## ANNE GLOOR JOHNSTON

Scott students this year salute Mrs. Anne Gloor Johnston who retired in December, 1962, having served as Secretary to the Principal since the establishment of our school in 1937. It is the quiet, devoted work of people like Mrs. Johnston which has made Scott the outstanding high school that it is. To her we express our sincere gratitude for the years past and our very best wishes for many pleasant years ahead.

Walt Williams' 1962 football team completed a very successful season, considering the few lettermen returning from 1961. The gridders defeated Dover, Valley, and Highland Park, and tied West Orange. Co-captain Chan Perine led the team in passing and John Hawkins was the leader in receptions. Hawkins was named to the 1962 All-Oranges Team along with the outstanding lineman, Tom Ciallella.

## SロCCER

The 1962 soccer team recorded its third straight winning season since entering varsity competition. Coach Ed Lyons' eleven posted a 6-4-4 record, including wins over powerful Morris Hills, East Paterson, and East Orange. The outstanding performance for the season was by junior goalie Fred Haas. Fred was a third team All-State selection.

## BASKETBALL

The basketball team posted another excellent season in 196263. Coach Ed Lyons did a fine job in bringing an inexperienced group of ballplayers to a 16-5 record. Among the Scotties' wins were decisions over Millburn, Immaculate, Valley, Irvington, and an exciting victory over arch-rival Mountain. Scoring leaders were Les Brown and Mike Fahey; John Hawkins led the team in rebounds.

## TRACK

The 1962 track and field team enjoyed the finest season in the school's history. Their greatest achievement was bringing to Scott the Group II State Championship. The trackmen also won the Newark Board of Education Meet and placed second in the North Arlington Invitational Meet. New school records were set by Rich Rhinesmith, pole vault; Kerry Roskelly, javelin; Bud Harris, high hurdles; and Clark Hopson, shot-put and discus. Clark became Scott's first individual State Champion by throwing the discus 152 feet.

Coaches Bill Best and Arch Pollack discuss strategy with Co-captains Tom Eismeier and Buddy Harris.

The Scott baseball team turned in another fine season in 1962. Led by the hitting of Mike Toscano and Al DelTufo and the pitching of Bob Visicaro and Mike McBride, the Scotties hustled to a 9-5 record. The high point of the season was Coach Bob Miller's 200th victory since coming to Scott. Scott is extremely fortunate to have such a fine baseball man as Mr. Miller as coach.

## TENNIS

The 1962 tennis team, lacking experience, was unable to cope with a rugged Group IV schedule and finished with a 2-12 record. Both of the wins, however, came over intra-city rival, East Orange. Coach Elroy DeMaria believes that he has a fine group of underclassmen and he is optimistic about the 1963 season.

DANCE GROUP

The modern dance program at Scott is unique in the girl's extra-curricular sports program. All three groups, Performing, Concert, and Orchesis, meet all year, planning and composing varied types of dances. The girls' work is rewarded by the development of a successful Modern Dance Concert held early in the spring.

## STUDENT LIFE

Coming and going . . .

. . . and rushing about

A morning of classes . . .

Followed by lunch which helps feed our brains.

To help us stay active for classes again

Let's have a laugh, life can be fun

CUSTODIANS
Louis Vecchione, Charles Mocksfield, Mary Skopowski, Joseph Murphy, Larry Kuep, Art McCleary.

And remember our friends who help get things done

## SENIDRS

To you, the class of 1963, go our sincere best wishes for success in whatever you undertake. Yours has been a good class, bringing honor and respect to Clifford Scott.

Working with you these past four years has given us pleasures and friendships that we will never forget. It has been a truly rewarding experience-one that renews our faith in young people.

As you set out on the difficult task of trying to establish yourselves in adult life, try to hold fast the ideals and standards you have been taught in school. Always be faithful to yourselves, to your fellow men, and to your country. The heritage of our democracy is a great one. It is a heritage attained over many years through work, faith, and sacrifice. Do all in your power to maintain it.

To you-our future citizens-we say God speed, bonne chance, and au revoir.
