2become a dream not unremembered  
Outside the streets is world to conquer for some withered  
Of many places there is only one way to go  
Once you live life to the fullest and represent the 2 zero OO

## A SCROLL FOR THE WHOLE

by Khadija Craddock

To look out the window without the world being  
separated by steel  
To hold money and your hands and say  
"I earned this"  
IS the must gracious gift and god's will  
To live life without having to steal  
You made it for now  
But just don't go home and chill  
You graduated now life is real  
A world where no one cares how you feel  
But we care  
Your class 2 zero OO and E.O. cares  
So make it there  
Leave a dent in this atmosphere  
Prove to yourself your more then the best  
That you oversee the rest  
And remember with life comes stress  
But don't let it define you  
And break your rhythmic stroll  
There comes a time when someone will slow your roll  
Just use your knowledge as control  
It's a lot of turns and curves on this road  
Just stand up and be bold

There's no struggle without a fight  
And you only fail if you give up the fight  
Always look to the light stay true to the light  
I want to see my class take flight  
I know everyone is bright  
When there comes a time when things just isn't right  
What are you going to do?  
Are you going to live life and see things through?  
Or are you going to be a quitter  
Second to a winner  
Leave something behind for these beginners  
Our ancestors fought to hard and  
They fought to long for us to have what we have  
The ones that's not with you now are the one's who didn't  
go to class  
Now it's our turn to make it better for our generation  
The next generation and beyond that  
Because the importance of education is dated way back  
Keep in mind that people hate you  
Because they're afraid of what you can do  
And when they try to rape you  
It's because they want control of you

To Judeline & Venus Joseph,  
Don't ever forget that you are unique. Find your strengths and use them in a positive way. You have to make changes to make your dreams happen. Make friends with people who respect you as you are. Also, take time to be alone with yourself, so that you can know just how terrific your own company can be. Being alone doesn't mean being lonely, it is a way to find out more about yourself.  
Love Mom and Dad

Congratulations

Take charge of your life!  
You can do anything with  
God. Remember - "All  
things work together for  
good to them that love God,  
to them that are called  
according to His purpose."  
(Romans 8:28)

Love,  
Mom & Dad

Shawn,

Change the world! You  
can through Him who  
loves you. As you believe  
on Him, greater works  
shall you do! (John 14:12)

God Bless You  
Always  
Love, Aunt Linda

To Janine

My baby girl grew to be sen-  
sitive yet sensible, caring,  
considerate, responsible,  
self-reliant & independent.  
A few of the reasons why I  
am a proud father of such a  
lovely daughter. I'm proud  
of you.

Love, Daddy

To Janine

God blessed me when royally  
when we made you. No mother  
on this earth can be more proud  
than me of you. You mean  
everything to me. God bless  
you in any and all endeavors  
you go through in life and know  
in your heart and head that I am  
behind you 100 percent.

Congratulations
