*What's being a
Campus High
Jaguar all about?*

*It's raising
funds and trying
out . . .*

*It's finding friends and
hangin' out . . .*

*It's finding your niche,
celebrating a victory . . .*

*It's sharing and
caring . . .*

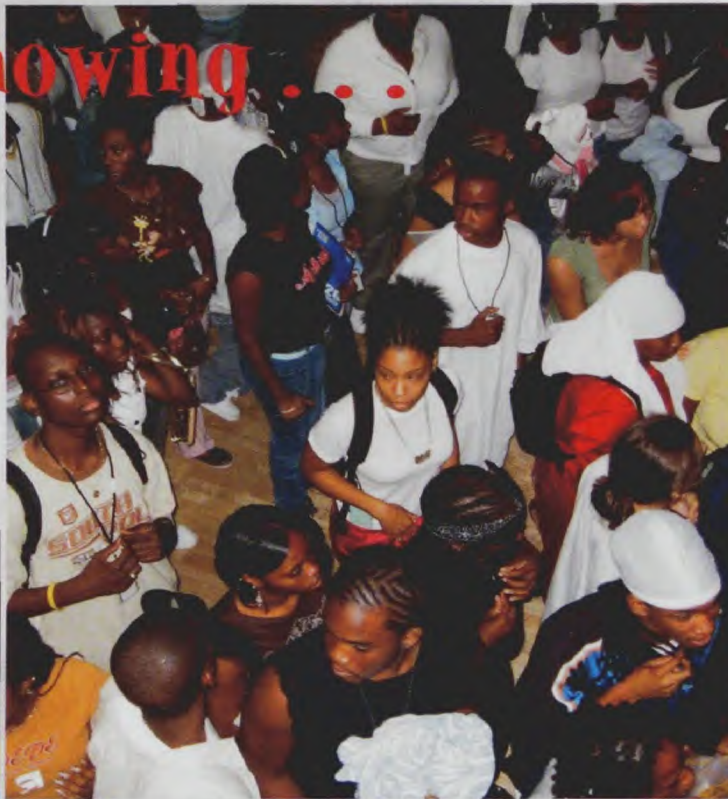

*Campus High is
UNITY!*

Now Showing . . .

It means conferences
with college
reps...and filling out
application forms...

Being a Campus High
Jaguar means we
understand that the whole
effort is focused toward our
lives after we leave the
Campus. Here is where we
prepare by attending college
fairs...

It means . . .
focusing and
trying to remain
in focus . . .

It means . . . meetings and
compromises . . .

It means getting help and advice
from parents and teachers . . .

. . . and all the while, we try to please
ourselves as well!

It is studying,
studying, studying ...

It is choosing,
rechoosing, and
choosing again . . .

It means reading for a
test, for an
assignment, and for
pleasure . . .

It means using
resources in new and
"creative" ways . . .

**Jaguar
Student Life:
Hectic,
Confusing,
Hurried!**

It's candy sales, bake sales, and snack sales.

It's cafeteria lunches with friends.

It's consulting pamphlets and brochures to find just the right college fit.

It's taking the SAT and hoping all those extra prep sessions pay off in the long run.

It is trying to find a quiet moment and a quiet place where you can retreat and relax from all the hustle and bustle of school life. Above Joe Jimmeh, senior class president, finds a moment of peace.

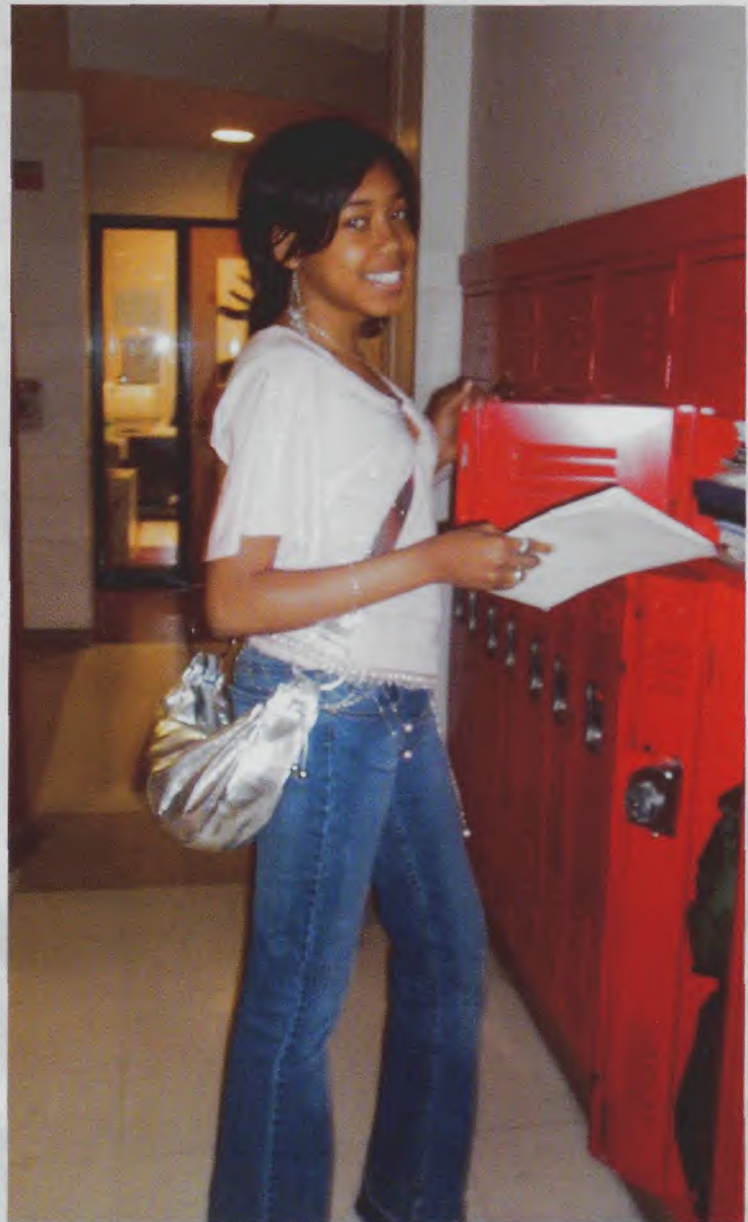

Playing Now for Remembering Later

... the locker scene ...

... the lunchroom scene ...

... and the friendship scene.

... spending countless hours in the guidance office, trying to get the credits straight, trying to get the applications off before the deadline. .

... meetin' and chillin' with friends in the hallway.

Being a Jaguar is all about...

helping a friend with the classwork .

...

... or learning how to do it yourself.

It's rendezvousing in the hallway . . .

... catching up with the latest news .

...

... studying for a test before your next class . . .

... and discovering talents we never knew we had.

Senior Class Group Shots

"S-o-o-o, What's with the hats here? I thought this was about the t-shirts."

"Okay, Okay! Check out this pose."

Assistant Principal Lois Perkins-Stevens
Senior Class Administrator

"Jimmeh, do you always have to be out front?"

Senior Class Group Shots

"We didn't do the t-shirt thing, but we're in the senior class too!"

"We like each other, and we like sitting, so we choose to take the table, okay. Is that all right?"

Jennifer Chatman
Senior Class Adviser

"We didn't do the t-shirt thing either. You got a problem with that? Huh, huh?"

Senior Class Group Shots

"We can't all squat, but we can all be in this picture."

"T-shirt??? What t-shirt?"

"Now, check out the balance in this shot."

Senior Class Group Shots

"Why is everybody so serious?" "I know your legs are hurting Sean!" "I thought graduation made you happy."

... Who casts not up his eye to the sun

Top Twenty

What's your class standing? What's your GPA?

Class of 2006 led by
JULIET MENDEZ

These twenty seniors are commended for their hard work and dedication throughout their high school years. These seniors were successful because of their outstanding characteristics of perseverance, and dedication.

Making education a top priority and considering every course important was a habit among these twenty. These Seniors provide a great example of success despite all of the distractions that students face. Congratulations to all of you, and I wish you the best of luck in the years to come!

Homecoming 2005: Pageantry & Football Game

Honking horns, beating drums, and a short parade down North Clinton. Homecoming is always a day of excitement in East Orange. School colors--red, blue and grey-- are everywhere. Former graduates fill the stands and the Homecoming Court is dressed in school colors.

For many, the game is the focus. Will the Jaguars be victorious is not the question. The question is: by how many points will we win? For others, it is a day to see old friends who understand the importance of coming home to old EOCHS.

The Homecoming Court

Junior Princess Dana Hawkins

Homecoming Queen Shanice Muse and Homecoming King Tyrone Johnson reign over the special half-time ceremonies

Miss Jaguar Ashley Salley-Barnes and Mr. Jaguar Farley Charles represent the student body during the festivities.

One major activity is the tree-lighting ceremony.

 Jaguars Winterguard**

Winterguard?

What's the Winterguard? A select group of highly motivated students that participate in State and Regional flag twirling and dance competitions. Representing the school in a highly competitive and prestigious circuit of amateur, professional and independent performing groups from across the country, our guard served as hosts for the first time this year. It was a spectacular event which gave the whole East Orange community yet another reason to feel Jaguar pride.

Members of the Winterguard celebrate their fine performance with the director, Doug Smith.

BOYS' TRACK

Track is the one sport that never ends. It begins in the fall and continues throughout the spring of the year. Most members of the sport are on both the indoor track team and the outdoor track team.

Preparation often takes place within the hallways of the school.

The highlight of this year's team schedule is probably the win posted at Penn Relays.

Quincy Ruffin

Always remember, you are never too busy for God. Seek Him first in all that you do.... Remember when you were tripping about your first day of high school, and I said, "You'll get used to it. The first day of your senior year, you were now a pro and said the only thing you needed was a pen and a notebook because this was going to be quick. I love you and am very proud of you. Watch out world...here comes Quincy! Love Mommy.

Latoya Selby

Congratulations, LaToya!
