## In Memoriam

## FEDERICO DE ONIS

. . . was a man of deep affections which bound him closely to his wife, his children, his parents, brothers, grandchildren, and friends. We all knew him as a man of great simplicity whose dream, so briefly realized, was to live with nature, to live apart from this time that troubled him for the sake of the future of humanity.

From the eulogy delivered at service for Mr. Federico de Onis by Captain Frederick Mac Lean.

## RUTH ENGLER

Nothing that was worthy in the past departs; no truth or goodness realized by man ever dies, or can die; but is all still here, and, recognized or not, lives and works through endless changes.
-Thomas Carlyle

## CLAUDIA OTTALAGANO

"Nothing seems so tragic to one who is old as the death of one who is young, and this alone proves that life is a good thing."

## SPORTS

FOOTBALL

In what was one of Scott's best seasons this year's predominantly senior team compiled an 8-1 record, the only loss coming from non-conference Madison. While winning the Garden State Conference Championship in its first year, the Scotties played as a well-balanced, cohesive unit, determined to win. It was a team that succeeded through the hard work of all the players, and their coaches. All gave 100 percent to achieve a common goal. Their combined efforts were rewarded when the Saylor Ratings named the Scotties the best Group II team in the section. From this team a few of the players were singled out for post- season honors. Ronald Klein, Frank Metro, Paul Werrell, and Harold Marion received the honor of being named for the All-Conference team. Likewise, Klein, Metro, and Werrell made the All-Oranges team. Klein continued to be named to the Essex County and All-State All-Groups third team, while Metro and Werrell received mention on the All-State Group II teams. Finally, Klein, who set a new school record of 17 touchdowns in one season, received an honorable mention for the high school All-American team. Mr. Fred Hill, in his first year as head coach, was named as the Essex County Football Coach of the Year.

## BASKETBALL

The Scotties made their presence felt in the Garden State Conference by finishing second to Group III power Roselle. Led by their top point-maker Vin Masco, the all-around play of Ron Klein, and Gary Cabell as a mainstay under the backboards the team finished with a 15-8 record. Remaining in contention for the crown during the first three fourths of the season the Scotties saw their hopes upset by Highland Park in a close contest. Contributing to the Scotties' success was a strong bench of upper and lower classmen. During the second half of the year many of the freshmen, sophomores, and juniors gained valuable playing experience for next year.

## TRACK

By entering the Garden State Conference the Scotties have expanded their track program. This year's team, which boasts strength in the rumning events is faced with a long and difficult schedule. Early competition has proved that the Scotties will need a consistent team effort in order to beat Highland Park, Carteret, and Roselle in conference competition.

This year's High Hurdle Team (pictured below) won the Group II Indoor State Championship while setting a record of 32.6 seconds for the 240 yard race.

## BASEBALL

With six returning lettermen back from last year's Group II Sectional Championship Team, the outlook for continued success is relatively bright. If the J.V. pitching, catching, and outfield prospects develop, the Scotties will be strong contenders for state and conference honors.

TENNIS

Having entered the Garden State Conference, this year's tennis team hopes to improve on last year's record. Early competition has proved tough with many close scores, but it's still too early to be certain of this season's outcome.

In your years at Scott you have been deeply involved in a competitive struggle to prepare yourself for the college of your choice, a satisfactory job- or, if need be, for survival in Vietnam. World conditions have enmeshed you early and earnestly in society. Even so you have remained curious, honest, and gregarious.

This graduating class appears more deeply committed to the fundamental Western ethosdecency, tolerance, and brotherhood-than your elders before you. Your ideology is idealism and and at the same time you are pragramtic. While you are preparing for life you are also living it.

The future is yours to do with as you please. However, it is our prediction that you will make contributions that will enrich our society and infuse it with a new sense of morality.
