

TOGETHERNESS

Our school is filled with togetherness. We work together as one.

Our school is filled with togetherness. We play together and stay together.

Our school is filled with togetherness.

That will go on forever and ever and keep us number one.

CONCENTRATION

Concentration is the key to success, for you must concentrate to understand.

Concentration is an important ingredient for every one of us.

We need to concentrate instead of trying just to guess.

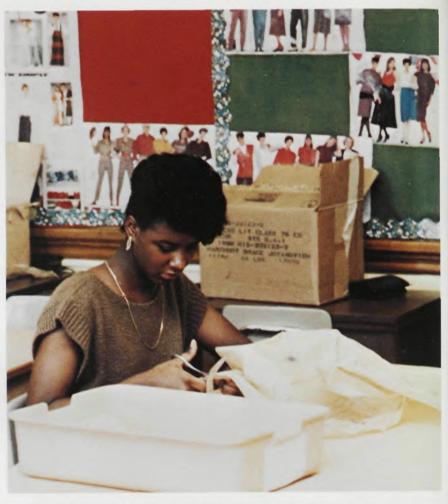

Concentration is a skill that we should practice every day.

Concentration gets our minds functioning in every way.

Concentration keeps our brain thinking, working, and operating.

Concentration is the key to success, for if we concentrate we surely can pass any test.

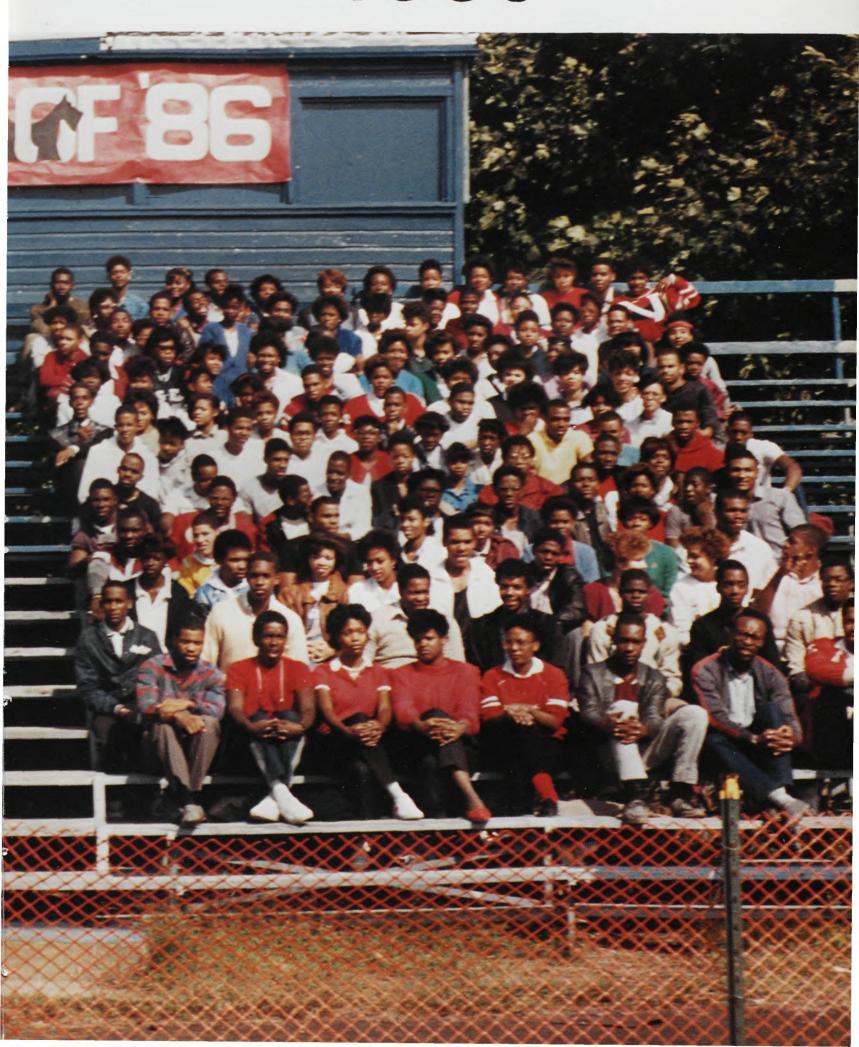

CLASS OF

EXPRESSIONS

Expressions can be happy, sad, funny, and mad. Expressions are different for everyone, especially when their lives can be as bright as the sun.

Expressions are different for each and every mood.

You can have an expression when you are angry or glad.

Expressions show the way people feel; some are true and some are real.

Do you see these expressions on these faces? These expressions do leave many traces.

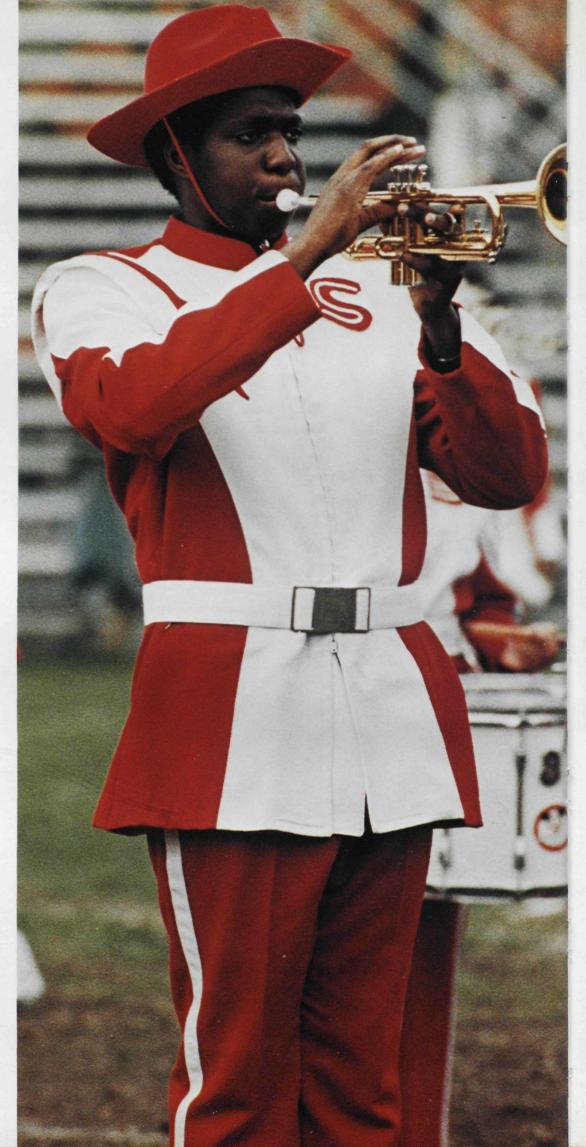

DIGNITY AND SPIRIT

Working hard together
Can help obtain good things.
The spirits of indulgence
Can make your thoughts take wings.

Striving for a goal, Aching just to win Driving for perfection Working to no end.

Soon you find you're finished With the task begun The challenge greatly mastered Has finally been won.

It all seems to pay When they remember you For having sought to win In the good you tried to do.

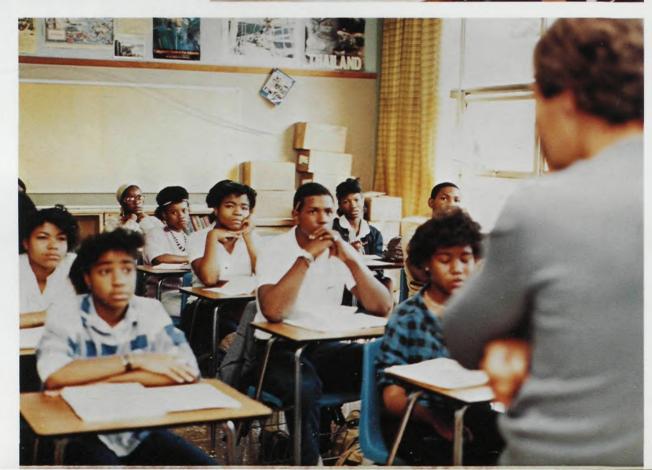

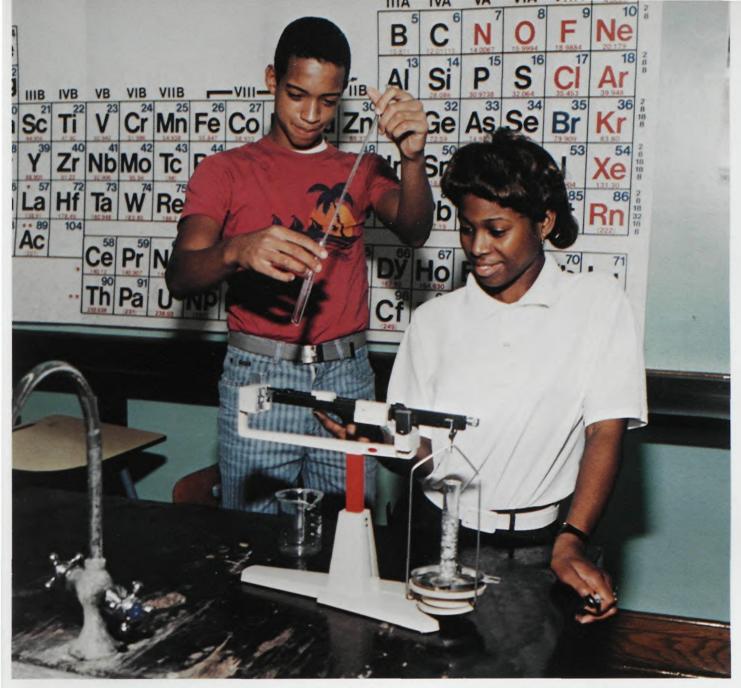

ENLIGHTENMENT

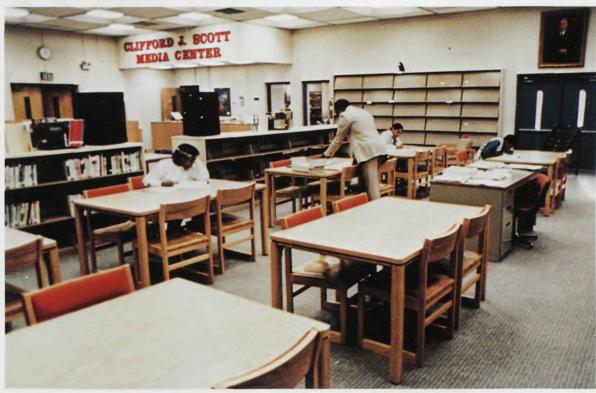

As time began to roll away,
I began to see a new me appear.
A me that I had never seen before.
A me that was mature, knowledgeable, and wise . . .

THE BEGINNING

We have just ended a time of hard work, determination, and enduring education.

A time of good and sad . . . And now leaving everything behind that we once had.

We are about to leave the ones that are dear.

Going out on our own leaves great fears.

We shall dream about the old times and think about the new.

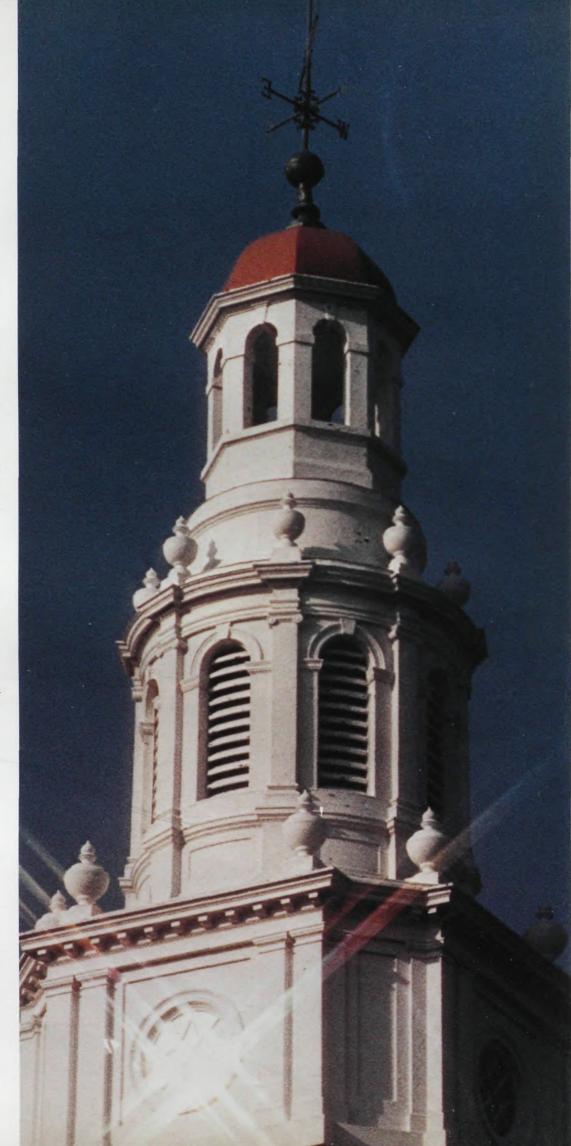

Knowing that the times we have left will possibly vanish in a few . . .

Just thinking about leaving, leaves pain in our heart.

But we all know we have to make a fresh start.

The time of ending leaves us in sorrow.

But we shall make a new BEGINNING ON A BRIGHT TOMORROW.

Senior Advisor Mrs. S. Watson flashes a sweet smile as she enters the Junior Prom.

As we reach out our hand The diplomas we grasp, Thinking of the memories Of the years in the past.

Tears fill our eyes, Because it's all gone, We're starting a new life, We have to move on.

We hope friends will keep in touch as the years pass by. Although it hurts inside, We'll try not to cry.

We think of kindergarten

And our first day. Now we've reached the end, We are going away.

How do you say good-by To friends who mean so much? Will there be time To sincerely keep in touch?

We'll always have the memories Of our school years from day one.

Don't think of life at CJS as ending.

Think — a new life has begun.

Tammi Darling and her escort have assumed a serious mood for the evening.

Malana Mc Clinton makes sure that her escort for the evening looks his best.

Prom King Hilton Rawls and Prom Queen Stacia Douglas triumphantly pose for the camera.

IN MEMORIAM SHAWN ANTHONY PIERCE THE 1986 GRADUATES DEDICATE THIS PAGE TO THEIR FALLEN CLASSMATE AND FRIEND.

"Shawn, You Will Always Be Remembered"

There are things in life
We cannot understand,
Which makes us wonder
About the many problems at hand.

The death of Shawn Anthony
Was a shock to all of us;
But we must stay strong, be happy,
And live life to its fullest.

Life has many ups and downs, And we have to face them, The sudden loss of our beloved friend,

We'll never forget; we'll cherish him.

We all have shed many a tear,
To a fine football player
We held so dear,
The time will come when
We shall be together,
Which will endear us again forever.

This we seniors and friends all hold so true, Shawn Anthony Pierce, We shall miss and

Always love you.

Poem composed by Keith Oden

FACULTY

We would like to thank our FACULTY for all of their loving care.

When we needed someone to talk to, they were always there.

Even though we sometimes seem unreal.

We are only covering up the way we really feel.

Just a little — thank you —

that means much more than the rest.

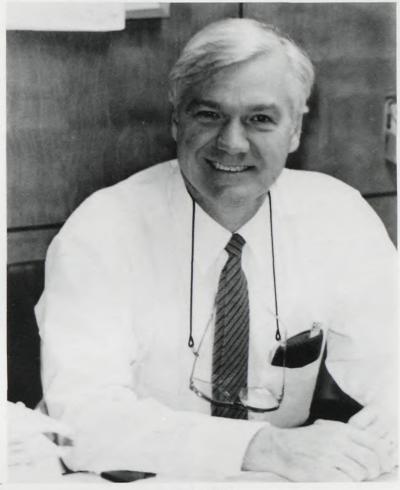

From the students of C.J.S., Our FACULTY is the very best.

Life and Death

We all must live. We all must die. And during that time, We seem to cry.

But we must remember When we had fun,

Some of us still mourn, Even though you're gone. But we must still stay strong

Laughing and joking With everyone.

To lose or be set back Is nothing but a test. For in the end, as we all know C.J.S. is the very best.

Our talent in school is shown And our skill in sports displayed.
