Guidance

"Where am I going?" is the familiar cry of the high school student. The choice of a personal goal is one of life's most important decisions and can only be made by the individual. The Guidance Department, however, is always there to help. Each student is assigned a counselor who aids in planning his schedule at Scott and who can advise him on college and careers.

Social Studies

A good citizen today should understand his country's problems and learn from past solutions. Various courses are given in Scott with these goals in mind. They include World History, United States History, and Problems in American Democracy. Thorough knowledge of the world situation can only further the cause of peace.

English teaches the arts of communication — reading, writing, and speaking. Through the study of literature, grammar, and words themselves, students gain proficiency in these important skills. Scott offers the regular four-year program in English with electives in Speech, Drama, and Journalism. Each course furthers one's ability to make the most of his language.

Mathematics

Mathematics is a product of logic and reason. The discipline that it demands is valuable in all areas of life. Intricacies of Algebra, Geometry, and Trigonometry have baffled and overwhelmed the students at Scott and will continue to do so. Nevertheless, the joy of ultimate comprehension is great enough reward.

Science

Scientific knowledge is constantly expanding as mystery after mystery is solved. Scott students can only try to keep pace with courses in Earth Science, Biology, Physics, and Chemistry. Each of these will give insight into a special phase of our complex universe.

Business

The world of business is demanding and fiercely competitive. Certain knowledge and skills are necessary for one to find a place in it. Scott's courses in this department are designed to fulfill such vital needs. Typing, Shorthand, and Bookkeeping are just a few.

Language

What better way is there to understand another culture than by studying its language? In a world where travel is fast and easy, the knowledge of foreign tongues becomes increasingly important. To keep up with these modern demands, the Scott student has a variety of languages from which to choose. French, Spanish, Latin, Russian, German, Italian, and Chinese are all within his reach.

Included here are Mr. De Marzo, Mr. Rancatti, and Mrs. Young of East Orange High who teach Italian and German to Scott students.

Physical Education

Mental fitness and physical fitness go hand in hand. Scott provides a well-developed Physical Education program for both boys and girls. Besides the regular classes, there are interscholastic and intramural groups in a variety of sports. Each student has a chance to participate in some capacity.

Fine Arts

The beauty of a fine painting or that of a lilting song is not forgotten at Clifford Scott. Creativity can flourish in the numerous classes of art where a variety of materials are used for self-expression. International Relations Club

Members of the International Relations Club are interested in developing an understanding of contemporary international problems. One of the highlights of the club's year is the Model UN, held this year in New Providence on the weekend of April 5, at which the IRC delegation represented Czechoslovakia. The club's advisor is Mr. Hutchings. This year's officers include:

Miriam Boraas	President
Betsy McKenny	Vice-President
Linda Babuska	Secretary
Francine Strauss	Treasurer

Senior Cabinet

The Senior Cabinet, sponsored by Mr. Best, consists of representatives from each U.S. History II class who act as a steering committee for all social studies activities.

Student Council

The Student Council Executive Board, under the direction of Mr. Hoffman and along with the Student Council representatives, act as a liaison between the homerooms and the Council. Among the activities they sponsor during the year are the freshman party, pep rallies, the Pigskin Hop, and the "R" party. A clothing drive for the children of Appalachia, a change in the honor roll system, and a revision in the dress code were part of the Council's administrative achievements.

The officers for 1967-1968 are:

Miriam Boraas	Vice-President
Bonnie Gregory	Secretary

The Latin Club, under Mr. Kulaga, is one of the most active foreign language clubs in the school. Its purpose is two-fold: (1) to stimulate a further interest in the learning process of the language, and (2) to enjoy in a somewhat relaxed atmosphere the literature and other humanities of "Roma Antiqua" which is the heritage of modern man. The fulfillment of this purpose is the Ides of March when the members of the club commemorate this historic event in their annual Roman banquet. Field trips are taken to Princeton University, Columbia University, and other Institutions, where students receive some insight into the propagation of their classical studies.

French

This year the French Club enjoyed the presence of Mademoiselle Miconnet, a young teacher from France. The club held two parties for her, and at her "Bon Voyage" party presented a bracelet to her. The club, which also explores the customs and culture of France, is under the supervision of Mr. Townsley and Mrs. Ferrucci.

There has been a foreign flavor in Scott this year. Student teachers Evelyn Miconnet of France and Guido Orozco of Guatemala taught classes in their native languages. In addition Mirtha Gutierrez, an exchange student from Peru, spent ten weeks in the home of Linda Babuska, attending classes at Scott and learning about life in America.

The Russian Club, under the supervision of Mr. Kulaga, gives its members an understanding of Slavic customs, culture, and literature. This year's activities included a celebration of the Russian Orthodox Christmas and a lecture by Mrs. Gozick on Russian customs.

Spanish

The Spanish Club, made up of interested students of Spanish and supervised by Mr. Wizda, is kept busy throughout the year. There are always foreign exchange students to be welcomed and trips to Spanish plays to be enjoyed. Of course, the big event of the year is the Christmas Fiesta and the breaking of a candy-filled pinata.

Future Physicians

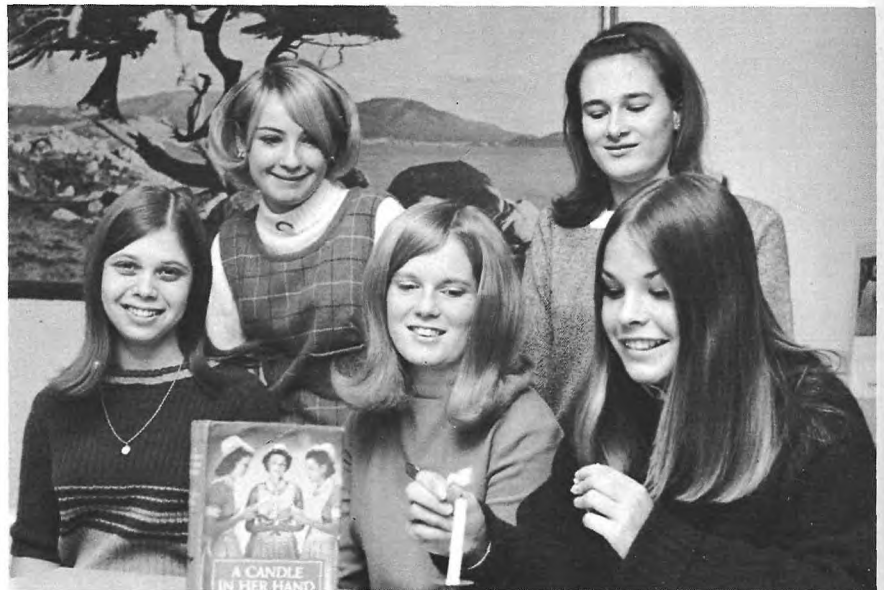

One of the smaller clubs at Scott, the Future Physicians Club is composed of students seriously considering a professional career in medicine or the biological sciences. With sponsors Mrs. Kaiser and Dr. Lawrence D'Aries, the group plans widely varying activities at meetings including first aid sessions in which a mock emergency situation is staged. Members then give emergency—and sometimes disastrous—first aid to one another.

Future Nurses

The members of the Future Nurses Club are girls interested in nursing, medical technology, and related fields. Between fund raising events, the club schedules speakers and trips to hospitals and the F.N.C. conventions in Atlantic City. Under the direction of Mrs. Kaiser, the F.N.C. explores topics ranging from practical nursing to opportunities for the college graduate in this field.

Officers. Seated A. Fox, P. Wilmot, M. Siversen Standing N. Morrow, J. Dougherty

Senior Medical Assistants

This handful of helpful students, under the direction of Mr. Best and his unforgettable clip-board, can be seen daily in the school cafeteria after both lunch periods. Members are expected to keep the dining area in order by picking up stray trays, empty lunch bags, and fallen utensils. These hard workers also lend a hand in straightening the tables and chairs, as well as in keeping the hungry students happy. The president is Steve Lindahl.

Astronomy

Under the supervision of Mr. Perkins, the Astronomy Club held a profitable series of meetings on the use of astronomical equipment and the recognition of stellar bodies. The culmination of the year's activities was the sighting of Saturn and two of its moons.

Photography

Andrew Yeager, Stephen Parker

The Photography Club studies the various aspects of photography including composing pictures, developing films, and making enlargements. The club makes use of the darkroom with its enlarger and other photographic facilities. Mr. Wagman advises the photographers in their endeavors.

New Clubs at Scott

Three new clubs of varied interests were formed this year. One of the most popular seems to be Mr. Bobby's Academic Games Club, which increases the intellectual capacities of its participants, using such games as Propaganda, Wff'n Proof, and Equations. Mr. Dillard's Jazz Club promotes interest in the form of music known as jazz. The Amateur Radio Club, with Mr. Cohen as sponsor, is interested in the aspects of radio broadcasting. The formation of these three clubs indicates the extensive and expanding interests of Scott students.

Canteen Board

Planning dances to support athletic teams after games is the primary function of the Canteen Board. The members are selected from students who show interest in the Board. Most of the Canteens are held at the Franklin Library. However, a Flop Hop was held at Incarnation Church and proved to be quite successful.

The audio crew, under the supervision of Mr. Bohsen, is made up of students who are interested in electronics and are willing to put in extra hours of work before and after school. They become acquainted with the uses and limitations of audio equipment and keep the equipment in working order for programs and dances. The visual aids committee, under Mr. Dorne and Mr. Rizzolo, assists in the care and operation of visual equipment and learns to operate it in classrooms and in the auditorium.

Upon attending school functions in the auditorium, one is greeted by senior girls who hand out programs and lead him to his seat. They are involved in various activities, from plays and concerts to graduation exercises.

Dramatics

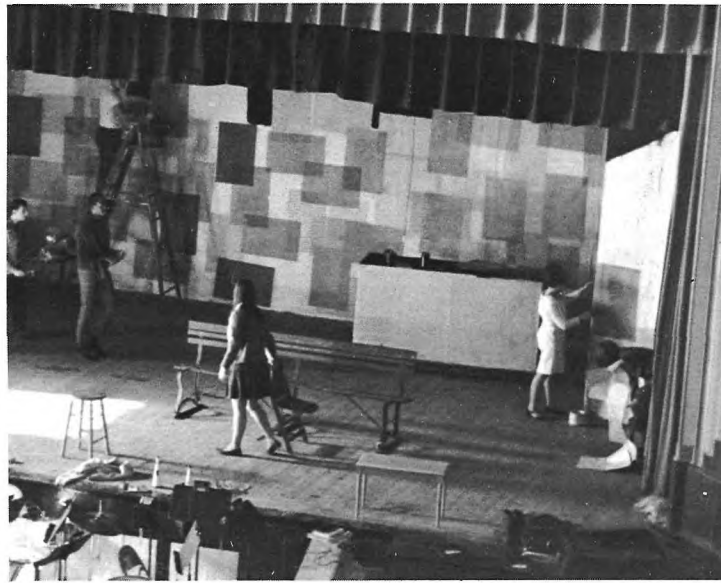

Drama and its related activities play an important part in Scott's extracurricular life. The Highland Players, the drama club, is a loosely-knit group which has the Scott chapter of the National Thespian Society as its core. The stage crew works with the drama group to produce the plays by building sets, moving props, and taking care of lighting. The Flag Committee is responsible for the flag salute at each assembly, and major assembly programs are planned by the Assembly Committee. All of these groups are under the supervision of Mr. Touchet.

Great Books Club

The Great Books Club meets once a month in discussion groups led by Mrs. Trawin to consider works which have influenced the development of Western civilization. Discussions are informal and members are encouraged to express their opinions freely. Readings this year have included works by Plato, Machiavelli, and Thoreau.

The Writers Club and the *Thistle*, both under the supervision of Mr. Bobby, are two separate organizations with more or less the same purpose. Members of the Writers Club are encouraged to bring anything they write, no matter how long or how short, to meetings in the hope that group discussion will lead to suggestions for improvements. The club's purpose is achieved when a budding author or poet comes out of a meeting with a better piece of writing than he brought in. The *Thistle*, Scott's youngest publication, prints many of the short stories, poems, and essays discussed in the Writers Club, but also welcomes contributions from all members of the student body.

BAGPIPE

After the 1967 Scholastic Press Association of New Jersey Convention at Upsala, the *Bagpipe* executive board pledged to create an award-winning school paper. The die was cast and they began preparation for the following issues. The first step was to announce a new policy: to print a livelier paper. The second step was to do it. Covering topics from the hippies to the war in Vietnam and from the mini-skirt to the coming Presidential elections, the staff brought life to the paper. Barbara Blanks received special recognition from the *Newark News* for her article on the East Village hippie cult. A poll was taken on the popularity of our government's Vietnam policy; a majority were against it. Student rioting in the Newark school system was another area touched upon. Paul Fleck broadened the scope of the sports page to provide interest for even the girl reader. Under the advisorship of Mr. Hooper and with a hard-working managing editor, Andrew Yeager, Keith Townsley and his staff were able to publish a paper with much credit to the school.

EDITOR-IN-CHIEF

New things have happened in the *Tartan* office this year. The editors and board set about early in September to create a yearbook with a new journalistic style. Exciting color splashes many areas from the title page to the senior section. With Mr. Downie acting as co-ordinator, the staff was able to combine new ideas with tradition and lots of pictures.

"It's good!" Gary Moore kicks winning field goal against Vailsburg.

Coach Hill and Rizzolo watch game closely.

This year's football season started with three straight losses to powerful Madison, Roselle, and Highland Park. The Scotties then upset Rumson-Fair Haven, 14-7, in what proved to be the start of a four game winning streak. It was broken when Carteret came away with a thrilling last minute 20-19 victory. Tri-captains of the team, which finished with a 4-5 record, were Jim D'Amato, Tom Fjellman, and Pat Genova.

Soccer

This year the Scott High School soccer team compiled a 6-6-4 record. They displayed the pride and desire required of a fine team. The traditional Harrison game played under the lights was lost 2-1; however, the Scotties displayed fine skill and ability, losing in the final moments of play on a penalty kick. Hugh Flaherty was the high scorer, netting six goals. The Scotties are expected to come back strong next year with ten returning lettermen. Dave Willett and Russ Maillard were the co-captains of the booters.

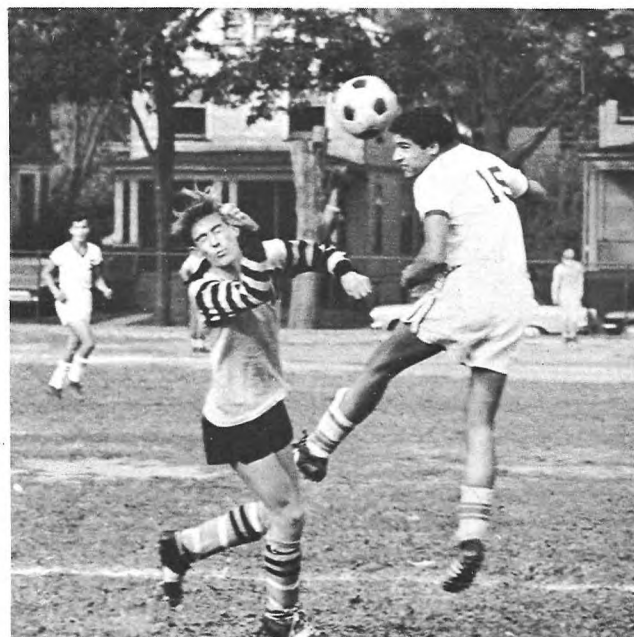

Mark Wisneski displays skill in heading the ball.

Basketball

John Costley plays defense.

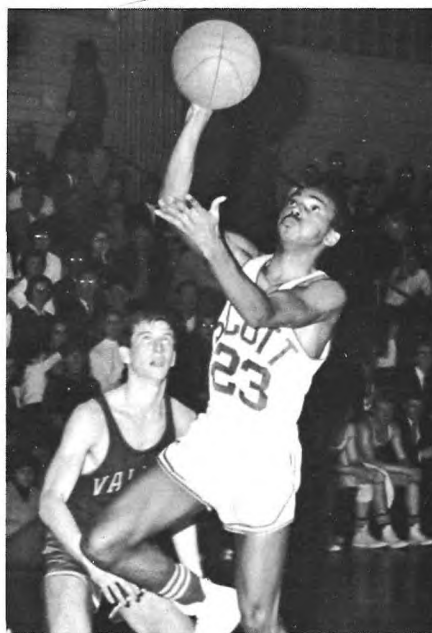

Scott's 1967-68 basketball team has shown as much power and ability as any other of Coach Lyons' past teams. With a skillful starting five and a reliable bench, the Scotties obtained a 17-8 record. In the Garden State Conference they compiled eleven wins and three losses, taking second place to Roselle. The squad suffered two unnecessary losses to Metuchen and South Brunswick which would have put the cagers in first place. In victories over Mountain and their first encounter with Roselle, the Scotties looked very impressive; however, they could do little on the Ram's home court. In the Essex County Tournament Scott played a fine Bloomfield team in a disappointing contest that removed the Lyonsmen from tournament play.

Since five of this year's nine lettermen shall return next year the outlook for the future is most impressive.

Baseball

Joe Colabelli follows through on a pitch.

First baseman Mike Howard prepares a catch.

The 1968 Baseball team looks to repeat its success of previous seasons. Starting his fourth year as head coach, Fred Hill hopes to capture his third successive Group II Sectional title. Hill's composite record stands at 60-18. The Scotties' number one goal for 1968 is to move into the top spot of the Garden State Conference. The Sectional title and an invitation to the annual Greater Newark Tournament are secondary goals to the G.S.C. Championship. Coach Hill's squad boasts eight returning lettermen from last season's 20-6 team. The pitching staff will struggle to replace All-Stater Bob Hackett, and the infield will miss Ron Klein, both who graduated. Another void to fill is that of John Curtis who led the Garden State Conference in batting. This year's team promises to continue in Scott's baseball tradition with tight defense, aggressive offense, and good pitching.

Track

Javelin throwers Wayne Steinfels and Mike Chiaravallo warm-up for upcoming meets.

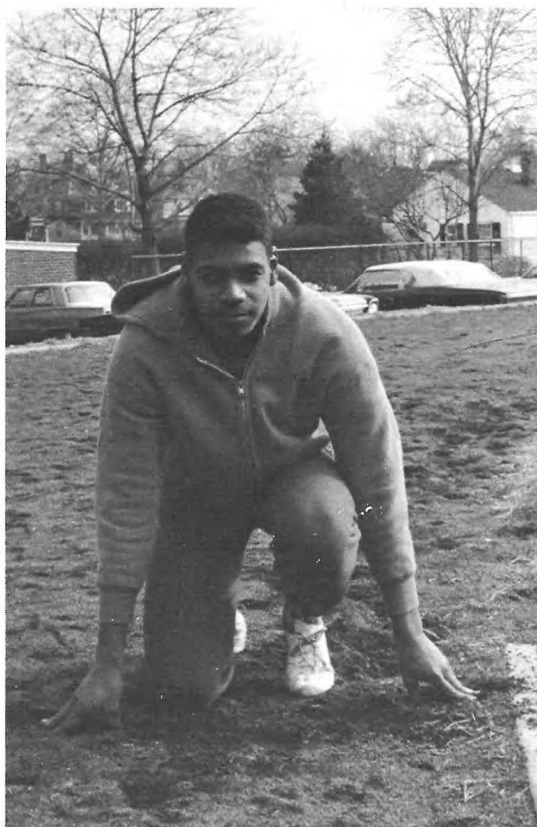

The Scott Track Team for 1968 has high hopes this year for the Sectional Group II title. With outstanding performances by State Indoor Mile Champion Clyde Fletcher and second place 440 Champ Stan Dickson, the Scotties hope to gain state-wide recognition. The 55-man squad might have trouble in retaining last year's Garden State Conference supremacy. Coach Best feels Highland Park, Metuchen, and Carteret will provide tough competition for his largely inexperienced team. There are only seven lettermen returning from last year's championship team. With strong effort from all the boys, Coaches Best and Pollock hope to make respectable showings in the "big" meets such as the Essex County Championships and the new Board of Education Meet.

The future record of the tennis team lies in the dedication of the five freshmen who now make up half the roster. Co-captains will be appointed each year, one senior and one junior. This year's co-captains are Frank DeAngelis and Robert Deutsch.

Opportunities for after school sports have expanded in the Girls' Athletic Department this year. A double elimination volleyball tournament started the year. Early in December a group of girls challenged the boys to a game of soccer which turned out to be enjoyable for all. Mrs. Wright and Mrs. Krueger also organized a basketball tournament. Mrs. Delezenski supervised a

long term bowling match at the Bloomfield Bowl-O-Mat. Swimming at the Y.W.C.A. in Orange attracted a large turnout of enthusiasts. An addition to the department is a set of uneven parallel bars which has encouraged gymnastics. Other sports in the roster include ping-pong, softball, and tennis.

SENIORS

A Message to the Class of 1968 . . .

Senior Class Advisors

Time has not solved the world's problems, rather it has compounded them. The world you now enter is at war. Strikes and riots plague the cities. Crime is at an all time high. It is our hope that during your four years at Scott you have mastered many skills, both academic and social, and that you will find these skills will enable you to better cope with today's living. Perhaps understanding through knowledge is the key to the future. We predict you will use your knowledge, not only for self-enrichment, but for the betterment of mankind.

—JOHN MAZZUTO and
MILDRED SPERLING

1968 Spring Supplement

"R" PARTY

May 17, 1968

One of the highlights of the Talent Show was the Belairs.

Cynthia Banks aims straight for another bullseye (?).

The melodious performance of Marcia Boraas and John Gahl astounded the audience.

Frank Haverick and his mystery counterparts (could they be Mark and Doug?)

Masters-of-Ceremony Paul Fleck and Vance Melillo lent their bit to keep the show rolling.

JUNIOR PROM

Queen Marcia Boraas and her date John Gahl walk in the promenade.

The Class of 1969 held its Junior Prom, "Garden in the Rain," on Friday, May 17, at 8:00 p.m. in the school gym. Music was provided by Ray and the Parliaments. After a promenade around the gym, Class President Craig Buggeln crowned Marcia Boraas as Queen. Her attendants were Michele Burns, Angela Falgons, Marilyn Register, and Robin Wilmot.

Queen Michele Sudul smiles for the photographer.

SENIOR PROM

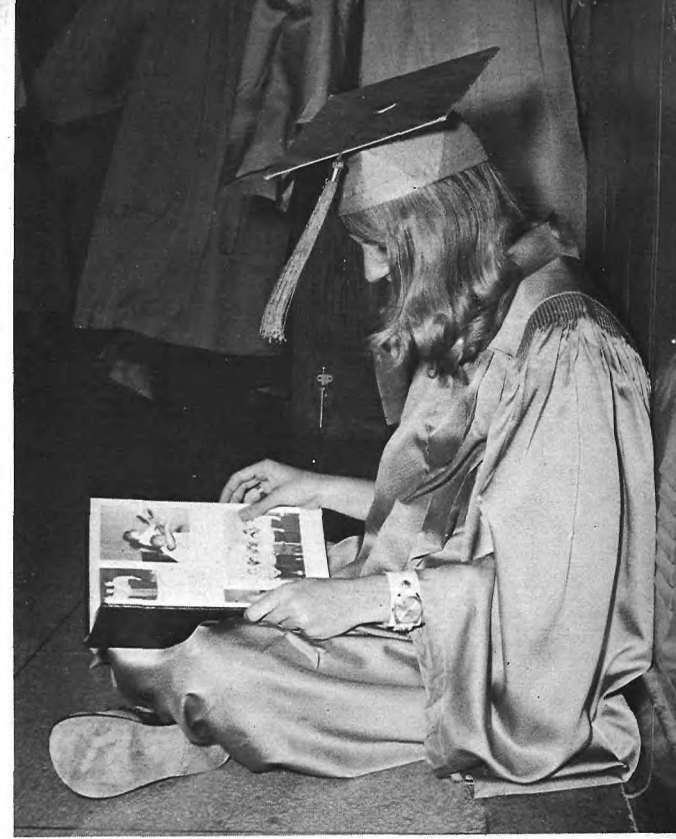

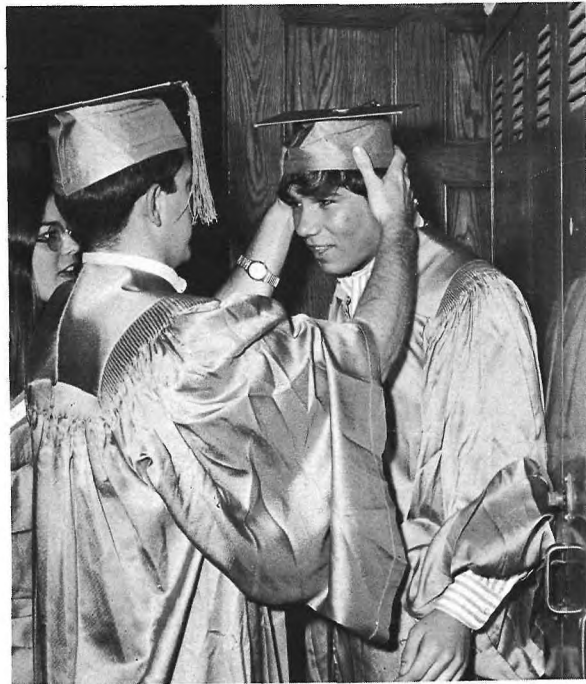

On June 7, 1968, at 8:00 p.m., the Class of 1968 held its Senior Prom, "Reflections: 1964-1968," at the Fountain in Belleville. Frank Currie and his band provided the music. The Queen of the Prom, Michele Sudul, was attended by her two princesses, Yvonne Toler and Susan Horn.

GRADUATION

Commencement exercises were held on Friday evening, June 21, in the school auditorium. In the midst of ceremonial tradition, graduating seniors received their diplomas. Now only these few glimpses remain of the Class of 1968.

Words of wisdom from Mr. Touchet are always of infinite help to the cast.
