During the four
 years we've spend
 here at East Or-
 ange High School
 we have exper-
 ienced **CHANGE** -
 both as individuals
 and as a class.

80.00
 10/24/90
 R77

As individuals we have experienced **CHANGES** in our mode of thinking, choice of goals and our physical appearance.

As a class we have experienced **CHANGES** in administration, graduation requirements, scheduling, rules and regulations.

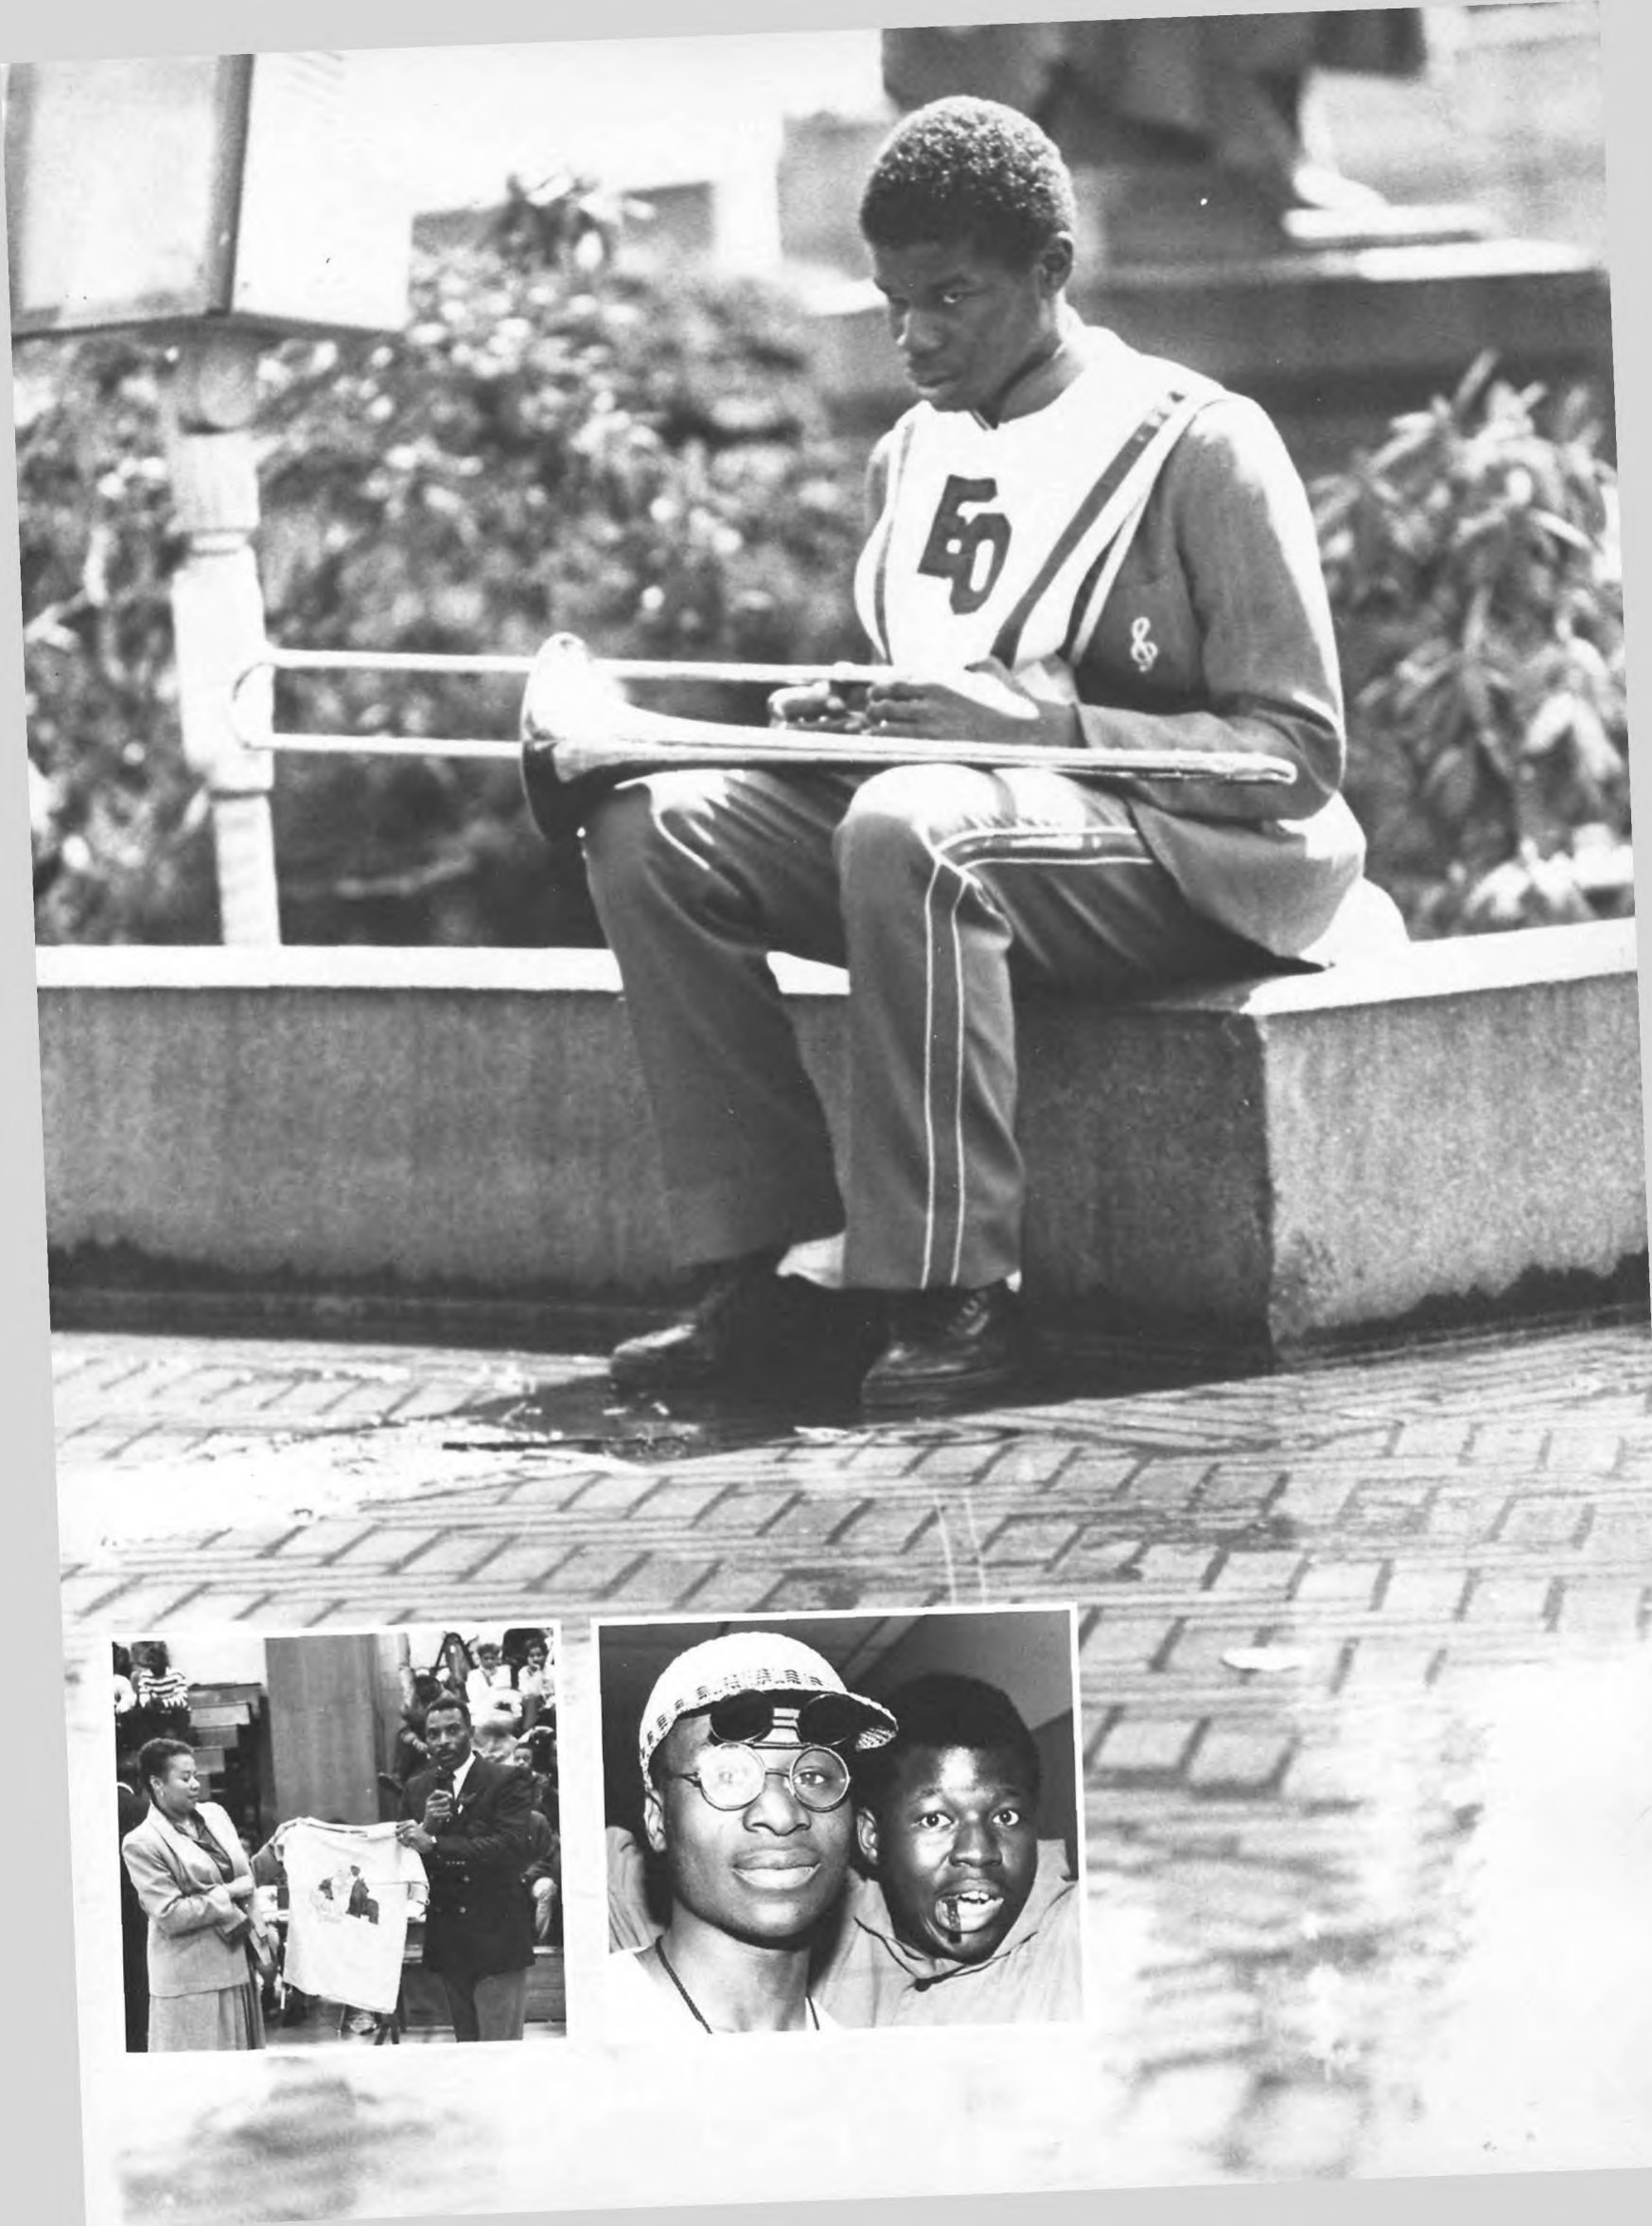

Throughout our
lives we will con-
tinue to
CHANGE and we
will be the result
of these
CHANGES.

The CHANGES we have undergone at our Alma Mater were not necessarily earth-shattering, but they have helped in our development.

Having the experience of dealing with **CHANGE** has prepared us for one of the most crucial **CHANGES** which will occur in our young lives.

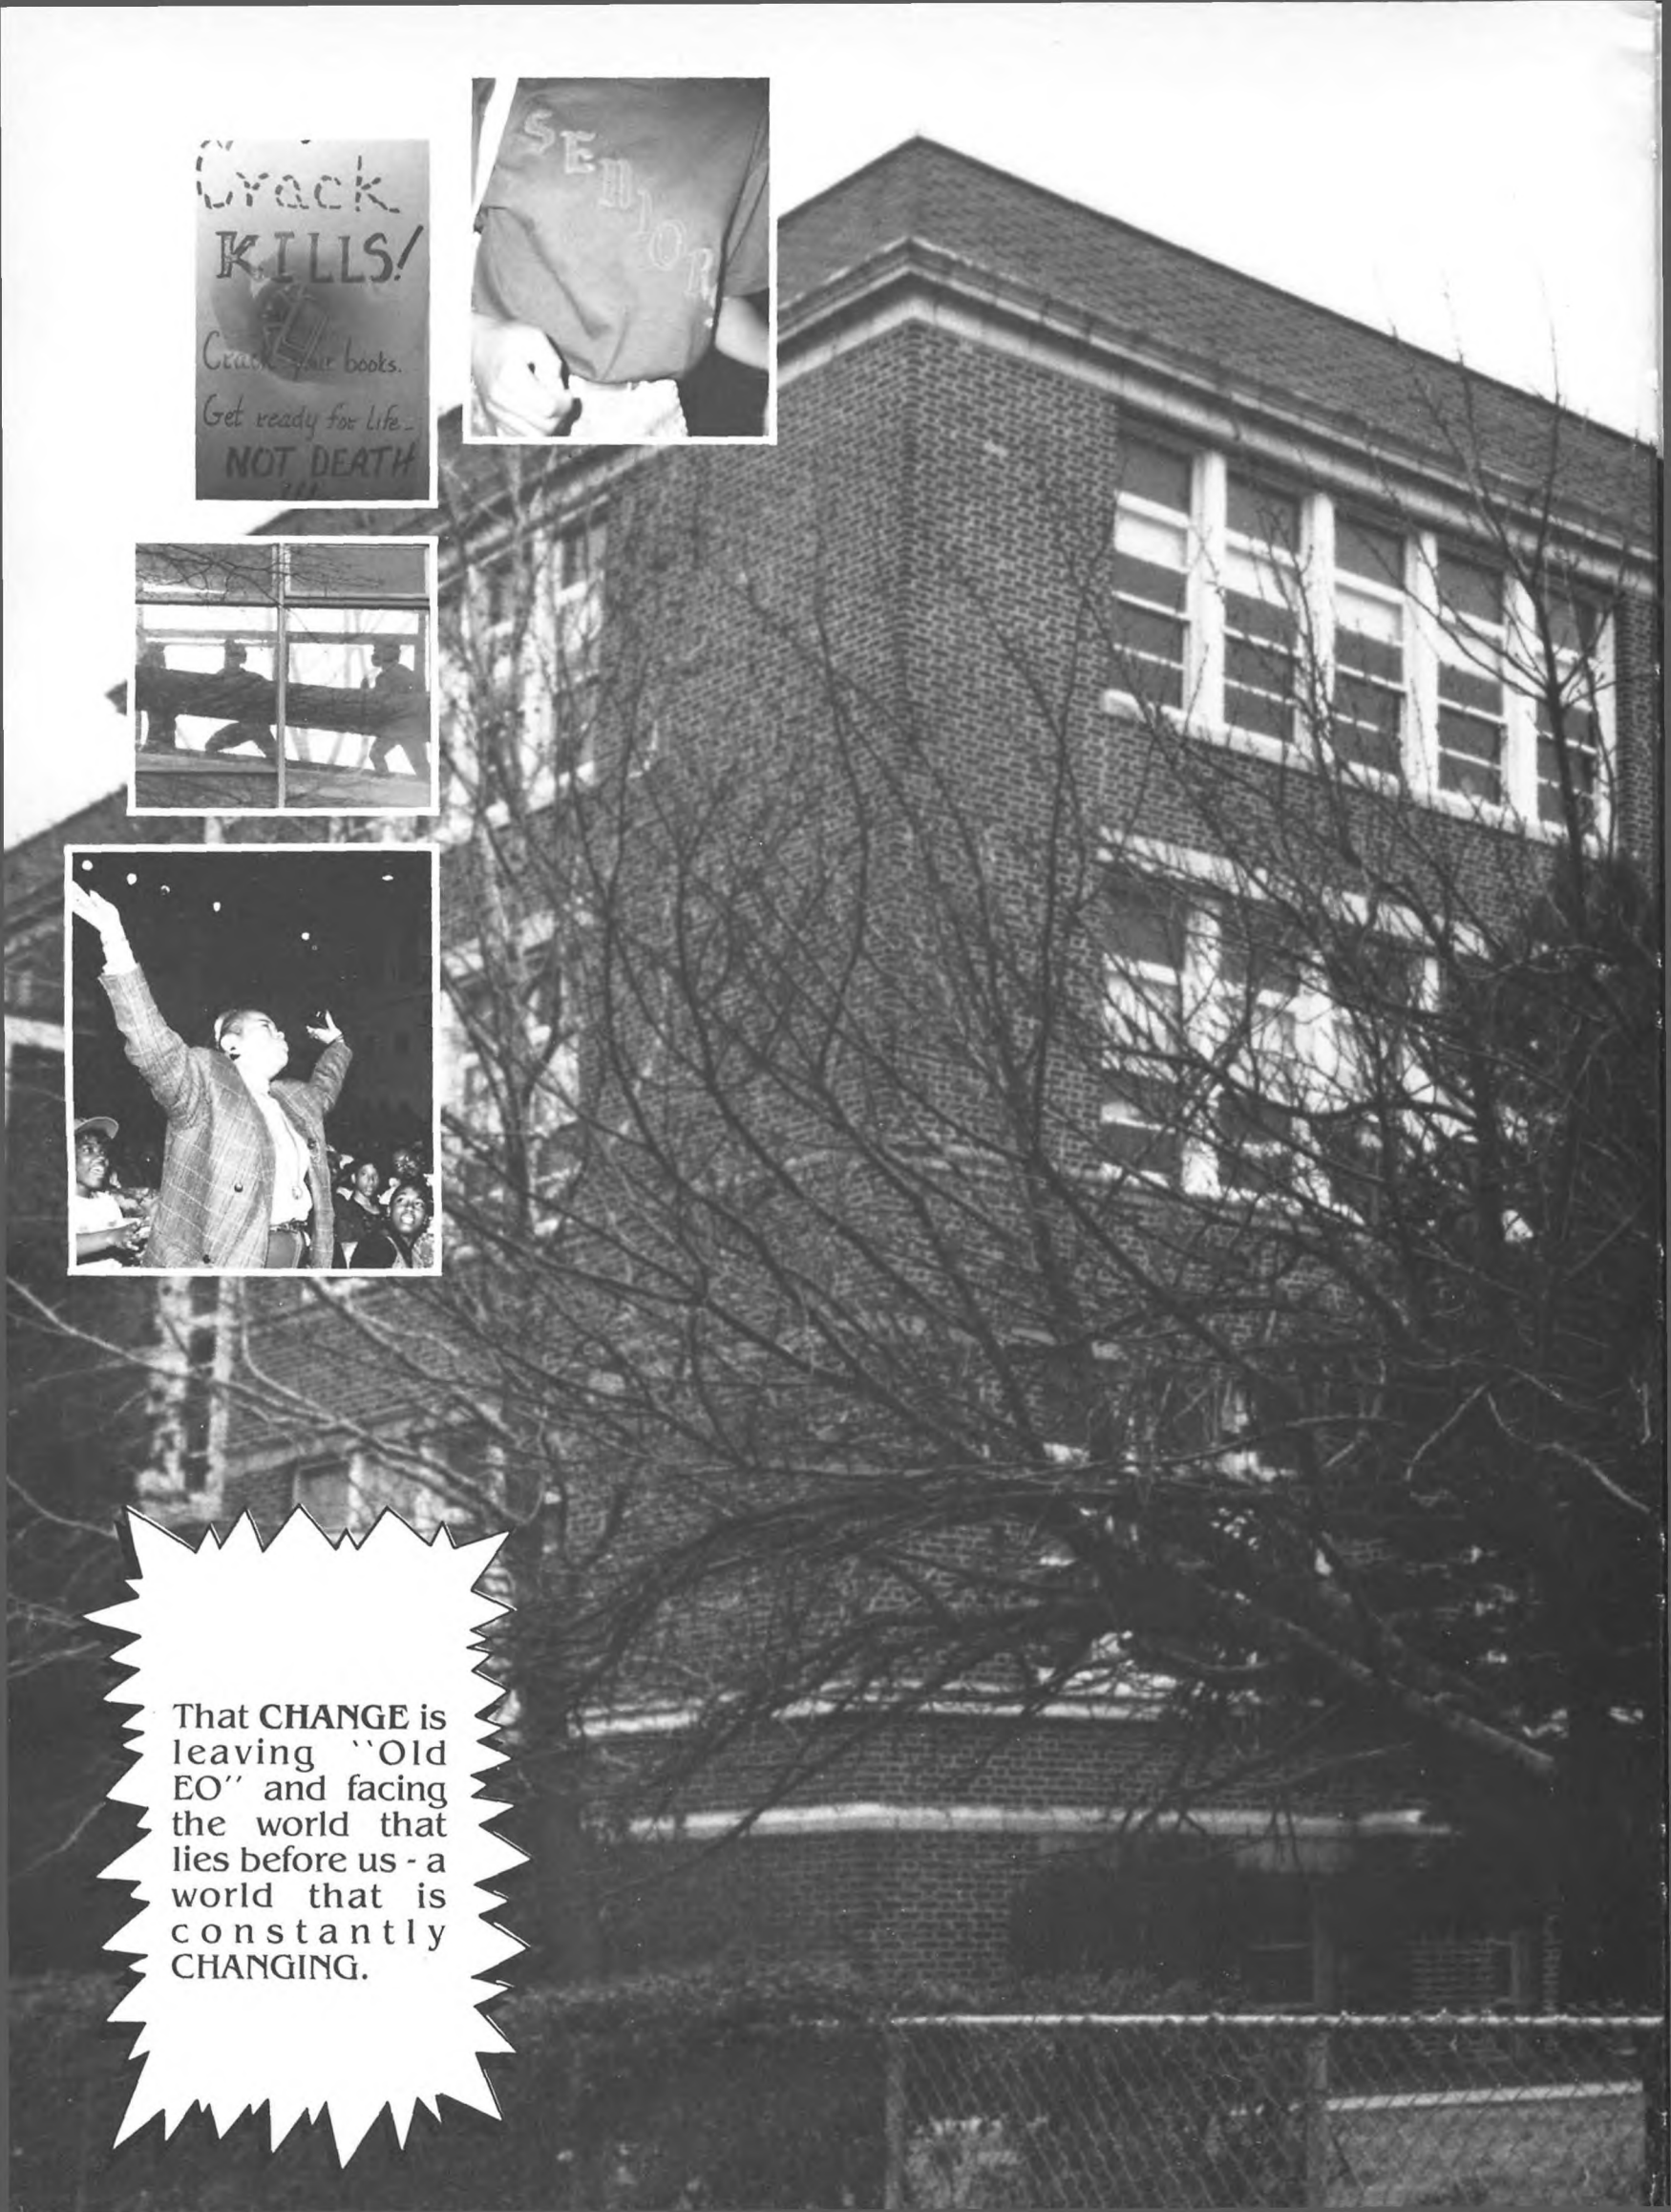

Crack
KILLS!
Crack your books.
Get ready for life -
NOT DEATH

That **CHANGE** is
leaving "Old
EO" and facing
the world that
lies before us - a
world that is
constantly
CHANGING.

Whence first we met you captured my eyes
Your brightness near blinded my sight.
Your gleaming smile and glowing face
Would always defy the night.

Whence next we met you captured my thoughts
Your intelligence was so defined.
We sat, we talked, we shared our dreams
As we lost all sense of time.

Whence last we met you captured my heart
In which you'll remain 'til the end.
If we should never meet again
Just know "I love you" my friend.

Kurt

Compliments Of A
Friend

The SYLLABUS STAFF wishes to thank the following people, without whose help our book would not have become a reality:

First, Mr. Lou Esposito of Josten's Publishing and his wife Dee for their patience, understanding, knowledge and suggestions.

Also Mrs. Shirley Vetter, the School Division staff of Lorstan Studios and their photographers for honoring all our requests.

Next, Ms. Marge Yobbi, English chairperson, for allowing us to use the English Office while working on the book and also for the hours she spent typing and recording the information in the computer for us. Also thanks to the English teachers for not complaining (that we know of) about us being in the office constantly and inconveniencing them.

Finally, thanks to our advisor Jon D. Lavelle for putting up with us (and us with you!), for feeding us (a bribe to work longer) and for all the rides home.

Sincerely,
The Syllabus Staff

The CHANGES we have experienced here at EOHS, hopefully, have helped us to develop into well-rounded individuals. As we leave these hallowed halls, we leave with a sense of fulfillment. We realize that the "real world" awaits us. A world that is constantly CHANGING. We are ready to begin the rest of our lives. We are ready to face these CHANGES!

ALMA MATER

Alma Mater glorious
Dear old Red and Blue
Hearty voices uniting
Pledge devotion true
Louder still and louder
Swell the song and cry
Hail our Alma Mater
