ENLIGHTENMENT

Enlightenment is what it is all about,
To break down the barriers of ignorance and
apathy;
Not something to boast about or shout;
But to be used as an asset throughout.

DIGNITY — SPIRIT

As we apply ourselves to life,
We tend to love,
What we positively accomplish.

This feeling of success
Arouses feelings of endurance,
And with DIGNITY we strive for the best

Our spirits carry on
Reaching for our highest goals.
So we can truly say,
"MY BETTER IS BEST."

TOGETHERNESS

Having fun together,
Working in a team,
Sharing sweet embraces,
Is what togetherness means.

Doing things alone
Without a friend close by
Is not a pleasant feeling
For those who wish to try.

Having friends is something
We would all like to share.
Togetherness is terrific
In times of great despair.

Togetherness is a feeling
Deep within the heart
Of friends who know that they
Could never be apart.

We are beautiful people
Truly we are here,
With dignified farewells
We end this year.

We leave our precious beauty
To those who will come next,
To future generations,
We leave **our golden text.**

CLAS

BEAUTIFUL

S OF '82

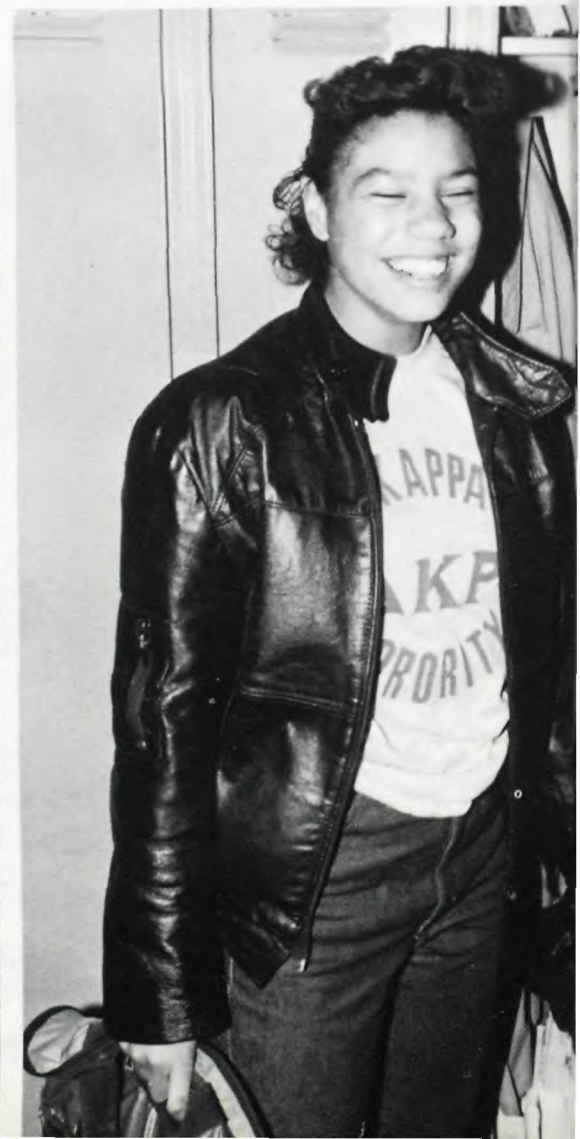

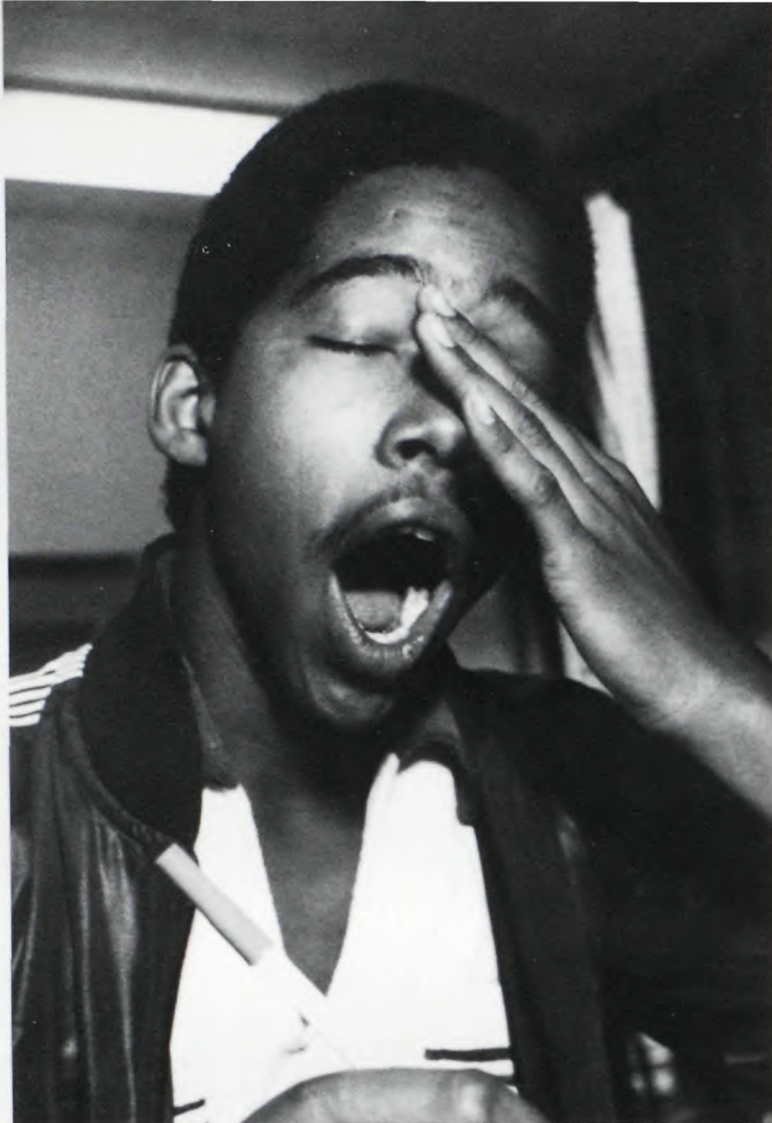

Our gold was self-acquired
Simple to achieve
We asked only our earnings,
No more, less, or between.

We worked for our glitter
No sparkle was untrue
We set high aspirations
For all the things we would do.

We are BEAUTIFUL PEOPLE,
And to our dear SCOTT,
We leave this line,
"Reach for higher learning,
Take only what is thine."

PEOPLE

EXPRESSIONS

Can you tell by looking at my face,
Whether I'm a thinker or my mind
dwindles in space,
Whether I'm a person who is serious or
giddy,
Whether I'm intelligent or simply just
pretty?
By my expressions do you think you
know me very well?
As you can see from these, they don't
always tell.

WITHIN THESE WALLS

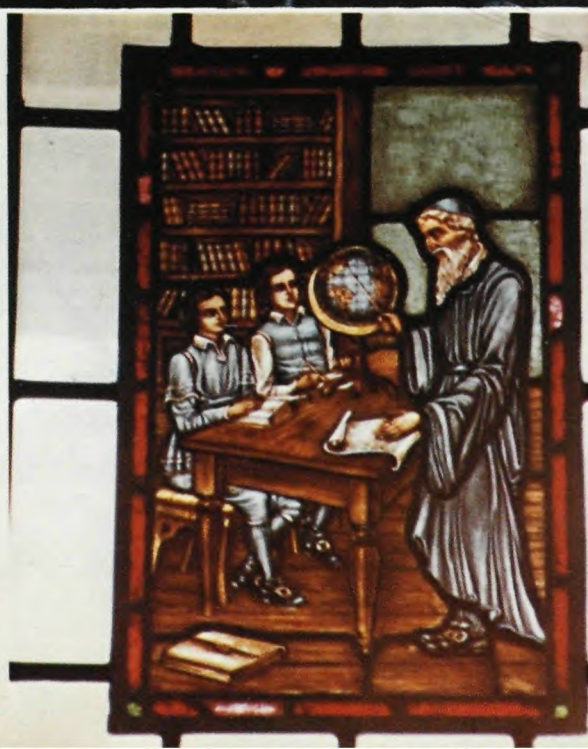

These hallowed halls
That we know so well
Will hold our remembrance
Will cherish our farewell.

A "good-bye" to this building,
Our home for the day;
"So-long cafeteria,"
We'll meet again some day.

We'll miss the heatless mornings;
Fire drills in the rain;
The administration's speeches;
The band director's cold parades.

The crowded halls it seems
Were a vital part.
We'll never lose those memories
From which our knowledge grew.

Scott, we shall remember you,
Anywhere we roam.
Regardless of our station in life,
We'll always come back home.

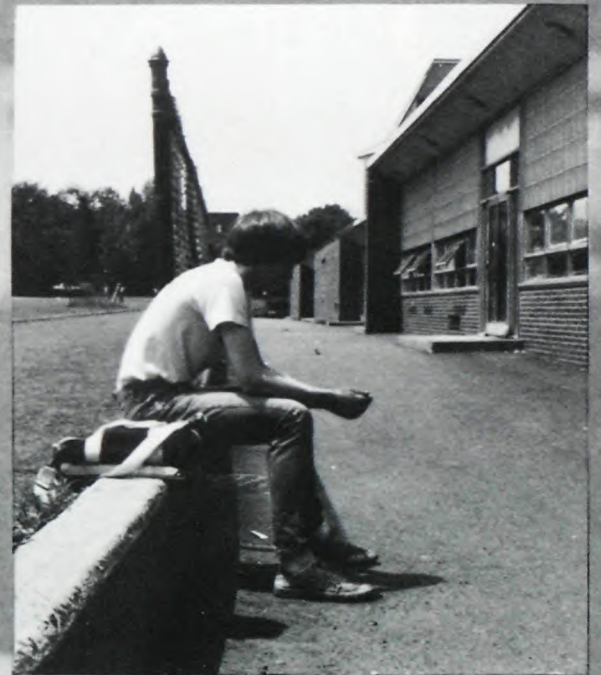

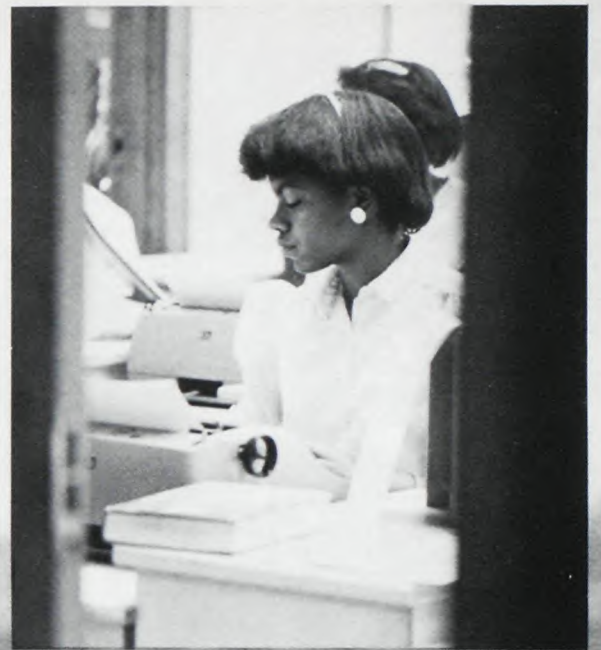

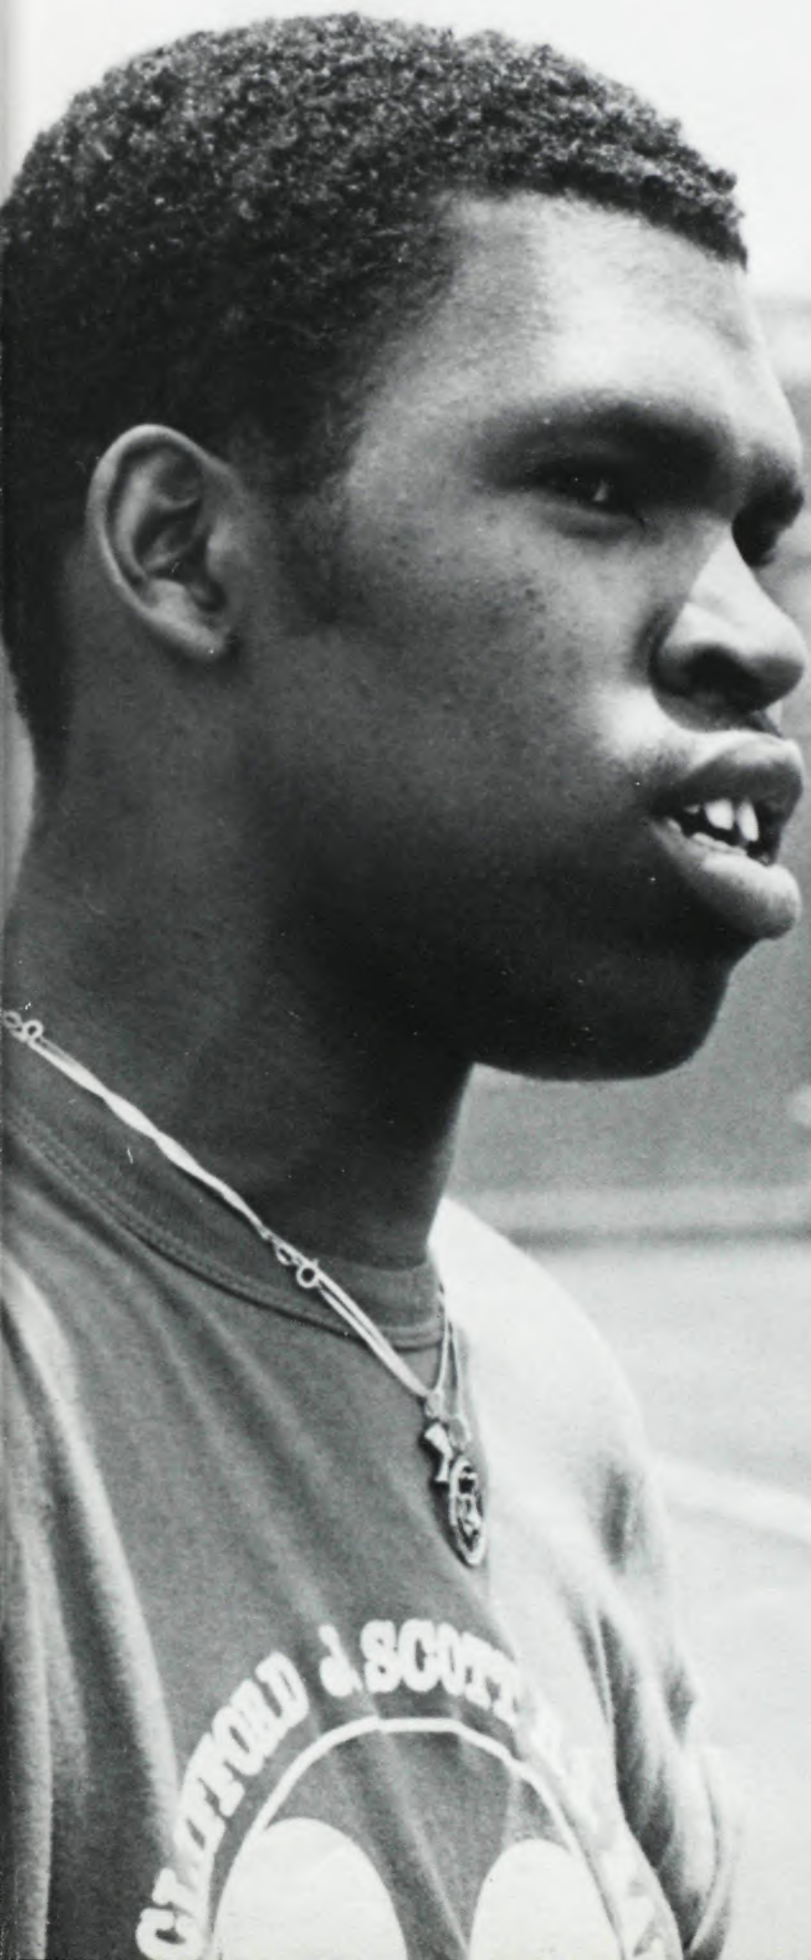

CONCENTRATION

Deep meditation,
Earnest admiration,
Thoughtful disputation,
Serious memorization,
Clever imagination,
ALL NEED CONCENTRATION.

Upon reaching our SENIOR YEAR, we began to realize how precious has been our high school experience. Memories of Clifford J. Scott shall remain forever in our minds. Blithe acceptance of our opportunities are replaced with true evaluations. The stage is set and the players eagerly await the innumerable dramas waiting in the wings for the curtain to be raised.

In victories and defeat we have through our sense of individual responsibility gained success as a whole. Whether we won, or lost, we learned what it meant to work together for a common goal. Thus we have found a common pride in our school and ourselves. Finally, as we grow older and sometimes wiser, we may tend to forget the memories and experiences of the past. We must not allow this to happen. For without these memories and experiences, we stand in danger of losing a part of ourselves. Farewell Scott!

Athletics play a dramatic role at Clifford J. Scott. Athletes are taught good sportsmanship, sports' skills, body discipline during practice sessions, and the best use of their potential.

Winning a game gives joy, but losing against a better opponent strengthens the desire to play harder the next time.
