## 2008 - 2009

---

Hello wonderful seniors!

I would simply like to take a moment to let you know how great it was to have worked with and for you for the last three years. It was a long road littered with hard work and many obstacles; however, in the midst of it all, we had plenty of good times as well. You made it!!! You made it and no one could be prouder of you than I am. Seeing the result of your determination and perseverance is a fabulous reward! Remember this feeling that you have right now. Dont ever forget how fulfilling working for something can be.

In life you will be faced with choices and many times one of those choices will involve a short cut, a kind of "hook up" if you will. And perhaps that hook up will provide you with the thing that you are looking for but remember the value of attaining something for yourself, the lessons you learn and friends you make along the way. You will be able to rest easy, and know that you do not have to lie to keep what someone gave you or constantly look over your shoulder to see if someone found out it was given to you. There is peace and internal satisfaction in working hard and receiving your prize. That is the feeling you have right now. It is worth the hard work.

I would like to close by saying enjoy your moment. You earned it. Even though you have farther to climb in life, there is nothing wrong with stopping along the way to look at how far you've come and how beautiful the view is where you are.

Good luck in the rest of your endeavors.

Sincerely,

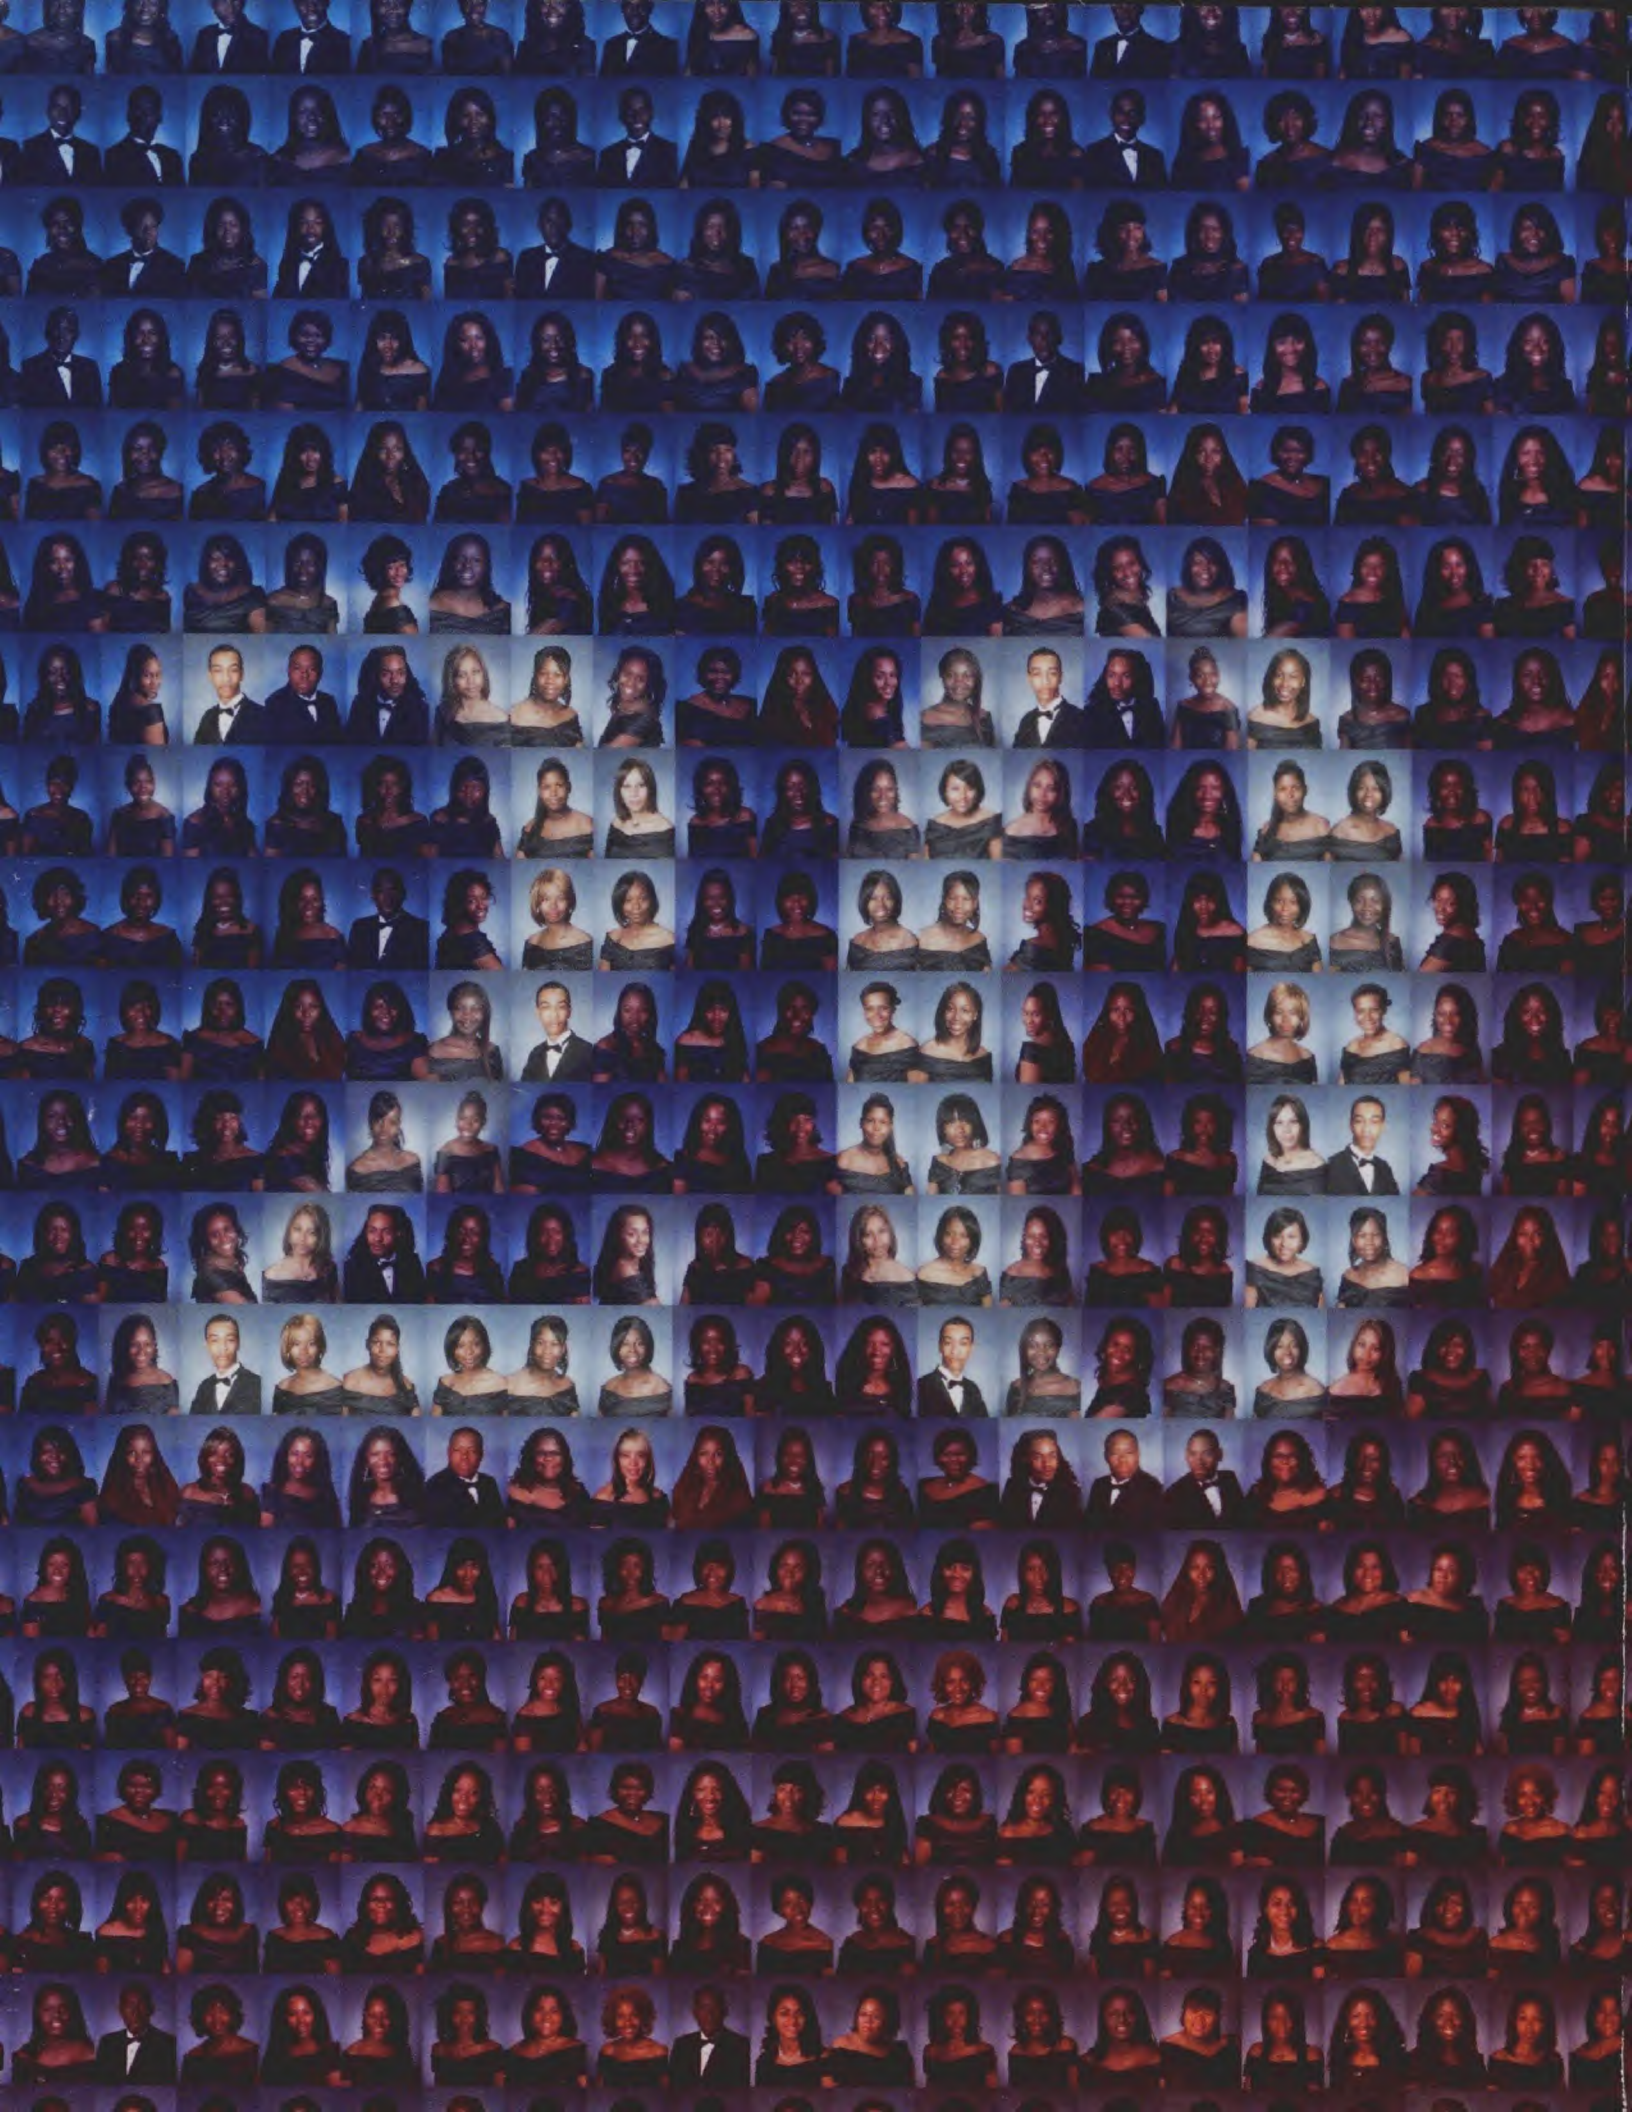

Ms. Erica Rogers

## In Loving Memory of Antwanett Smith

They said she's in a better place,  
 But I wish she was still here,  
 They said to go and enjoy life  
 But now it's my own death I fear.  
 They say we're living in our last  
 times, and worst times,  
 But her's was too near  
 They said not to think about it  
 But I do, and I shed tears.  
 They said joy will come in the  
 morning

But my weeping still goes on all  
 night.  
 They said God just needed another  
 angel  
 They just might be right.  
 They said never say goodbye  
 Cause that means it's the end  
 Well I'll see you later.  
 'Til we meet again.

## Dreams

Hold fast to dreams  
For if dreams die  
Life is a broken-winged  
bird  
That cannot fly.

Hold fast to dreams  
For when dreams go  
Life is a barren field  
Frozen with snow.

By Langston Hughes.

The Campus Jaguar Bucket Ensemble is an exciting music ensemble that uses the construction worker's bucket, a traditional percussion instruments, and tuned pvc instruments called Joia tubes to create a very unique sound.

The Bucket Ensemble made several feature performances this year, including several concerts at the NJ PAC and a show that was featured on the ABC Eyewitness News.

The Ensemble has also had the privilege of playing with the NJ Symphony and playing a workshop performance with world famous percussionist Evelyn Glennie.

# From the Yearbook Editor-in-Chief...

We did it class of 2009! I must say we have been through a lot together since the first day of our Freshmen year. Even though we have been through more drama then ever before we always seemed to find a way to rise above all that. We have even survived the loss of one of our own classmates Netta Babii. It was a sad time for all of us seniors, but it brought us closer together as a class. I will never forget the class of '09. Good luck in the future!

~ Shanta Everett

## And the Co-Editors...

Seniors!!! We finally did it Class of '09. We're so proud of all of you guys! After all our ups and downs we still made it to the top and we didn't let anyone stand in our way. We love you all and we would like to give our best wishes to you and your future. We would hate to come back to EO and see some '09 classmates not living up to their potential. Good luck and have a great life!

~ Sinead Cowins & Kiyasia Whetstone
