**BLACK HISTORY MAKERS OF  
TOMORROW...  
ARE MAKING THE GRADE  
TODAY.**

At McDonald's, we believe making Black History is not just a thing of the past. That's why we developed the Black History Makers of Tomorrow Program. High school students are given a chance to write an essay expressing their thoughts about the current status of Blacks in America and to propose solutions to problems. Winners are selected based on the leadership, scholarship and insight they demonstrate. These teenagers also display their talents in the classroom, the community and in athletic competition. And they have the dreams and visions necessary to emerge as the Black History Makers of Tomorrow. McDonald's salutes them.
