## THE FIRST DAY

It's 9 o'clock, we overslept!  
Fines to pay, cause we're in debt.  
Get up, get dressed, we're on our way.  
We're SCOTTIES, there's no time to play.  
Meet with the counselor, pay for the books.  
Schedule changes — "We can't overlook."  
Straight to the class for orientation.  
Notebooks, pencils, pens in preparation.

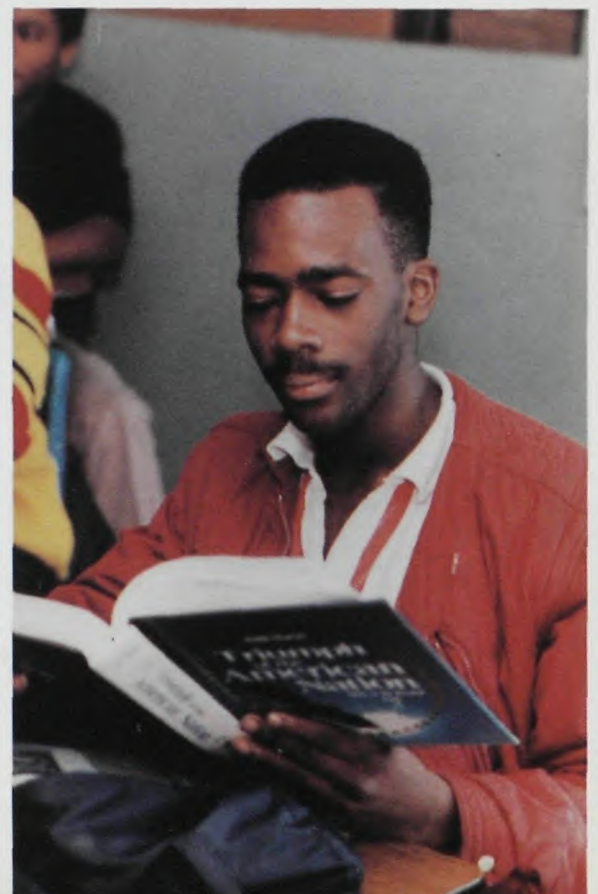

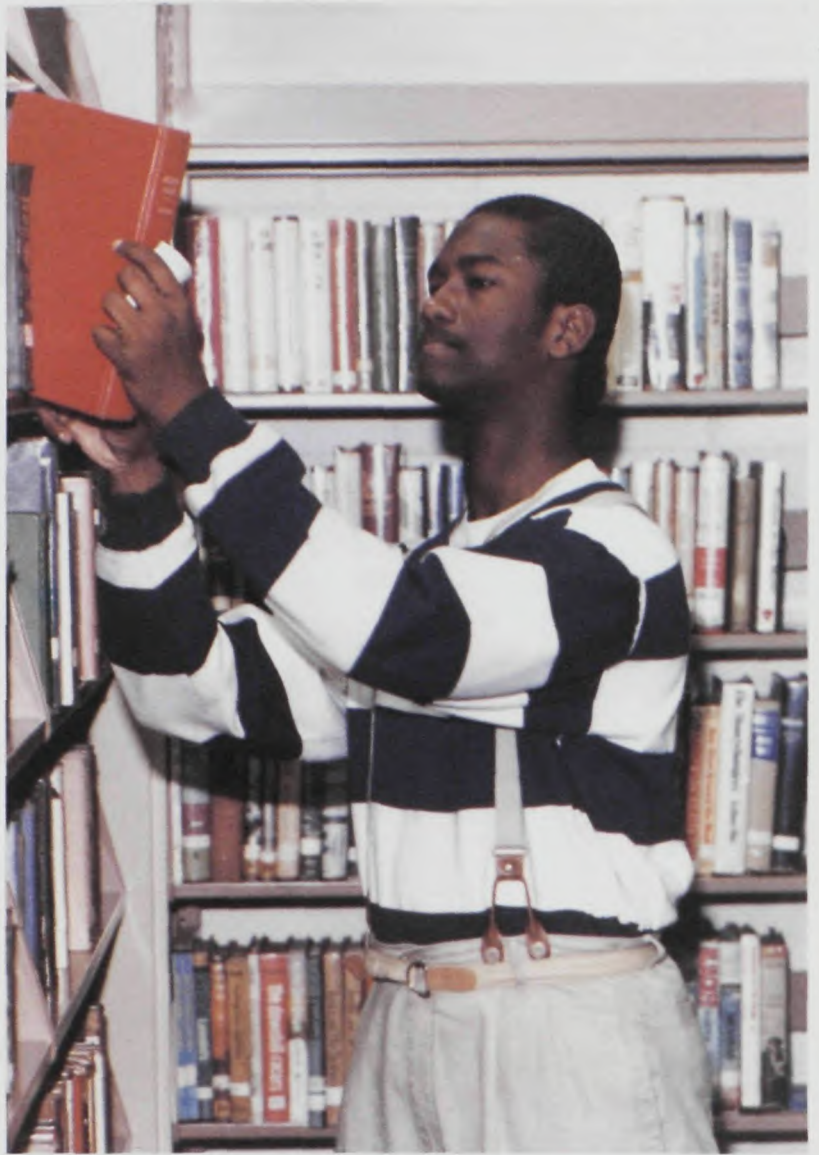

The first day at school — no need to be sad.  
Though summer is over, we all should be glad.  
Put a smile on our faces, be patient and wait.  
Always remember, "We'll soon graduate!"

# ENLIGHTENMENT

These four years at Clifford J. Scott —  
Put a new shine on my face,  
As I met challenges and achieved success.  
Upon opening the doors to walk inside,  
The school always greeted me  
With a welcoming smile.  
I've become a new me; I've turned a new leaf.  
Clifford J. Scott, just look, look at me —  
What a wise person you made of me!

## TOGETHERNESS

Laughing, talking, having fun —  
 Within these walls we are as one.  
 Closely related, often in disguise,  
 It is in our hearts you'll find the prize.  
 "Togetherness" is the booty that we cherish.

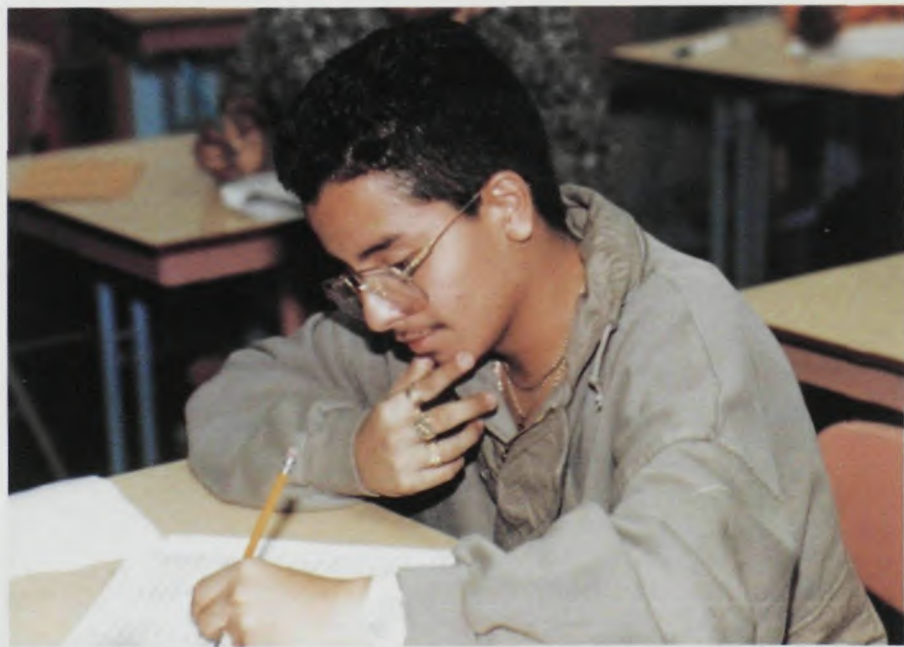

TOGETHERNESS

# WITHIN THESE WALLS

These hallowed halls  
That we know so well  
Will hold our remembrance  
Will cherish our farewell.  
A "good bye" to this building  
Our home for the day.  
So-long cafeteria,  
We'll meet again some day.  
We'll miss the heatless mornings,  
Fire drills in the rain,  
The principal's speeches,  
The security guard's charades.  
The crowded halls it seems  
were a vital part.  
We'll never lose those memories  
From which our knowledge grew.  
Scott, we shall remember you.  
Anywhere we roam,  
Regardless of our station in life,  
We'll always come back home.

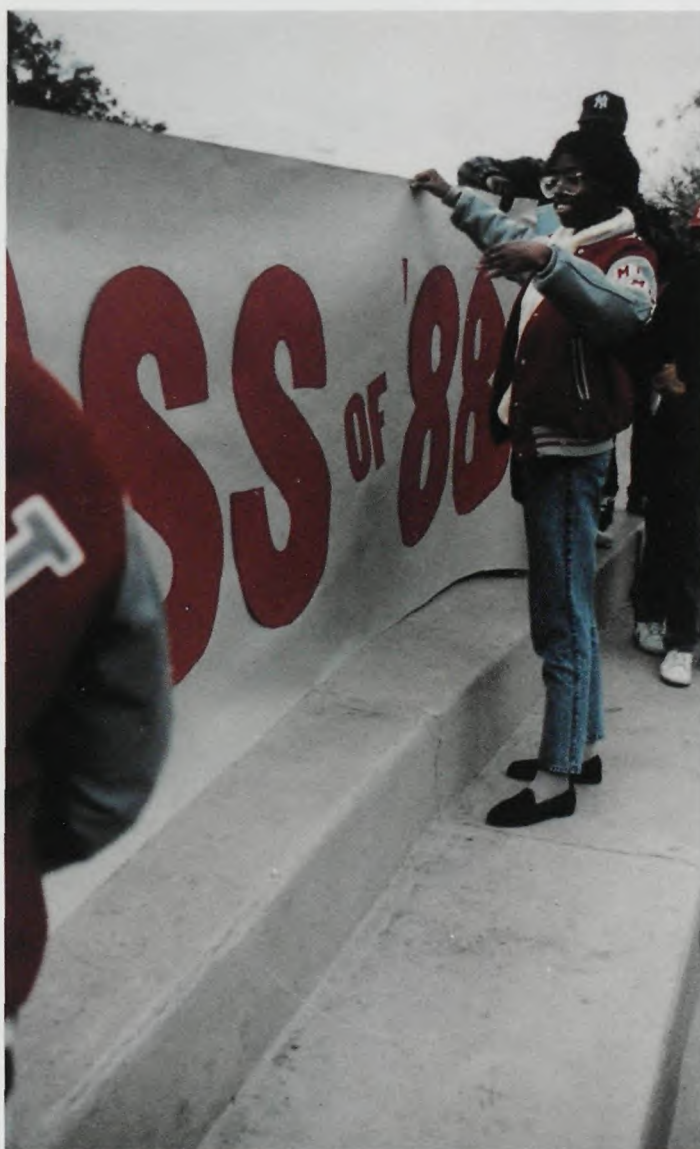

MAKING

of the  
SCHOOL  
PICTURE

It was a cloudy, grim, and misty day.  
 Still excitement was aroused in every way.  
 OOM! The rain, my hair, do I look okay?  
 Chattering, noise, and movement began to cease,  
 But deep down there was no relief.  
 We thought of Scott; we thought of our friends.  
 We hoped and wished it would never end.  
 As we sat, along with getting prepared  
 Into the camera is where we stared.  
 We got it together; we got it straight —  
 And then SMILED ... FOR THE CLASS of  
 1988.

# CONCENTRATION

Concentration is revealed by a sense of deep thought

Working strenuously on some problem or technique.

Concentration and the mind must work hand-in-hand,

For it's the tension behind that we can't stand.

Concentration is the KEY to the solutions in which we seek,

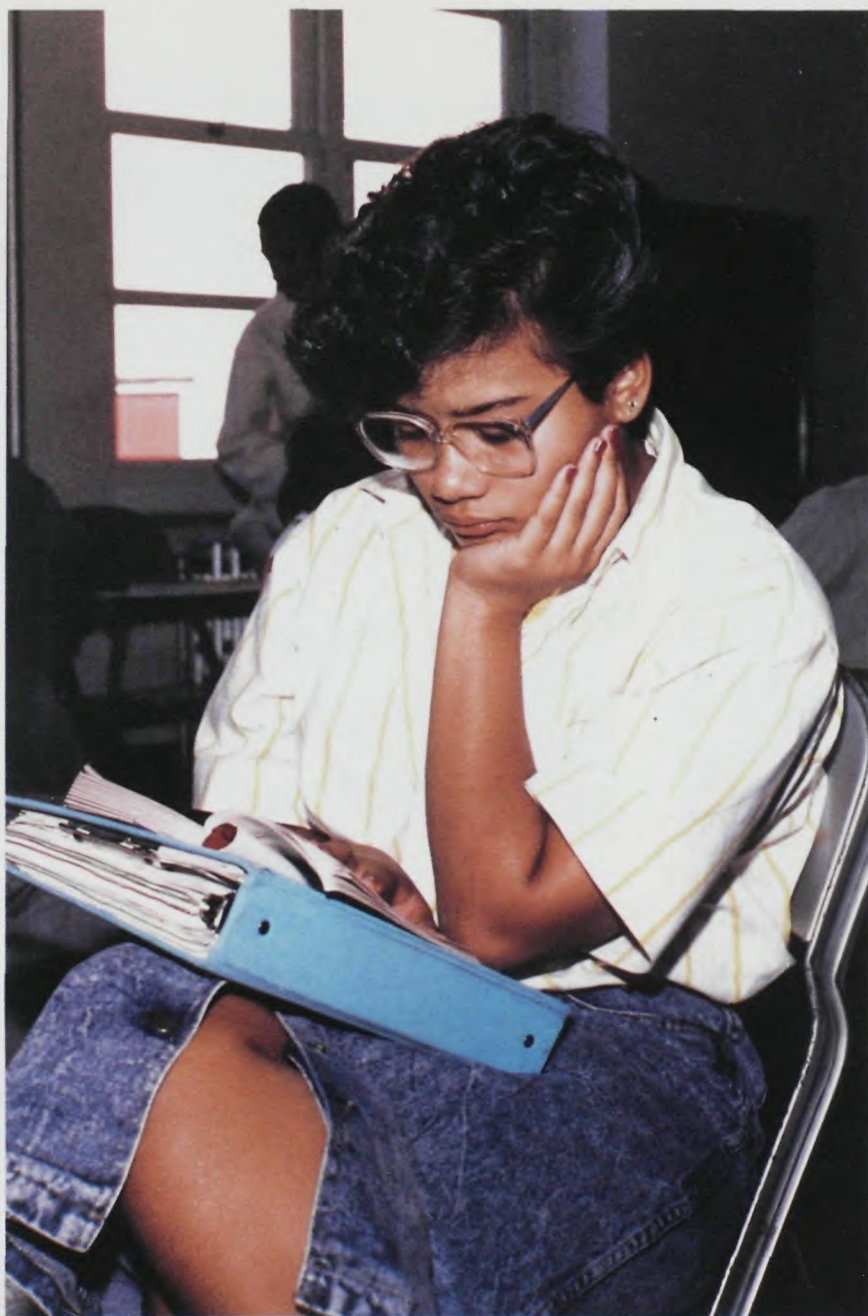

The ones we'll find, the one's we'll always keep.

We need concentration to enhance our young minds.

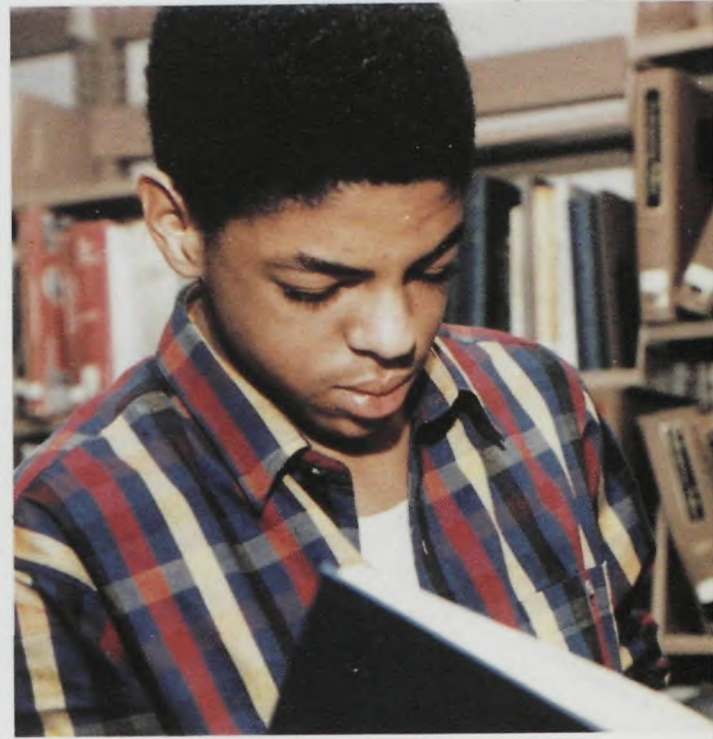

Building, expanding, forever and ever.

As the years go by, we shall grow and mature —

Keeping CONCENTRATION sound, safe, and secure.

# SCOTTIE SPIRIT

Working hard together  
Can help obtain good things.  
The spirit of indulgence  
Can make your thoughts take wing.  
Striving for a goal  
Aching just to win  
Driving for perfection  
Working to no end.  
Soon you find you're finished  
With the task begun.  
The challenge greatly mastered  
Has finally been won.  
It all seems to pay  
When they remember you  
For having sought to win  
In the good you tried to do.

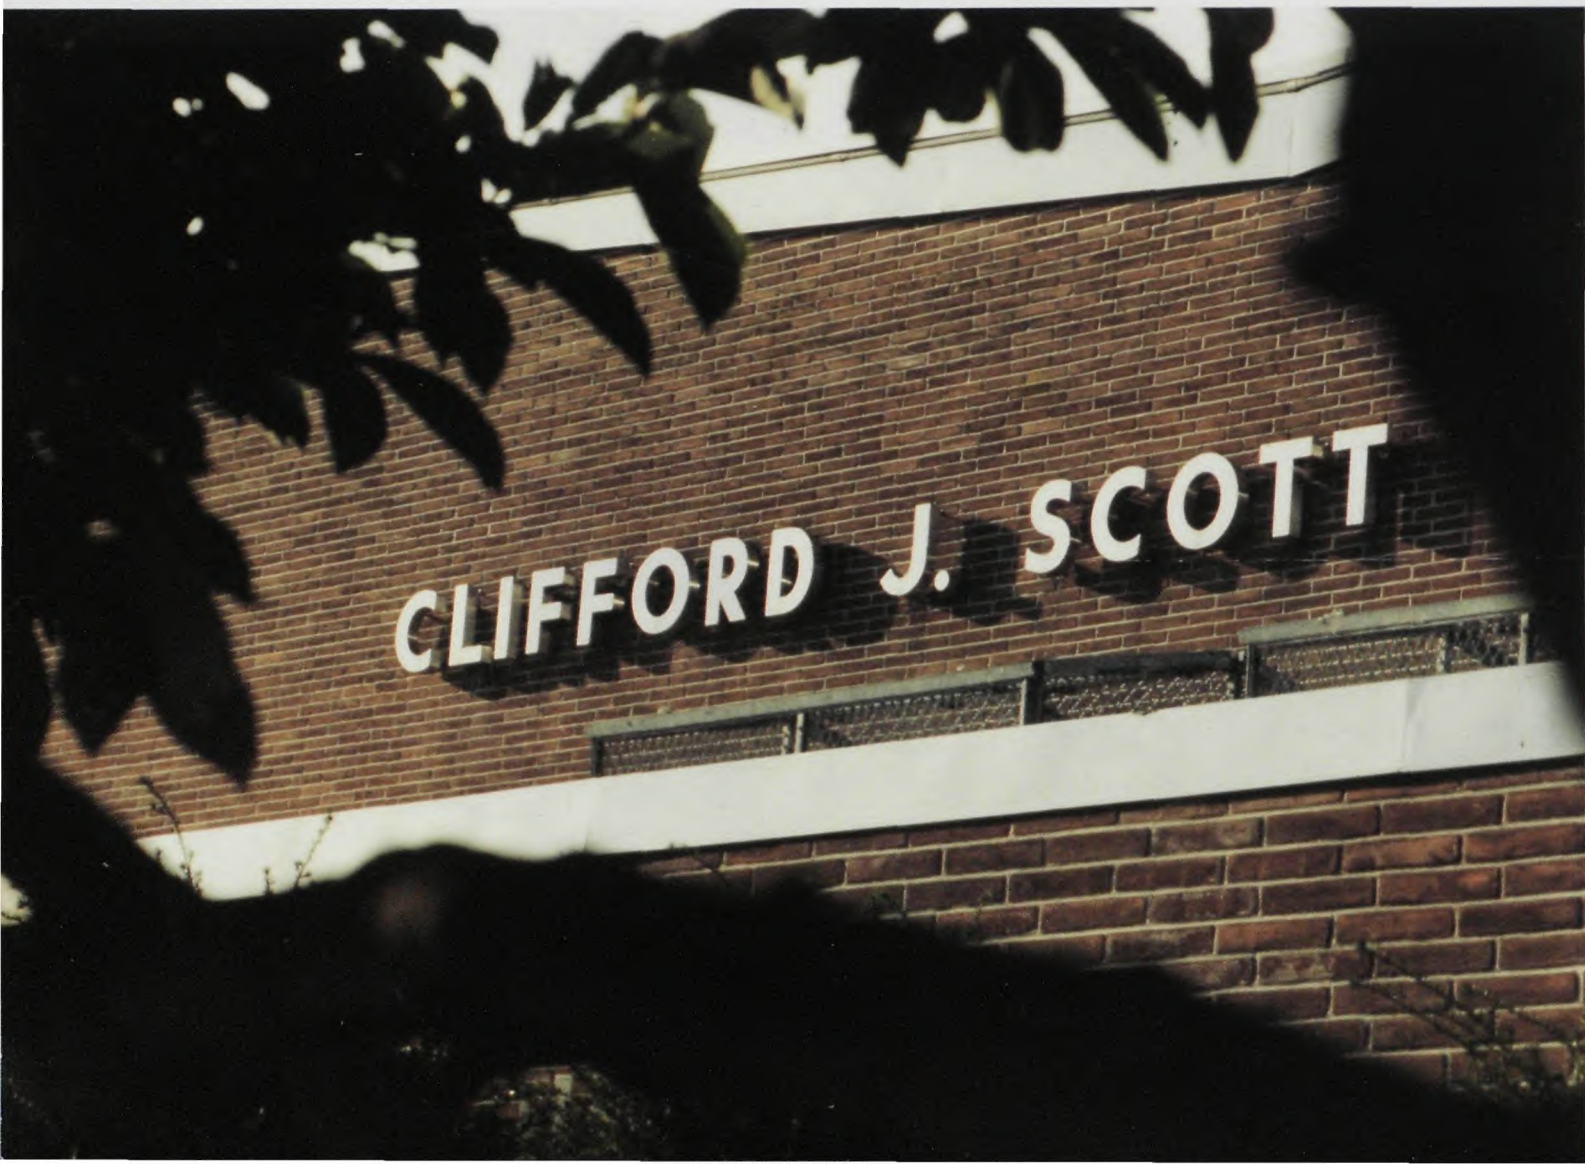

THE BEGINNING

The times we shared glow deep in our hearts.  
Ones which we shall cherish, but soon depart.  
The good times, the bad times, the happy, the sad  
The times we were cheerful; the times we were mad.  
Now come the new times, the old times forgot  
So we must say good-bye to Clifford J. Scott.  
Everyone going in their own direction.  
Determination, Success — Aiming straight for the top  
On and on — this feeling will never stop ...  
Leaving behind a masterpiece  
Where unity and love are practiced so true.  
It's over, ended, everything BRAND NEW.  
Just keep in mind and never forget.  
The knowledge we acquired above all the rest  
Will guide us through that BEGINNING test.

## JAVIER OMAR VELIZ

The TARTAN staff and the SENIOR CLASS of 1988 dedicate the Senior Section to Javier. YOU WILL BE REMEMBERED.

# IN MEMORIAM

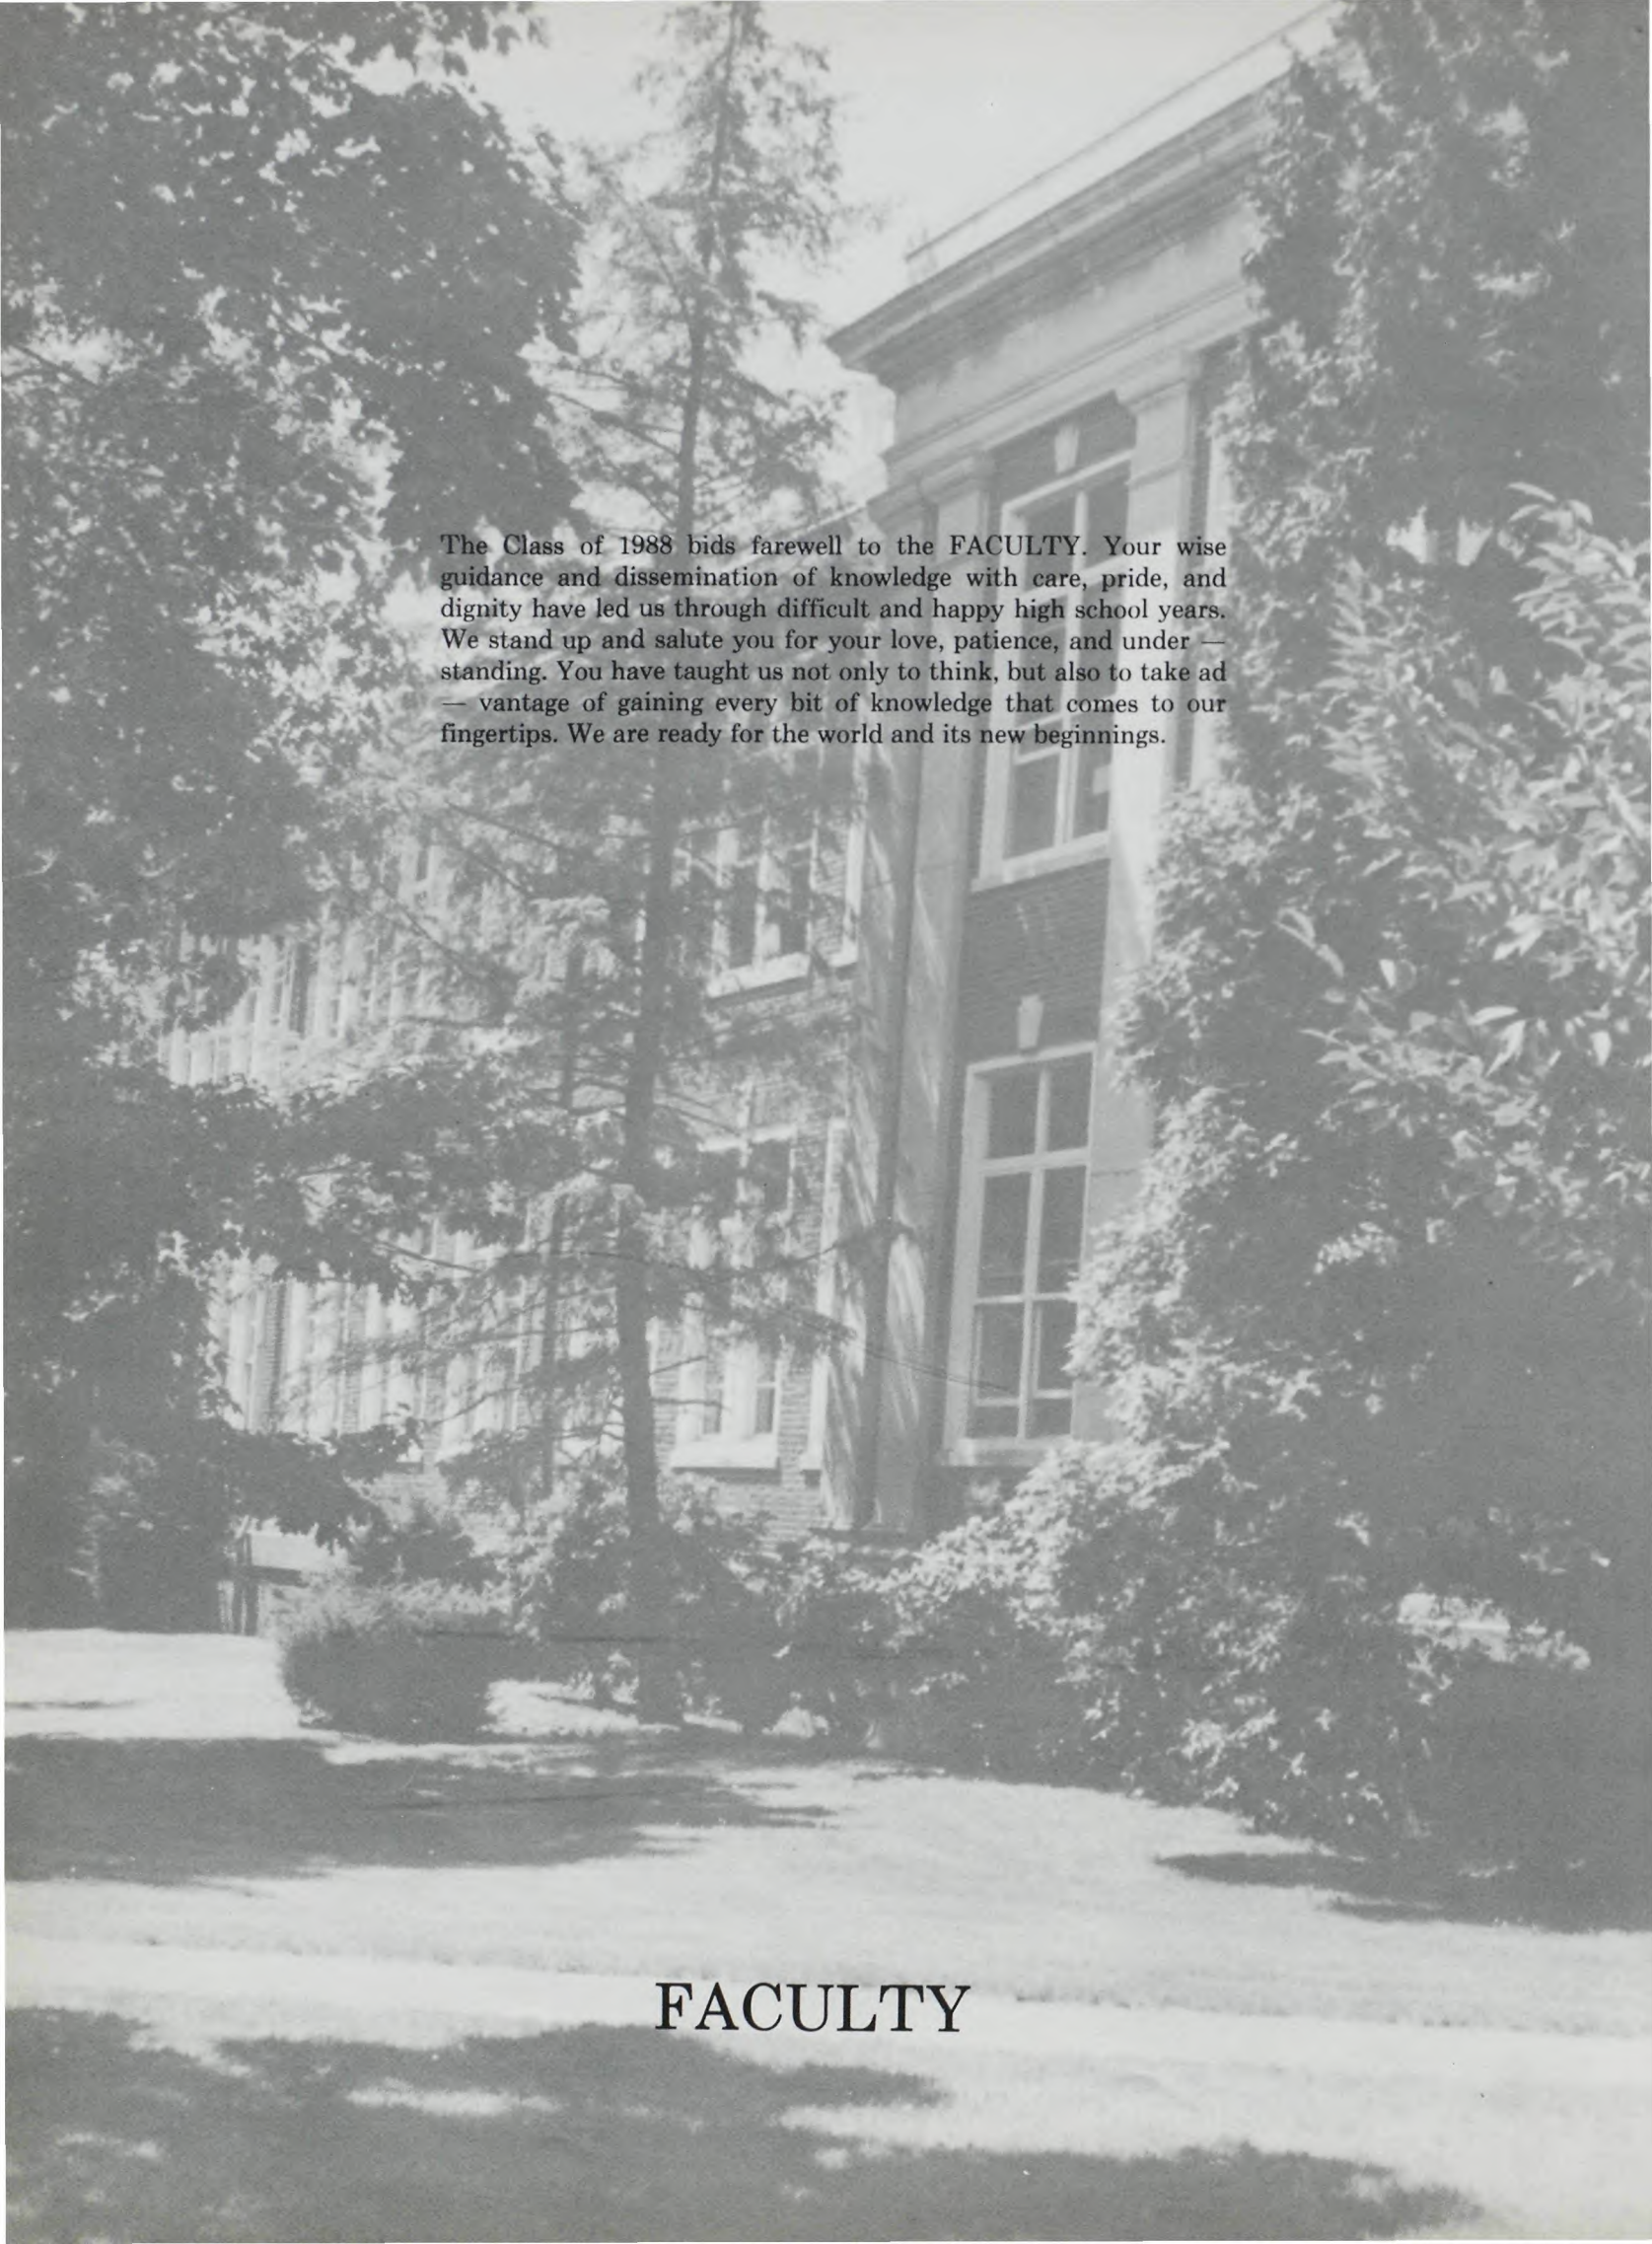

Javier Omar Veliz was on this earth for a brief time. He didn't get a chance to establish his fame. He was tragically taken from the Scott family in January, 1988. While at Clifford J. Scott, Javier was a gentleman and a scholar. He was a member of the National Honor Society for three years and participated in Varsity Soccer and Baseball. He earned an academic reputation by being on the honor roll and would have graduated with the honor of being ninth in his graduating class. If Javier were here today with us, he would tell each Scottie to be proud and dignified no matter what the situation was. He would remind everyone he came into contact with to listen, think, and concentrate. He was ready for the real world and he now challenges each Scottie to work to their optimum. Javier, you will be missed by one and all . . .

## When One Is Gone

by Marion Roberson

When one is gone, Oh! you cry so much.  
'Cause the dreams they lived, They may not've touched.  
When the fight goes on and one is lost, Do not cry — Fight on.  
When the soldier dies before the battle has begun, March on although one is gone.  
Did he die in vain — no, he battled for his need.  
Did God decide his fate — No, God would never harm the good.  
Did he have to die — To take away the pain as only God could.  
So, when you look up to the night,  
See the new star that's so bright.  
Know, Javier, is alright, he's alright, He's in the light.

The Class of 1988 bids farewell to the FACULTY. Your wise guidance and dissemination of knowledge with care, pride, and dignity have led us through difficult and happy high school years. We stand up and salute you for your love, patience, and understanding. You have taught us not only to think, but also to take advantage of gaining every bit of knowledge that comes to our fingertips. We are ready for the world and its new beginnings.
