MEMORIES ARE MADE OF THIS

September, 1954 — We enter the halls of Scott, a little scared, perhaps, but eagerly anticipating four wonderful years. The first days are filled with hectic confusion as we scurry about to reach our classes on time. We are constantly forgetting our locker combinations (after all, there are two to remember!). Many a lunch disappears down the "lunch chute" and we continually search for "elevators" and the "swimming pool." Grammar school was never like this!

However, it isn't long before we become accustomed to CJS and its traditions. The night Pep Rally, bonfire, and crowning of Barbara Weiss as football queen on the eve of the season's first football game greatly impress us. And the following day we experience the "sweet smell of success" for our school as our football team scores a 32-6 victory over Glen Ridge. By the time the seniors officially welcome us with the Freshman Party, we already feel "at home." Some of the senior fellows entertain us with a rendition of "Rain, Rain, Rain," and our own classmates also take part in the show: the Freshman girls swoon when Jay O'Neill sings "Hold my Hand" and we all equally enjoy Marilyn Nelson's interpretation of "Ricochet Romance," complete with cowgirl outfit. Though Hurricane Hazel brings the party to an abrupt end, we have had fun and continue that fun six days later at an after-school party.

Time passes: it isn't long before the Christmas Concert arrives and we, whether participant or viewer, are deeply inspired. Soon the studying for exams engrosses us. Afterwards, having survived them, we feel we are now ready for anything!

This year CJS claims a crack basketball team. Going into "semi-final" finals at Seton Hall U., we beat our "big brother," East Orange High, and vow they'll never "live it down!" For the first time we are assigned to parties (Red or Grey), attend "Party conventions", and see what platforms and campaigning consist of. Then we vote. Our votes help to bring about a Grey Party landslide, and the new Student Council officers are Joe D'Erasmus, Jim McClain, and Pat Keyser. Soon after, we hold our class elections. Victors are Steve Rice, Ken Stackhouse, Judy Rawlings, and Bob Feder.

All too soon June arrives, bringing with it final exams. Veterans at this exam business, we come through with flying colors and receive our last report cards as freshmen, thereby ending a delightful and memorable year. Yet we know that our sophomore year will hold many surprises and future memories for us and we turn our eyes towards September, 1955.

September, 1955 — Back to school, as aged, but "Silly Sophomores." Mrs. Richardson, Mr. Perkins, and

Mr. Townsley join us, and Mr. MacGregor returns after serving Uncle Sam for two years. The evening Pep Rally is another memorable one, with Pat Doyle crowned football queen and the traditional bonfire blazing. The next day our "Scotties" emerge triumphant over Glen Ridge for the seventh year straight! Jim Picken announces that he will retire as Head Football Coach at the close of the 1955 season.

On October 28, 1955, a Scott "tradition" in the person of Miss Sadie Lipson passes away. Everyone feels the loss of Miss Lipson who, in her seventeen years as guidance counselor, did so much for us all.

Soon afterwards, we hold our first dance, "Autumn Rhapsody," the success of which is the first sign of the Class of '58's achievements to come.

Christmas is coming, the geese are getting fat, and the Glee Clubs are in rehearsal for a concert with an added attraction: Santa Claus! We return to school with renewed vigor, determined to start the "new year right" and soon find ourselves cramming for exams. Several of us fortunate enough to attend the Class of 1957's Junior Prom, "Carousel", admit that the Juniors can chalk up this dance as a real success.

Presently election talk is heard in the corridors: "Red Party, Grey Party, platform, requirements, campaign manager, sponsor". Conventions are under way. Those slated to head the 1956-57 Student Council administration are victorious candidates Tony DeMiro, Lew Speed, and Ellen Owen. Class elections soon follow. Steve Rice, Dean McFall, Sue Kroll, and Anna-Lisa Kaplan will govern us next year.

Before we know it, the time has again come for those 7:55 a.m. rehearsals. The reason, of course, is the Spring Concert, which this year includes religious selections, folk songs, and highlights from *Marriage of Figaro*, *Rigoletto*, *The King and I*, and *Oklahoma*.

The baseball team ends its season undefeated! Soon after our Class Picnic at Valley Springs, we take final exams and receive our report cards. Looking always to the future, we depart for jobs, the seashore, the mountains, suddenly realizing we are now upper-classmen!

September, 1956 — Fall and school are here again, and so are we, with the distinguished title of Upper-classmen! Looking at the poor, confused Freshmen, we observe, "They seem to get smaller and more gullible each year. We were never as dumb as that!"

The new teachers are Miss Sluda, Mr. Molinari, and a new football coach, James Dever. Football season is here again. At the night Pep Rally, Nancye Files is crowned queen. A shock comes the next day: Glen Ridge beats us for the first time in seven years! A winning season is not for Scott this year, but an education in keen

sportsmanship and accepting defeat is.

We'll remember always the trip to Philadelphia. Seeing those historical sights in the "Cradle of Democracy" seems to make us all more conscious of the wonderful, free country in which we live. Soon after, the Sophomore Dance takes place. Many of us decide to support it and afterwards are mighty glad we did. Great fun it definitely was.

Time again for the Christmas Concert. This year we give two performances, in order to earn money for a school organ. The result? A substantial gift to the Organ Fund and an inspiring concert. The first of many honors comes to our class and to Mary Reese, when she is elected to the N. J. State Student Council Executive Board. Little does Mary realize that, come June, she with sixteen others, will journey to New Mexico as a delegate of the N.J. Association of High School Councils at the National Association's Convention.

Wedding bells ring for Mrs. Edna Doll and Mr. Ferdinand Ulrich. Exams come and go and we hold our Junior Prom. Marian Matheke's house, during the preparation of decorations for the Prom, becomes Grand Central Station, as scores of spirited juniors assist in making the original souvenirs and such at 413 No. Arlington Avenue! Was it worth it? We all know the answer.

Suddenly, it's Student Council election time. In the midst of eager participation in campaigns and conventions, we realize that we are now the ones who are running for office! After votes are tallied the winners are Dean McFall, Todd Jenkins, and Sue Somma. The fellows of our class soon after elect Ralph Loffredo and Steve Rice to represent them at N.J. Boy's State; Todd Jenkins and Dean McFall are the alternates.

The Annual Modern Dance Concert is directed by Mrs. Doll ("Dolly") for the last time. Then one of our favorite teachers moves to Florida to live with her husband. Chosen as Editor-in-Chief of the 1958 *Tartan* is Carol Hood. Girls' Staters of 1957 are Lu Ann Smith, Carol Hood, and Adrienne Kaplan, alternate. Sue Somma is elected to attend Citizenship Institute; Marian Matheke is the new *Bagpipe* Editor-in-Chief.

Class elections result in Carmine DeGennaro, Bob Feder, Carol D'Erasmo, and Anna-Lisa Kaplan as 1958 class officials. News comes that Mrs. Wortmann, Mr. Carswell, Dr. Hood, Mr. MacGregor, and Mr. Sweetman will leave Scott in June; we'll miss them!

The 1957 Spring Concert is one of the best ever. Is it any wonder? *My Fair Lady* is a main feature of the program! Our baseball team remains undefeated. Thirty-nine straight wins! All too soon exams are with us. Then we're off to vacation spots and jobs to have fun, earn

money, and prepare for our long-awaited senior year.

September, 1957 — We made it! We are now high and mighty seniors. Only ten months to go until graduation, but when we encounter those two traditional senior subjects, PAD and chemistry, we wonder if we will graduate after all. In the midst of hammering and such, Scott's new addition begins to take shape. Out of slight envy, we try to ignore its beauty since we will leave too soon to enter it.

Eight new teachers arrive: The Misses Blue, Fay, Uzzmann; Messrs. Faulkner, Giordano, Herbert, Hirsch, and Sladek. Wasn't it only yesterday that the seniors welcomed us into the school? Now the tables are turned and we greet the Class of 1961 at a very successful Freshman Party.

Pep Club meetings are a new Scott institution. Every Friday we meet at someone's house to make posters for the forthcoming games. What memories! The eve of the football season is soon here. We will always have most pleasant memories of our last Pep Rally. Sue Mullan makes a lovely queen. The next day the Scotties rally after last year and emerge triumphant over Glen Ridge 19-6. And, oh, what a pleasant surprise when the football team presents Scott with the Group 11, Section 2, 1957 State Championship! Love that team!

Suddenly it's December. Our last Christmas Concert leaves us with memories of four years of good performances with an outstanding final performance of *The Night Before Christmas* and the traditional *Messiah*. We won't forget those morning rehearsals, either. Lu Ann Smith and Richard Buggeln are hosts to Ritva Fabrin and Onder Guler, *Herald-Tribune*-sponsored guests from Finland and Turkey.

Exams soon roll around and we realize we will not be taking them again, at least, not at Scott. Looking back, we muse they were never really *that* difficult. We simply never studied the right things for them!

One month quickly dissolves into the next; we would like to slow up Father Time. Before we know it, the awards assemblies come and go; *Tartans* are issued and we are the ones in the individual senior pictures.

The long-awaited Senior Prom is the dance we will never forget. All at once it is Graduation Day. As we receive our diplomas, we can't help wondering what next year will be like at our new jobs or at college. We wish health, success, and happiness, to one another and because Clifford J. Scott High School has taught us so well, we know we'll all attain it.

We leave the building which has been a second home to us from September 1954, until June, 1957. "Good-bye, CJS, - - - and thank you."

Cora B. Stein and Bennett D. Pironti-
Advisers to the Class of '58.

TO THE CLASS OF 1958

Another four years has passed. You young men and women who came to us as boys and girls seeking knowledge, are going forth with added confidence to face the duties and responsibilities of life in the larger world. May you have strength to stand for what you know is right, and may you find the happiness that comes from work well done.

Sincerely,
Cora Stein

TO THE CLASS OF 1958

We have endured much in the past four years — working together, laughing together, and praying together; I am sure that the future will show that we have done well. Best wishes for success and good fortune.

FOOTBALL 1957

The 1957 football season marked Coach Dever's first Sectional Championship since his coming to Scott in 1956. The team, sparked by the best balanced backfield that Scott has seen in many a year, and a powerful, aggressive line, ran up a 6-1 record. Throughout the season the Scotties showed good sportsmanship and a willingness to win, which resulted in an action packed season and a 6th Sectional Championship.

The backfield was characterized by power, speed and maneuverability. Pete Avallone called the plays at the quarter back slot and moved the ball with deception and skill. All-State Group II fullback Jim Bolger bulled through the line for the short score, or he picked up the extra yardage needed for the first down. Joe Frazier picked up many yards by shaking off would-be tacklers and running for needed yardage. Pat Lorimer's speed enabled him to contribute the most points for the Scottie cause.

The powerful Scott line deserves much credit, for they were the ones who opened the holes for the backfield, and held the opposition to a minimum of points. Jack Gieson, Carmine DeGennaro, Brian Archimbaud, Paul Bonnet, Mike Weisman and Tom Herbst saw most of

the action and bull-dozed their way to put Scott once again on top.

Scott opened the season setting back Glen Ridge 19-6. This was the 19th and final game of a long rivalry between the two schools of which the Scotties won 11 and tied 3.

After two weeks of flu postponements the Scotties got rolling again by defeating Summit 12-0. A 42 yard pass from Avallone to Weisman climaxed the game and provided the final touchdown. The following week Group III Rahway smashed the Red and Gray hopes for an undefeated season by a score of 13-6. Although the gridmen never gave up, Rahway proved too powerful. The Scotties successfully recovered from their first defeat and re-entered the winning column by defeating Millburn 20-13. Another Avallone pass, this time to Lorimer who ran the remaining 30 yards to score. The Red & Gray meeting their arch rivals, Verona, won a big one when they came from behind twice to defeat the Hillbillies by a 26-20 edge. The following Saturday, Scott soundly trounced Roselle Park 40-0. "Joe" Frazier started the barrage with two T. D.'s and the J V.'s came in to finish it. In the final game of the season, the gridmen clobbered Livingston 33-0, ending the Red & Gray's most successful season in 6 years.

BASKETBALL 1957-58

For the first time in the history of the school a Clifford J. Scott basketball team has won the State Group II championship. The Lyonmen enjoyed an 18-5 won-lost season for a near 800 per cent record. Junior Chuck Engler led all scorers with a total of 440 points for a 19.2 average. Chuck amazed the fans with his phenomenal, unorthodox two hand jumper. Pete Avallone, who has been the best all-around player on the team for the past three years was second in the scoring department with a season's total of 370 points for a 16.2 average. Besides his all-around scoring ability, Pete was one of the best defensive players under the boards. Avallone also established a new school record by being the first to hit 1000 points. He scored it in a losing cause against Irvington, and ended his career with an amazing total of 1,109 points.

Outstanding defensive player and tournament hero was 6'2" Dave Samuels. "Sam", who was also the team's third highest scorer with 351 points and a 15.1 average, played the best basketball of his career under pressure in the four games of the state tournament. He scored

67 points and outrebounded everyone including players from three to six inches taller than he. Todd Jenkins, the team's ace playmaker, also averaged in double figures. Todd, perhaps the most accurate shooter on the team, led the Scotties in shooting percentage. Backcourt men Steve Rice and Joey Frazier led the team in hustle and defensive play. Against Highland Park in the state finals Frazier held the Owl's leading scorer to only three field goals in three periods of play. In that same game Rice broke things open by scoring six straight points to help put the game on ice.

Playing the best basketball in the school's history, Coach Lyon's five defeated many of its arch rivals, among them Verona in a 78-61 romp. This avenged two previous victories by Verona. Another thriller was against Glen Ridge, which led throughout the entire game until the Scotties pulled it out in the last 12 seconds. The team gained satisfaction as well as honor in crushing Newark Arts and Roselle Park to annex the Group 11 Section 2 crown.

Probably the most thrilling game witnessed by Scott

Justifying at least by game

fans was the state semifinal against Westwood. With Scott leading 51-49 in the final seconds, Westwood tied the score to force an overtime. Neither team scored in the first overtime and the second overtime also went scoreless to push the game into "sudden death" play. With the pressure on, Samuels outjumped Westwood's 6'8" center and tapped to Engler who tried his jump shot. It missed but "Sam" was under the boards to tap it in for a 53-51 victory. The final game, in which the Lyonmen overwhelmed Highland Park, proved to be a fitting climax to a season marked by coaching brilliance, individual skill, and team effort. In scoring this 77-61 win, the team hit 48 per cent of its shots. Scott picked this last game to have its best offensive and defensive might of the basketball campaign.

BASEBALL 1957

Never before in Scott's athletic history has one team earned more honors and championships than the Scarlet and Gray Baseball team. For four successive years the Millermen have won the State Group II Section II Championship. In doing this the Scott nine has won an amazing total of 39 games in a row without suffering a single setback. The 1957 edition of the Scott High baseball team ended the season with a 16-0-1 record. All Scott victories were team affairs; however, like any other good team Scott also had its standout players. Six out of the starting nine were seniors. Tony DeMiro, senior centerfielder, led the team in R.B.I.'s and batting with a .439 average and was the Scott contribution to the first team All State all groups baseball team. Left fielder Jack Lord will be best remembered for his accurate throwing arm and his game-winning 375-foot homerun against Bloomfield. Shortstop Tony Georges and second baseman Ken Larsen must be named together, for in these two Scott possessed one of the best keystone combinations in the state. Varsity catcher for two seasons, senior Bob Taylor proved his worth in every game with timely defensive and offensive plays. Third baseman, Herm Bensen, was the spark plug of the infield as he came through constantly with many seemingly impossible plays. Sophomore Chuck Engler, who led the infield in batting average, runs scored, and R.B.I.'s, proved himself to be an invaluable asset to the team. In winning 16 games the Scotties needed good pitching and this they had 100% of the time with their two junior hurlers, Pete Avallone and Ralph Loffredo. Avallone led the staff with a 9-0 record defeating such teams as Thomas Jef-

erson and Bloomfield High each with one hitters. He also had a healthy .326 batting average. Loffredo was the ace south paw of the staff with a 6-0 record. In close to 50 innings of pitching he didn't yield one earned run. His finest performance perhaps was at North Arlington in which he pitched six innings of no-hit ball and also drove in the tying and tie breaking runs. The Scott nine, however, could not win so constantly without good coaching and this it had in its able leader Robert Miller.

TRACK 1957

Compiling a .727 regular season mark, Mr. Best's track squad ended its season with 8 wins and 3 losses. During the 1957 season, records were set in the 100, 220 and 440 yard runs. Lew Speed smashed his old record of 10.0 seconds for the 100 yard dash by running it in a phenomenal time of 9.8 seconds; Bruce Morgan, who co-captained the team with Ed Bruen, set the two other school marks. Bruce, a quartermiler at heart, was not content with lowering the school record in only the 440 yard run to 50.2 seconds, for he also ran a record 22.6 seconds for the 220 yard dash.

Perhaps the team's best showing was against Verona, when the Scott cindermen handily defeated the Hill-billies, who had decisively beaten the Red and Gray during the previous year. In invitational meets Scott also fared well. At the North Arlington Invitational Meet the Scarlet and Gray took an impressive third place against much bigger schools. At the Inter-Orange Relays the Scotties were also impressive as they scored a first in the mile relay, a second in the two mile relay, and a third in the medley relay.

In their only tri-meet Scott again showed strength. The meet included Madison and a strong Glen Ridge

crew. The Scotties took a close second to the Ridgers while decisively defeating Madison. The team was composed mainly of juniors and seniors. High point men for Scott were Bruce Morgan, Tony DeMiro, Lew Speed, Ed Bruen, Joe Frazier, Pat Lorimer, and Jack Gieson. Other important lettermen included Dean McFall, Pete O'Rourke, Jay O'Neill, Ken Stackhouse, Maurice Connor, and Leigh Buggeln.

TENNIS 1957

The 1957 Clifford Scott tennis team had a rather mediocre season; however, there were many high spots during the course of season which compensated for that. Perhaps the high point for the team came when they soundly trounced Bloomfield 4-1. Seniors George Chin, Rich Kentopp, Peter Hewitt, and Dan Dowling provided much spirit and action in all their games. The 1957 team has three good letter men returning; Alan Choldenko, Richard Wetherbee, and Richard Buggeln, who should all enjoy a winning season behind good coaching from Elroy DeMaria.
