## FOREWORD

*Tartan '59* salutes the men and women of East Orange who have given Scott High School its new addition. The building, with its contemporary design and excellent basic equipment, will serve for many years as an expression of our community's interest and faith in the future of its children.

In the new format of *Tartan '59*, the staff has attempted to catch the spirit of the modern design of the building and to express an appreciation of the human values it represents.

Because Carl Sandburg's poetry describes with a singular depth of feeling the American drive for progress, we have chosen lines from his poems to introduce the different sections of the book.

It is our hope that *Tartan '59* exhibits both the fact and the feeling which have made this a most rewarding year at Scott High School.

# SENIOR CABINET

It is the job of the Senior Cabinet to determine the Class of '59's definition of democracy. Chosen from among the PAD classes, the members of this group meet frequently with Mr. Shuttlesworth and Mr. Best to discuss their work. Their duties are also a little more down-to-earth, for they are responsible for running the senior Volunteer Service Program.

Seated, left to right: Dave Zugale, Dave Hardin, Marilyn Josephson, Lois Centanni, Mary Ann Caggiano. Standing: Eileen Shard, Virginia Basilea, Charles Van Beke, Jeff Grambs, Dick Weber, Carole Vogel, Richard Orlando, Malcolm Wright.

Our representative body, the Student Council, has brought Scott students innumerable benefits. It has brought new activities, new privileges, and new freedoms to the student body. The Cheer Fund, which is the Council's chief support, benefits the students, too. It provides gifts for the ill and fruit for the athletes. The Student Council is the students' voice in Scott High School.

The Executive Board carries the main responsibility of the Student Council. It plans and supervises all Council activities. The mainstay of the Student Council, this group is made up of many outstanding senior classmen.

The girls who belong to the Attendance Committee perform a real service for the school. They take the responsibility of collecting and checking the 850 attendance cards. It is a tedious chore, but they always do a fine job.

# CITIZENSHIP CLUB

The Citizenship Club, made up of members of the citizenship classes, tries to bring about better relationships within the school and community. One plan it has is the organization of a dress-up day for all students. Through its many activities, the Citizenship Club is fulfilling its goal of good citizenship for Scott.

Students with an interest in world affairs seem to meet in the International Relations Club. Through films, talks, discussions, and trips they learn more about foreign countries and our relations with them. Their major fund raising project is the sale of newspapers to the seniors.

## CHESS CLUB

Students with a desire to sharpen their wits seem to end up in the Chess Club. They have an excellent chance to learn to master the sport of intellectuals. The Club also presents an opportunity to play with others of equal skill.

## HANGMEN'S CLUB

The members of the Hangmen's Club are not so gruesome as their name suggests. They are the fellows who check coats and hats at all our evening functions. They give every event that added touch of "class" and do the job without misplacing so much as a corsage box.

## SCOTSMEN

If you hear a little barbershop harmony in Scott's halls Tuesday mornings, you know that the Scottsmen are rehearsing again. This talented group of fellows has perfected arrangements for an ever-increasing selection of old favorites that never fail to please its audience. They are an important part of the Music Department.

The girls in the Charm Chorus get up early Friday mornings to increase their repertory of enjoyable music. They are rapidly building a good reputation, which has spread throughout the city and is increased by their many performances. These beautiful girls with their beautiful songs have become a tradition at Scott.

## GLEE CLUB 1958-1959

*C. Scripps Beebee, Director*

*Mary B. Goines, Accompanist*

Glee Club was one of the most popular activities this season, with almost one-third of the student body wearing the familiar scarlet choir robes. Under the direction of C. Scripps Beebe and with the assistance of Mrs. Mary Goines, a two hundred and twenty-five member chorus was trained in the fundamentals of voice production.

The results of this training were shown by audience enthusiasm at both the Christmas and Spring concerts. Featuring solos and choruses from Handel's *Messiah*, the Christmas Concert had its traditional tableau of the Nativity Scene and a medley of Christmas carols. Songs from *Aida* and *South Pacific* provided contrasting moods at the Spring Concert, as the Glee Club expressed both the majesty of Verdi

and the light harmony of Rogers and Hammerstein.

A few members of Scott's singing ensemble had the privilege of appearing on television with several girls from East Orange High School during the Christmas season as a highlight of Governor Meyner's *Weekly Report*. Another out-of-school expedition was the annual trip to the "Met", where many students enjoyed a performance of *La Boheme*.

Two recitals were held by members of the Voice classes during the spring months. These evening concerts were large affairs this year, for there was an unusually full Voice enrollment of twenty-five members.

The President of the 1958-59 Glee Club was Michele Ventre.

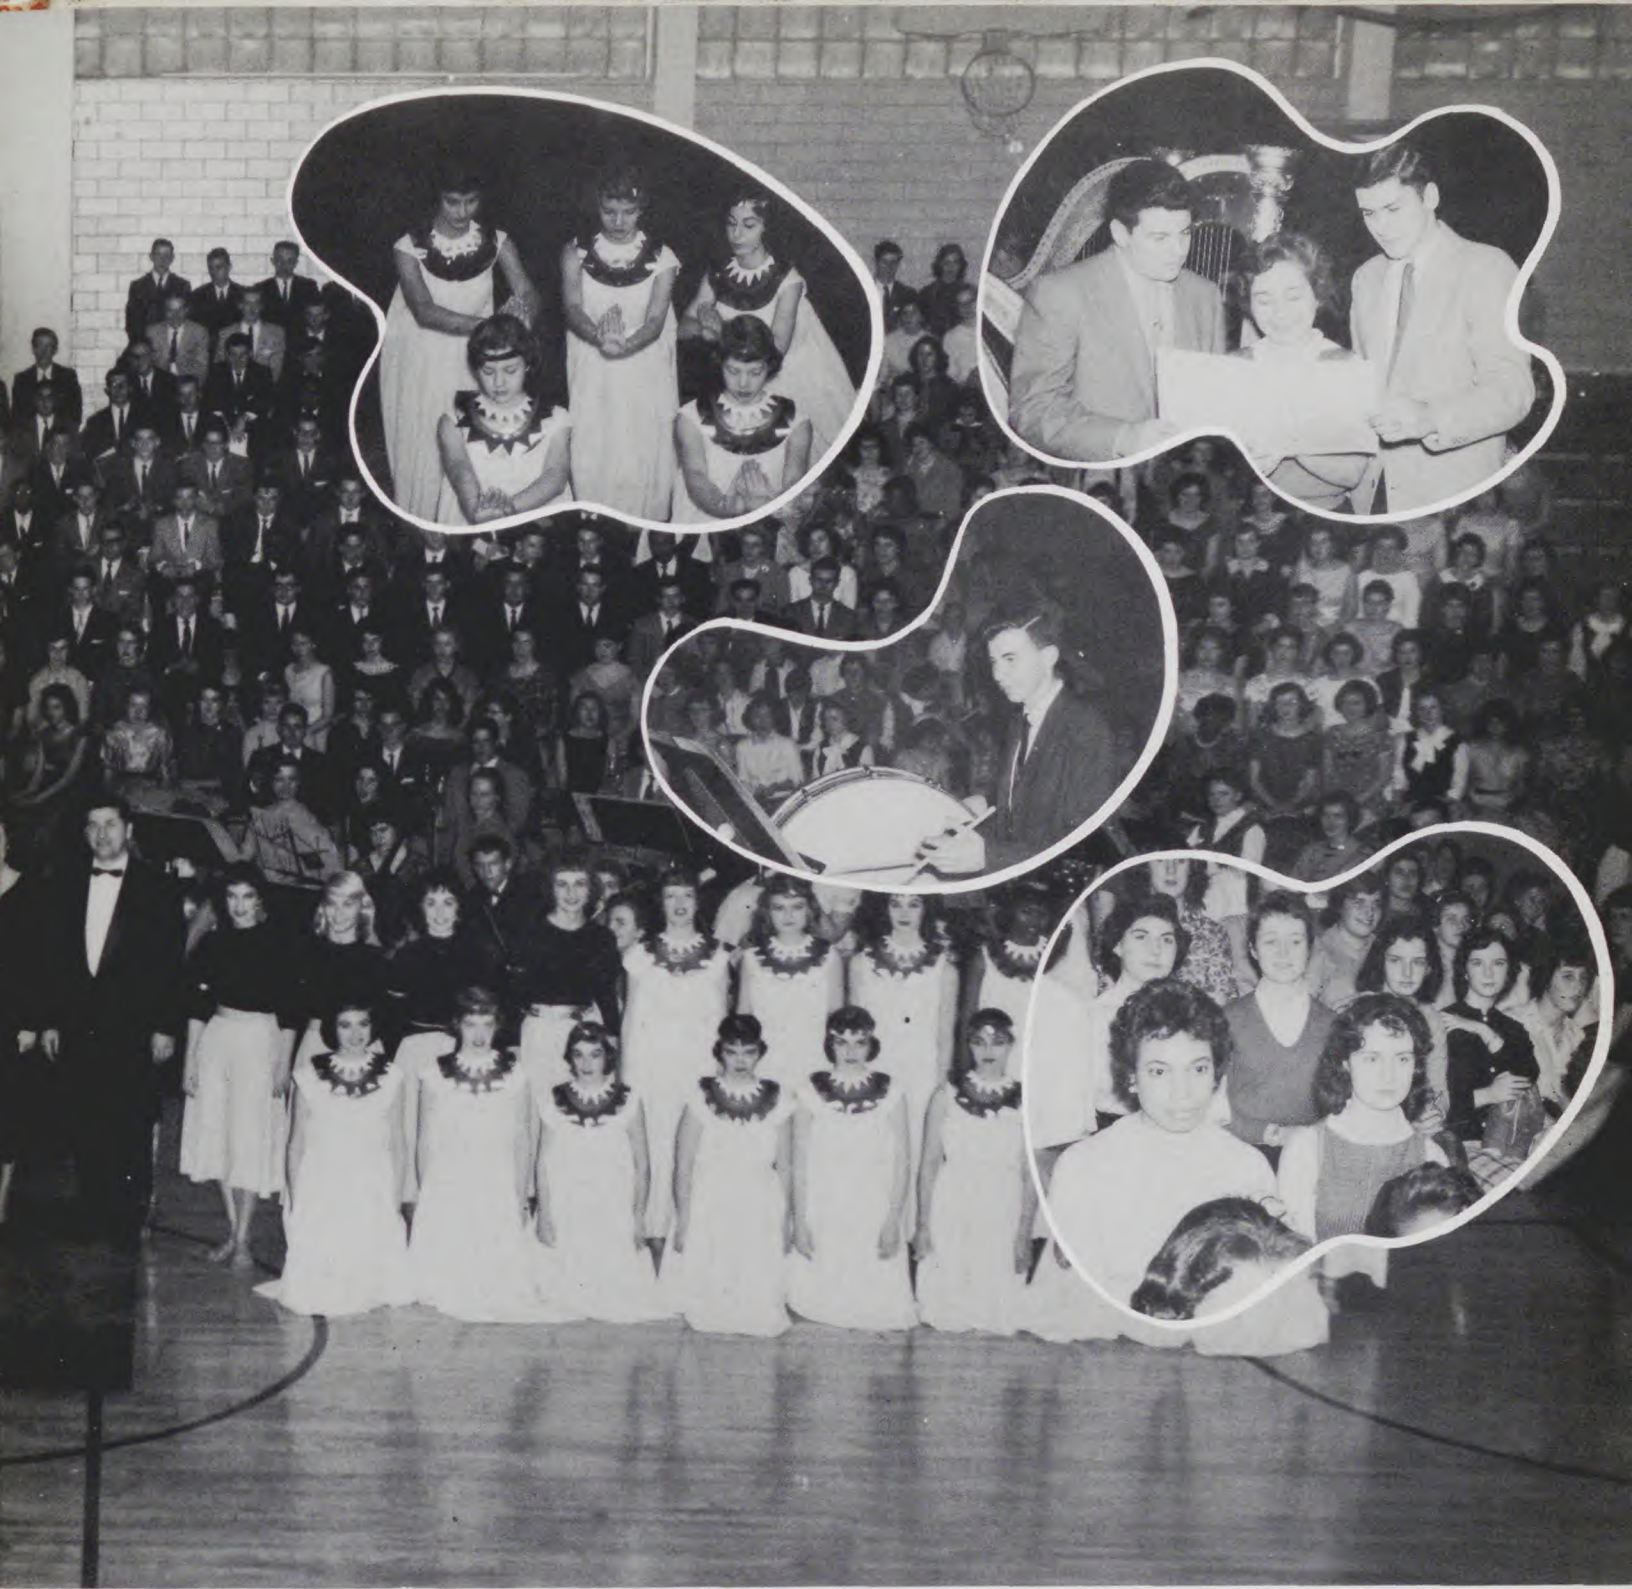

## *Eleventh Annual Operatic Festival*

Presented by the  
Department of Music of the  
New Jersey Education Association

On Saturday, February 14, Scott's new gymnasium was the scene of the Eleventh Annual Operatic Festival.

The Festival, sponsored by the Department of Music of the New Jersey Educational Association, included a number of selections from Verdi's *Aida* and Puccini's *La Boheme* and was the most extensive such program ever held at this school. Six hundred and fifty students from seventy-two schools throughout the state participated in the chorus, orchestra, and dance group, while approximately eighteen hundred people listened from the tiers of seats along the wall.

Of the forty-eight Scott students in the chorus, three were soloists in the program: Michele Ventre and George Roccas, both seniors, and Frank Fiorilli, a sophomore.

The orchestra, composed of members from the New Jersey All-State and various high school orchestras, and the dance group, composed of twenty Summit and Scott girls, accompanied the chorus.

William Olvis, Metropolitan Opera tenor, sang arias by Ravel, Brahms, and Puccini, and, accompanied by his wife, Dorothy Dallas, sang the love duet from *Samson and Delilah*.

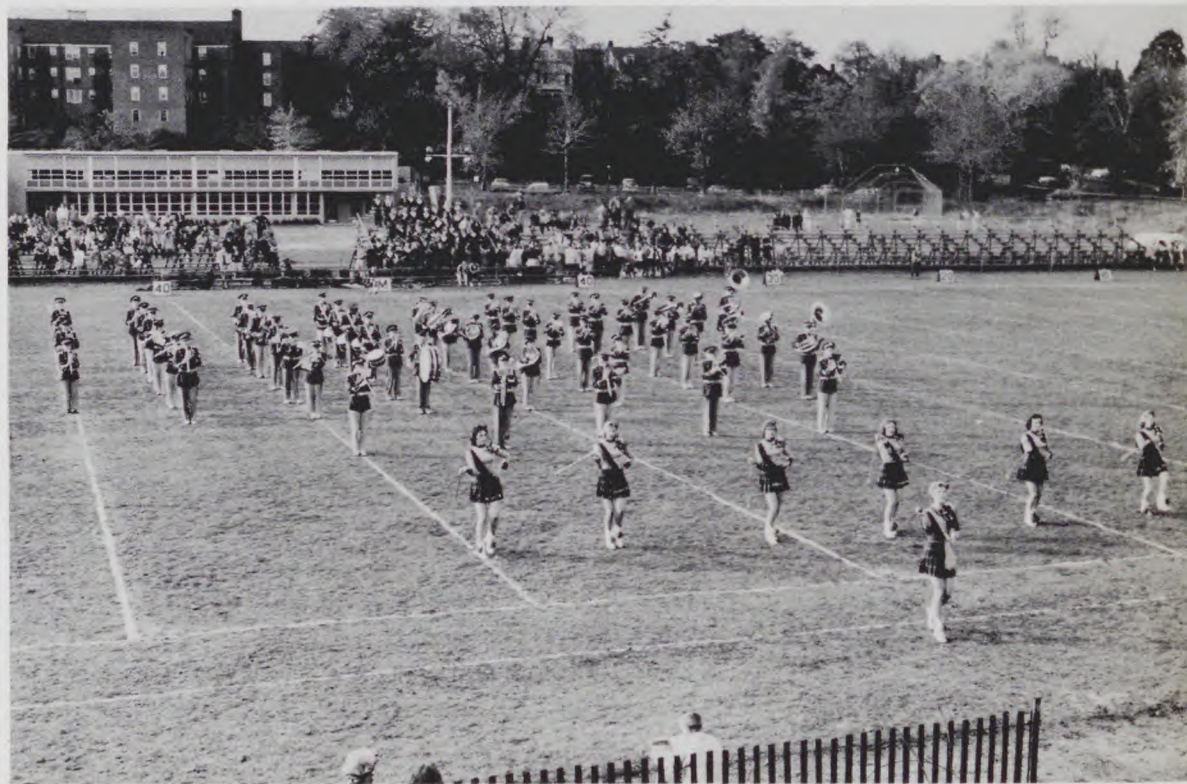

First row, left to right: A. Jackson, J. Lindberg, B. Howat, G. Carrington, D. MacGowan, S. Lipuma, D. Slaymaker, N. Lindeman, R. Reid, S. Guettel, B. Scott, D. Goodridge, M. Lawson. Second row: D. ## CONCERT BAND

The 1958-1959 Band is a group we can really be proud of. It has been bigger, better, and more active than any other Scott band in many years. It always adds spirit to football games with half-time shows and college tunes and is equally competent in concert. In any case, the audience is always pleased. This year's band continued the practice of serving the community by playing in the Upsala Homecoming Parade and the Chamber of Commerce Christmas Parade.

First row, left to right: Sharon Lipuma, Bob Howat, Doug Slaymaker, Carol Lariccia, Bill Brookes, Andy Jackson, Don MacGowan, Dick Raub. Second row: Sherry Slater, Glenn Montgomery, Bud Knecht, Richard Wright, Charles VanBeke, Ed Pappas, David Lensner, Gerald Borsuk, David Raub, Bob Jackson, Oscar Ebner, Dave Zugale.

## DANCE BAND

Scott's potential Harry James' and Benny Goodmans' are all members of the Dance Band. They meet every Tuesday morning before school to increase their repertory of modern and classical jazz. This type of musical training is hard to get and lots of fun for everyone, listener and performer alike.

## BAGPIPE

The *Bagpipe*, the school newspaper, is a record of the daily events and happenings at Scott. To those who read the *Bagpipe*, it means well-written news, editorials, sports, and features. To the students who faithfully work on the *Bagpipe*, it brings to mind laboring at late night meetings, trying to create headlines, folding and delivering the paper, and innumerable other trials and tribulations which result in a prize-winning paper and a lot of fun. The paper, however, is more than a chronicle of Scott's activities; it is the history of the school's ideas and hopes. From reading the *Bagpipe* a true picture of Scott may be obtained.

## FOOTBALL 1958

*Captain Richard Torchia, All-State, All-Essex, and All-Orange guard, was the pillar of the team's strength.*

Scott's 1958 football season was by no means a disappointing one. The team finished with a 4-5 record in spite of the fact that all the backfield and more than half the line were in their first year on the varsity.

Coach Dever's eleven got off to a good start by trouncing Valley, 19-0. While the defense held against Valley's attack, the offense scored three times. Chet Baumann, the right halfback, scored in the first and last periods, and Mike Pannucci tallied on a 55-yard punt return in the second.

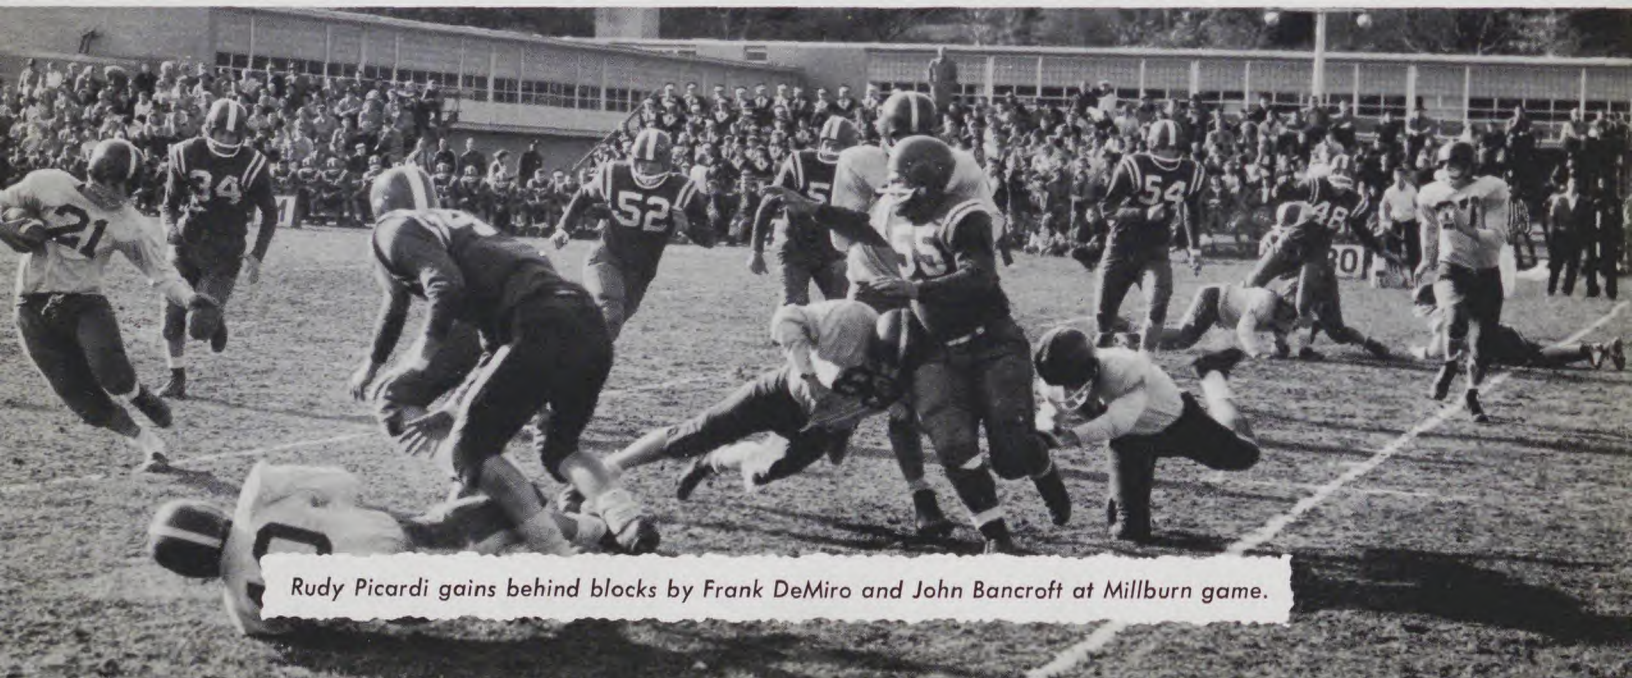

The Scotties met West Orange, a strong Group III team, at Martens Stadium the next Saturday and played their best game of the season. In that game, the Scott line stopped a first-quarter drive by the opponents and then opened holes for fullback Art Rinaldi and left halfback Frank DeMiro. Finally DeMiro went 32 yards for one touchdown; Rinaldi scored another on a 60-yard sprint. DeMiro ran 76 yards down the sideline for the third score, giving Scott its 19-0 margin.

Scott stayed close to the farm boys from Dover until the last period of the next game. Thanks to some fine defensive work and DeMiro's 55-yard touchdown run, we trailed by only one touchdown, 12-6. But Dover's greater weight carried off the victory with two tallies in the last quarter.

Scott rooters went to Summit on the following Saturday to watch their team bow to another powerful squad. Summit started fast, and by the time Scott got rolling with long runs by Rinaldi and DeMiro, who scored, it was the last period and the game was Summit's, 19-6.

At home the next week, the Red and Gray was overcome by the biggest team they faced, Rahway. The rain and Rahway's all-state back Joe Williams' five touchdowns combined to make it a bad day for Scott.

The Millburn game was a closer match. The team countered an early Millburn score with a 65-yard scoring march climaxed by Art Rinaldi's plunge from the 1-yard line, making the score 6-6. Then Richie Roma's onside kick gave us the ball at midfield, but we lost it on downs soon afterwards.

Rudy Picardi gains behind blocks by Frank DeMiro and John Bancroft at Millburn game.

*Art Rinaldi breaks through hole in Millburn defense while Nick Carolla runs interference.*

After Millburn had fumbled and then taken the ball back on fourth down, their fine passing game carried them to the lead, 13-6. However, Richie Roma took a Millburn onside kick to their 30-yard line, from where John Bancroft, the right end, caught quarterback Ronnie Yarashefski's pass in the end zone to make the score 13-12.

On the kickoff, Art Rinaldi stole the ball and scored to bring Scott into the lead, 18-13. But before the first half had ended, Millburn had scored again and led, 20-18. The final score was 26-18, Millburn getting its last TD in the closing minutes of the game.

The Scarlet's spirits were high once more after we trampled Verona, 27-6, the next week. In the first period, DeMiro scored on runs of 10 and 27 yards, and in the last two quarters, Rinaldi tallied on runs of 10 and 4 yards, respectively.

Undefeated Roselle Park set Scott back in the next contest by a 25-13 score. The Park scored once in the first period, added two more touchdowns in the second, and led, 19-0, going into the second half. Right after the opponents had made it 25-0, Yarashefski passed 30 yards to Ron Kline, the left end, to set up Scott's first score. Again in the last period Yarashefski threw a long pass to Rudy Picardi, and several plays later Picardi scored.

The season ended on a happy note with the expected victory over Livingston. Scott's highest score of the season, 38 points, was produced by DeMiro's three touchdown runs of 28, 2, and 41 yards; Rinaldi's 1-yard plunge; and 3-yard sprints by Doug Morgan and Matt Bolger. Most of Livingston's points came after the victory had been clinched.

Since the very young team made such a good showing this year, and all but four key lettermen are returning next year, Scott can expect an outstanding season in 1959. The new co-captains, Nick Corolla and Frank DeMiro; Art Rinaldi, Rudy Picardi, and Ronnie Yarashefski; and a line led by Pat Russoniello are going to make this prediction come true.

## BASKETBALL 1958-59

Scott's basketball team finished this season with a 12-5 record in the regular season and a sectional championship in the state tournament.

When the season began, it did not look as if it would be a successful one for Scott. Chuck Engler, driving, jumpshooting backcourt man, was the only player returning from last year's starting five. The only other senior on the squad, Ray DeLuca, was eligible to play only half the season because of transferring from another school. Junior Bruce Keenan and Bill Watson and sophomore Jim Liggins filled the other starting positions.

This team won its first four games, romping over Harrison, Summit, Passaic Valley, and Glen Rock. Scott averaged 77 points per game with Engler accounting for 35 of them. Against Glen Rock Chuck snapped Pete Avallone's single game scoring record by capturing 43 points, hitting 66% of his shots.

But strong Bloomfield jolted the Scotties, 72-50, in the first night game to be held in the new gym. When Bloomfield's rugged defense held Engler to 14 points, the rest of the Scott scorers were unable to take up the slack. This defect of an unbalanced scoring attack plagued the team until mid-season.

Scott beat Bloomfield Tech, 74-61, and Millburn, 73-66, but bowed to Roselle Park, 71-65, and Morris Hills, 74-53. At halftime in the Park game, we trailed by 12 points, Engler having been held to 12 points by a pressing defense. In the second half, however, Engler scored 18 points and Keenan led the defense to reduce the Park's lead to one point. The opposition then

pulled ahead with five straight points and was on top at the final buzzer.

After trouncing Livingston, the Scotties met a tough Valley team. Although we lost, 52-50, we played our best game to date and were on our way to a successful season as sophomore Dick Williams and junior Bruzzy Wood gained starting positions. 6'3" Williams' rebounding and pivot shots and Wood's set shot, driving, and ball-handling proved to be just what the team needed.

The improvement in offense was evidenced by Engler and Keenan with 16 points each, Williams with 10, and Wood with 13 in the defeat of Irvington Tech, 61-44. And in the next game, against Immaculate, Wood's four consecutive set shots led Scott to a 26-23 lead, which we held until the start of the third period. Near the end of the game, the hustling Scotties drew within two points of the lead before bowing, 54-51.

Scott's best game was against North Arlington. We beat the Vikings, 81-77, behind Williams' 29 points and Engler's 27. In the last period with the score 63 all, Williams and Engler led a fast-breaking attack that put Scott ahead, 71-69, and kept us there until the end of the game.

We drubbed Verona, 66-48; again Williams' rebounding and pivot shots paced the scoring attack. Dick got 18 in the first half and finished with 31. Scott went to West Orange and won, 55-40, before entering the Essex County Tournament.

In the tourney, we challenged the favored St. Benedict's by outscoring them, 19-3, in the third period, but

Bruce Keenan grabs a rebound against Millburn.

suffered our perennial first-round defeat, 74-61.

In the 65-52 victory over Madison, Engler passed the 1000-point mark in his career. Chuck ended with a total of 1103 points, 7 short of Avallone's record, and an average of 24.5 points per game.

The Scarlet easily beat Parsippany, 81-66, to begin post-season state tournament play. Engler scored 43 points and Wood made 15, most of which came at crucial moments. Then the Scotties played Roselle Park for the sectional crown and avenged the earlier loss by turning a 22-25 halftime deficit into a 67-50 romp. With the score 25-28 in the third period, Engler made a foul shot, Keenan a jump shot, and Wood a foul shot to put Scott on top. After that, the team pulled ahead

on fast breaks in which Williams rebounded and passed to Engler, who pitched out to Wood, who scored on driving lay-ups. This combination gave Scott six straight points.

Playing North Arlington for the North Jersey Group II title, Scott could do little. In the first half, fine shooting by the opposition gave the Vikings a 4-point lead, which they never lost. A bright spot in the defeat was Scott's 23-point first period, in which Bruzzy Wood made 12 points.

Scott is proud of this young team which won the sectional championship and reached the semifinals of the state tournament. We are also happy to see that almost all of the team will be back next year, assuring an even more successful season.

## BASEBALL 1958

After a disappointing start, which included the breaking of a string of 39 consecutive victories dating back to May, 1955, the Scott baseball team developed the spirit and skill to leave this year's team a seven game streak to work on.

It appeared that the first game, at Cranford, would be Scott's fortieth win, but in the bottom of the last inning Cranford scored four runs to overcome a 4-1 Scott lead and win the contest, 5-4.

However, this loss and the others that followed failed to shatter the team's hopes. As the season continued, weaknesses were remedied, and Coach Miller found that his boys had adjusted to a winning pace.

After we lost to Clark Regional, 2-1, despite Ralph Loffredo's five-hitter (earlier in the season he had no-hit the same team), the new streak began. We scored a total of thirty-eight runs to the opposition's five and avenged the initial defeat by drubbing Cranford 8-0. The midseason record of 5-6 was improved to 12-6 at the season's end.

The squad consisted of five sophomores, one junior, and three seniors. Richie Roma caught for right-hander Pete Avallone, who had a 6-4 record, and lefty Ralph Loffredo, who was 6-2. Both pitchers played left field at times. Chuck Engler played first base and Bill Watson alternated between first and right field. The rest of the line-up was as follows: second base, Bruzzy Wood; short-stop, Babe Charette; third base, Ken Grant; center field,

Frank DeMiro; and right field, Dave Samuels. The two mainstays were Loffredo, with his earned run average of .625, and Avallone, with his .472 batting average.

On the whole, the season was a successful one for Scott and also a good omen for the future. The skillful sophomores should assure another winning season in 1959, if the possible lack of pitching can be overcome.

## TRACK 1958

Last year's track season satisfied both coaches and players. The Scott cindermen won eight and lost only two—to Millburn and Irvington. Millburn is the perennial Group III state champion. At the Irvington meet, two key men were absent.

Bright spots of the season were Joey Frazier's new record for the 180-yard low hurdles, 21.5 seconds, set in the Millburn meet, and Ken Stackhouse's second place in

one event of the state track meet. The team's performances in tri-meets with West Orange and Summit and then Madison and Glen Ridge, both of which it won, were also outstanding.

There have been earlier years when success on the track was very rare. Coach Best and Mr. Dever, who helped the runners, were very pleased by the team's showing.

## TENNIS 1958

Last year's tennis season could hardly be called a successful one, but the team did surprisingly well for the stiff competition it faced. The three victories over Glen Rock, Bloomfield, and St. Benedict's were the high points of the season.

Al Cholodenko and Dick Wetherbee were the Red and Gray's strongest netmen, but unfortunately for this year's team, they were seniors. Not enough boys begin playing tennis until they become upperclassmen. This hampers the development of a good tennis squad, for it takes at least four years to make a good tennis player.

Kneeling, left to right: A. Cholodenko, R. Wetherbee. Standing: Mr. De Maria, Coach; P. Bergstresser, C. Allen, H. Frieland, D. Weinreich, J. Beardsley, S. Rice.

First row, left to right: Georgianne Florio, Ann Stroppa, Jane Ehrlich, Stefana Sirotof, Susan Neubarth. Second row: Terry Mondino, Ann Eugene, Vickie Biglan, Pat Monaghan, Carol Wiggins. Third row: Brenda Johnson, Judy Schmidt, Eleanor Rinaldi, Beth Hartley, Karen Edmunds, Andrea Allen, Audrey Liggins.

## MODERN DANCE

A sense of achievement and the satisfaction of creation account for the pleasure of modern dance. It is no wonder that so many girls participate in this activity all through the school year.

### Concert Group

Top right: Pat Schmidt, Susan Washburn, Nancy Locker, Gwen Carrington, Judy Dempsey, Janet Benjamin, Marge Genova, Michele Whitney, Carol Pandick, Ligita Jansons.

## Apprentice Group

First row, left to right: Carol Stoll, Joanne Vogel, Marguerite Genova, Geri Ciallella, Betty Kane, Marian Heintz. Second row: Janis Godley, Sally Moore, Yvonne Ciccone, Pat Toscano, Claire Riemers.

## Softball

The smell of spring is the signal to bring out the softball, bat, and glove. Here's a sport that makes a hit every time.

## Hockey

The beginning of school is also the start of the hockey season. No satisfaction compares with that of a well-played and invigorating game of field hockey.

First row, left to right: Betty Kane, Carol Stoll. Second row: Claire Riemers, Sally Moore, Ann Sirotaf, Peggy Sawyer.

## Tennis

Tennis has been played for hundreds of years, but it is still enjoyed by the Scotties. As the girls practice their strokes, they realize why this game has been ever popular.

## TWIRLERS

Half-time at the football games finds our Twirlers going through their high-stepping, baton-twirling routines, which are a highlight of the football season.

First row, left to right: Mary Lou Longinetti, Joann Yannucci, Captain; Janet Benjamin. Second row: Carole Ann Eytel, Janis Lazar, Jeannie Ciccone, Noel Pattersen, Barbara Bjorklund.

## CHEERLEADERS

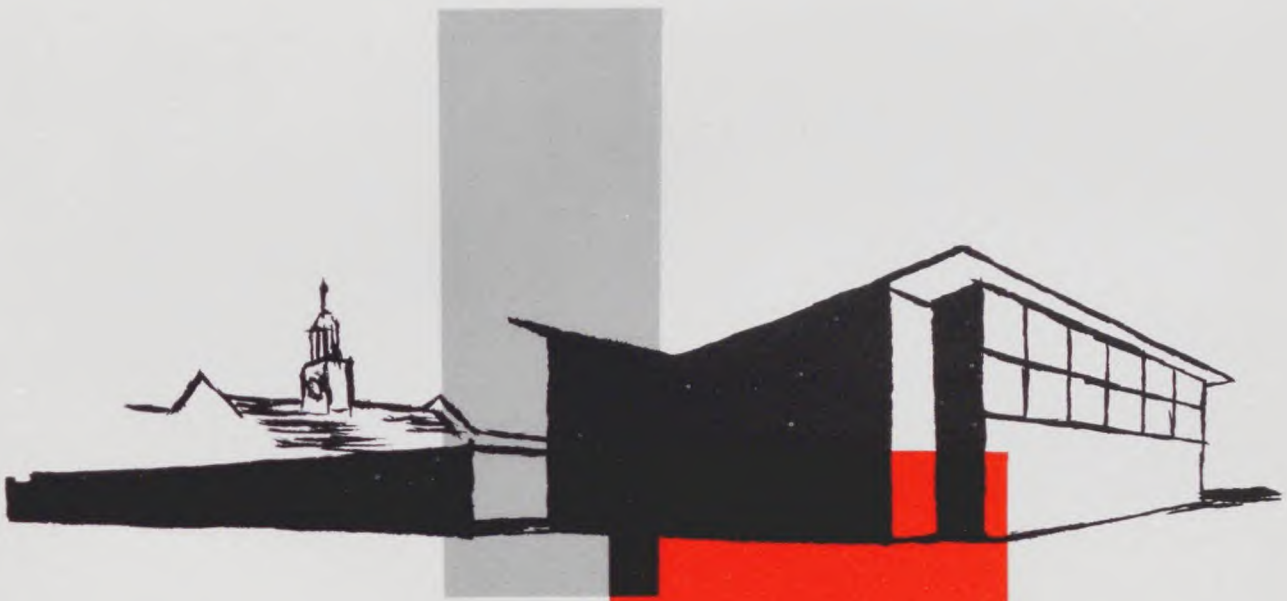

First row, left to right: Carol Canfield, Pat Crecca, Charlotte Files. Second row: Judy Dempsey, Merryl Yannucci, Kathy Carrick. Third row: Ann Fahey, Yvonne Ciccone, Jane Lawrie.

"S-C-O-T-T" can be heard all through the football and basketball seasons, as the cheerleaders lead Scott rooters.

# FEATURES

*The people of the earth, the family of man,  
wanted to put up something proud . . .  
a tower from the flat of earth  
on up through the ceiling into the top of the sky.*

*They call me Boris.*

*I live in the new addition which has a V-neck roof.*

*I used to live in a low-rent tunnel beneath the hockey field, but some men dug up my home there.*

*They appeared at my door one morning, and, manned with bulldozers, tractors, and derricks, they devastated my humble dwelling.*

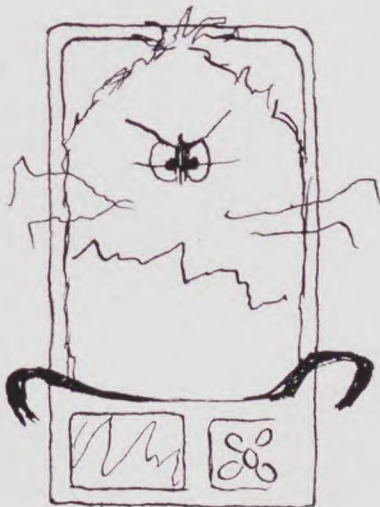

*I was homeless and despondent when Dr. Oldham invited me to live in the new addition—the very cause of my wretchedness. He said I was a “project child.” I reluctantly accepted and settled in the courtyard.*

*I’ve lived there ever since, quite contented.*

The new addition fascinates me. I guess, when you come down to it, I like it better than my dark and drafty tunnel. It has even more and better tunnels than my home did. Sometimes the tunnels are crowded with kids, but mostly they're empty. Lockers line the tunnels and make great storage cabinets for the kids—better than I ever had when I was their age. I like the green color of the lockers—they match my eyes. But I'm not too keen on the water fountains . . . they're much too small for me to take a bath in.

The office is in a glass case. The office people always seem to be decorating for some holiday—you know, pumpkins, Santa Claus, and all that. It has a long counter and lots of desks and typewriters for the secretaries, and even a couch for the 125M Club. Down one small office corridor are rooms labeled "Guidance Offices." Mostly seniors are found there. I usually hear words like "Princeton," "college boards," "scholarship," and "application" drifting out. There's also a Guidance Library. Sometimes I curl up in one of the library's modern chairs with a good college catalogue. Sometimes I curl up and sleep midst Love 'n Joy.

After I trot past the offices and down one tunnel, I come upon the tiny Radio Room. It broadcasts programs and music to all the rooms and offices in the school. Here's a touch of bold interior decorating—the sound-proofing is peach and gray and the walls are blue-green. Sometimes at night I listen to records or the radio and watch the red panel lights blink. Once I recorded my squeak on the tape recorder and played it all over the darkened school, but Mr. West, who takes care of the room, said he'd report me to the zoo if I did it again. As I look through the window of the radio room, I can see the band room.

I like the band room 'cause I can squeak all I want without being heard. It's sound-proof, according to Mr. Miller. The students have all sorts of instruments that make noise. Some put their instruments in their mouths; others, whose mouths are too small, hit their instruments. I can fit a drum in my mouth but it gums up the drum.

The lockers are real nice and roomy—perfect size for me to sleep in without being disturbed. I only recently discovered the practice rooms near the band room. Here's my inventory; Place—practice room; Area—seven feet square; Furniture—one chair, one tuba, one music stand; Occupants—one Fuzz; Purpose—practice music; Result—one broken tuba, one exhausted Fuzz, one torn-up music sheet, and one disgusted music teacher.

Once past these rooms I find the "Pub," which is as small as the radio room. Most people call it the "publications office." But it's so tiny that I call it the "pub." Also, I don't know what "publications" means, but I know what a "pub" is. They make the *Bagpipe* here. Mr. Wizda, the boss, helps run it. Gosh, is it crowded when the editors put the paper together!

The new addition is like a city to me. Besides a newspaper office, a radio station, a library, and a concert hall, it has a hospital called the "medical room," which actually has five rooms. Two of them are wards with cots. Each day I curl up on one of the cots and take a nap. As I trot towards my cot, I pass a waiting crowd of sickly, overworked students. They are treated by Mrs. Fortunato, R.N., whose office is next to the examination room. That room is blue and white, and it has a couch, a refrigerator, screens, a scale, and lots of medicine. Did you know that I weigh 43 pounds and that the light in the refrigerator goes out when you shut the door? I do.

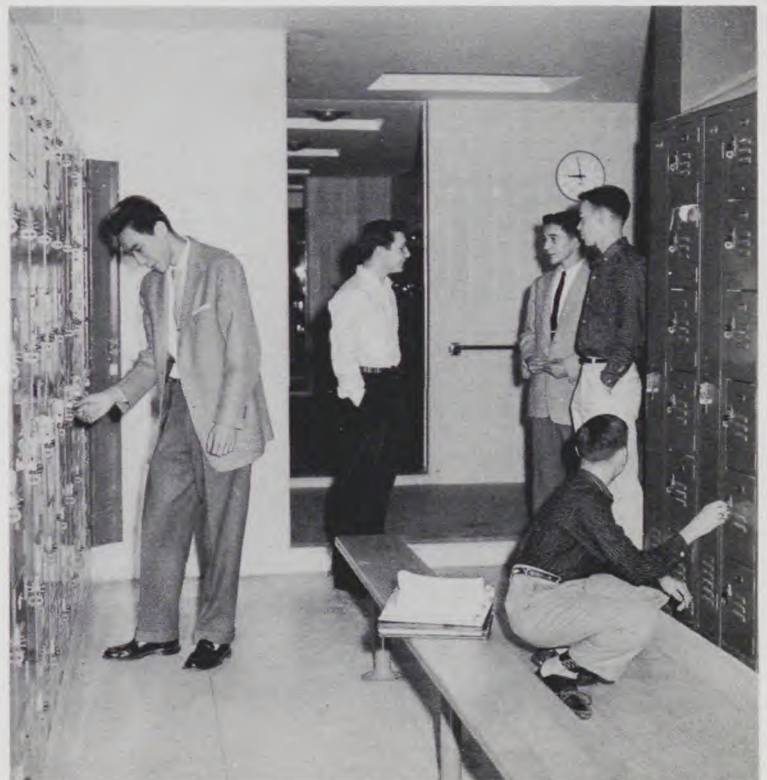

The gym is the biggest room in the whole school! There are tiers of benches on both sides that can be folded against the wall when not in use. Sunlight, coming through the glass bricks at the top of each side, keeps the gym warm, even in winter. Sometimes they divide the gym in half with a huge wooden screen. Once Mrs. Petricko thought she was Katherine Murray and taught the boys and girls to dance, but the girls wouldn't dance with me because I don't have any arms. I can do 12 squat-jumps, 3 sit-ups, 1 chin-up with my feet, and 75 hick-ups.

Once I took a shower after gym, but Mr. Dever said I shouldn't do it again because I leave a ring around the locker room. The locker rooms are very elegant, even for a Fuzz. They have skylights, ventilated lockers, tiled shower rooms, and a whirlpool bath that tickles.

Next to the band room I like the student activity room. It has a door that's cut in half so you can use the bottom as a counter to sell food at games. It has argyle drapes and those modern contour chairs. The coke machine is my favorite — sometimes I drop a slug in the slot, crawl in the opening, and guzzle down the coke. But then I get Dys-pepsi-a and have to take some baking soda. This room's used for student council meetings and all sorts of activities — I guess that's why it's so comfortable.

I know what PAD means—Problems in American Democracy, whatever that is. The PAD and History rooms have long tables, skylights, picture windows, greenboards, book cases, drapes, fluorescent lights, and slippery floors. Mr. Shuttlesworth talks about "rationales" and "responsibility." Mr. Best talks about "democracy" and "Puget Sound" and says I have "a responsibility to respect the property of the school, which is supported by the individual taxpayers through local, state, and federal taxation."

There's also a social studies library, where all the PAD students migrate to do their research. It contains books on "isms," government, propaganda, and lots of magazines and pamphlets. Since it doesn't have any comic books, I don't go there much, except when I come into the school from my home in the courtyard.

Speaking of my home, I've got to return to it. I'd take you on a tour of that too, but I haven't made my bed and my tunnels are a mess. If I don't clean up, Ed Murrow won't visit me and Dr. Oldham will evict me. Couldn't let that happen now. Hope you've enjoyed the tour.
