SYLLABUS Vol. 83 EAST ORANGE HIGH SCHOOL East Orange, New Jersey 07017

We sought acceptance with the other members of our class; hoping to become unified as a group, but still maintaining our individuality.

As individuals, we maintain a common bond of individual achievement.

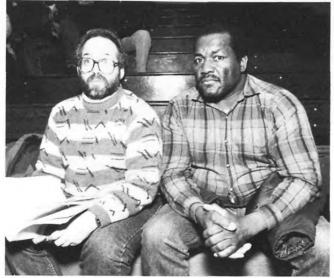

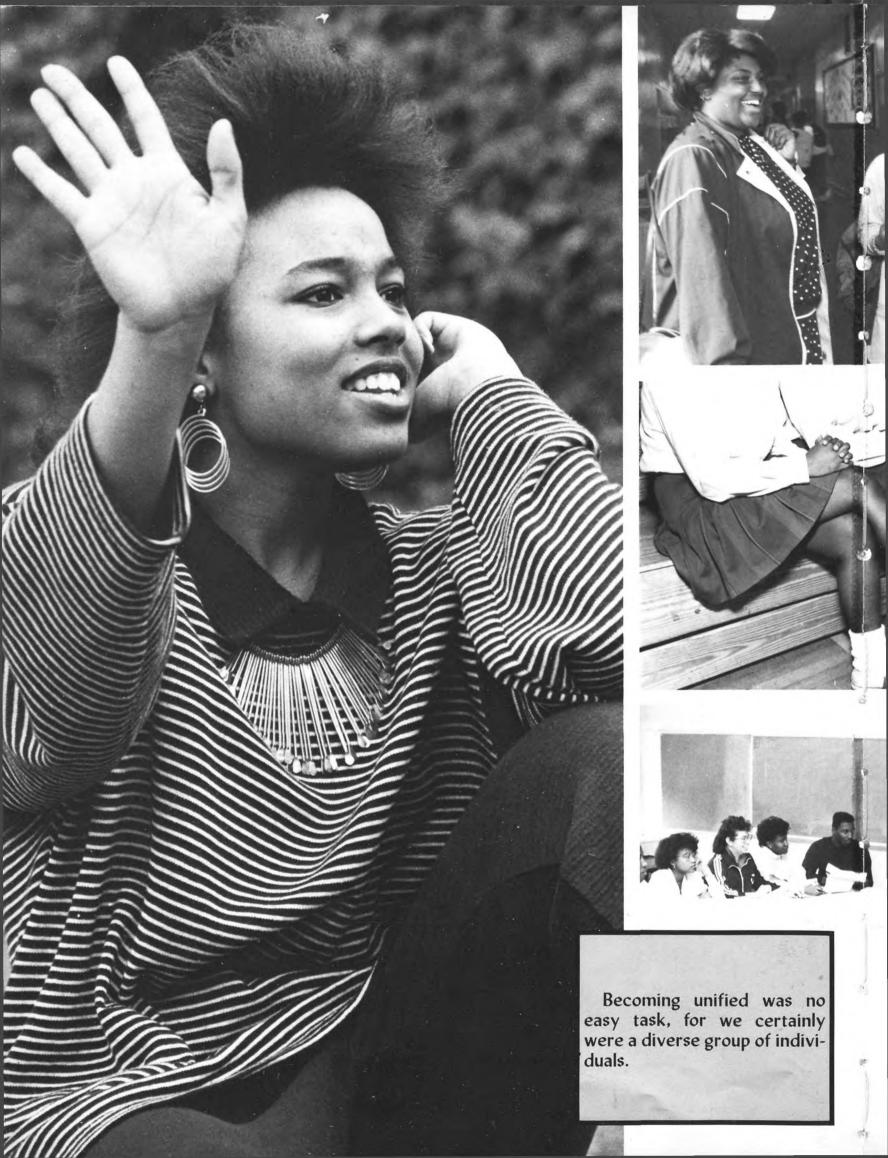

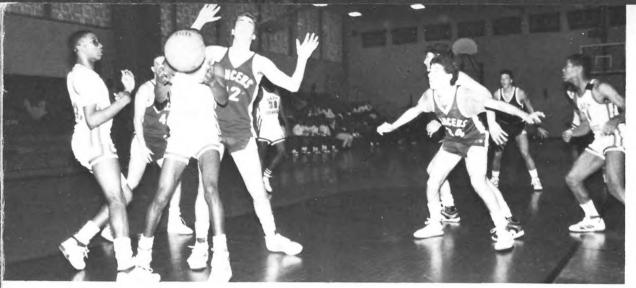

As a class, we strive for togetherness by sharing with each other the uniqueness of our personalities.

Some sought recognition through academics, some through athletics and some through extracurricular participation.

Although we will always maintain our individuality, we will always cherish the feeling of unity we experienced as a member of the Class of 1988.

The Panthers got off to a great start this season. The Panthers ended Coach Griffins's string of opening game losses by defeating Morris Knolls by a score of 58-44. This win gave Coach Griffon his first victory in Morris Knolls.

The Panthers would soon face their biggest challenge yet, The Ronald Nelinson Christmas Classic Tournament. The Panthers opened up in the first round against the tough playing team of Passaic High School and recorded an outstanding victory. Just two days later the East Orange Panthers would be defeated and eliminated by the Ghosts of Paterson Eastside.

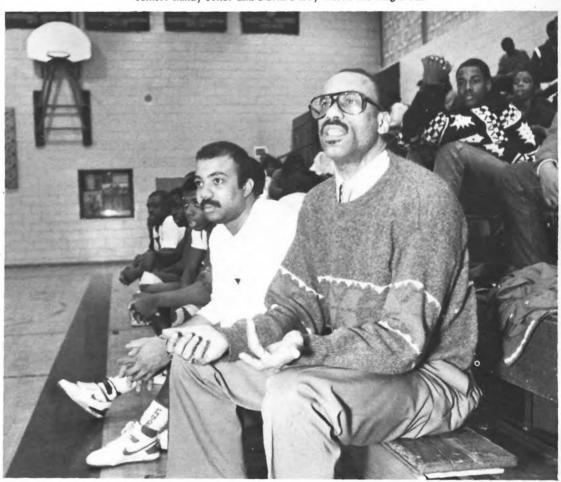

As the season progressed, the Panthers got on a winning streak by winning three straight. Until they met up with the rough Cougars of Columbia. The Cougars defeated the Panthers 54-50 in their first meeting. In the second meeting, which was being televised on TV-3, the Panthers pushed the Cougars into an overtime situation, but were defeated 59-58 in the last seconds.

This 87-88 team was one of rebuilding. With only five seniors the team had to rely on many underclassmen. The Panthers finished with a winning record of 14 wins and 9 losses, and 4th in the Iron Hills Conference.

In the Essex County Tournament the Defending Champions Panthers were eliminated in the early rounds by Irvington. But bounced back to defeat Phillipsburg and advance to the semifinal round of the Section 2, Group 4 State Tournament. The Panthers were then defeated by Linden to end the basketball season.

Kellie Johnson and Coach Bradley follow the game closely.

Kamuela Tillman searches for an open Panther in a sea of opposing jerseys.

Our Lady Panthers displayed great pride and determination in the 87-88 basketball season. There were six returning players from last years 13-6 squad, while 3 newcomers made their debut in the Lady Panthers red and blue.

The Lady Panthers were led by captains Kellie Johnson and Kamula Tillman and Shanda Short. Johnson, a 6' O'' senior at center, collected 30 blocked shots this season. Junior forward, Tillman, had a season high of 7 rebounds and 7 points in one game. Short, a Junior guard, combined for 33 assists on the season and had a career high of 4 steals, 6 assists, and 8 rebounds.

Individual honors were gained by Connie Grey who made Second team All-Conference and Kellie Johnson who received a Honorable Mention.

The Lady Panthers also had a new head coach, Ms. Gloria Bradly. Prior to coming to East Orange, Ms. Bradley was an assistant coach for the womens basketball team at Seton Hall.

The times changed with the Lady Panthers. New players and strong defense will characterize our ladies. A tough schedule awaits them; however, with Ms. Bradley at the coaching helm, next year, a winning season can virtually be assured.

Coach Bradley takes a time out to review a play.

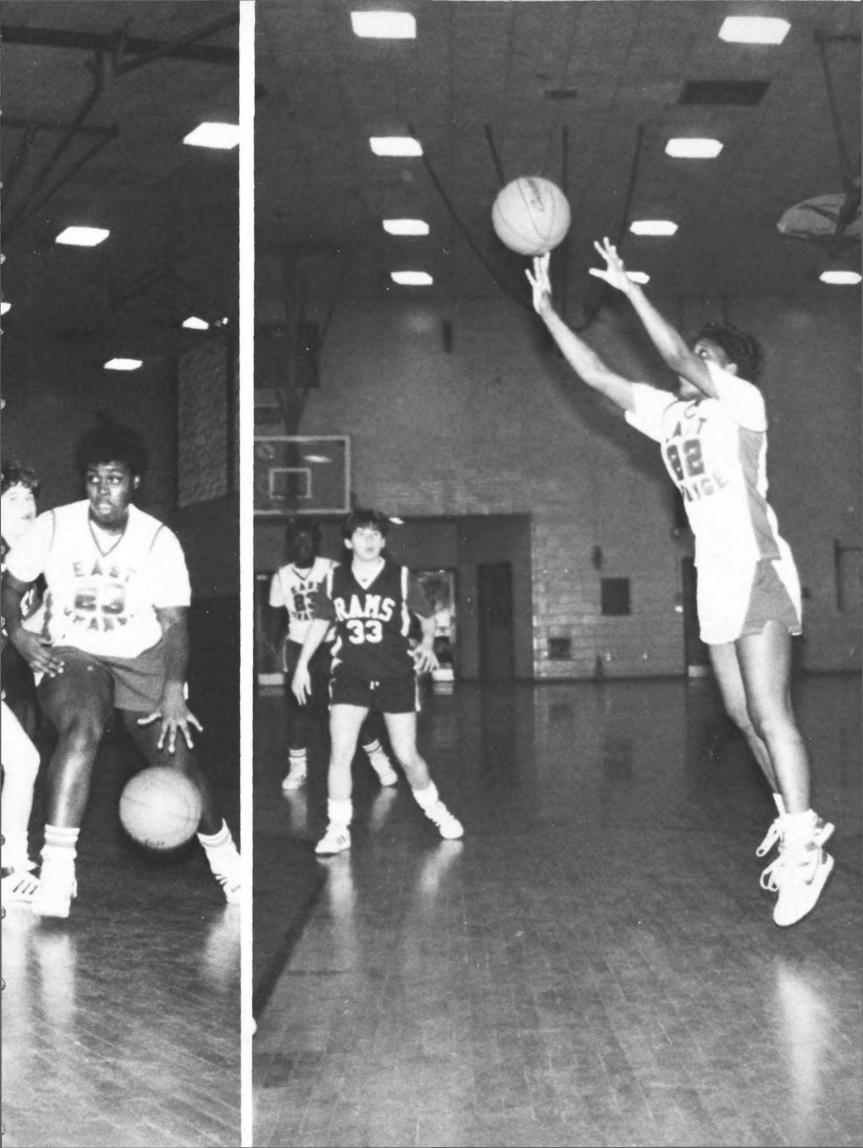

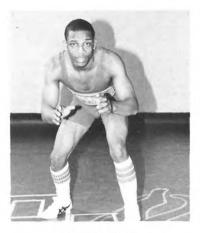

Better luck next time.

Connie Gray tries to get a handle on the ball.

Girls Tennis

Tennis can be described as a sport which tests physical qualities such as speed, skill and strength. Their effort and determination were qualities which helped to enhance the performance of the 1987 Tennis season.

1987 was a rebuilding year for the EOHS Girls Tennis Team. A young team built around 3 returning seniors. The team got off to a slow start, however, improved a great deal during the season. Despite a winless season, the girls felt a sense of accomplishment.
