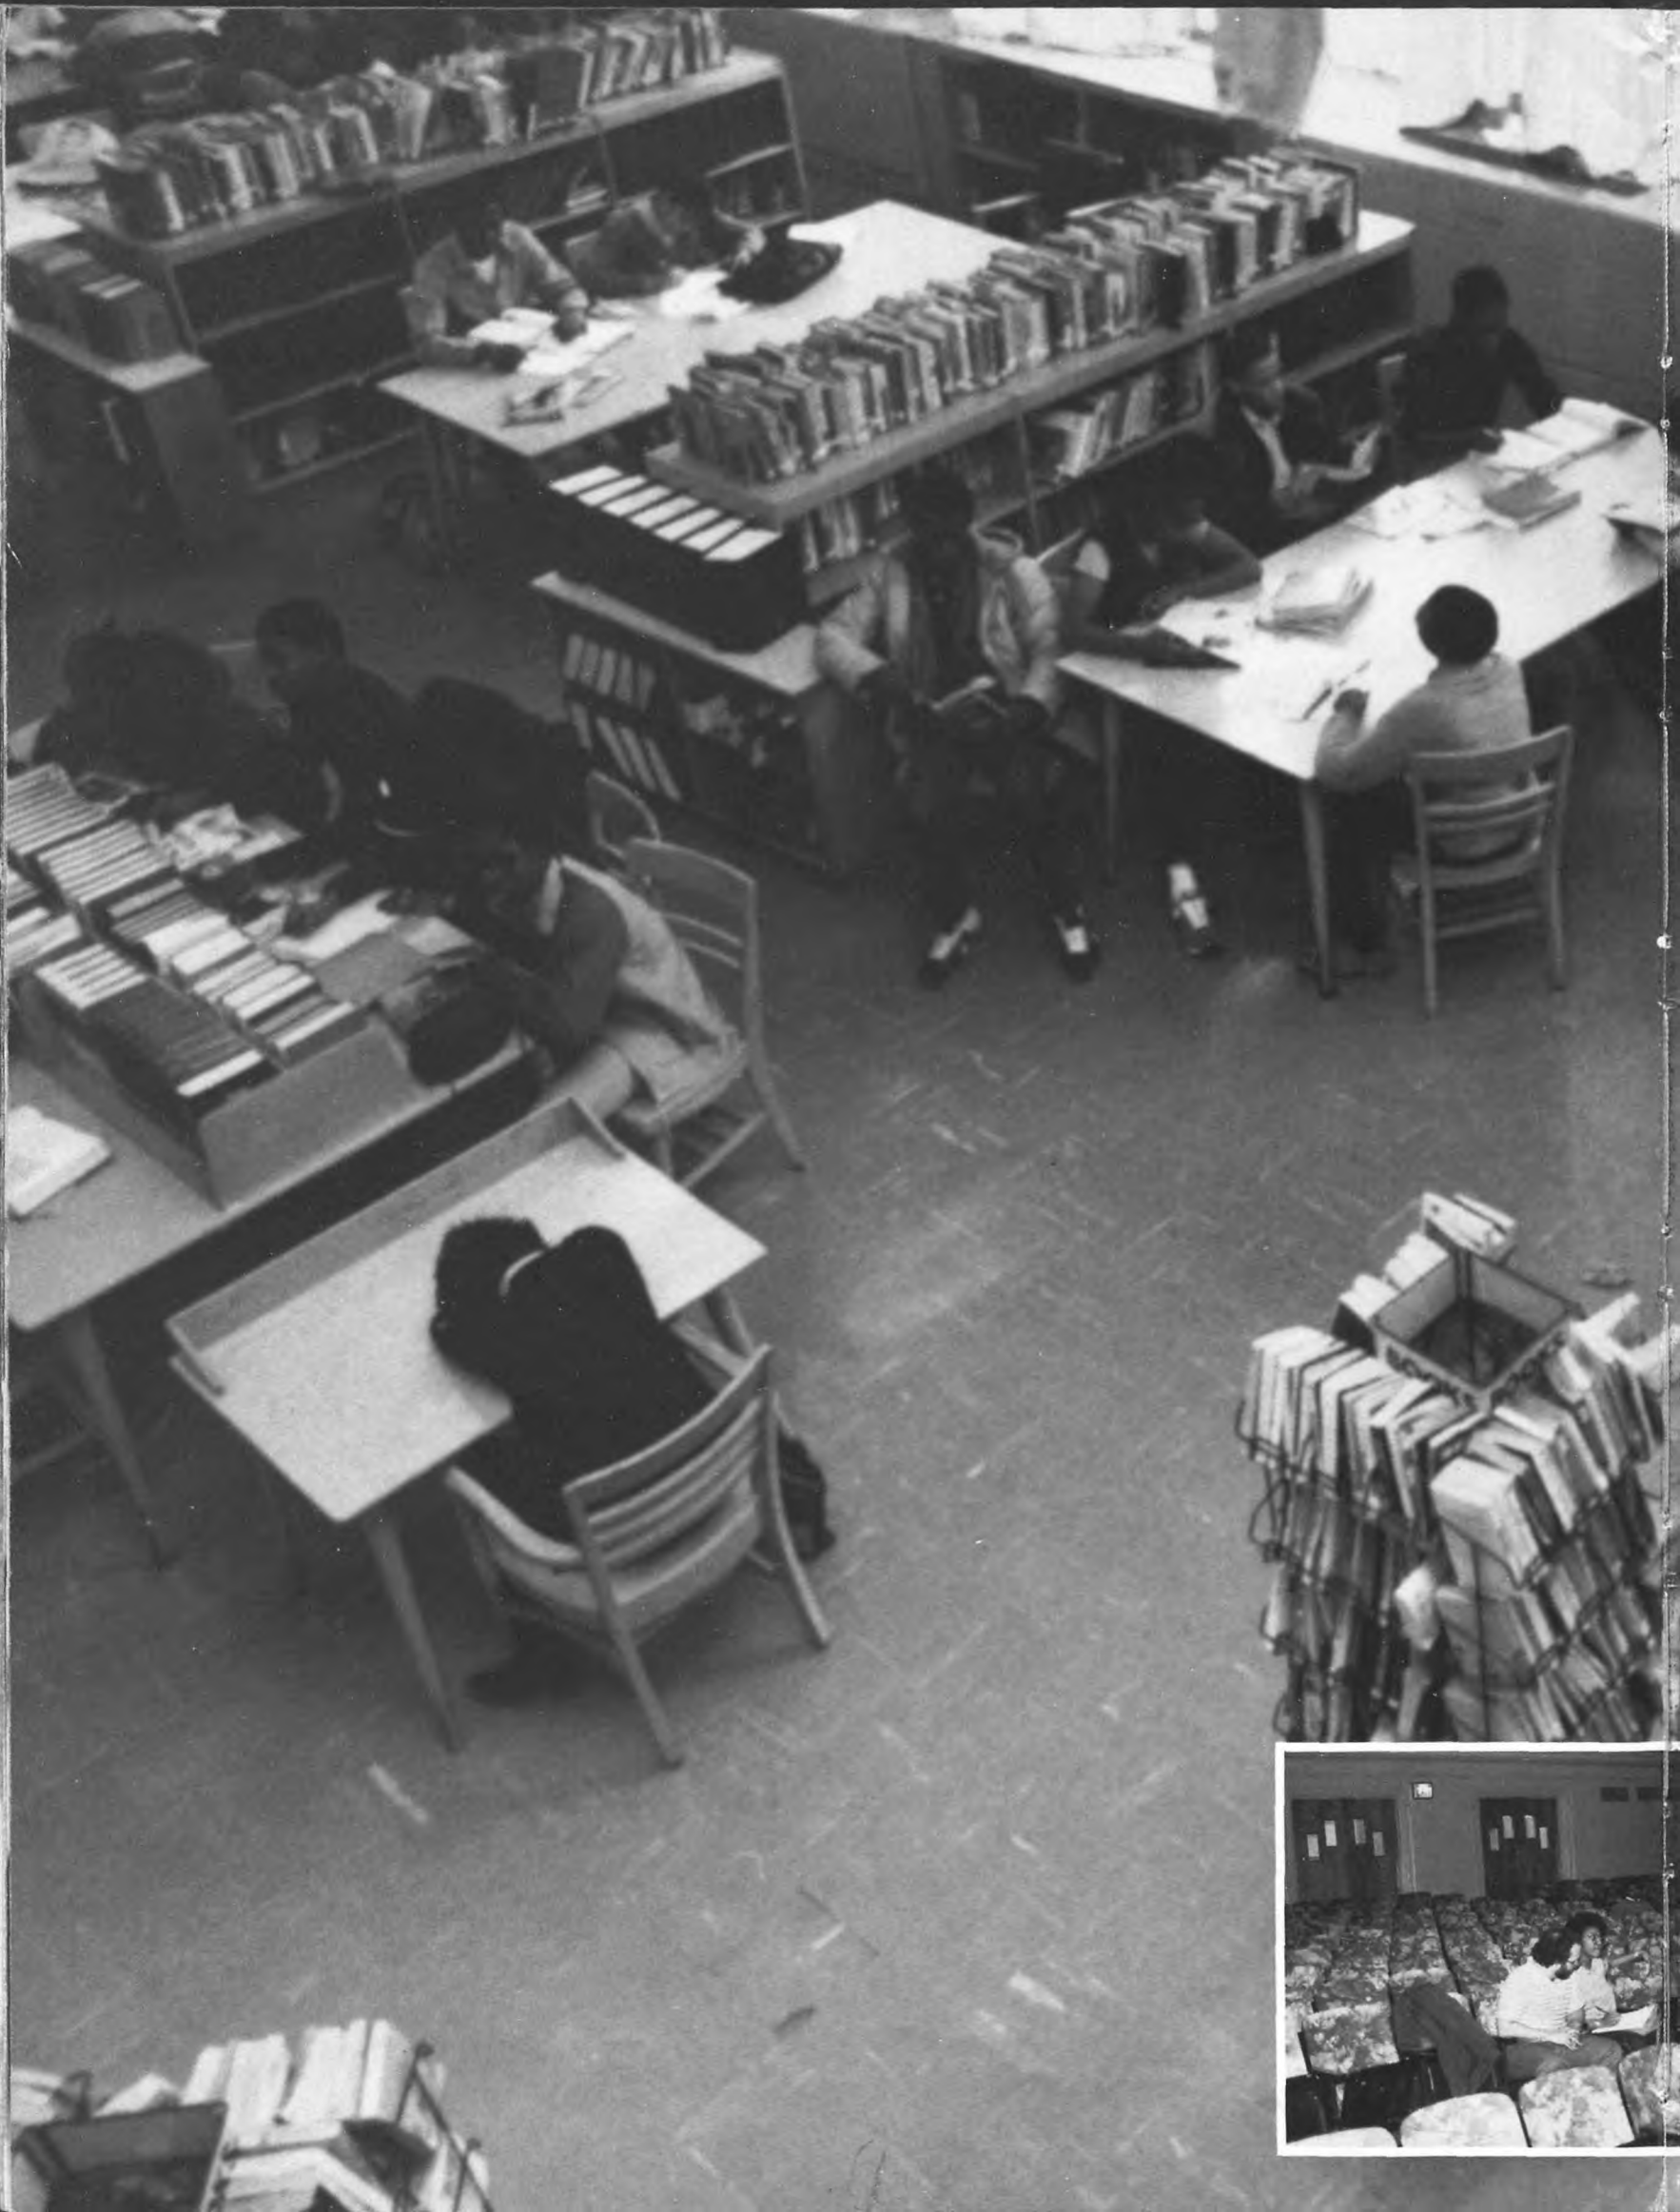

Explorers growing for a path to the far-off light.

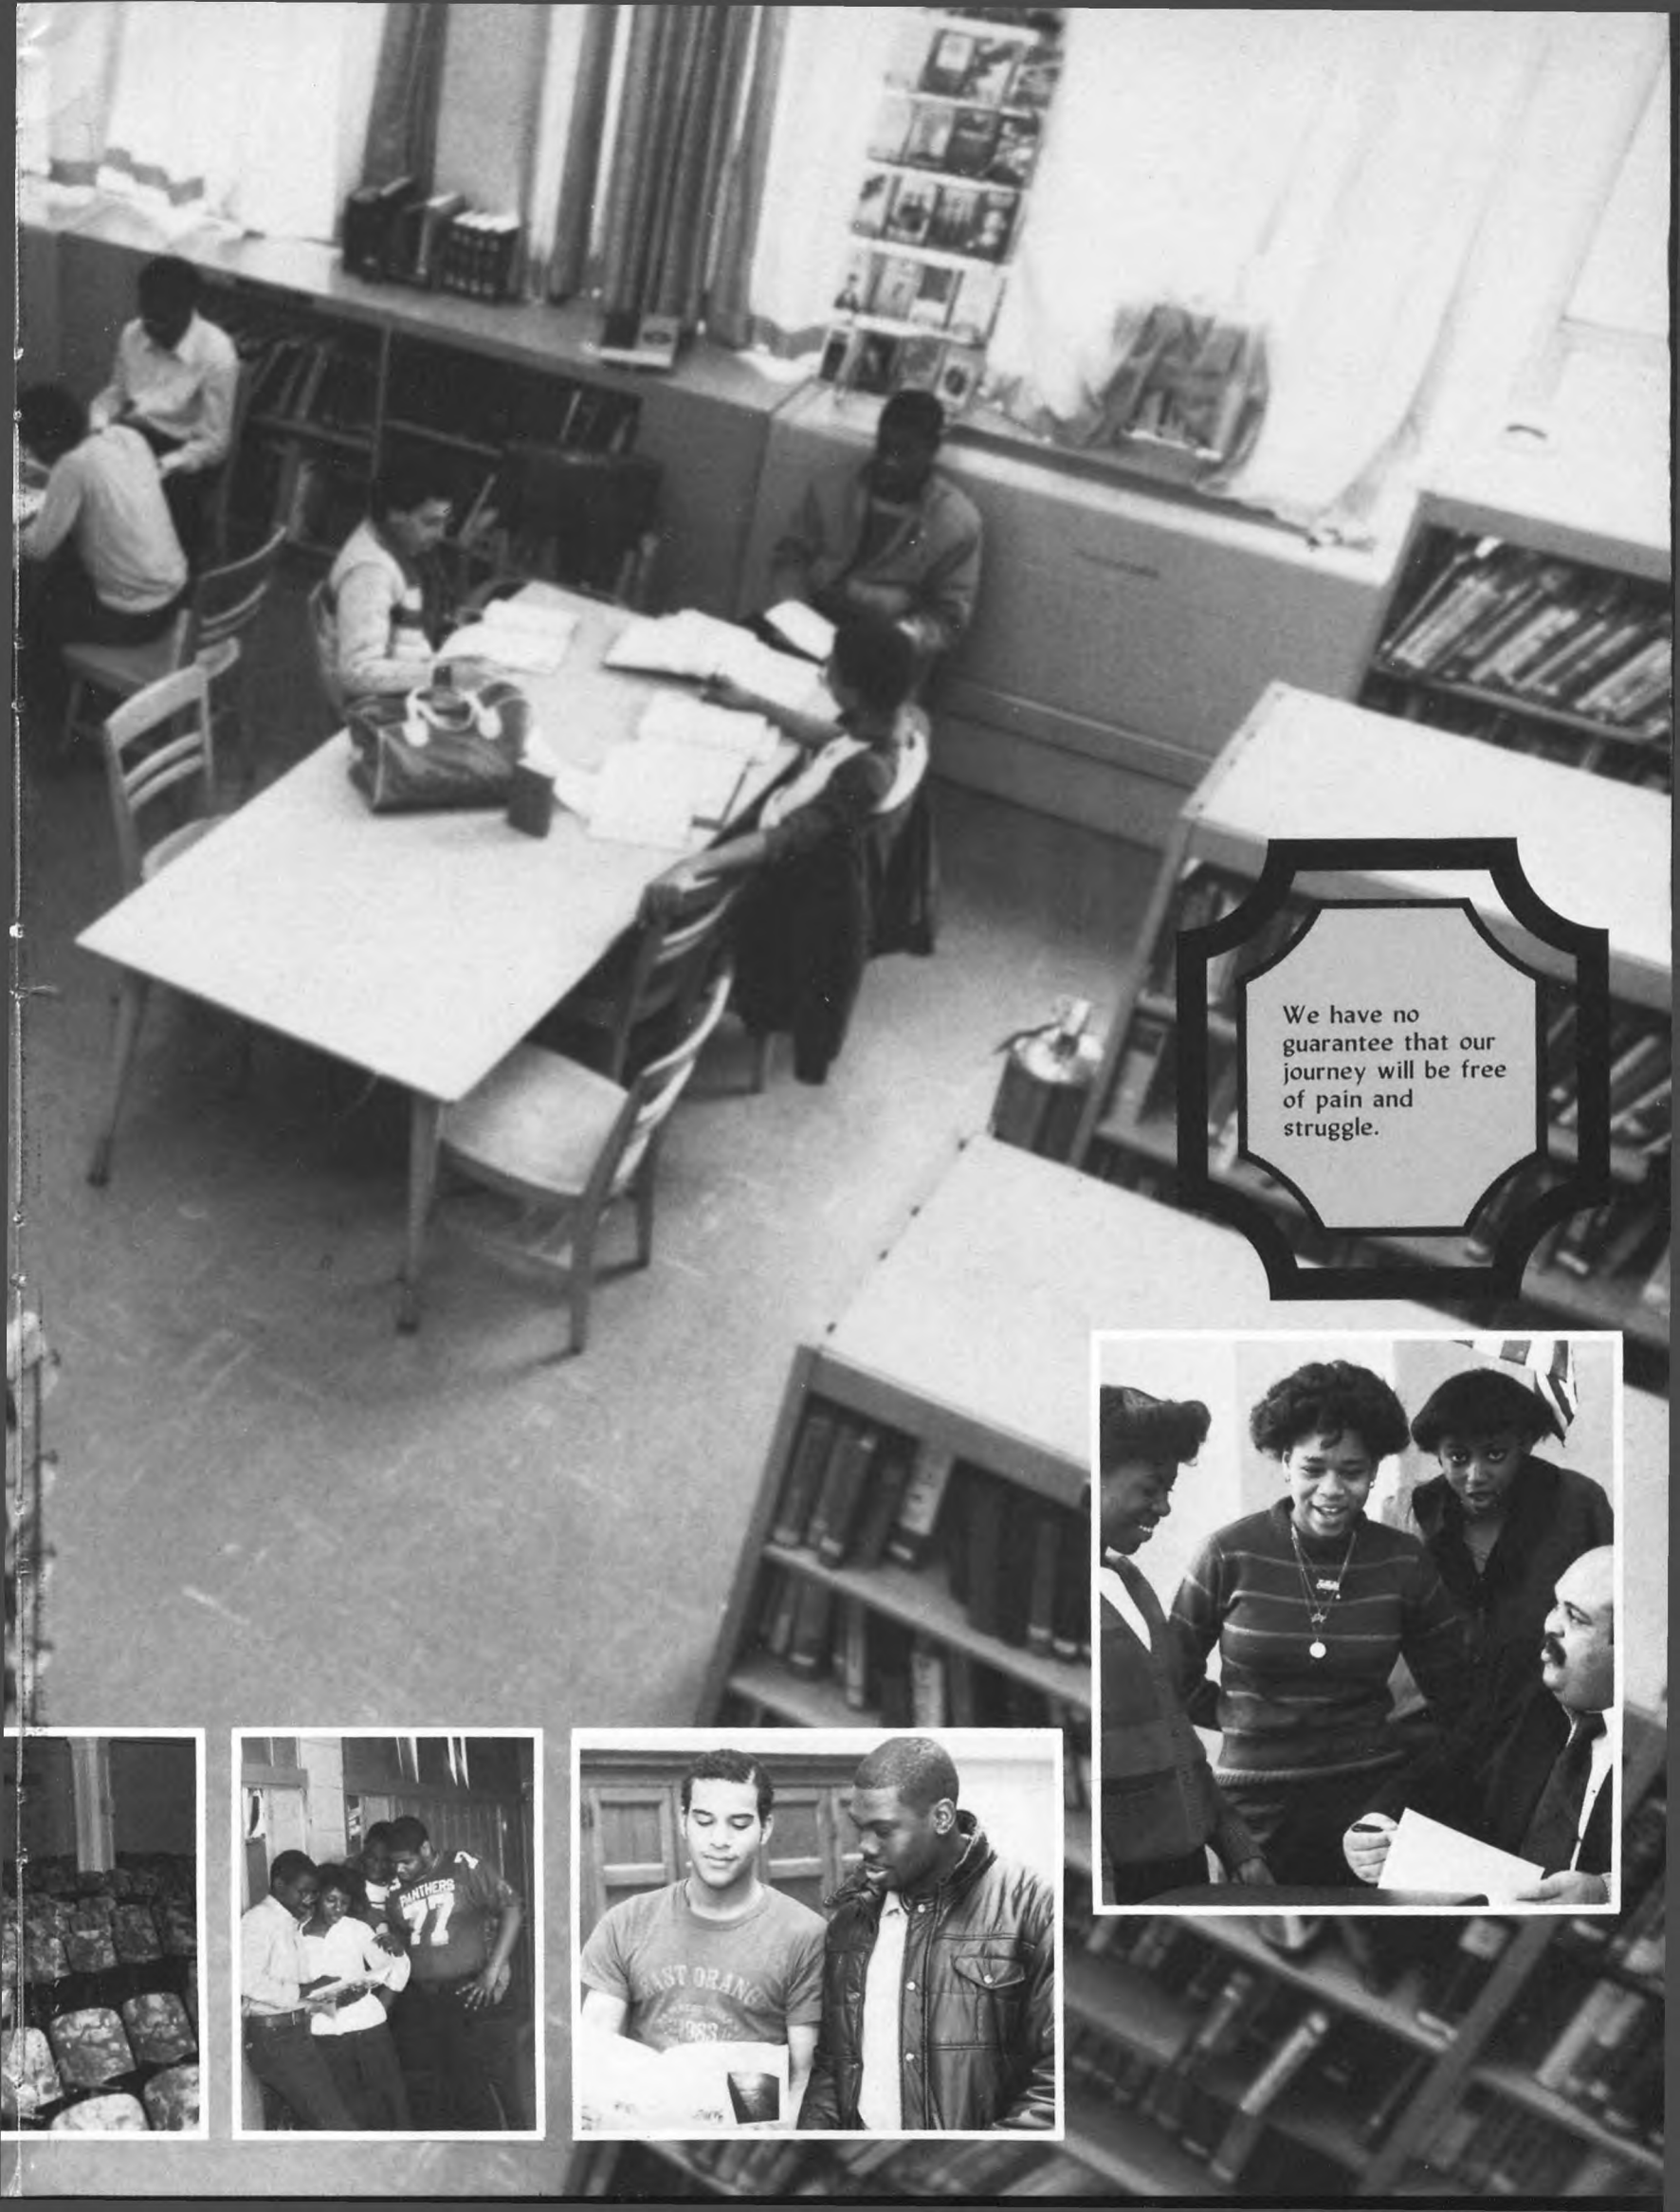

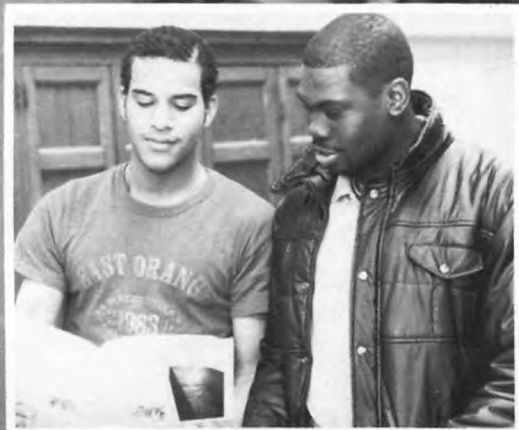

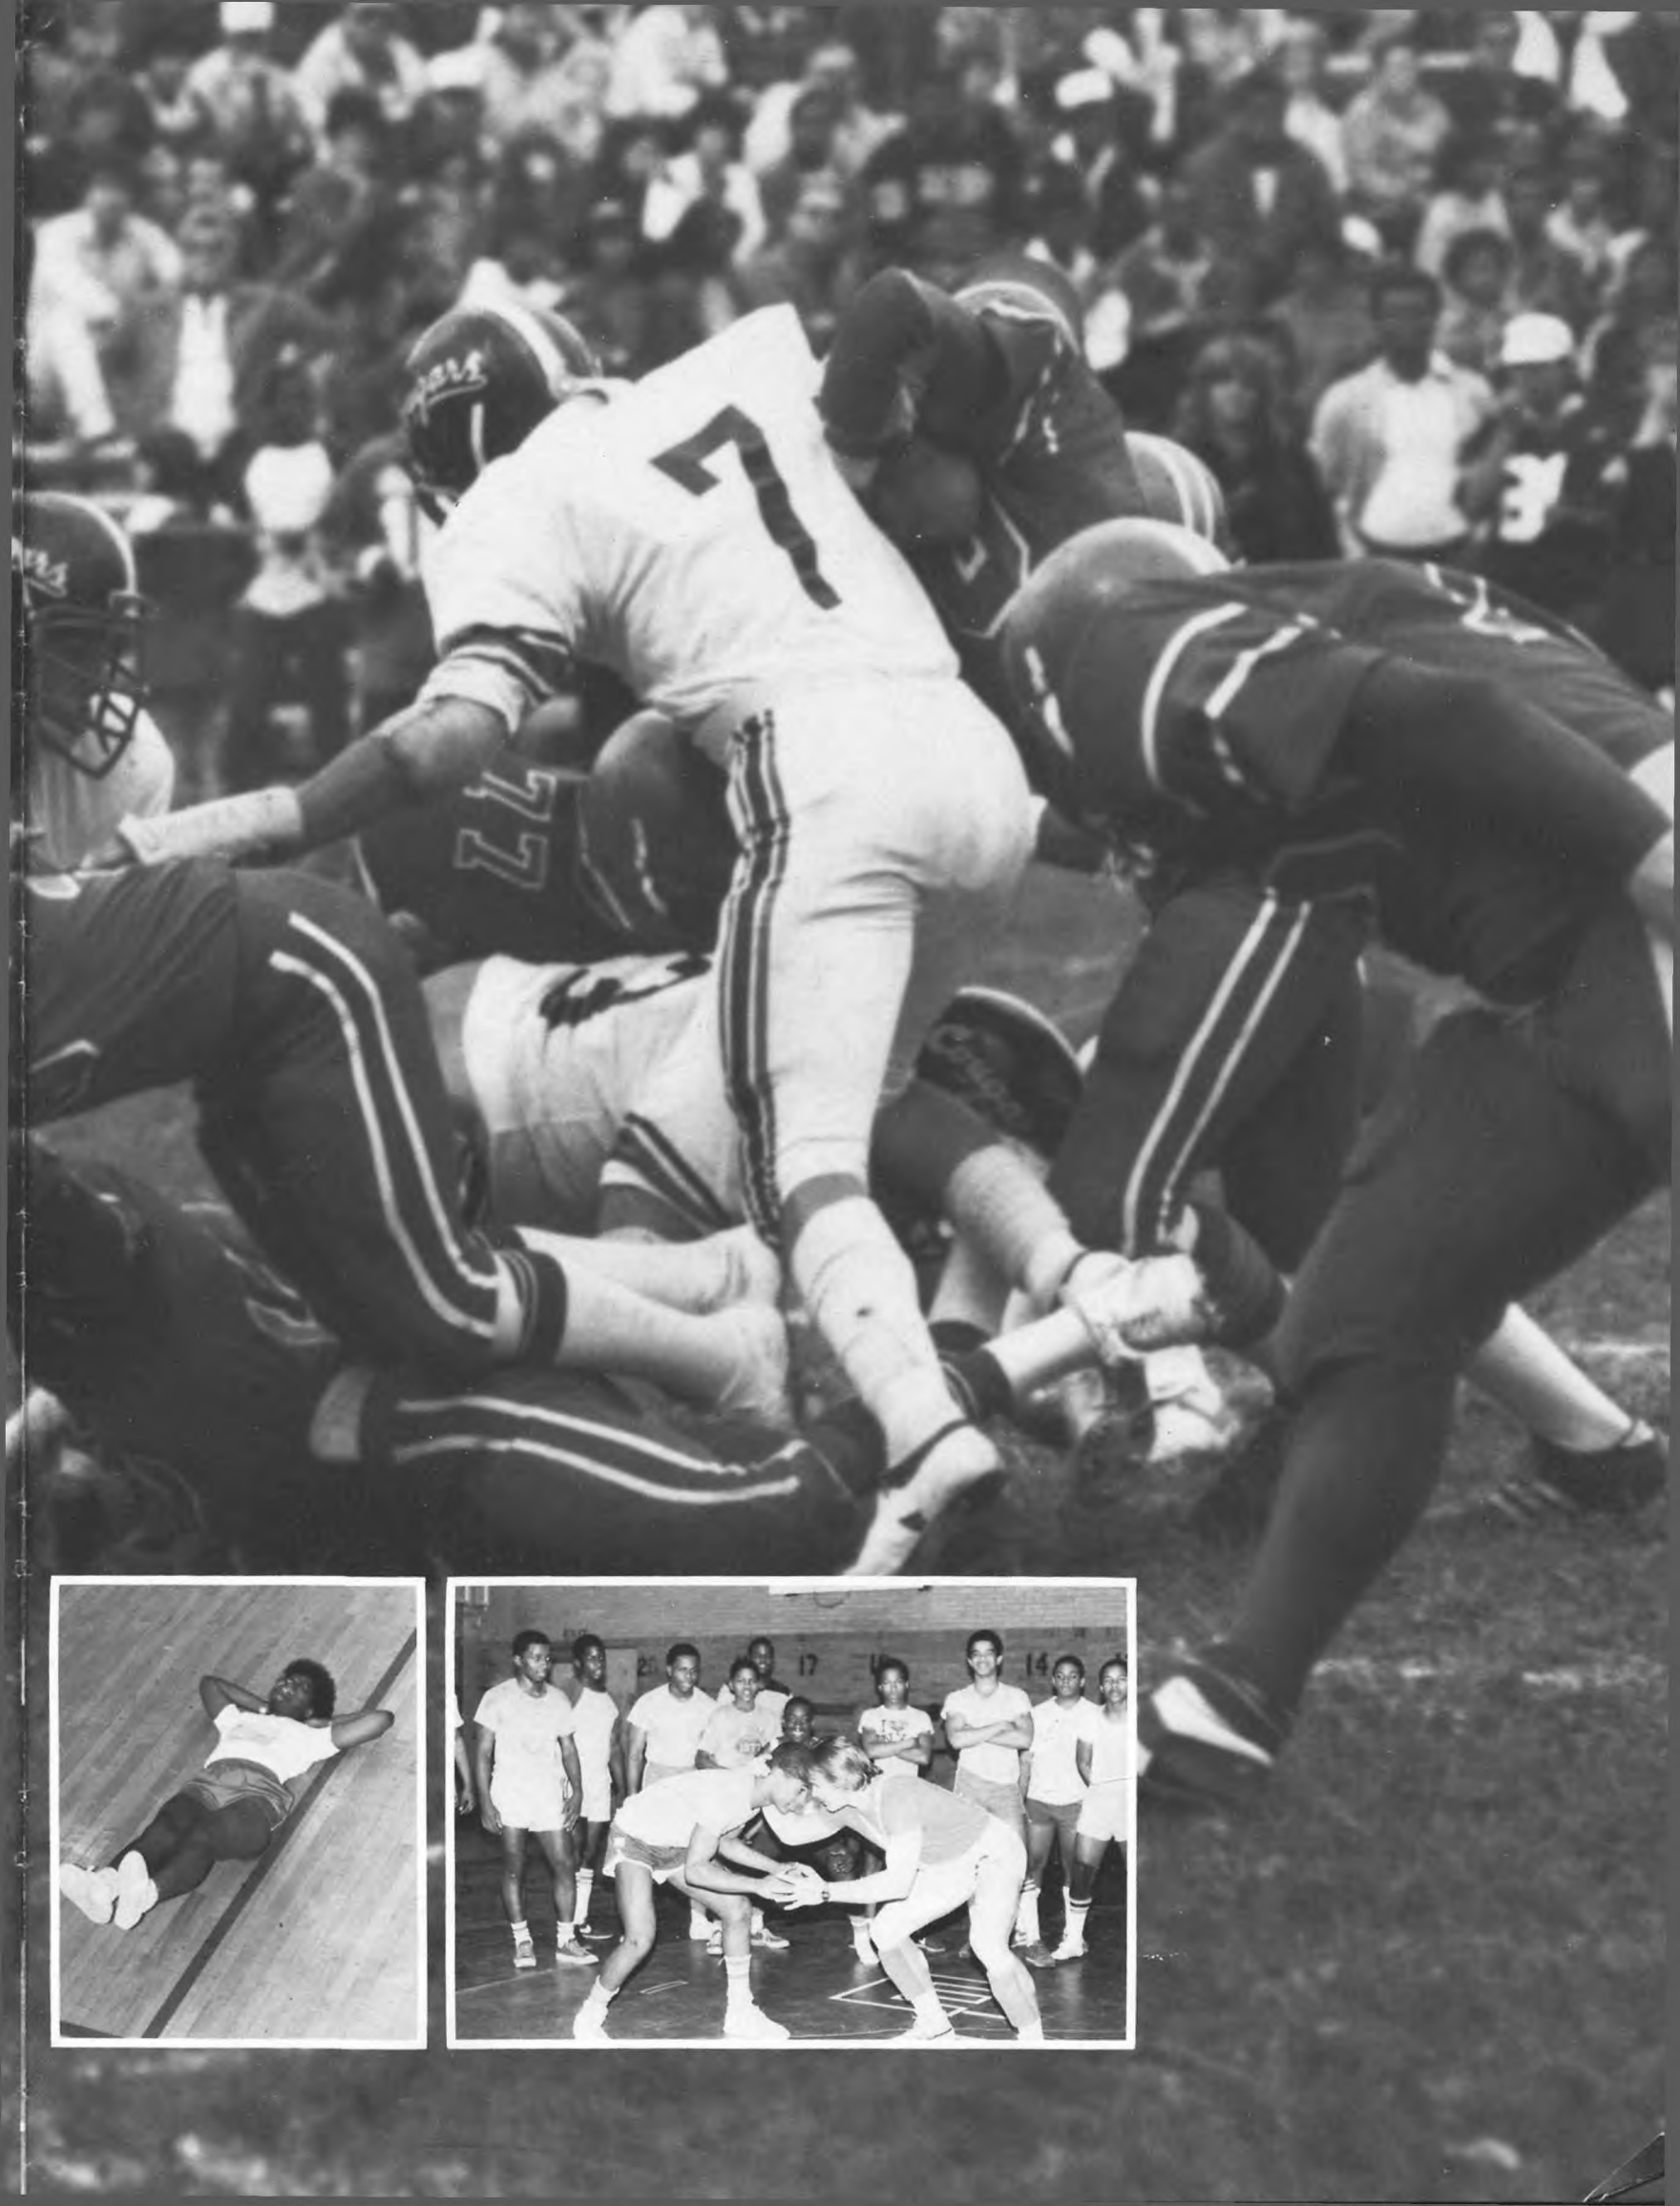

We have no  
guarantee that our  
journey will be free  
of pain and  
struggle.

Testing ourselves  
in study and contest,  
we will rise up  
in irrepressible strength.

Dare to dream and  
build the foundations  
which will transform those dreams  
into reality.

Grasp the tools  
of learning and  
turn their focus  
to the sky.

Who but we can  
chart and steer  
a course to take  
us to our  
appointed stars?

The Class of 1983 held their senior prom on Thursday, May 26, 1983.

The prom began around eight o'clock with a welcome hour. During this time, hors d'oeuvres and soda were served. Pictures were also taken. Around nine o'clock, everyone moved into the main dining room. In between the courses, the couples danced or mingled. The main course consisted of vegetables, potatoes, and a choice of prime rib of beef or stuffed capon.

The highlight of the evening was the crowning of Tracy Hargrove as Prom Queen and Richard Doggett as Prom King. Also during this time, the seniors dedicated their prom to their advisor, Ms. Yvonne Blake.

The evening ended around one o'clock. Glasses commemorating the occasion were

## IN THE MIDNIGHT HOUR

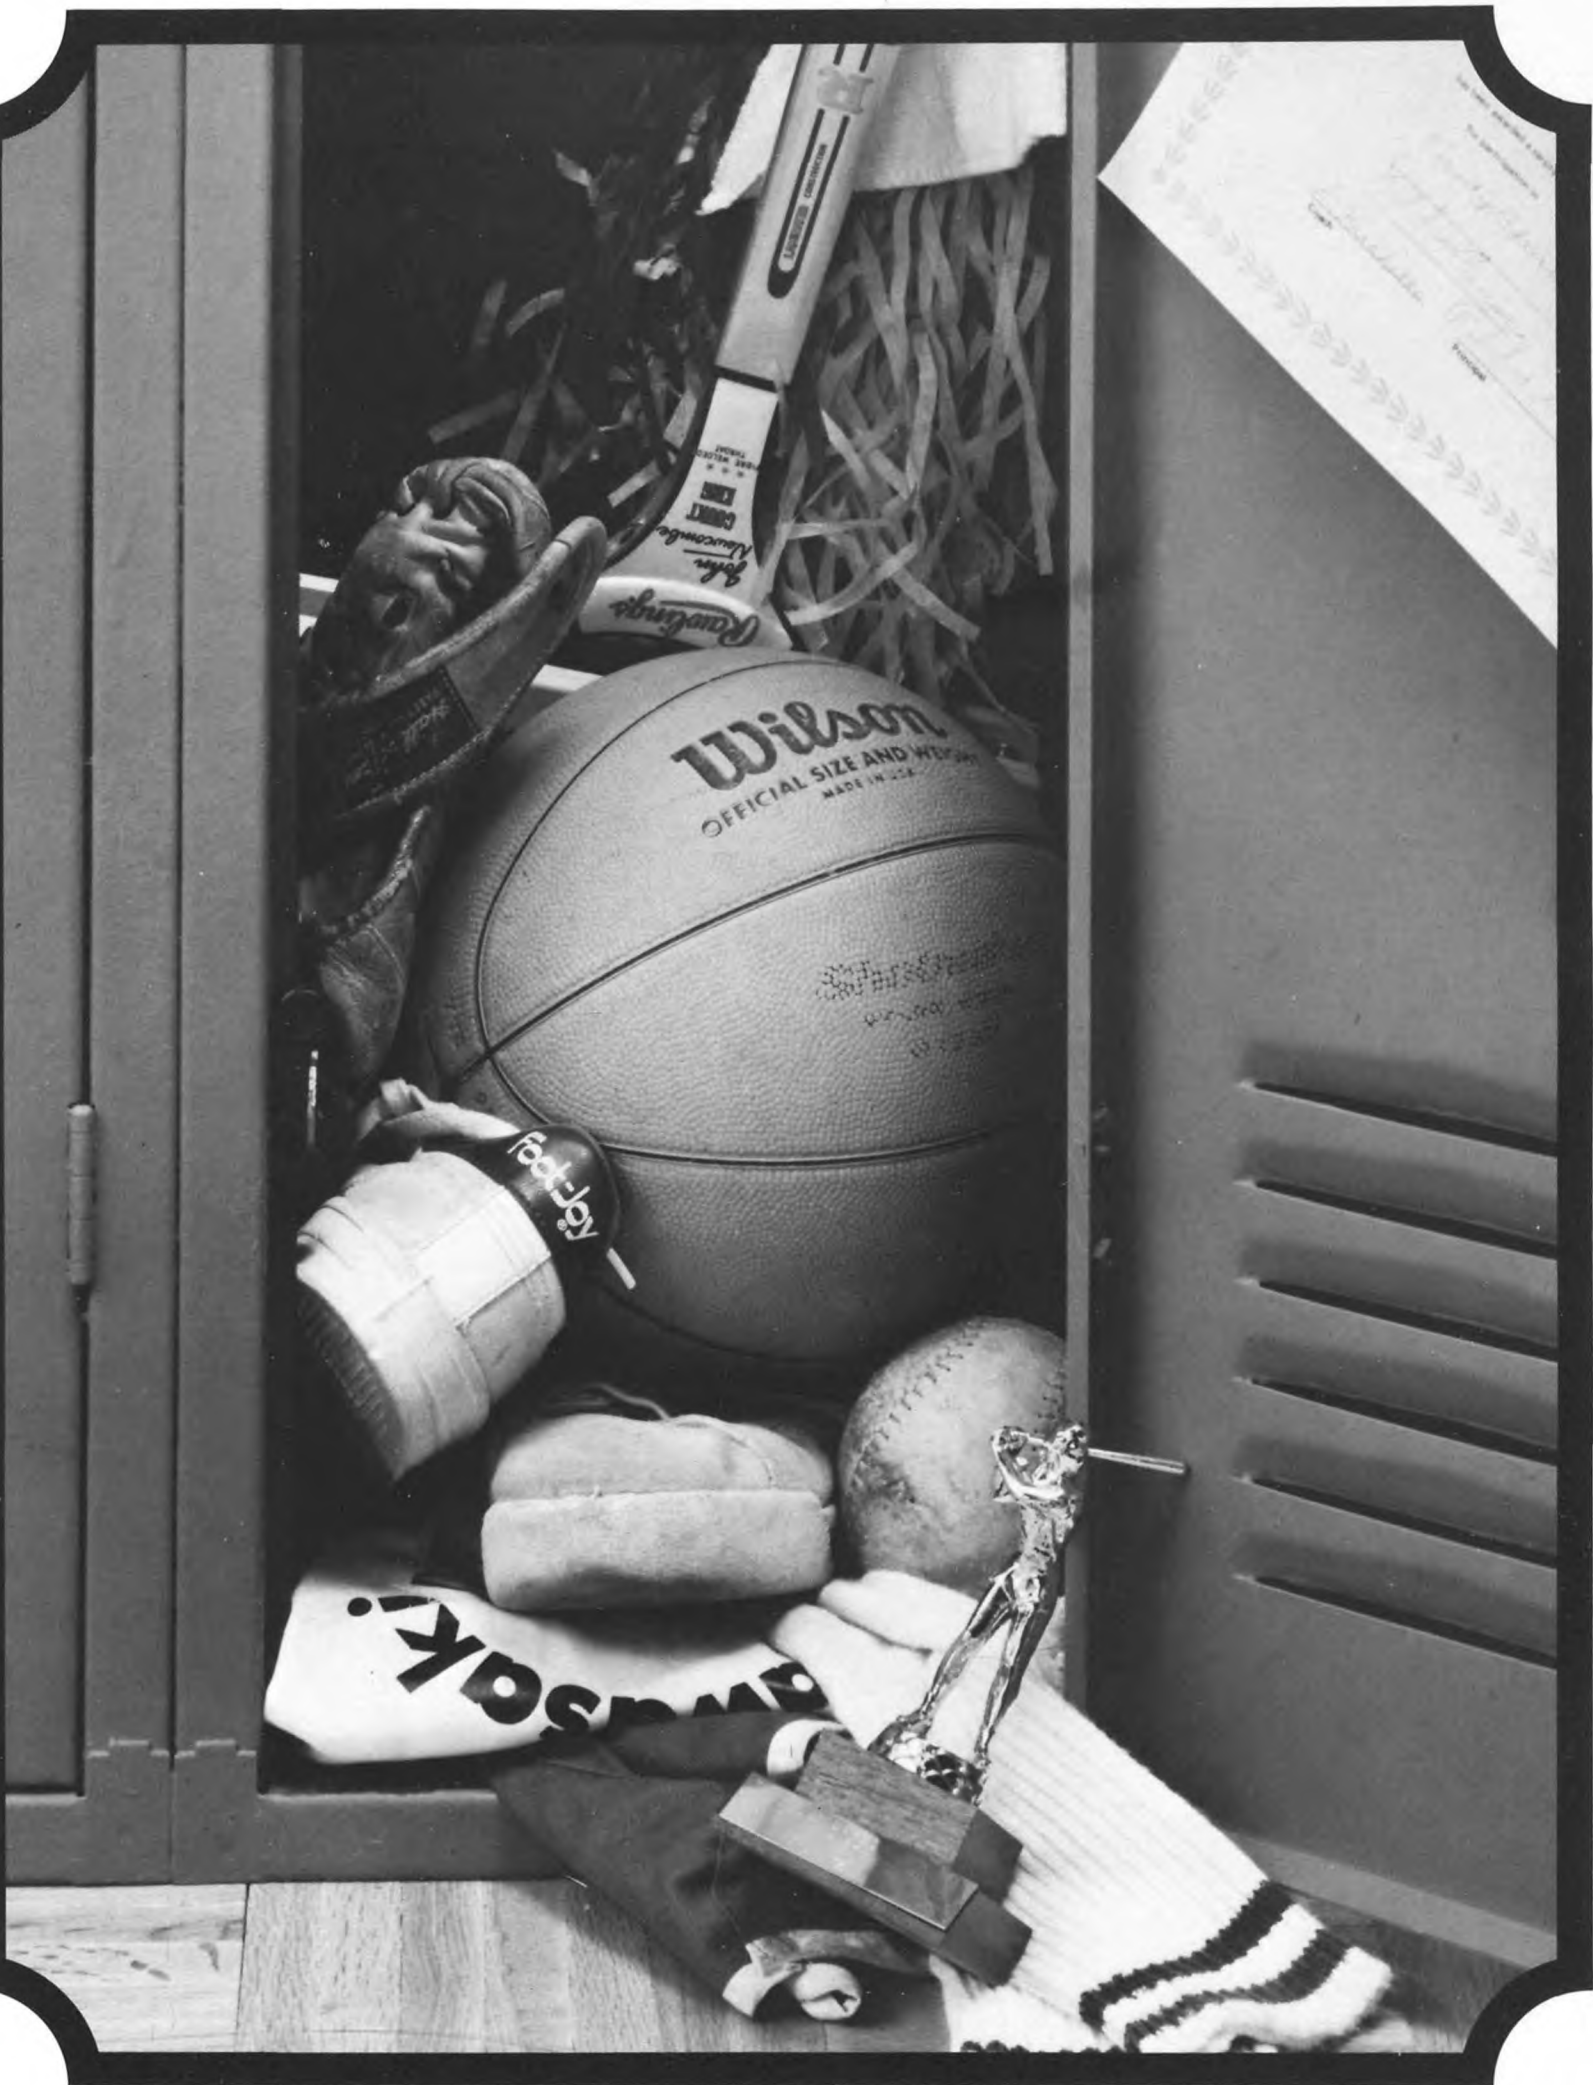

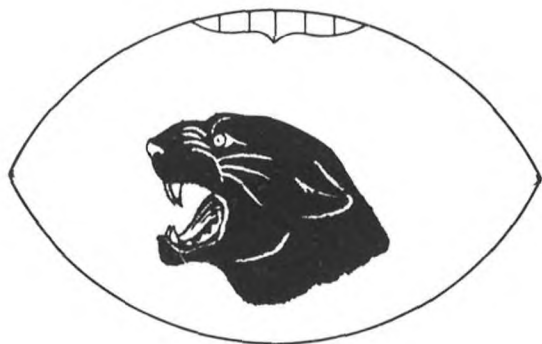

**CLASS**

**OF 1984**

**ATHLETICS**

The East Orange High School Panthers had a very successful 1983-84 football season. This team was composed of character and bulk. They were the first E.O. football team to reach the state playoffs since 1977.

Beginning with the 1982-83 school year the Panthers became a member of the highly competitive Iron Hill Conference. Since the conference's inception no team has gone undefeated in any sport. This remained true for the 83-84 football season.

The mighty Panthers' first game of the season was against Parsippany, a team picked by the experts to win. But the experts were wrong. Playing in their first night game in the history of E.O. football, the team was psyched. On the first play from scrimmage, senior quarterback Angelo Garnett threw a touchdown pass to split end Sherman Waters. The game was both exciting and intense and E.O. emerged victorious, 20-6.

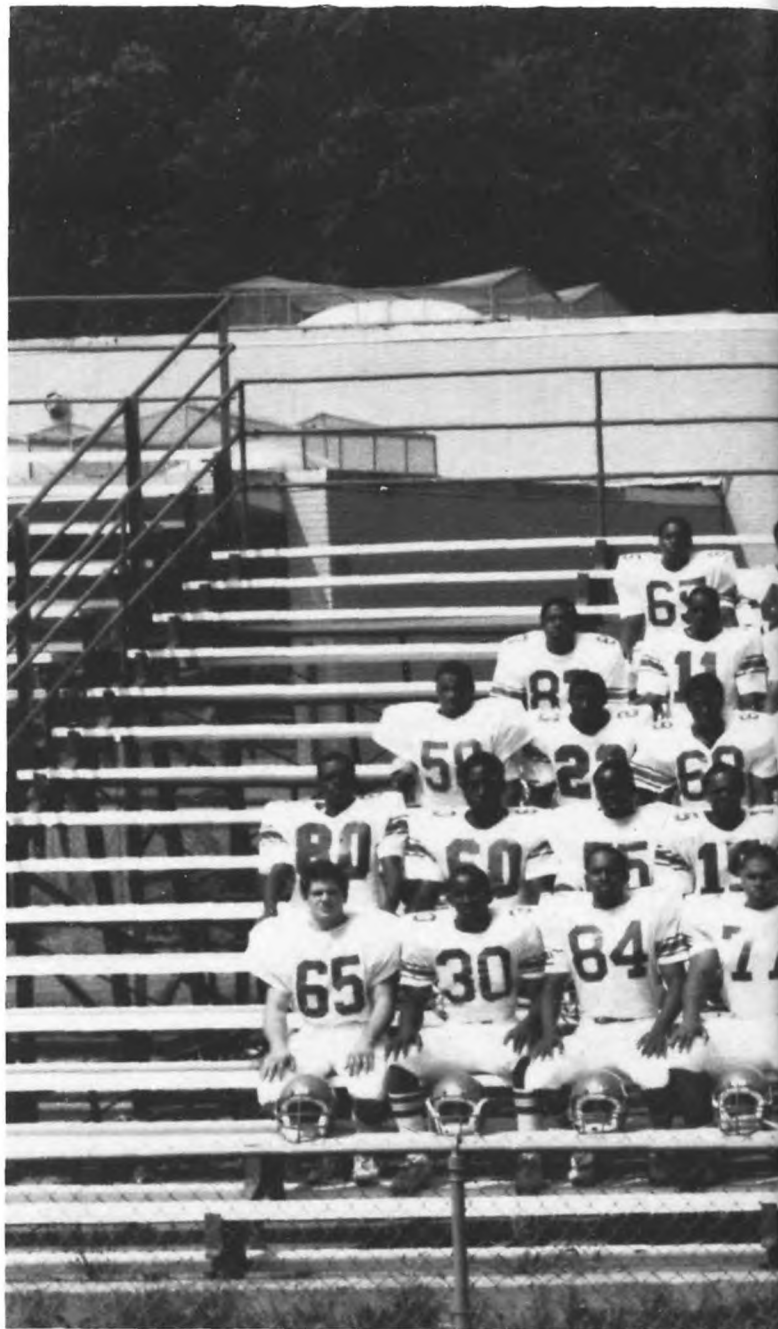

Entering into the second game of the season with a 1-0 record, the Panthers were ready, however, so was Roxbury. With some last second heroics Roxbury won the close game 14-13. Livingston was next. On a dreary, wet Saturday afternoon the Lancers of Livingston rode into Marten's Stadium, but limped home, suffering a 32-6 defeat. Now the Pony Pirates of Seton Hall were ready for the Panthers, but the Panthers had a score to settle from last year's defeat. The Panthers rose to the occasion and defeated the Hall 13-7.

The most exciting, most disputed and most important game thus far during the season was against West Essex. The game was billed as a big one, and indeed it was. It was a game that saw three lead changes and intense gang tackling. Emotions ran high after coach Frank Bonadies was ejected from the game for protesting a call too vehemently. But emotions were not enough. For the second time this season, the Panthers lost in the closing seconds on a late field goal. The West Essex Knights won 17-16.

The remainder of the season saw the team play with a combination of fine execution and "killer instinct". They simply breezed through the remainder of their regular season opponents. The victories included wins over Morristown 12-7; Morris Knolls 19-8 and Columbia 25-12. After these exciting victories the Panthers' record stood at 6-2, good enough for the state playoffs; our opponent — the Mounties of Montclair.

Montclair and E.O. have been arch-rivals for years and both teams prepared for the meeting. This game was also billed as a "big one" and that it was. The Panthers had two scoring opportunities from within the ten yard line, however, could not capitalize on these possessions. Montclair won the game 3-0 on a field goal with 0:03 seconds remaining and eventually won the state title.

The final game of the season was the traditional Thanksgiving Day game with Barringer. E.O. came into Schools Stadium fired up after their loss to Montclair. When the dust had cleared, the Panthers had demolished the Blue Bears 38-0. This concluded a successful, enjoyable and noteworthy season for the 1983-84 football Panthers.

## Surprise!!!

The East Orange Panthers Basketball team, after a slow 0-4 start, finished the season by winning 12 of their last 18 games. They completed the season, compiling a 17-10 record.

In his first year at the helm of the varsity basketball program coach Morris Griffin surprised many fans, critics and even some players by leading his team to the Group IV, Section II finals.

In the highly rated Iron Hills Conference the competition was stiff, but the Panthers met the challenge and finished second in the standings with an 11-3 record.

Another highlight of the Panthers' season was when senior guard Angelo "Jello" Garnett hit a milestone by scoring his 1,000th point during the Livingston game, while the Panthers were crushing the Lancers by a score of 84-35.

The Panthers had some talented seniors on their squad: Elworth "E.T." Roberts, Travis "Papa Smurf" Lawrence, Walt "Kousy" Raspberry, Sean Sapp, Artie Townes, David Greene, David "Godfather" Cook and Angelo "Jello" Garnett.

The future prospects include juniors Dana "Chocolate" Williamson, Toussaint Hollins, Troy Bradshaw and Lorenzo "L.B." Bryant, sophomores Mark "Doc" Gray, Troy "Glo" Glover and Rahim Muhammad.

The Panthers entered the Essex County Tournament as the tenth seeded team. As usual the E.C.T. brought about the best in the Panthers as they shocked their opponents and reached the semi-finals, before Crosstown rival Clifford Scott halted the Panther Express.

The Panthers regained their winning ways in the preliminary round of the State Tournament by defeating Newark Eastside. This gave coach Morris Griffin the opportunity to coach against the school at which he previously coached — Plainfield. Fifth

ranked Plainfield was picked, not only by the experts, but also by some fans to eliminate the Panthers from the playoffs. But it was not to be. The Panthers surprised everyone by defeating Plainfield by a comfortable 10 point margin, 70-60.

The Panthers next opponent was fourth ranked Elizabeth. Having been defeated by Elizabeth last year, the Panthers had a score to settle. Things looked bleak, however, as E.O. was trailing by 13 points at the completion of three quarters. Sparked by Walt Raspberry's defensive play, the Panthers made their move. The team clawed their way to within one point, when Toussaint Hollins tapped in a missed free throw to give E.O. the lead. Angelo Garnett then put the icing on the cake with a free throw with four seconds remaining and the Panthers had another victory in tournament play 58-56.

In the sectional finals the Panthers were to meet county and conference rival Columbia. Having lost by six points to Columbia earlier in the season, the Panthers hoped to even the score. Cold shooting, however, prevented the Panthers from reaching their goal as the Cougars coasted to a ten point victory 64-54.

The Panthers had a good season - a ten game winning streak, victories over "top ten" teams and good overall performances from Angelo Garnett and Mark Gray. The E.O. fans can now look to the future.

## Thomas Cooke Jr. - Mayor - City Of East Orange

Your class, together for the past four years, is about to embark upon many different career paths in many different directions. Some of you will enter the military, some will pursue higher education and some will assume positions in private sectors.

Whatever your choice is for the future, always remember from whence you came. Never forget the good values instilled in you by your parents, or the concern and dedication shown to you by your teachers. And most of all, never forget the determination and hard work that has led you to your graduation and will continue to lead you to any other success you may enjoy in life.

Best wishes,

*Thomas H. Cooke, Jr.*
