## CONCENTRATION

Concentration is like the rolling ocean  
So deep and very wide;  
No force can ever hope to check  
Or stop its surging tide.

Like craggy mountains towering upward,  
Vast and strong and tall,  
There is no measure of this  
CONCENTRATION  
That we have at our call.

## TOGETHERNESS

Having fun together,  
Working in a team,  
Sharing sweet embraces  
Is what togetherness means.

Doing things alone  
Without a friend close by  
Is not a pleasant feeling  
For those who wish to try.

Having friends is something  
We would all like to share.  
Togetherness is terrific  
In times of great despair.

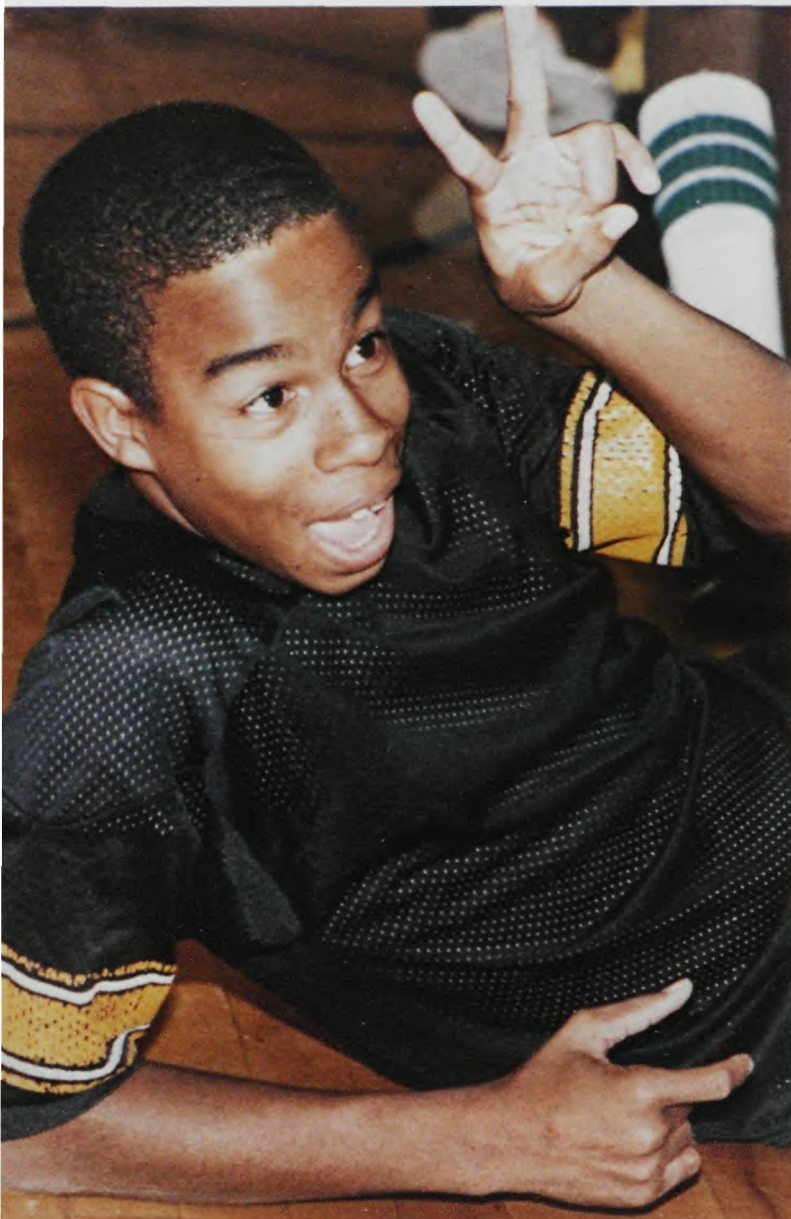

Togetherness is a feeling  
Deep within the heart  
Of friends who know that they  
Could never be apart.

## EXPRESSIONS

Can you tell by looking at my face,  
Whether I'm a thinker or my mind dwindles in space,  
Whether I'm a person who is serious or giddy,  
Whether I'm intelligent or simply just pretty?  
By my expressions do you think you know me very  
well?  
As you can see from these, they don't always tell.

## DIGNITY AND SPIRIT

As we apply ourselves to life,  
We tend to love,  
What we positively accomplish.

This feeling of success  
Arouses feelings of endurance,  
And with DIGNITY we strive for the best.

Our spirits carry on  
Reaching for our highest goals.  
So we can truly say,  
"My better is best."

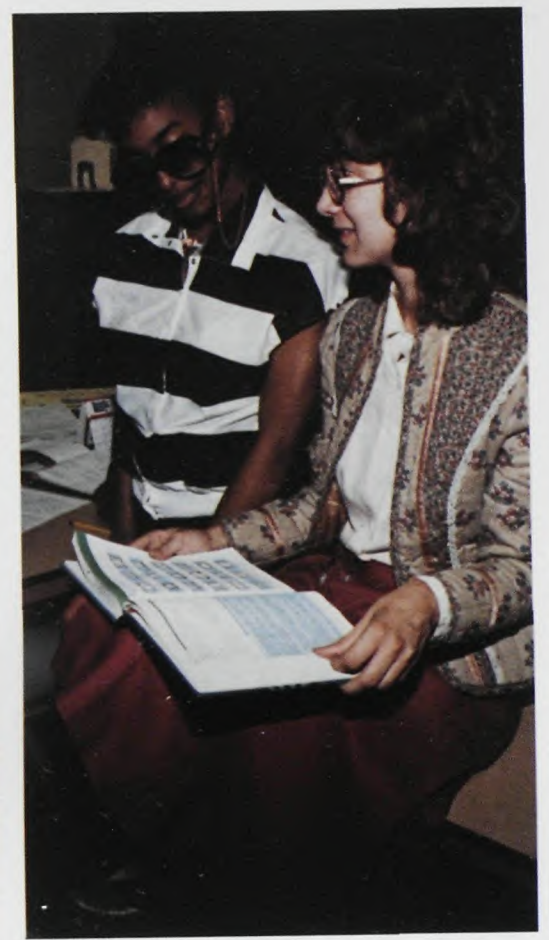

## ENLIGHTENMENT

When the world has crashed about your feet  
And the skies are sombre grey,  
When you feel that life is over  
And there's nothing left to say,  
Turn your mind toward enlightenment  
For it always leads the way.

## WITHIN THESE WALLS

There is strength      There is pride  
Within these walls.      Within these walls.

There is knowledge      There is dignity  
Within these walls.      Within these walls.

There is love      Within these walls,  
Within these walls.      Success can only be yours.

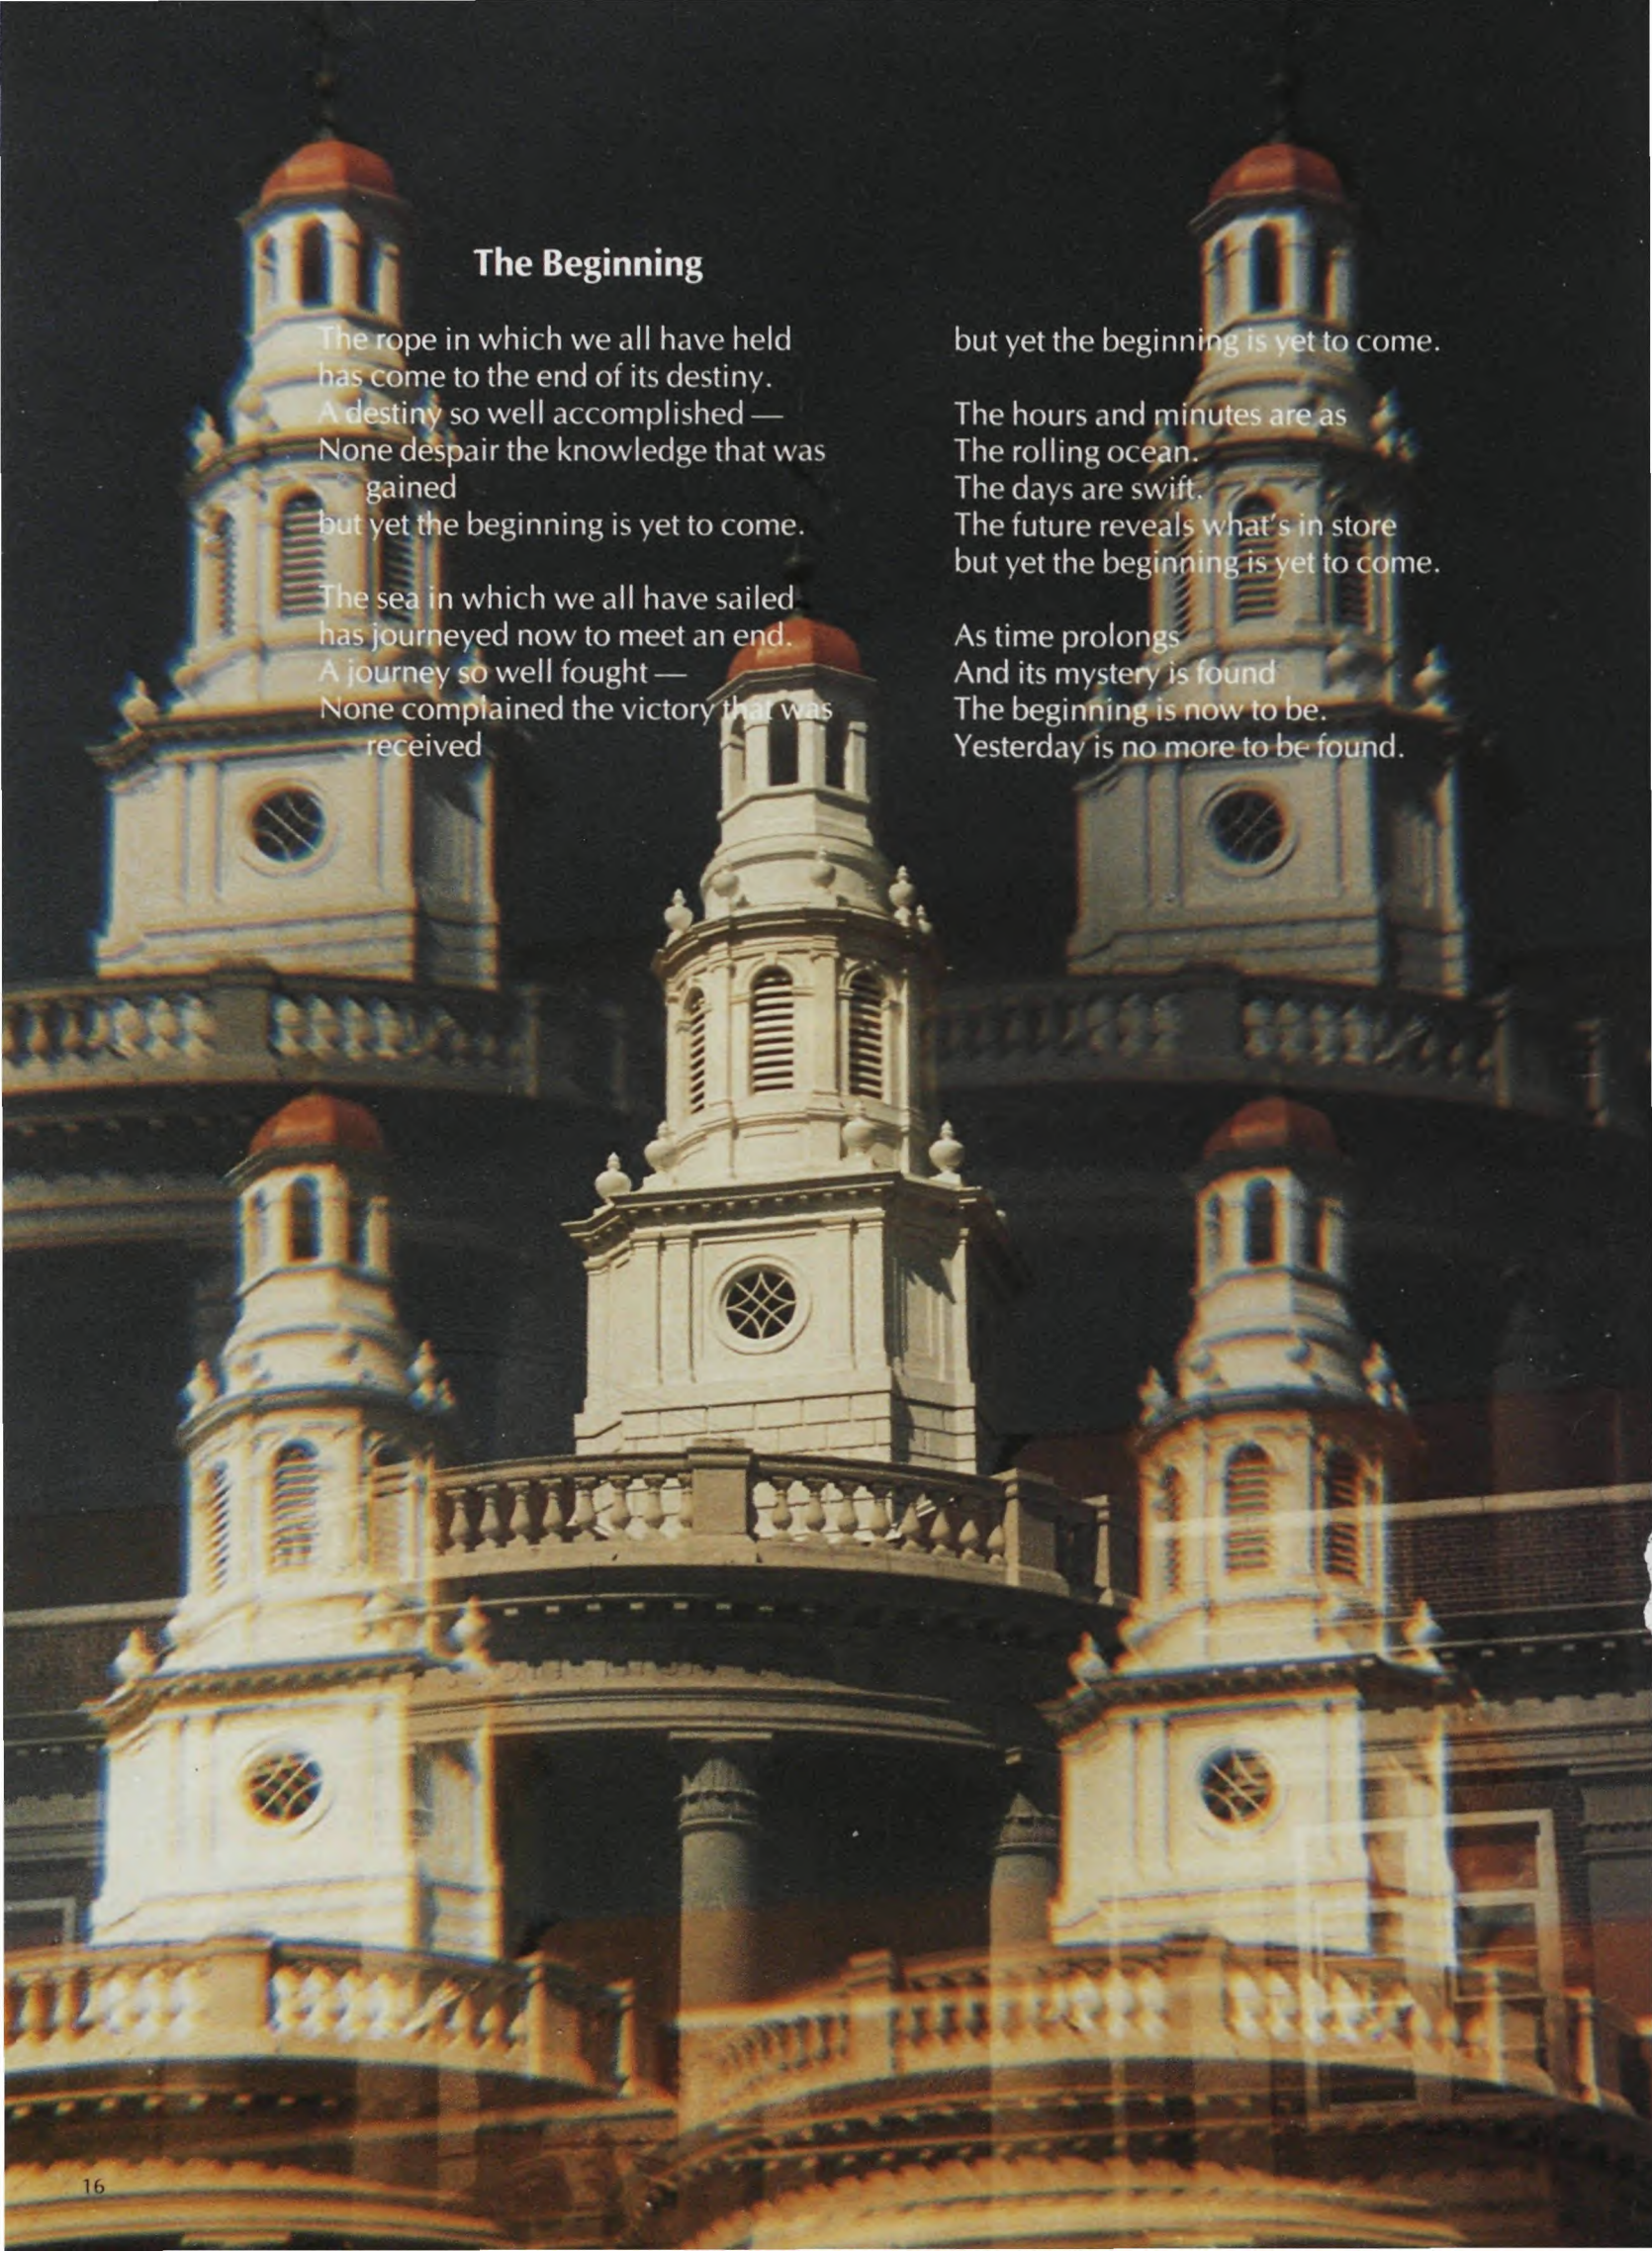

There is friendship  
Within these walls.

## The Beginning

The rope in which we all have held  
has come to the end of its destiny.  
A destiny so well accomplished —  
None despair the knowledge that was  
gained  
but yet the beginning is yet to come.

The sea in which we all have sailed  
has journeyed now to meet an end.  
A journey so well fought —  
None complained the victory that was  
received

but yet the beginning is yet to come.

The hours and minutes are as  
The rolling ocean.  
The days are swift.  
The future reveals what's in store  
but yet the beginning is yet to come.

As time prolongs  
And its mystery is found  
The beginning is now to be.  
Yesterday is no more to be found.

# ACTIVITIES

Scott is full of activities  
That keep us all aware  
That life is full of unity  
It always wants to share.

Clubs develop cooperation  
and occupy our minds.  
They teach us to decipher  
Life's amusing rhymes.

We cherish our activities  
So that success we may show.  
We work very hard in them  
To keep SCOTT aglow.

# UNDERCLASSMEN

We love these underclassmen  
For soon they shall be  
The top of the ladder  
That marks VICTORY.

They have the ability  
To illustrate their strength  
By reaching destinations  
That seem of great length.

Our underclassmen  
The youngest of the string  
Are dear to us as part  
Of Scott's great family.

These underclassmen  
We know shall do well  
They'll meet every challenge  
Surely without fail.

# SPORTS

The spirit of our lives  
lends help and aid to fame.  
This type of spirit is in our students  
and comes out in every game.

To lose or be set back  
is nothing but a test.  
For in the end, as we all know  
C.J.S. is one of the best.

Our talent in school is shown and  
our skill in sports displayed.  
It's not just from the seniors.  
it comes from all the grades.

The applause our athletes hear  
is in putting together all hands.  
And our true spirit lies inside  
our very loyal fans.

very much in keeping with a symbol of the power of
