EAST ORANGE, NEW JERSEY

East Orange Campus High School  
East Orange, New Jersey

2003

# THE BUILDING

N5  
373  
L722  
2003

Nestled within tree-lined streets and single family residences of a vital community is the new East Orange Campus High School. It is located on the former campus of Upsala College and has taken on the dignity of that former site. The high school is a state-of-the-art building which houses a ten through twelve high school population. This new facility is developed around career academics and is using the model of "High Schools That Work."

Students are housed in small learning communities that create a learning environment in which all students feel connected and in which all students are invested. Unlimited opportunities are available for all students to participate in activities that enhance their strengths, talents and interests. Students can acquire skills which are prerequisites for future success including the use of critical and analytical thinking skills as well as the ability to adapt to the ever changing environment. Students will be provided with the knowledge and interpersonal skills necessary for relating to a global society.

A fundamental characteristic of the Campus High School is to develop programs for all students regardless of post-secondary endeavors. Students will be given the opportunity to develop an in-depth concentration or major in Animation, Printing, Culinary Arts, TV Technology / Business. Integrated technology will be used throughout all disciplines.

The student cafeteria is octagon shaped with floor to ceiling windows and circular tables. It gives an air of a restaurant dining room where the students have an opportunity to socialize and enjoy the environment.

The Jaguar is the mascot of Campus High and represents the power, talent, good sportsmanship and competitive spirit of the Fall, Winter and Spring sports' teams.

The stateliness of the building gives the students and staff a positive feeling upon coming into its portals. The brick facade, the arches, the balconied areas, and the welcoming courtyard are a unique vision in the East Orange community.

100.00  
6103  
R24

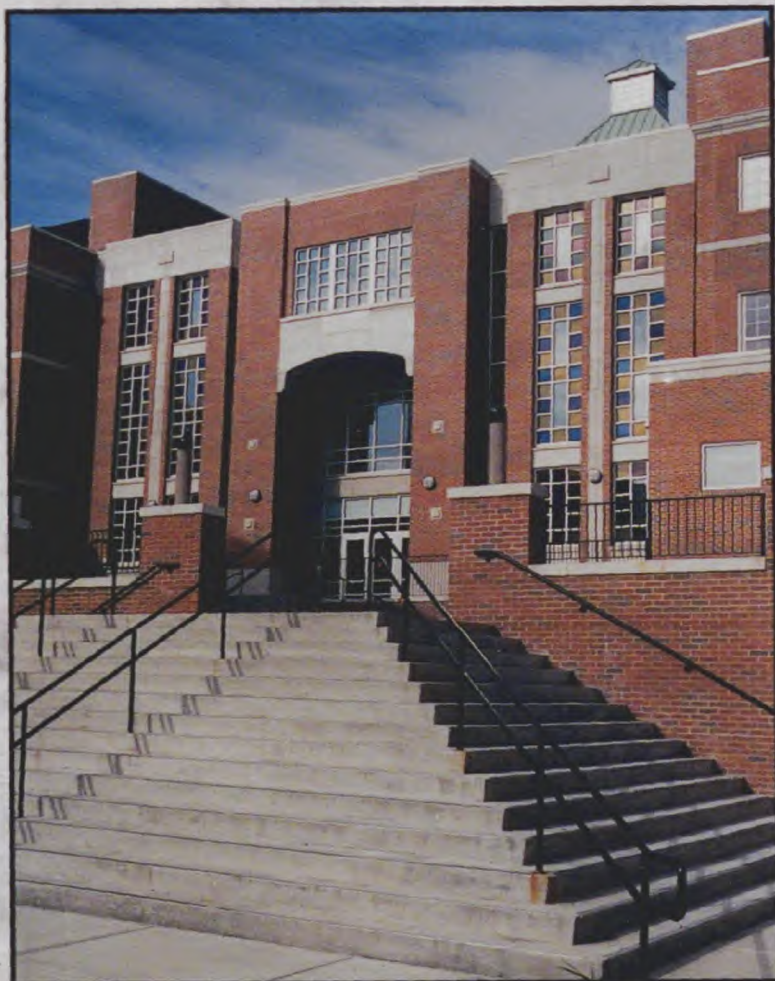

612220747

East Orange Campus High School's tower is a distinct feature and can be viewed from many vantage areas of the community. Its rainbow colored glass windows reflect a beautiful aura when the sunlight radiates upon them.

Entrance to the arcade level of the building is gained by parallel stairs that frame three archways that provide access to the lower level.

The back area of Campus High leads to the gym and activity field. It also features rainbow colored glass windows and a rear view of the tower reaching up to the azure sky.

The arched porticoes are a distinctive element of the architecture. They lend stature and grace to the elegance of the magnificent structure.

# ACADEMICS

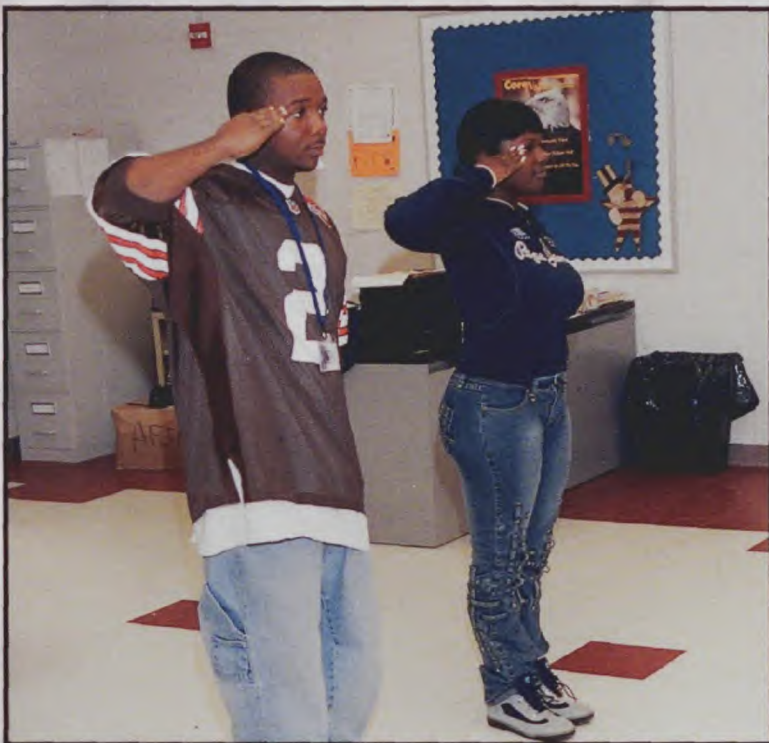

Technology class is not only a fascinating subject to these students, but it also prepares them for the business world.

In the Art Academy students are able to express their artistic talents, learn about famous artists and gain an appreciation for their works.

Hands-on experience makes learning more meaningful. These four students are engrossed in an experiment that will verify what they have learned.

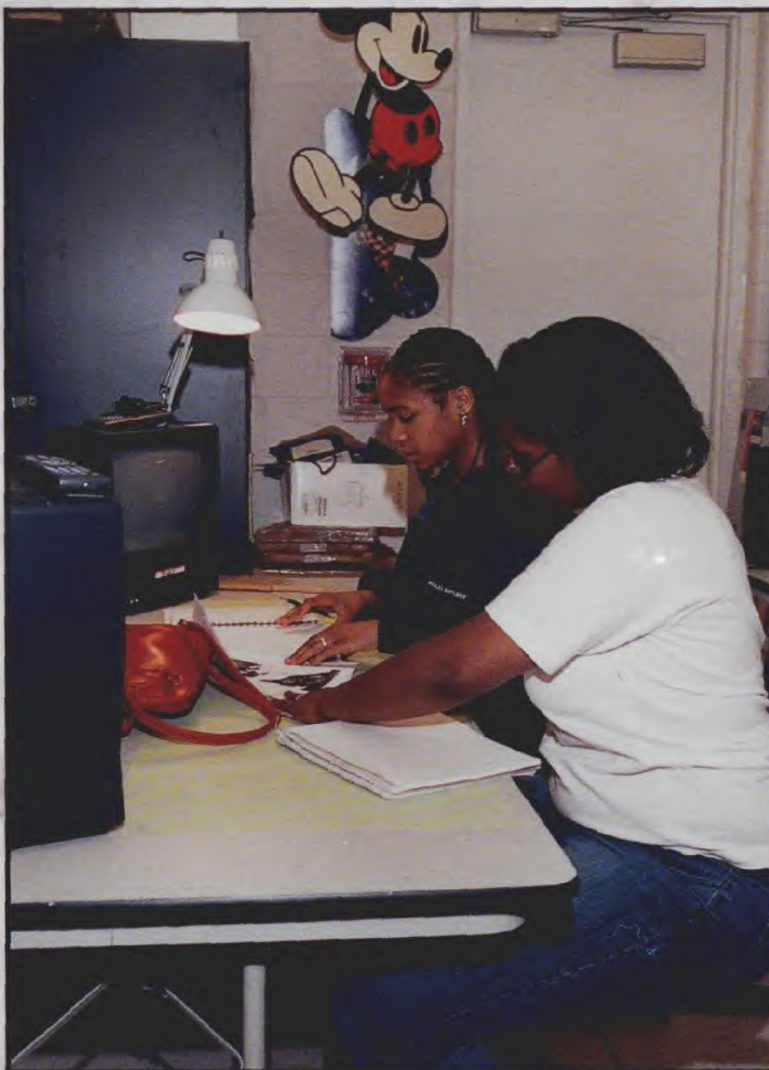

East Orange Campus High's R.O.T.C. program is among the finest in the state. Students have an opportunity to get the feeling of military life. In this program discipline enhances academics and works hand-in-hand in leading to a possible career in the military.

The Classics are alive and thriving in this Super Latin I class. The students gain an appreciation of literature, history, language derivation and art of the ancient world.

In the Animation Academy students use technological resources to become proficient in areas such as computer graphics and animation. Many will go on to a career in a related profession.

Physical fitness is strongly emphasized in the Campus High physical education program. Here students are cooperating by spotting for one another while lifting weights.

# UNITY AND SPIRIT

Unity is displayed by the "Jaguar" football players as they enter the field to meet their opponents at Paul Robeson Stadium. Stars on their helmets distinguish their outstanding performance.

A band member proudly displays the cape of the new Campus High band uniform. The new school colors are red, blue and gray.

Spirited band members wait to perform at one of the pep rallies in the new gym. The school colors stand out in their uniforms. Pride-filled faces await their turn to display their unique movements and sounds.

What goes up must come down. The talented Campus High cheerleaders display their dexterity in this routine.
