LLABUS

To Some Of Us It Is A "Home" Away From Home

A Place To Learn, To Compete Or Just To "Hang Out"

Our School Is One That Is Full Of Pride And Spirit

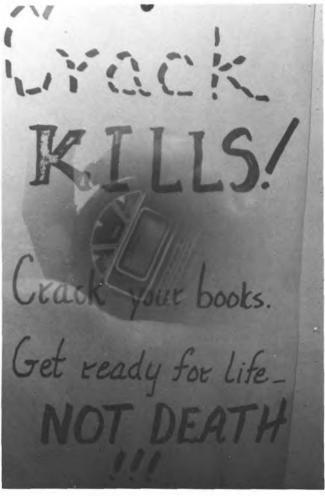

E.O.H.S. Is A Place Where We Shared Both Victory And Defeat

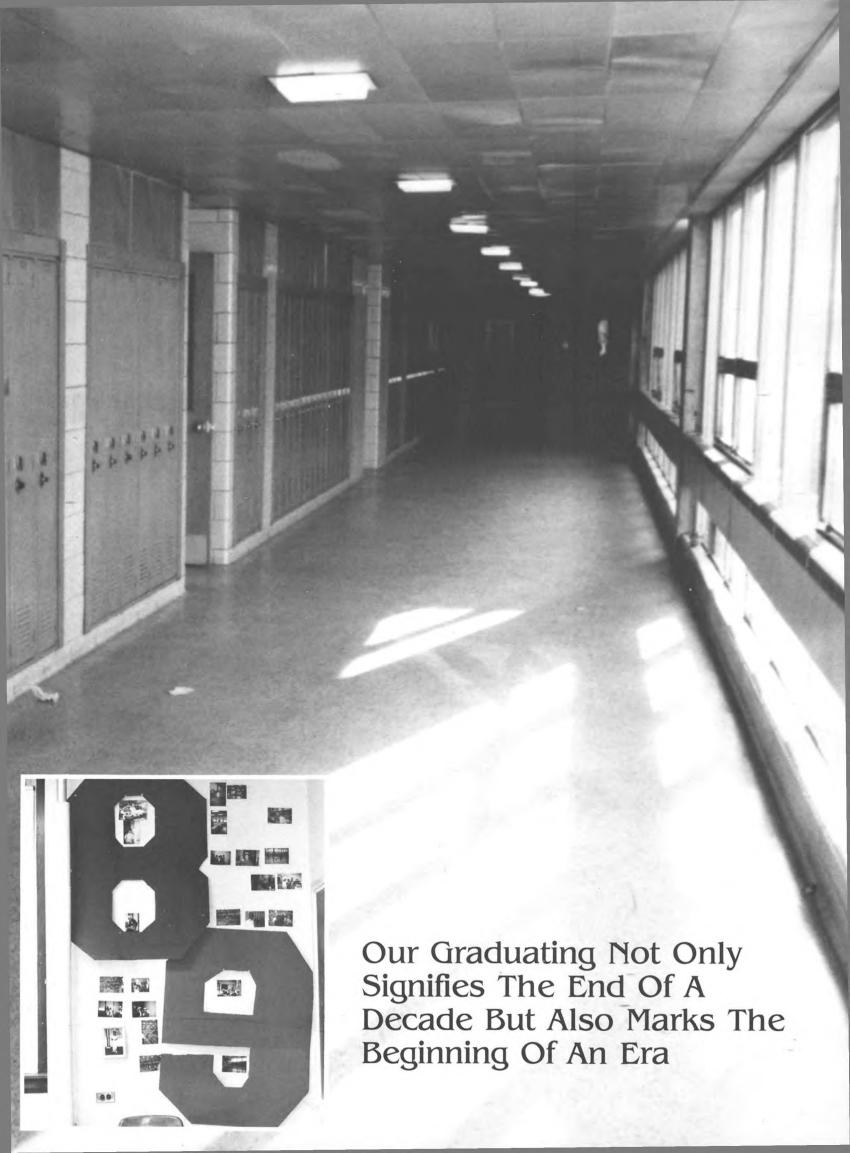

A Place Where
We Laughed And
Cried, Sharing
The Good Times
With The Times
That Were Not So
Good

To African - Amerikan Graduates '89:

Always remember: Let us not blame the "school" or the "teachers" if they have not succeeded in educating students (our children) for the specific task of preventing the coming, emerging new generation from "changing" and/or "deviating" is also precisely what American education is all about. Why do you think this society manadates and pays its educators!

Lisa Romane,

Dreams Eventually Turn Into Goals. Never Fear To Follow Your Dreams - Eventually You Will Achieve Your Goals. Always Remember That You Must Make A Decision. The Worse Decision You Can Ever Make Is Not To Make A Decision. Always Keep The Faith And You Will Never Stand Alone.

Remember These Words As A Reflection — Not Looking Into Mirrors — But Searching Further In Your Mind. You Can Make It In This World — Somehow, Someway.

MITCHELL

Class History

FRESHMEN YEAR

On September 7, 1985 over a thousand freshmen entered the doors of East Orange High School. High School life proved to be a new and grand experience for all of us. As we crossed further and further over the threshold, we found that we were now the growing adults of high school. Along with entering into high school came certain responsibilities. We realized that the responsibility of making our class a success, or failure, was in our hands. No class wants to be a failure, so we began our journey on the road toward success.

The first obstacle that we encountered on this road was to find people with outstanding leadership abilities to become class officers. Our class advisor, Ms. Nancy Chiafulio, along with our entire student body chose Audrey Bennett as President, Tanya Fletcher as Vice-President, Tanya Whitney as Secretary, and Ka-

muela Tillman as Treasurer.

A highlight of our freshmen year as well as football season was the Homecoming game. It was a difficult challenge but Chariece Lockhart emerged as the 1985 Freshmen Princess. Our class also held very successful Bake Sales and Discos. But our most successful activity included Freshmen Family Night. We found that the talent in our class was tremendous and we really looked forward to all the upcoming shows.

Those were the events of the Class of 89's freshmen year. At this point our class knew that our journey was not even half complete. In fact, it would not be complete until graduation day in 1989---three years away. This was just the beginning. So with a dream in our hearts and minds we moved toward the second

year of our journey.

SOPHOMORE YEAR

When September 1986 rolled around, we entered our sophomore year with plans to continue our dream of success. As sophomores, we rose to be an outstanding class again. Our class advisor and class officers were the same as the preceding year. Together they strived to make our 1986-1987 school year as successful as our freshmen year.

The first activities on our agenda included more bake sales and three parties. A "Fifties Jam" and a "Pre-Valentine's Day Disco", which were both successful. Another activity on the agenda included Homecoming. At this event, Lisa Romane received one of the greatest honors of her school career when she

was crowned Sophomore Homecoming Princess.

Our efforts to make our class a success continued when we had our second annual Family Night. Of course this affair was as grand as the first one. The outstanding display of talent by many members of the Class of 89' made Sophomore Family Night an unforgettable evening. The Class of 89' were also key members

of many varsity teams and squads.

The 1986-87 school year turned out to be as successful and prosperous as our class had hoped. We completed our year of hard work and at the end of sophomore year we were able to look forward to next year with great enthusiasm. Realization set in and we knew that in September we would finally be upperclassmen.

JUNIOR YEAR

When we entered East Orange High School in September 87 we were finally juniors. Ms. Chiaufulio relocated at the end of our sophomore year and we were now faced with the obstacle of finding a new class advisor to help us with the task of making the

Class of 89 a success.

Instead of receiving one we ended up with two. They were Ellenmarie Wall and Sandy Thomas. Along with two new faces for advisors, new classmate faces were also seen in executive positions of our class. Ashanti Shakir was elected President. Kamuela Tillman was elected as Vice-President. LaShawn Pittman became Class Treasurer. Kimberly Jacob began her term as Secretary, and she was assisted by Sharon Cunningham.

Before we knew it, it was Homecoming time again. Several young ladies survived the judging interview but when the votes were all counted, there was no doubt that Tanya Whitney was

crowned our Junior Class Princess.

In January of 1988, the saddest day was encountered by our class, as well as the staff and entire student body, due to the loss of a very dear friend, classmate, and companion Cornell Chi-Leif Simpkins. Although we grieved and mourned his death, many felt that he brought a special closeness to the class that had never existed before. Because of this closeness we were able to finish the year and complete other activities.

In late May one of the most memorable events of junior year ok place — the Junior Prom. The weeks before the planning committee along with our class advisors, Ms. Thomas and Ms. Wall worked diligently to make this day a success. Due to the loss we suffered earlier that year everyone decided to dedicate our prom to Cornell. Everyone felt that "We've Only Just Begun" was definitely a success. It was held at Scotts Manor in Orange and our theme colors included aqua and white. Kevin Taylor and Claudine St. Fleur were chosen as our Prom King and Queen.

After this event many minds turned to September 88' when we knew that we would finally be just months away from our ultimate dream--graduation. This school year ended with even more jubilation than last. We were now officially SENIORS!! The summer seemed too long, September of 88 could not come fast

enough for us.

SENIOR YEAR

On September 7, 1988 we encountered the halls of East Orange High School as "The Leaders of the Pack". We were finally fullfledged seniors ready to accept all the responsibilities that last year's class had left behind. When we returned in September many changes threatened to destroy our class spirit. First of all, we were faced with the task of adjusting to a new principal. Mrs. Barbara S. Darden retired and Dr. Andrew P. Brown came to take her place. Secondly, many of the privileges that we had become accustomed to were no longer ours. Our class had to prove that we were strong enough to change by weathering the incessant storm of changes that accosted us.

Surviving these changes would have been much harder without our leaders. The members of our Senior Class controlled every aspect of high school life. Our class advisors were the same but our new officers were Kamuela Tillman-President, Demetric Tillman-First Vice-President, Kimberly Jacob-Second Vice-President, Crystal Collington as Secretary, and Lynette Roberts

as Class Treasurer.

We started the year with the first party on September 30, 1988. We raised lots of money and had alot of fun. Our next activity was Family Night held in October. Due to the over abundance of

talent, there was a huge turnout.

After this event lots of activities were slowed down but we couldn't let anything or anyone spoil the rest of our year. The next activity held was our Fashion Show. It was held in April and probably the most fun. Lots of our fellow classmates participated and spent as much time as was allowed.

The next two events included students as well as the staff. They were the Senior/Faculty and the Senior/Junior Basketball Games. The Senior/Faculty Basketball Game was a real victory because it was the first time in seven years that the students won. Unfortunately the Senior/Junior Game was not so successful,

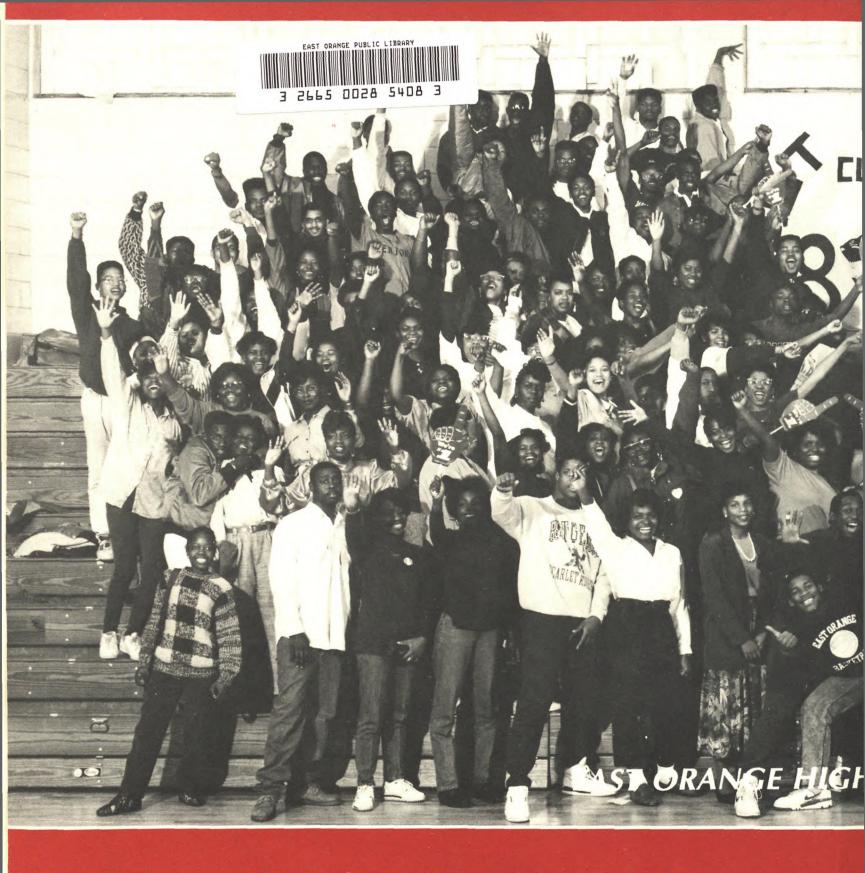

but we still knew who was the best!

During the end of April and the beginning of May, lots of seniors were trying to get college applications, SAT scores, scholarships as well as recommendations in order for either furthering our education or going out into the world to begin a career. Although we were very busy, we still found time to have fun. The next couple of weeks would include having our Senior Prom on June 9 at The Skylands in Randolph, our Senior Outing at Suntan Lake on June 16, and of course the moment that we have all been waiting for — **GRADUATION!**

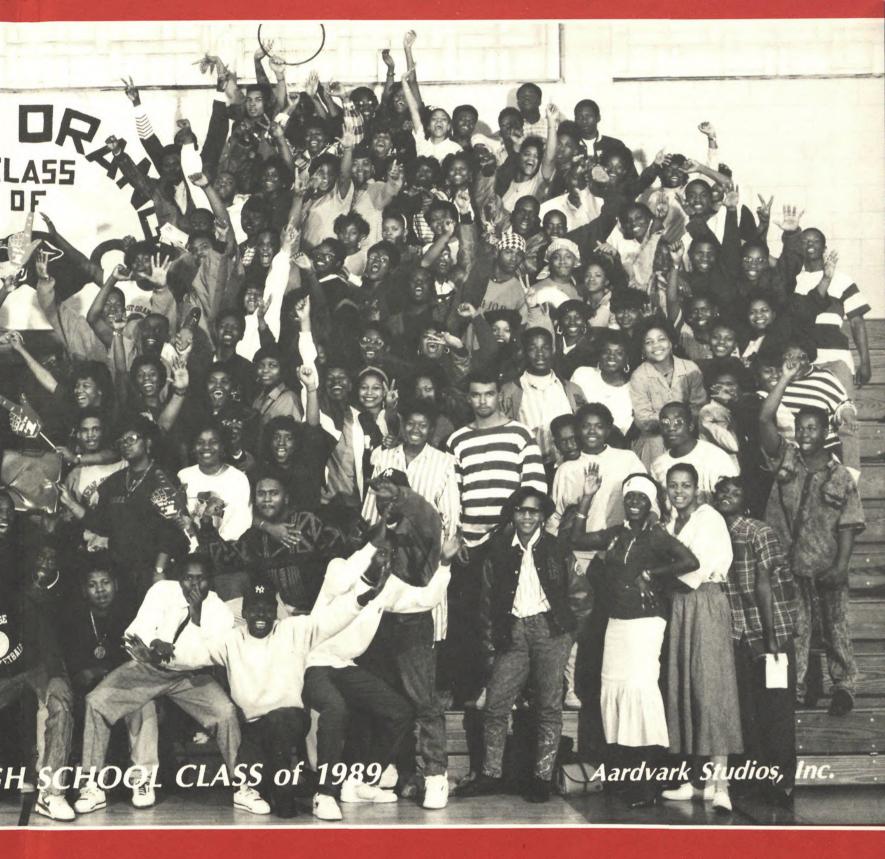

As we looked back, we remembered all the good times that we had shared. So much had happened over the past four years. We had shared so many precious moments together and we had received many honors not only on a local level but at the state level as well. Academically, members of the Class of 89' were accepted at some of the finer institutions of higher education in this country. Not only had we achieved great heights academically and athletically, we had grown to be strong minded and mature young adults, ready to take on the world.

On June 21, 1989, the remaining members of the Class of 89' said their final goodbyes to East Orange High School and stepped out into the world. Each of us knew that we would miss it in our way, but the time had finally come for us to bid a farewell to EAST ORANGE HIGH.
