Dr. Robert B. Morgan

As the last principal of East Orange High School, it is my responsibility to complete the final chapter of its illustrious history. Although East Orange High School, as we know it, will cease to exist, it has given us memories to last a lifetime. As the Class of 2001 completes the legacy of this fine school, I wish them much success as they carry on the tradition of East Orange High School. Though the memories be bittersweet, may you keep panther pride in your hearts forever.

Mom's Dedication

This, my beautiful mom, is just for you.
It's been really hard for me...
Going through life without you.

I wish I could see you right now,
As Dr. Morgan calls my name aloud...
"Ms. Crystal Nicole Boatwright"
Gosh, you would be so proud!!
I can see it now, tears in your eyes,
Looking down at me, with wonderful sighs.
Even though you're not here in my sight,
There are those that love me as you did, sitting to my right.

To see all the people out here with support,
I realize that they are blessings, from what I was taught.
I know that you are right here in my heart,
Right from the beginning, right from the start.

You would've been so proud to see me grow,
Into the beautiful woman that everyone has come to know.
I just want to let you know, mommy
That all the values you have left with me,
Are the part of me that stands so true.
And that I will always love you.

Now I cross, mommy, into yet another threshold of womanhood,
Remembering and loving you as I always knew I would.
I pray I have made you proud of my past achievements,
And I will continue to strive for more in my accomplishments.

Though I sign off on this memorial dedicated to you,
Know that you will be a great part in whatever I do.
Now that I've grown I can finally find my peace,
Knowing that we have come to release,
The bond that kept us tied to the end,
When I lost the person who was my best friend.

I love and miss you mommy ALWAYS.....
From your one and only proud baby girl,
"Cric-Cric" (Crystal Nicole Boatwright)

*There have been good and bad times in this place
But keep each memory deep in your heart
Not one soul, not even a face
We must remember each before we part*

*As freshmen we endured some pain
Now as seniors some of us must go
But some we all know have to remain
Cause they didn't know in which direction to go*

*We did it now, I knew we could succeed
Keep pressing on, the fun will later come
Give yourself a clap, you did a good deed
Don't worry you soon will finish and later be done*

*Now it's all over, we must say goodbye
But we sure will miss East Orange High.*

SHERLY ROMAIN

I can't believe I have another door open for me in life.
For many, school is over, they need to work finally.
For others, school has just begun but in a new way.
We will be separated from each other it's true,
But our memories will keep us friends forever.
This year which is the second of this new millennium,
Represents a lot for us Panthers CLASS of 2001.
Be proud to leave an example for the class following
Be happy for that your name will be praised even after you leave.
What's a miracle! We are the last graduating class East Orange will know.
I thank every teacher who helped me to realize this day.
I thank the Lord who is always there for me.
I can't thank every body
Without mentioning my guidance counselor's name
Angela Armerding may God bless you like he's ever done before.
May your kindness and your patience grow bigger.
A special thanks to my favorite teachers:
Ms. Margareth Yobbi, Linda Goldman, Dr. O. Mr. Keith Hinton and Mrs. Sharp
I also thank someone special who has played an extraordinary
Role in my sentimental and educational life, I miss you.
To the staff of my peer: Emmanuel Kelly Pierre, Charles Henry Martin,
My lamb friend Romane Adeclat, Nolet Pierre Louis you're so kind.
Shelma Charles-Philippe thanks for your friendship
To my mom Chrislande Pierre
You never know how you have helped me grow spiritually,
Raude Max Guerrier (to Raude), I'll miss you
And finally, to Williamson Blazon
Thank you for loving me I will always love you as long as I live.
Finally, thanks to all the staff of E.O.
Who have made this day a big day for all of us
SENIORS - ENJOY YOUR NEW WELCOMING LIFE

The Cutting Edge ✂

We're so happy to be leaving.

Need a job?

Thinking is hard work.

Eyes on copy, right after we smile for the camera.

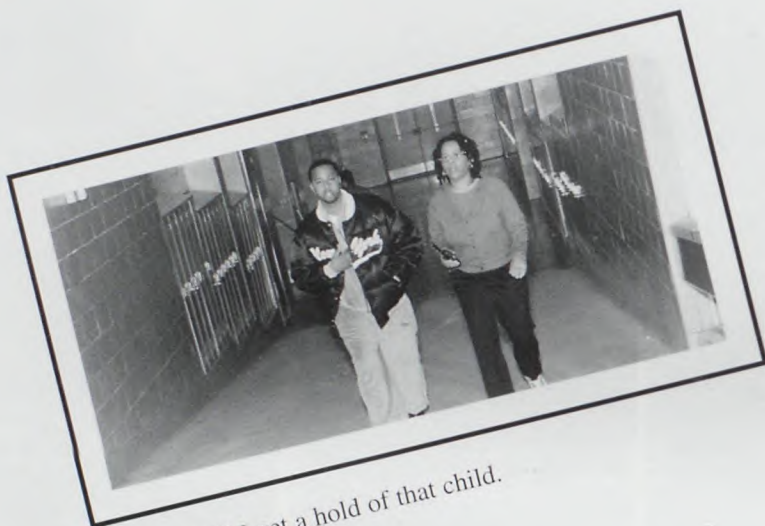

Where am I?

The Cutting Edge ✂

Let's talk.

Just wait till I get a hold of that child.

Duh!!!

The Cutting Edge ✂

Surfing the internet with a smile.

We are so sweet.

Where's my class?

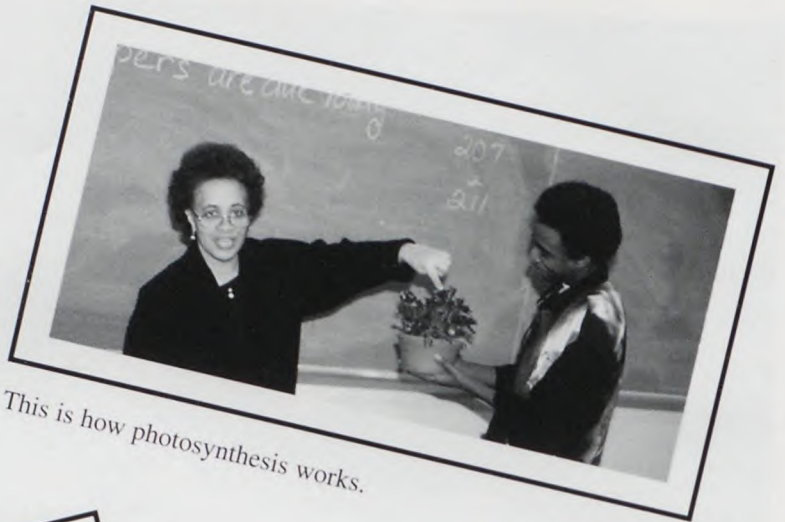

Give me your money.

Meet your future accountants.

The Cutting Edge ✂

This is how photosynthesis works.

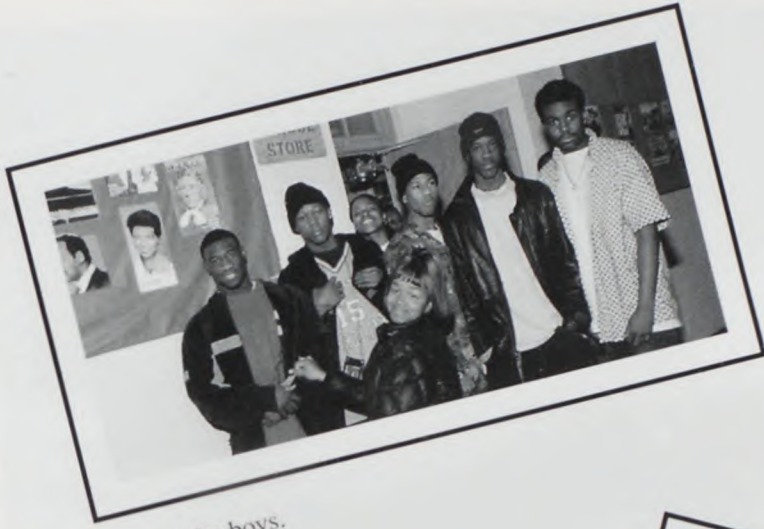

Smile at the camera.

Nothing like Country Time.

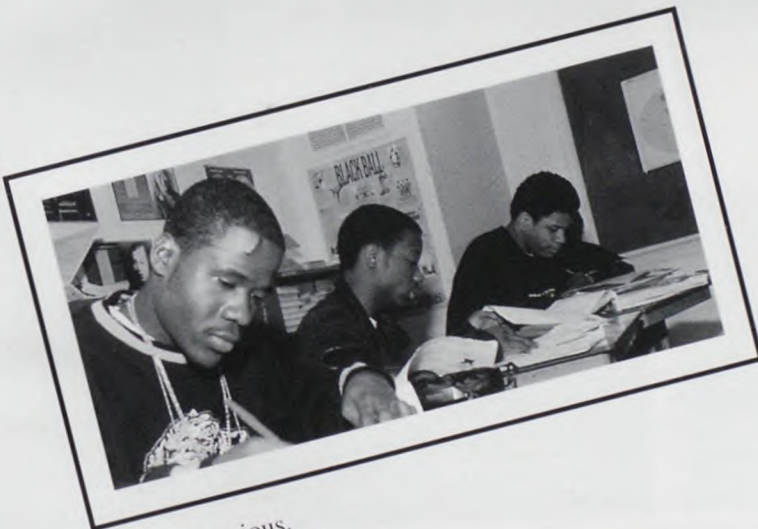

The Cutting Edge ✂

One of the boys.

Everyone has these.

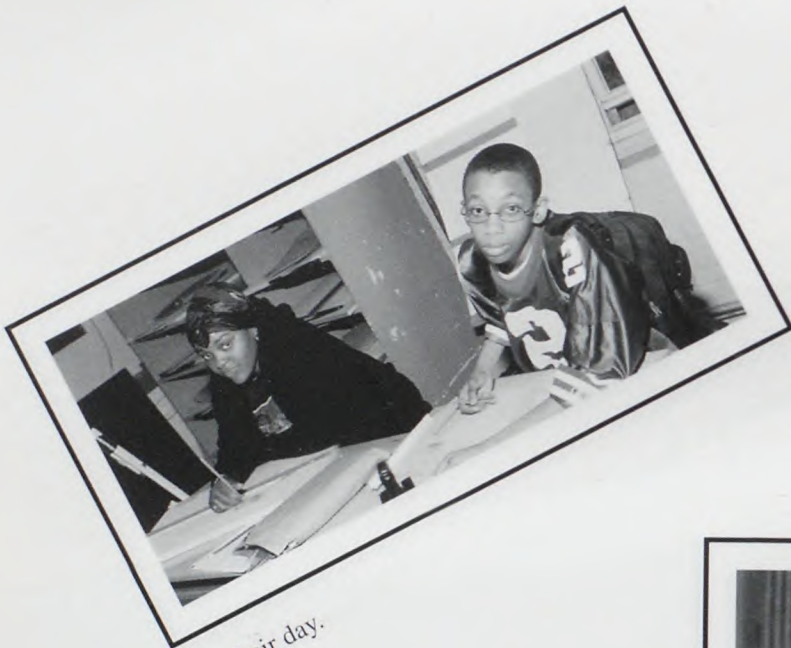

This is so serious.

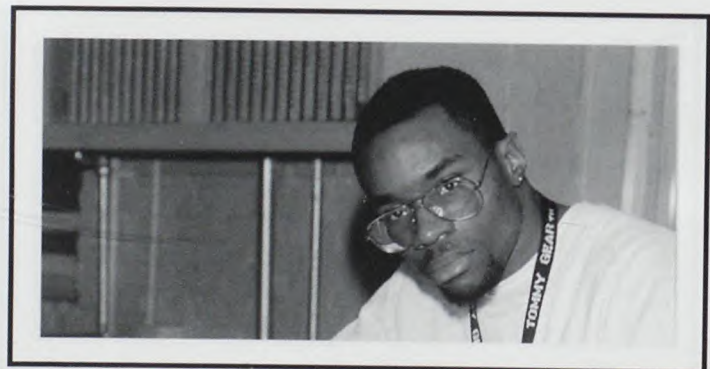

The Cutting Edge ✂

Serious People.

Bad hair day.

Wanna Dance?

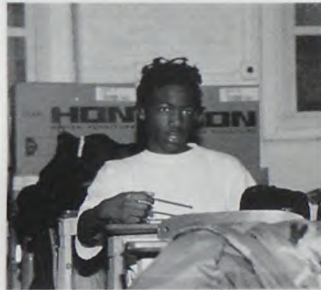

The Cutting Edge ✂

I can do this.

What's the dilly yo!

Got milk?

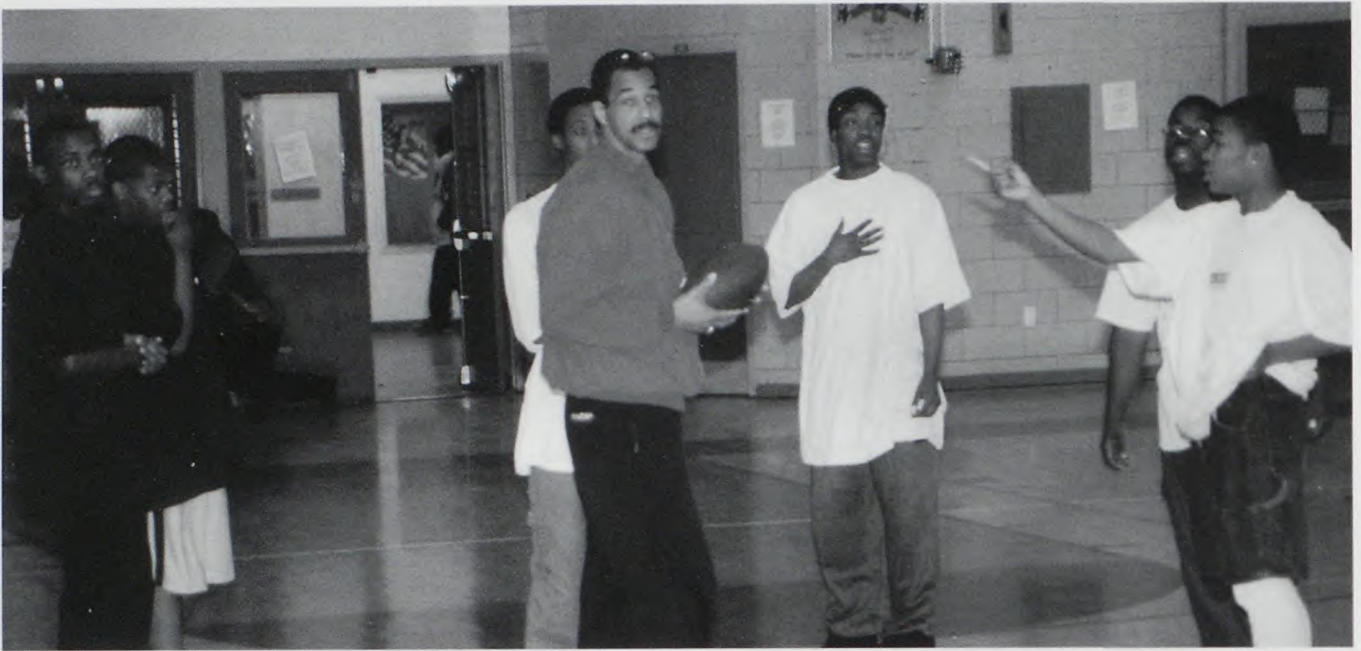

It's too high, I can't reach.

Leave me alone.

The Cutting Edge ✂

I don't know why they can't pass the ball.

Baller.

Wanna box?

Just saying hi.

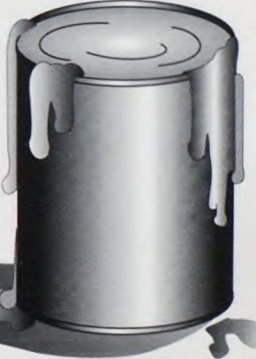

It's a beautiful morning.
