**2008**

**Dear Class of 2008,**

## **A Letter to The Seniors**

It's over, and yet for you it's just the beginning. You arrived at East Orange Campus High School as disoriented sophomores, yet you've matured into confident young men and women. Together we have made it through cold and rainy football seasons, successful Valentine's Day parties, unforgettable talent shows, a successful prom at The Skylands in Randolph, and a memorable graduation. Together, we have grown stronger and wiser. Remember the lessons you've learned at East Orange Campus High School- both from your classes, and from life experiences. As a class, you have come together through good times and bad. That is one of the many things I will never forget about you. Now is the time to act. Look around this world. Decide what is good, and what is worth keeping. Where you see a need for change, be a catalyst. Know that I am very proud of each and every one of you. Congratulations, you did it!

With love,  
Mr. John W. Cook, III

## To the Class of 08:

It has been a long journey, but we have made it. Never give up in whatever you chose to do in the future. Always remember where you came from and what you have been through to get where you are. A smile and a great attitude will get you far in life. Don't be afraid to ask questions because someone who asks a question may be a fool for five minutes, but someone who doesn't may be a fool for life. Congratulations Class of 2008.

## I, Too

I, Too, sing America.

I am the darker brother  
They send me to eat in the Kitchen  
When company comes,  
But I laugh,  
And eat well,  
And grow strong.

Tomorrow,  
I'll be at the table  
When company comes.  
Nobody'll dare  
Say to me,  
"Eat in the Kitchen,"

Besides  
They'll see how beautiful I am  
And Be ashamed--

I, too am America

# Yearbook Editor-In-Chief Address To Seniors

Four years ago, walking into the new world of high school we knew not what to expect or where we would end up. It's hard to believe that these years of tears, joy and straight madness are over. It was certainly my great pleasure to capture each moment of our high school years. I wish you all luck in the future and hope that one day, when you're looking through this book, you will remember all the joyous times we had together that has always outweighed the bad. Goodbye Class of 2008 and Congratulations!

-Jessica Constant

## Special Thanks From Co-Editor
