19/\85

SYLLABUS

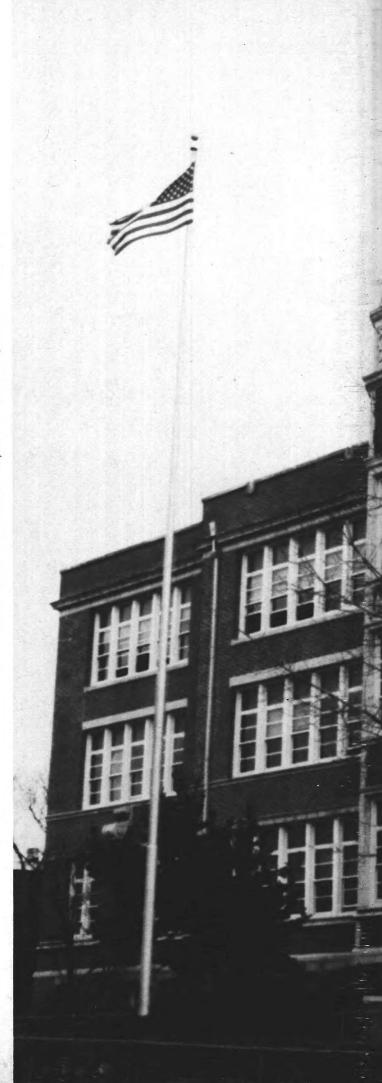

is something that the class of 1985 has experienced, dealt with and survived. For that reason we have chosen the three sided Greek symbol, Delta, which represents CHANGE to symbolize our class.

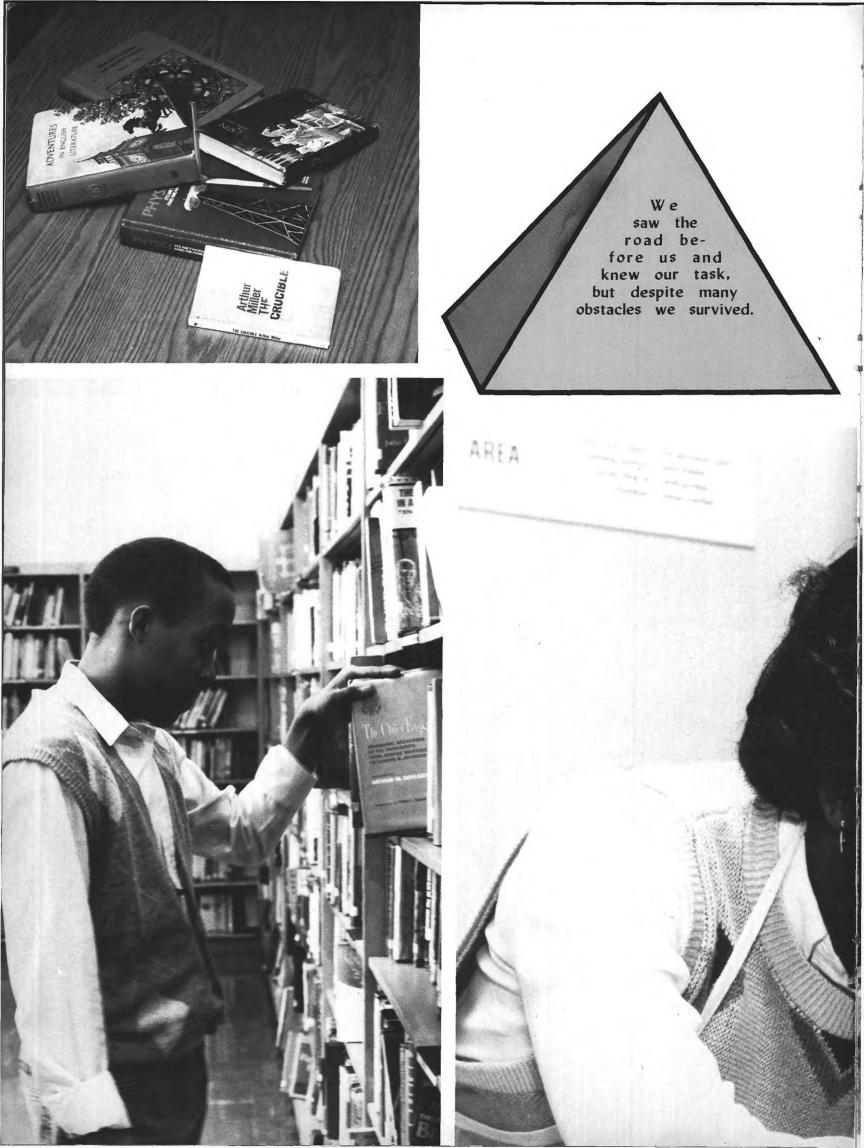

Four
years
ago we entered these
halls - unsure of
what the future
held. We were baby
cubs looking towards the
day when we too would be full
fledged PANTHERS - strong and
proud.

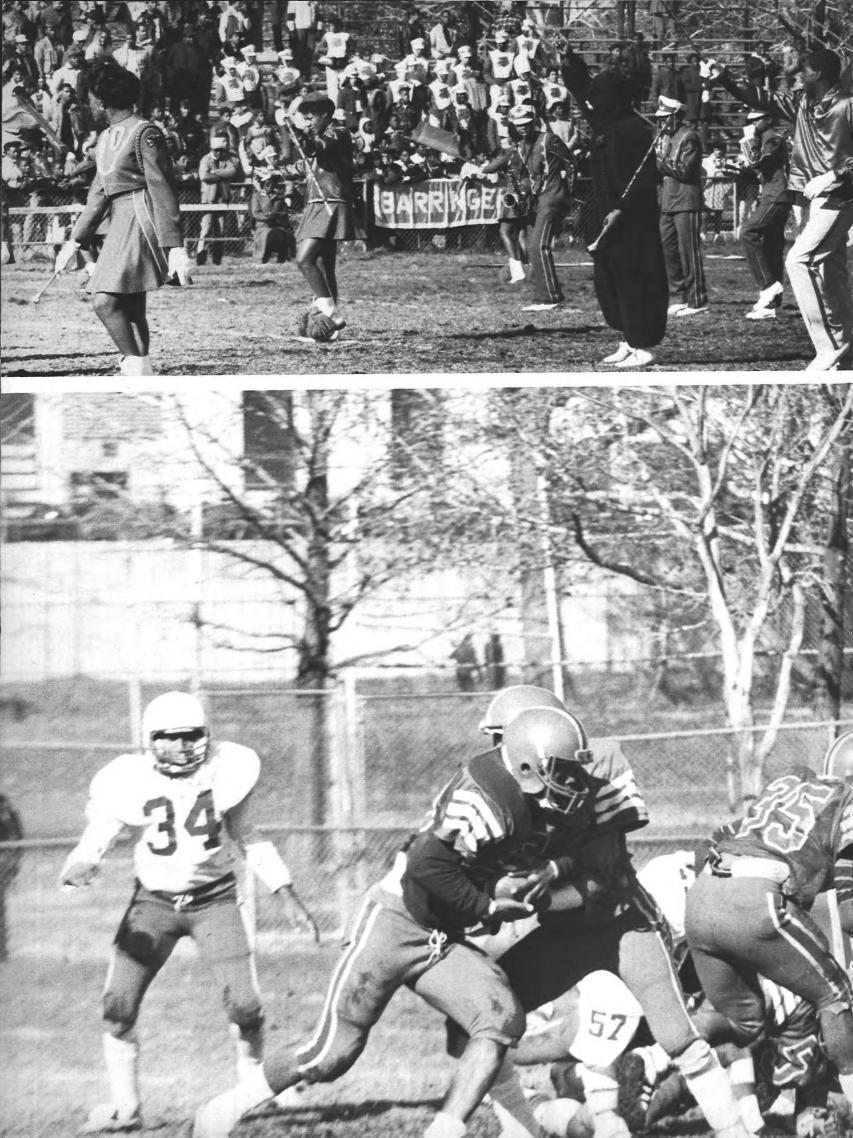

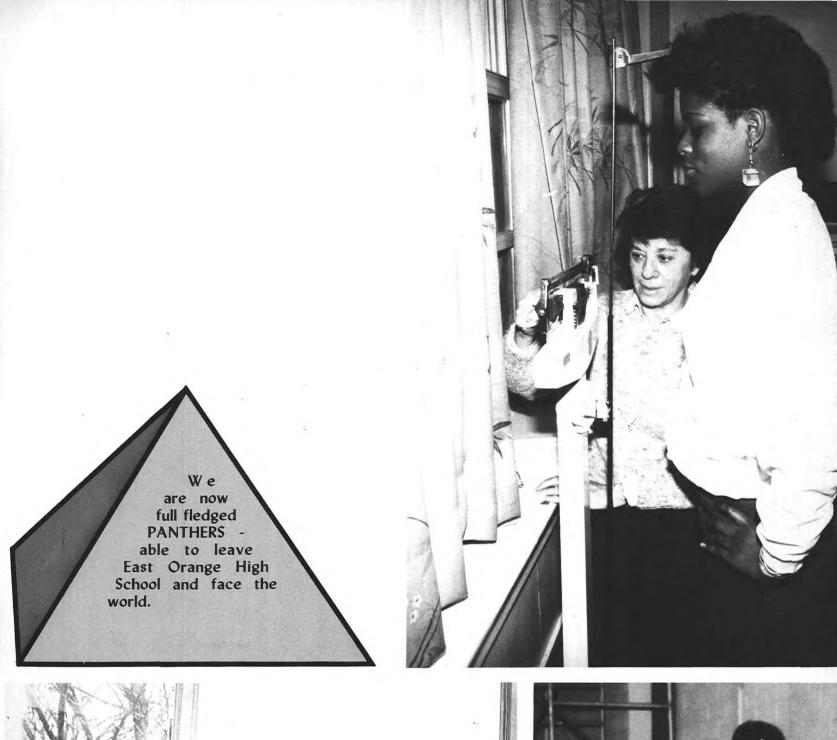

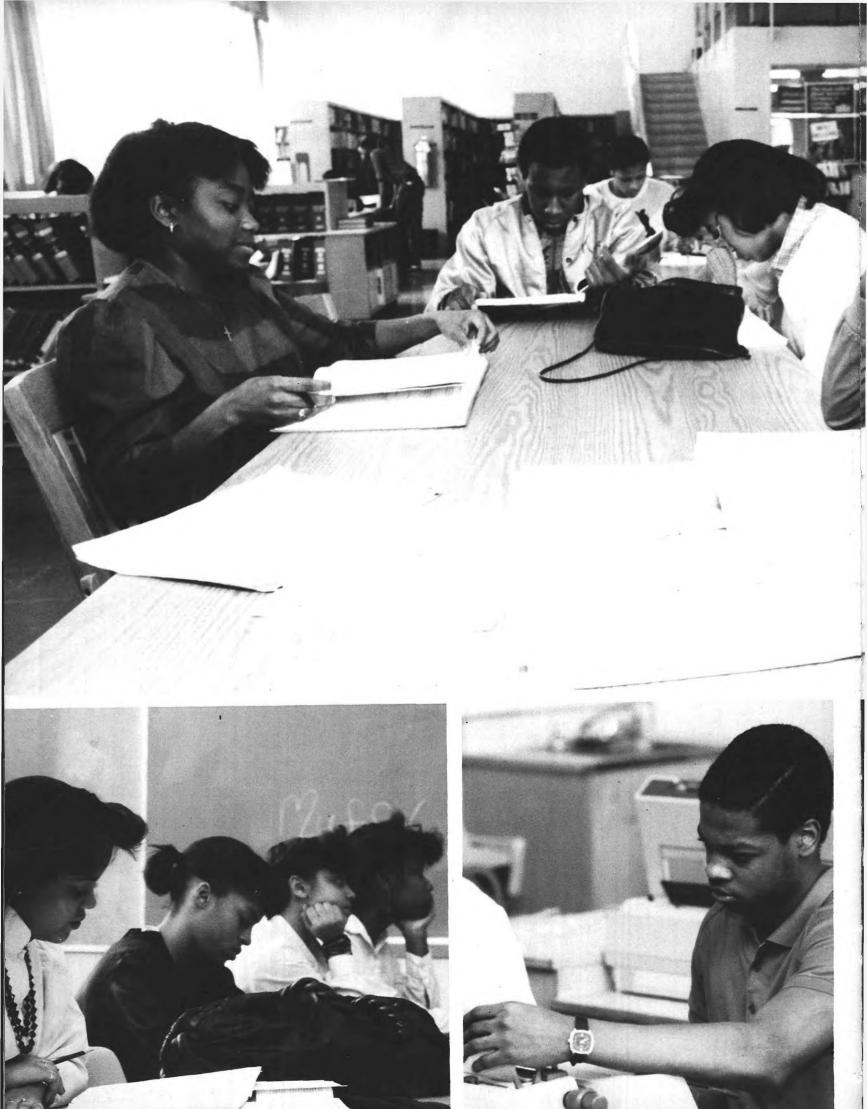

We
know
that there
will be more
challenges in
our future but we
also know that there is
no challenge that we cannot meet.

We are the class of 1985 and we are aware of the fact that "EV-ERYTHING MUST CHANGE, NOTHING STAYS THE SAME."

Dear Class of '85,

During your four years here at E.O.H.S. you have lived the fact that "Everything Must Change." In your freshman, sophomore and junior years, many of the E.O.H.S. traditions were ended when your turn came to have them. This year, your last year, you entered school to find that you no longer had the traditional homeroom schedule, that you could no longer go out for lunch, and that you had to adapt to a new way of doing things. You did a fine job. You showed us that you were flexible.

Throughout your lives you will continue to find it necessary to shift gears at a moment's notice. Change is an inevitable part of our lives. Don't ever lose your capacity to do so. Those who can adapt quickly will win in life.

The one thing that you can be sure of is that your life will never stand still. Life is a dynamic rhythm that flows in two directions: forward and backward. The direction that your life takes will be based on the efforts that you yourself make.

In the coming years, you will encounter many obstacles on the road to realizing your dreams. You can let the obstacles defeat you, or you can use them to strengthen your character. You can complain about them, or you can appreciate the fact that they are the source of your continuing growth.

I really enjoyed the four years that we have spent together. Have a great future, enjoy your lives, and don't complain about life's hardships.

Sincerely.

Courtenaye Derise Johnson-Lawrence

FOOTBALL

The main question on everyone's mind as football season neared was "Could new head coach Sloane produce the same type of team which he was so successful with at our sister school, Clifford Scott?" At the conclusion of the season there was no doubt in anyone's mind.

Along with the influence and leadership of the returning seniors, Coach Sloane produced a team that fell one victory short of the state play-offs and finished the season with a 6-3 record.

The season opener was a disappointment, for after the dust had cleared, the Panthers came out on the losing end of a 20-14 Morris Knolls victory. Although disheartened the Panthers didn't give up. They rebounded stronger than ever shutting out their next three opponents: Columbia 12-0, Parsippany 8-0, and Livingston 25-0. West Essex was not about to join these teams and upset the Panthers 35-36.

Suddenly Homecoming was here. The Panthers rose to the occasion, much to the delight of the visiting alumni and blanked Roxbury 14-0. This was the first time that the Panthers had defeated Roxbury since entering the Iron Hills Conference. Morristown then fell victim to the "Panther Attack" 15-0.

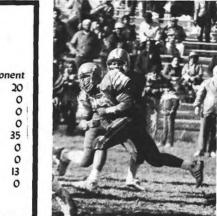

The annual Thanksgiving Day Classic with archrival Barringer loomed in the future. The "Turkey Day" event was especially rewarding for the players and the coaches, as the Panthers embarrassed the Rhue Bears 54-0.

Throughout the year the offense was sparked by quarterback William Cotton and guard Eric Glover. The dynamite defense was led by linebackers Dave Harris and All-State Jeff Haskins.

This concluded a successful first year campaign for Coach Sloane. In each of the six victories the defense did not permit their opponents to score.

Individual honors were achieved by seniors William Cotton, Eric Glover, Dave Harris and Jeff Haskins. All four players received All-Orange honors being placed on the First Team. First Team All-County honors went to Eric Glover and Jeff Haskins. Second team honors went to Dave Harris and third team honors to William Cotton. Jeff "Hit Man" Haskins was named to the Star Ledger All-State honors.

BOYS BASKETBALL

As basketball season approached, optimism ran high about the upcoming season. The 1984-1985 Panthers were a young, talented team that set out to prove that what happened the year before was not a fluke, and that the Panthers were back!

With second year Coach Morris Griffin at the helm, East Orange had a goal — to demand respect from the other schools-which they did! Only four players returned from the previous season: seniors Lorenzo Bryant, Toussaint Hollins, and Dana Williamson and junior Mark Gray. They were counted on heavily to lead the younger ball players.

ed on heavily to lead the younger ball players.

This season was considered by many of the players as "The Top 20 Jinx," because as the "Top 20" polls came out and East Orange was rated in it . . . a loss was soon to follow.

The season opener was hyped to be a battle of the "Top 20," in which the Panthers were matched against conference rival Seton Hall. East Orange's inexperience and opening game jitters seemed to cost them the game. "The Hall" opened up a large first quarter lead which East Orange fought bu couldn't overcome. Seton Hall won 59-48. Afterwards, E.O. went on a winning streak. With top scorer, junior Mark Gray, all-around Dana Williamson and John Brown, top rebounder Toussaint Hollins, and sixth man Troy Glover, the Panthers went on to beat the likes of '83-'84 sectional champs Columbia, Morristown, Roxbury, West Essex, and other conference rivals as well, to earn a respectable IO-2 record and "Top 20" residence.

Due to the few scheduled games East Orange was to play, the Panthers had to wait two weeks before the start of the State Tourney, in which they were seeded third and again matched against Irvington. The game again was a thriller and went into overtime. Strong defensive efforts and fan involvement helped win this one by a score of 7I-69. The next challenger was highly rated Newark Barringer. The Panthers maintained a 3-5 point lead throughout the third quarter then disaster struck. Barringer pulled within 4, then 2, and even finally took a 2 point lead with 2:50 on the clock. The teams traded baskets until Mark Gray hit the tying layup with :10 clicks left. Barringer then set up the in bounds pass-went coast to coast-pulled up & hit a 30 ft. jumper with :03 seconds left on the clock. A last second shot by the Panthers fell short and the season was history.

There were many bright spots during the season which included junior Mark Gray hitting for 1000 points with one season left, and also being selected to the All-Essex and All-Oranges basketball rosters. Senior Dana Williamson & Toussaint Hollins joined him as selections to the All-Oranges team. Other contributions were those of seniors John Brown, Lorenzo Bryant, Derrick McCloud, Rodney Atkins, and Stanley Baldwin, who along with Williamson and Hollins played their last game in a Panther uniform.

Congratulations 1985 Graduates of East Orange High School!
May your aspirations reach the sky.
More important, may they be achieved.
The goals themselves are only the seed.
A new decade, a new future awaits.
May your lives be determined by yourselves, not by the Fates.
We're proud of you, and wish you the best.
May your careers be followed with happy zest.
Personal happiness, we wish to you, too.
In fact, all that is good, we wish for you.

Best wishes,
