# Expressions Expressions

## Expressions Expressions

Expressions we see  
Tell us a lot.  
We know when life's sunny  
And when it's too hot.

Sunny complexions,  
Faces of glee,  
Curious expressions  
Of people we see.

Some like to smile,  
Others only grin,  
Those filled with sunshine  
Will glow from within.

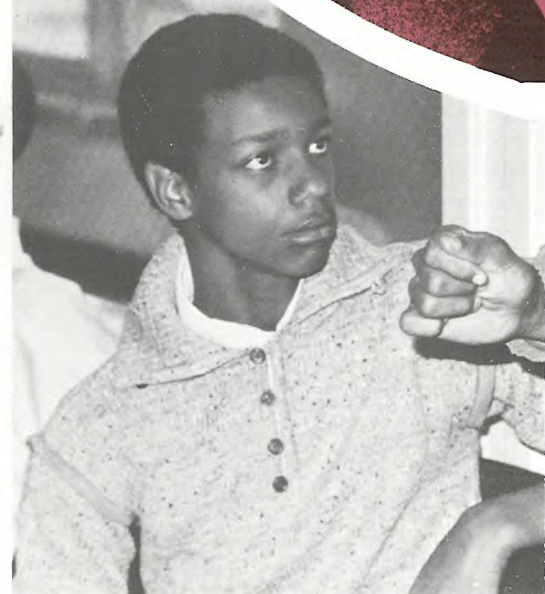

Laughter is ringing.  
Funny bones are full.  
Cries of excitement  
Have filled up the room.

We won't stop smiling.  
That would dull things.  
We'll never end laughter  
For the joy it brings.

# Within These Walls Within These Walls Within These

These hallowed halls  
That we know so well  
Will hold our remembrance;  
Will cherish our farewell.

A "good-bye" to this building  
Our home for the day,  
So-long cafeteria,  
We'll meet again someday.

We'll miss the heatless mornings;  
Fire drills in the rain;  
The principal's speeches;  
The band director's cold parades.

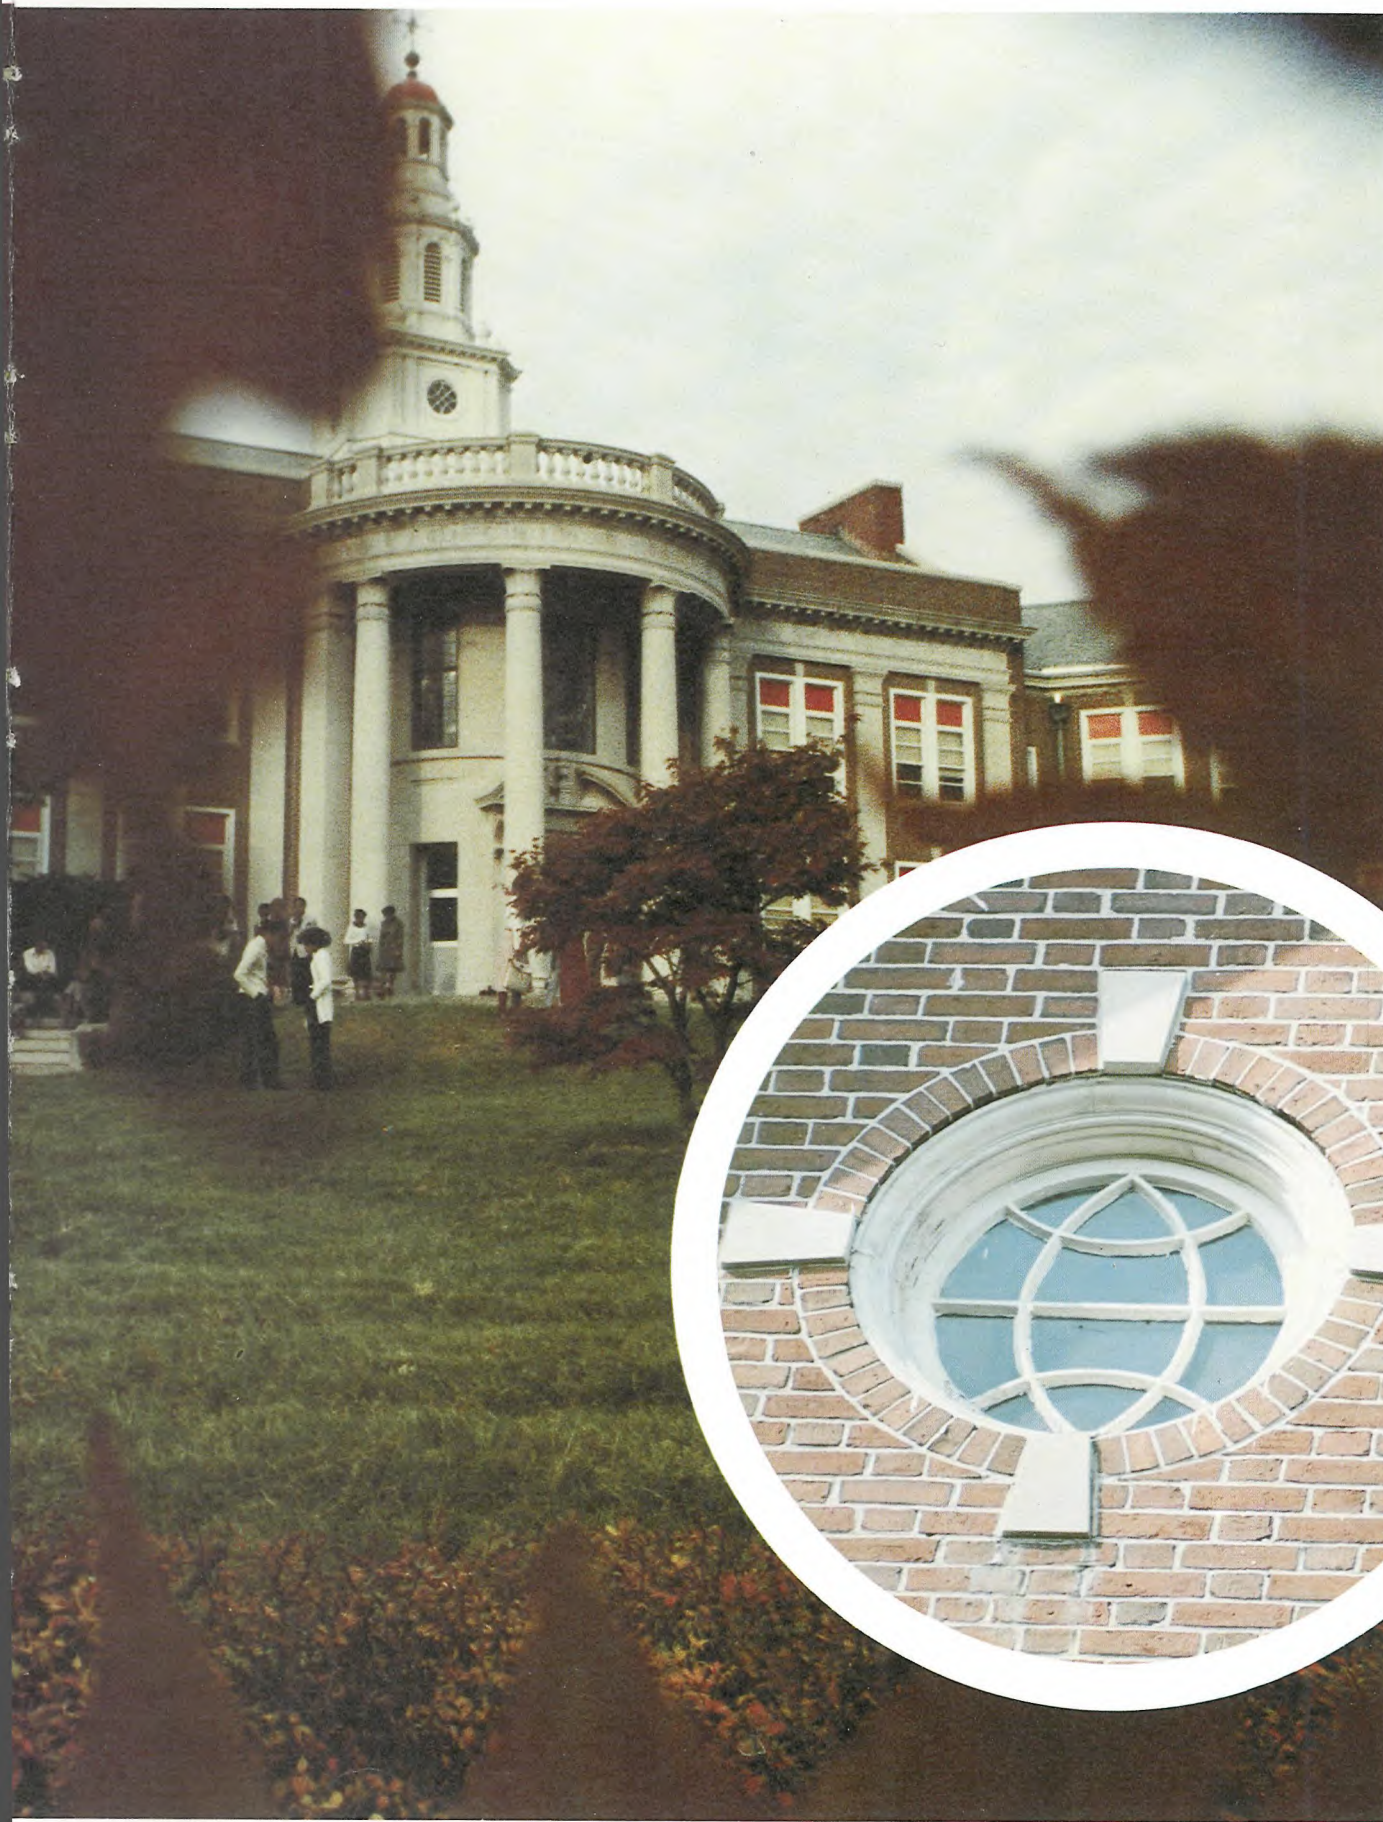

The crowded halls it seems  
were a vital part.  
We'll never lose these memories  
From which our knowledge grew.

Scott, we shall remember you,  
Anywhere we roam,  
Regardless of our station in life,  
We'll always come back home.

# Walls Within These Walls

# Concentration Concentration

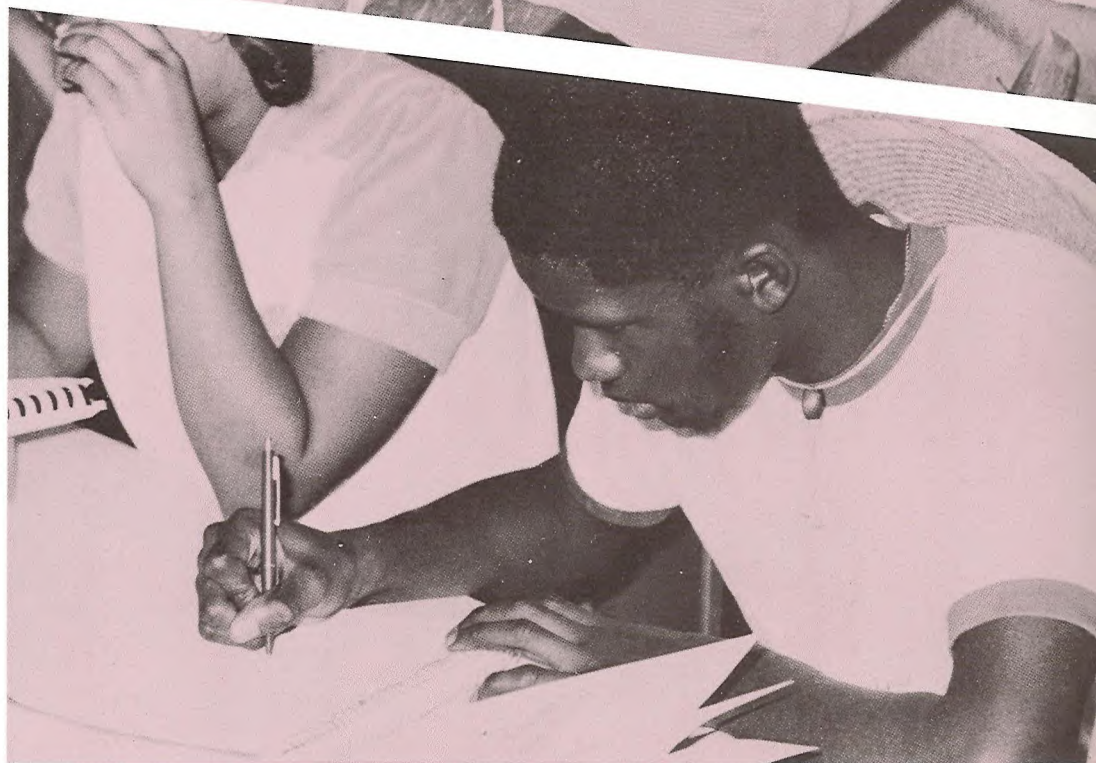

There must be a  
factor  
To help you get things  
done  
To put things in  
perspective  
It must be  
concentration.

Considering a  
problem,  
Or studying a theme  
Takes great  
concentration  
To tranquilize these  
scenes.

Deep in meditation  
Earnest admiration  
Thoughtful  
disputations  
All need  
concentration.

Life has just begun  
For we have  
overcome  
Now with  
concentration  
We'll build a new  
foundation.

## Concentration

# Togetherness Togetherness Toget

# herness Togetherness Togetherness

Having fun together,  
Working in a team,  
Sharing sweet embraces,  
Is what togetherness means.

Doing things alone  
Without a friend close by  
Is not a pleasant feeling  
For those who wish to try.

Having friends is something  
We all would like to share.  
Togetherness is terrific  
In times of great despair.

Togetherness is a feeling  
Deep within the heart  
Of friends who know that they  
Could never be apart.

# Beautiful People Beautiful People Beautiful People Beautiful People Beautiful People

# e Beautiful People Beautiful

We are beautiful people  
Truly we are here,  
With dignified farewells  
We end this final year.

We leave our precious beauty  
To those who will come next,  
To future generations:  
We leave our "Golden Text."

Our gold was self-acquired  
Simple to achieve  
We asked only our earnings,  
No more, less, or between.

We worked for our glitter  
No sparkle was untrue;  
We set high aspirations  
For we knew what we could do.

We are BEAUTIFUL PEOPLE,  
And to SCOTT, we leave this line,  
"Reach for higher learning,  
take only what is thine."

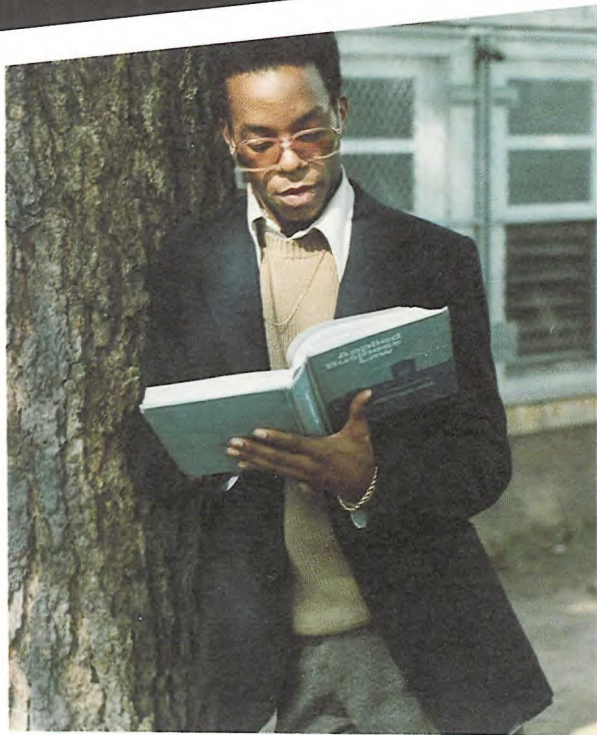

# Enlightenment Enlightenment Enlightenment

# ent Enlightenment Enlightenment Enlig

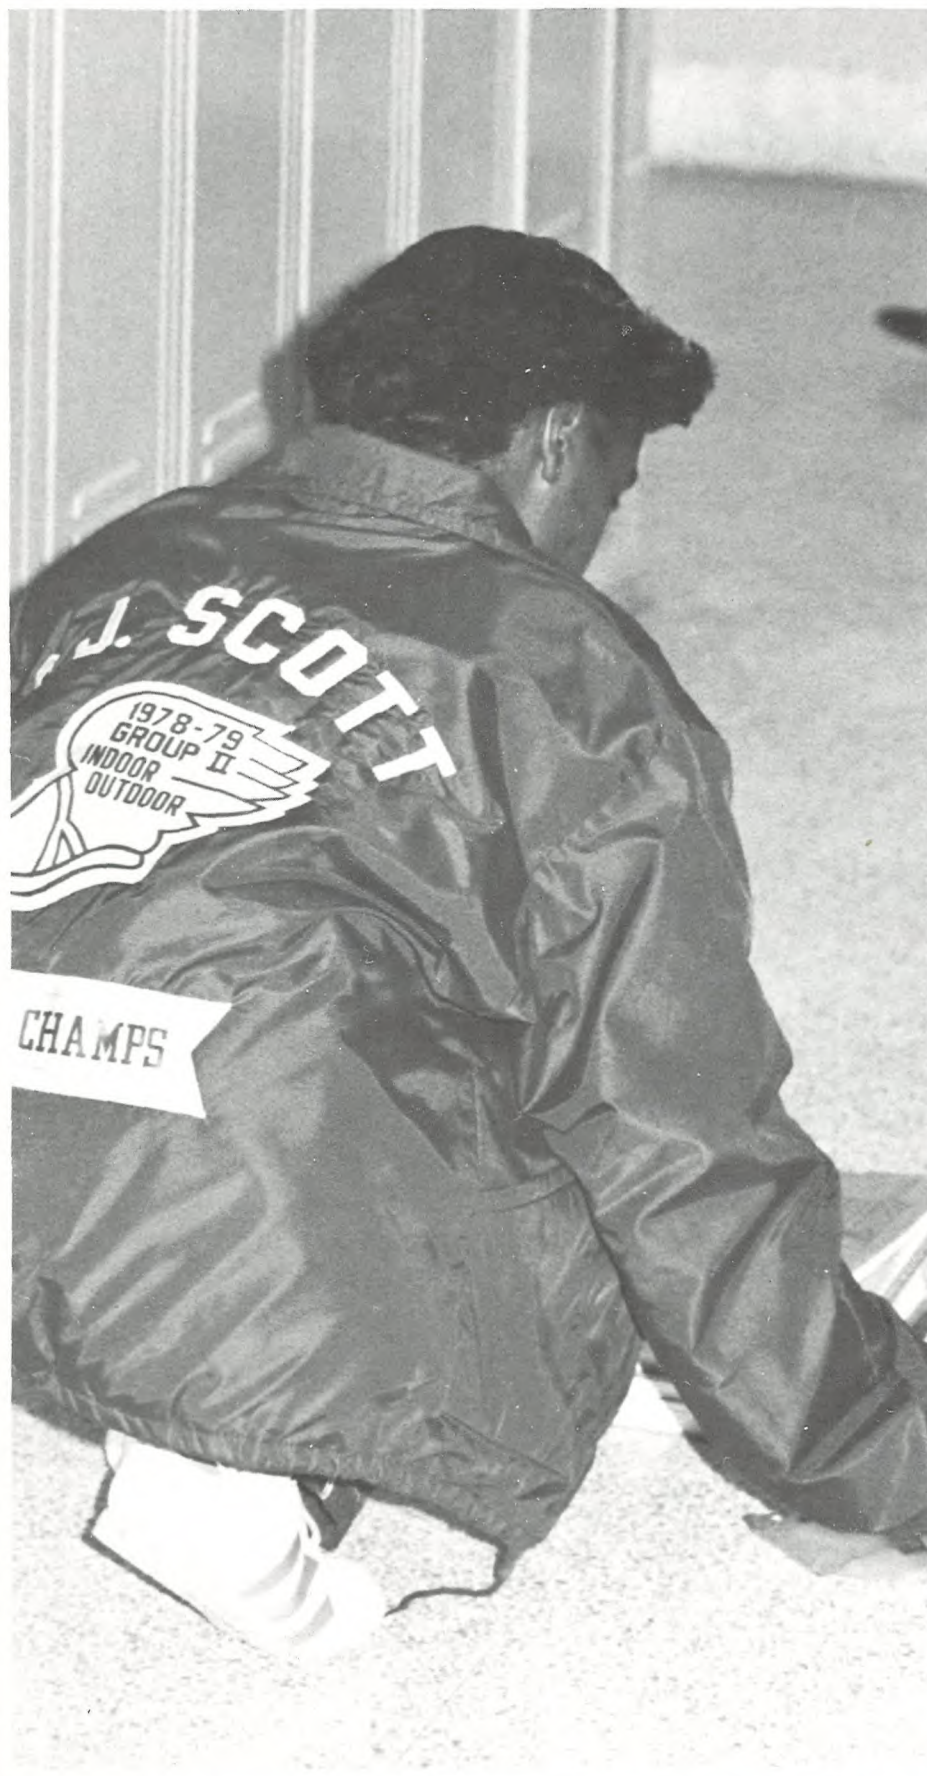

Who on earth can control the world  
With a blink of an eye;  
Conquer anybody and everything;  
Have all things worth having;  
Solve all worth solving;  
And find anything there is to find.  
... A person with a mind ...

# Spirit Industry And Spirit

Working hard together  
Can help obtain good things  
The spirits of indulgence  
Can make your thoughts take wings.

Striving for a goal  
Aching just to win  
Driving for perfection  
Working to no end.

Soon you find you're finished  
With the task begun  
The challenge greatly mastered  
Has finally been won.

It all seems to pay  
When they remember you  
For having sought to win  
In the good you tried to do.

# ning The Beginning The Beginning

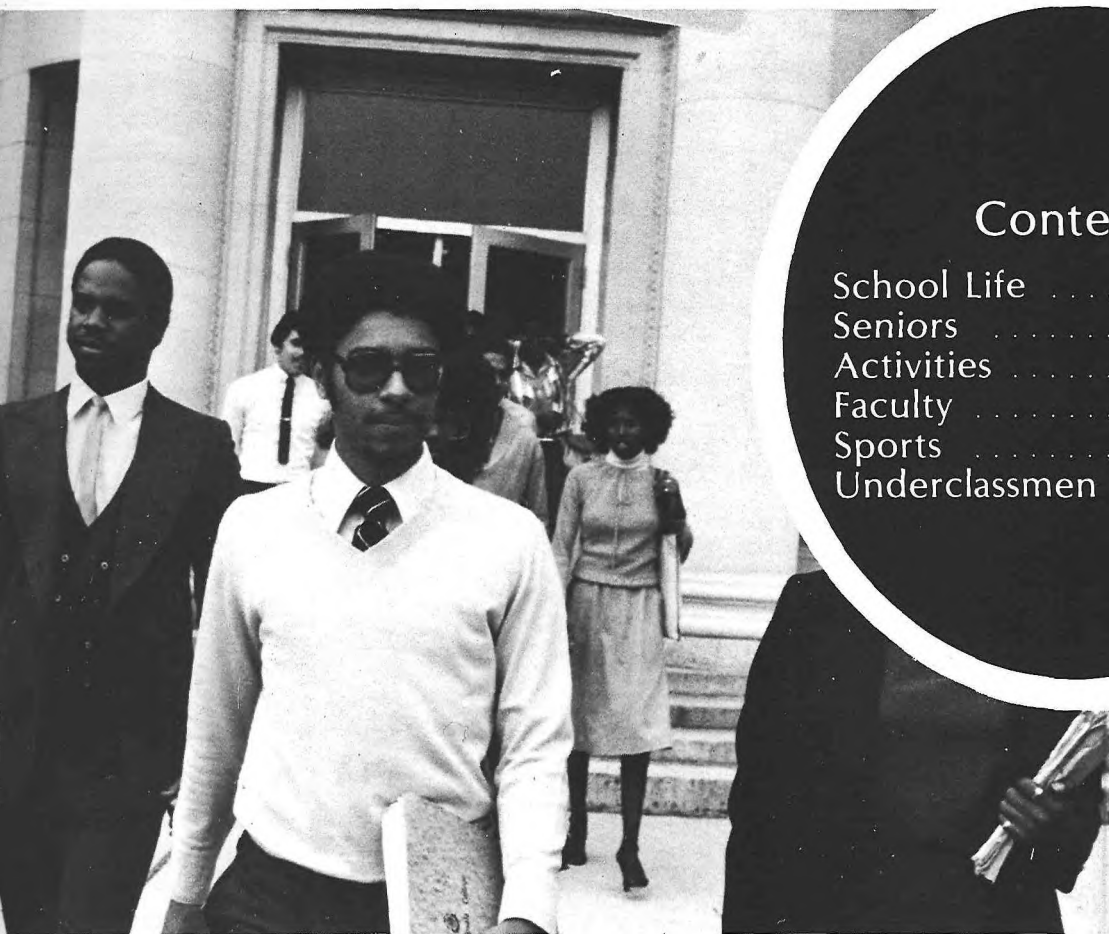

We end our lives at Scott  
Beginning something new  
The world that now awaits us  
Shall see what we can do.

Horizons to be crossed  
Have suddenly appeared  
The landing site is ready  
Departure time is near.

We now begin anew  
In God's holy view  
To venture toward success  
With the idea of doing our  
best.

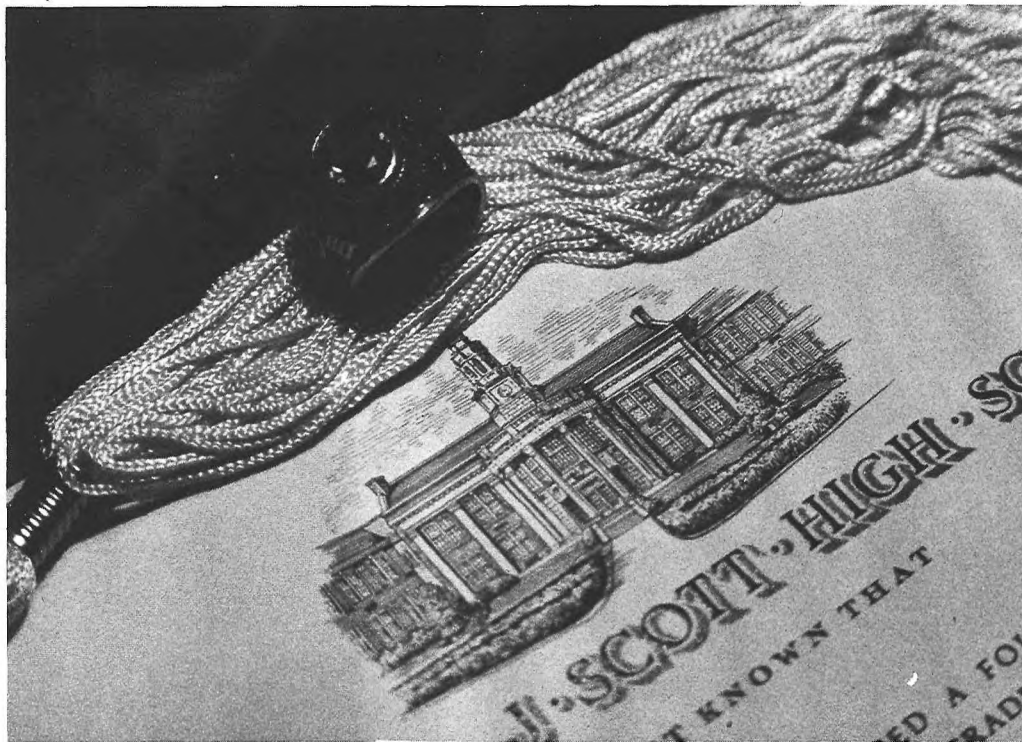

New beginnings are here  
A great life has begun,  
We shall go rejoicing  
For we have overcome.

The last year of our school life  
we love so well  
is here.  
It took eleven years to come,  
now  
it shall disappear.

Scott,  
we love thee dearly.  
Our hearts soar high  
with you.  
The earth has suddenly  
come alive;  
the reign of winter  
at last is through.

FAREWELL SCOTT,  
See you soon,  
We'll give your regards to the  
WORLD,  
we won't forget  
to look you up  
when we come again  
this way.

#### ACTIVITY DIVIDER POEM

Scott is full of activities  
That keep us all aware  
That life is full of unity  
It always wants to share.

Clubs keep us out of trouble  
And occupy our minds.  
They teach us to decipher  
Life's amusing rhymes.

We cherish our activities  
That keep us on the go.  
We work so very hard at them  
So that our success may show.

Football games  
Track meets  
Soccer plays  
Baseball feats ...

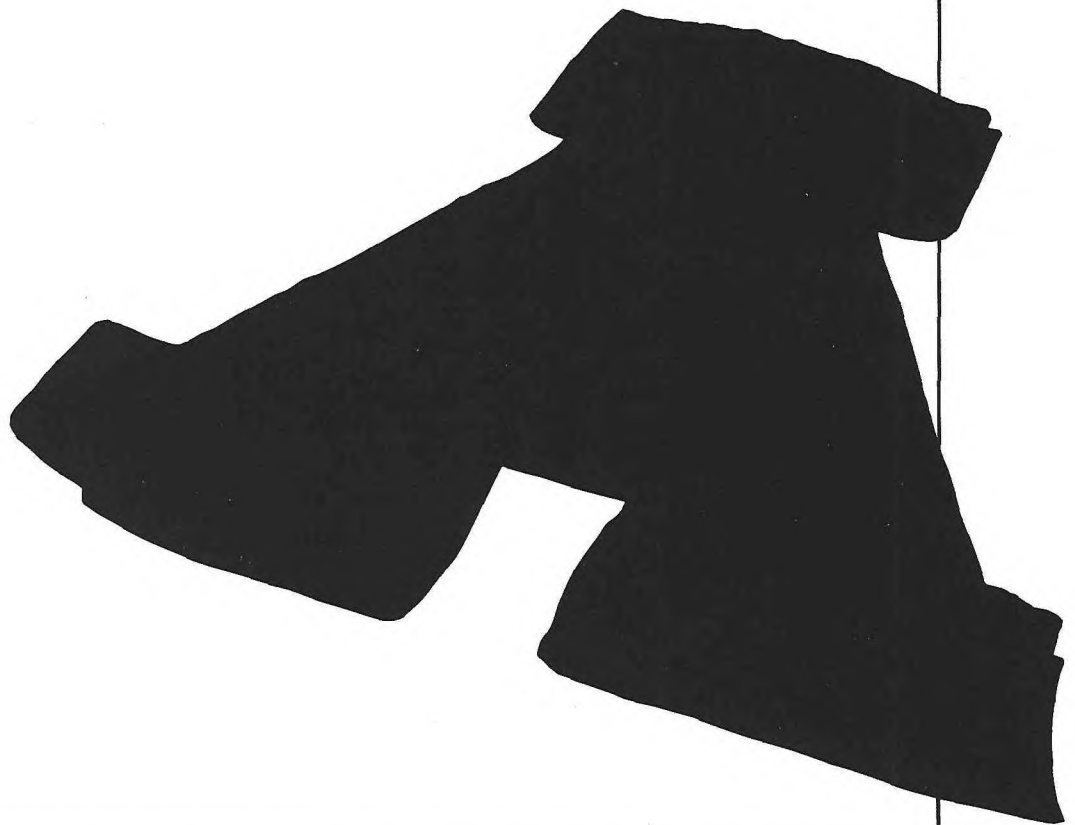

State Champs  
Jackets declare  
A 7 and 2 record  
Write-ups to show ...

Sports are fantastic  
Athletes are great  
Shh! We need silence  
..... trying to concentrate.

Victories on the court,  
Wins on the field  
Shut-outs on the track  
Bases that we steal ...

When the action starts  
All these fall in place  
There would be no living  
With no sports to embrace.
